SUMMARY ANALYSIS

The bill conforms to the proposed House of Representatives' Fiscal Year 2023-2024 General Appropriation Act (GAA). The GAA contains funding for the creation of the Memorial Park within the expanded Capitol Complex. See Fiscal Analysis & Economic Impact Statement.

Chapter 272, F.S., provides that the Capitol Center is under the general control and supervision of the Department of Management Services (DMS), which includes the management and maintenance of both the grounds and buildings. DMS is authorized to allocate space in the specified buildings to house various departments, agencies, boards, and commissions except the Supreme Court Building. The Capital Complex is an area located within the area of the Capitol Center. Section 281.01, F.S., defines the Capitol Complex as the Capitol Building, the Historic Capitol, Senate Office Building, House Office Building, Knott Building, Pepper Building, and the Holland Building. The management, maintenance, and upkeep of the Capital Complex is also the obligation of DMS.

Under current law, a monument is defined as "a marker, statue, sculpture, plaque, or other artifice, including living plant material, placed in remembrance or recognition of a significant person or event in Florida history." DMS, in consultation with the Florida Historical Commission, is required to set aside an area of the Capitol Complex to dedicate a memorial garden on which authorized monuments must be placed. The construction and placement of a monument on the premises of the Capitol Complex is prohibited unless authorized by the Legislature in general law.

The bill expands the Capitol Complex to include the Holland Building, the Elliot Building, the R.A. Gray Building, and their associated parking garages. To effectuate this change, the bill expands the area of the Capitol Complex by including the state-owned lands and public streets adjacent within an area bounded by and including Calhoun Street, East Pensacola Street, Monroe Street, Jefferson Street, West Pensacola Street, Martin Luther King Jr. Boulevard, and Gaines Street.

The bill removes the requirement that DMS, in consultation with the Florida Historical Commission, dedicate a memorial garden. Instead, the bill requires DMS to set aside and dedicate an area of the Capitol Complex to be known as "Memorial Park", where authorized monuments will be placed. The bill defines "Memorial Park" as the portion of the Capitol Complex existing between and including the Elliot Building and the Holland Building within an area bounded by and including Monroe Street, Gaines Street, Calhoun Street, and East Pensacola Street.

I. SUBSTANTIVE ANALYSIS

A. EFFECT OF PROPOSED CHANGES:

Background

Capitol Center and Capitol Complex

Chapter 272, F.S., provides that the Capitol Center¹ is under the general control and supervision of the Department of Management Services (DMS),² which includes the management and maintenance of both the grounds and buildings.³ DMS is authorized to allocate space in the specified buildings to house various departments, agencies, boards, and commissions except the Supreme Court Building.⁴ Additionally, DMS has the authority to provide for the establishment of parks, walkways, and parkways on the grounds of the Capitol Center.⁵ This responsibility has historically included assistance in establishing and maintaining public memorials throughout the Capitol Center, including project management, and oversight of the design and construction of memorials.⁶

The term “Capitol Complex” is defined to include:

that portion of Tallahassee, Leon County, Florida, commonly referred to as the Capitol, the Historic Capitol, the Senate Office Building, the House Office Building, the Knott Building, the Pepper Building, the Holland Building, and the curtilage of each, including the state-owned lands and public streets adjacent thereto within an area bounded by and including Monroe Street, Jefferson Street, Duval Street, and Gaines Street. The term shall also include the State Capital Circle Office Complex located in Leon County, Florida.⁷

DMS is responsible for the management, maintenance, and upkeep of the Capital Complex and has authority to employ a superintendent of the grounds and other employees, and to designate or appoint a nonsalaried advisory committee to advise them.⁸

Capitol Complex Monuments

A monument is defined as “a marker, statue, sculpture, plaque, or other artifice, including living plant material, placed in remembrance or recognition of a significant person or event in Florida history.”⁹ DMS is required to set aside an area of the Capitol Complex to dedicate a memorial garden on which authorized monuments must be placed.¹⁰ The construction and placement of a monument on the premises of the Capitol Complex is prohibited unless authorized by general law. Additionally, the construction and placement of a monument on the premises of the Capitol Complex must be approved, after considering the recommendations of DMS and the Florida Historical Commission¹¹, by the:

- The Governor, or his or her designee.
- The Attorney General, or his or her designee.
- The Chief Financial Officer, or his or her designee.
- The Commissioner of Agriculture, or his or her designee.

Effect of Proposed Changes

The bill amends ss. 272.09, 281.01, and 943.60 F.S., to add Holland Building, the Elliot Building, the R.A. Gray Building, and their associated parking garages to the Capitol Complex. The bill defines “Memorial Park” as the portion of the Capitol Complex existing between and including the Elliot Building and the Holland Building within an area bounded by and including Monroe Street, Gaines Street, Calhoun Street, and East Pensacola Street.
