4   **Amendment (with title amendment)**
5   Between lines 330 and 331, insert:
6   (18) The secretary shall develop and operate a digital
7   election compliance engine to aggregate, track, and process
8   county-level election data. All supervisors must ensure and
9   certify that elections data from all their election systems in
10 their respective counties must be provided to the secretary on a
11 weekly basis, in order for the secretary to properly evaluate
12 and oversee the supervisor's election information systems. The
13 election compliance engine must, at a minimum, analyze voter
14 registration data, voter registration list maintenance data,
15 signature verification data, cast vote record data, and election
