

Conference Committee on House Justice Appropriations Subcommittee/ Senate Appropriations Committee on Criminal and Civil Justice

House Offer #1 SB 2508 - State Cybersecurity Operations

> Monday, April 24, 2023 7:30 p.m. (404 HOB) Sumner Hall

Senate Appropriations Committee on Criminal and Civil Justice / House of Representative Justice Appropriations Subcommittee FY 2023-2024 Conforming Bill — SB 2508: State Cybersecurity Operations

Section	Senate SB 2508	House	Senate Offer #1	House Offer #1
1	Provides for a type two transfer all positions, duties, functions, records, existing contracts, administrative authority, administrative rules, and unexpended balances of appropriations, allocations, and other public funds related to the Cybersecurity Operations Center (CSOC) and related services from the Florida Digital Service (FDS) within the Department of Management Services (DMS) to the Department of Law Enforcement (FDLE). The transfer includes the State Chief Information Security Officer position.	N/A	Senate	House – No Language
2	 ➤ Amends s. 282.318, F.S., to require the DMS, acting through the FDS to: Annually review agency strategic and operational cybersecurity plans for compliance; Provide findings to the state chief information security officer for review confirmation; Notify agencies of confirmed findings and the date by which the agency must submit a corrective action plan; Review corrective action plans submitted by agencies; Track and monitor progress of the implementation of corrective action plans; Review state agency annual risk assessment findings and track and report on corresponding remediation plans; and Obtain approval from the state chief information security officer for cybersecurity training curriculum and the cybersecurity governance framework. ➤ Removes the incident response reporting process from the cybersecurity governance framework. ➤ Designates FDLE as the lead entity responsible for enterprise security operations including: Selecting an employee to serve as the state chief information security officer; Reporting all confirmed or suspected incidents or threats of state agency information technology resources to the state chief information officer Governor; Developing and annually updating a statewide cybersecurity strategic plan; Operating and maintaining a cybersecurity operations center; Coordinating with FDS to support state agencies; Requiring the state chief information security officer to coordinate with the Florida Digital Service and approve the cybersecurity governance framework and training curriculum; and Developing and publishing a cybersecurity incident reporting process that includes procedures and secure communic	N/A	Senate	House – No Language
3	 Amends 282.3185, F.S., to require state agencies to coordinate with the FDLE and to submit to the FDS: Corrective action plans for confirmed findings related to non-compliance with the cybersecurity governance framework within 90 days of notification; Quarterly status reports on the implementation of corrective cybersecurity action plans until fully resolved; and Requires agencies to conduct comprehensive cybersecurity risk assessments on an annual basis instead of once every three years.
