**PREK-12 EDUCATION APPROPRIATIONS - PROVISO BUMP ISSUES**

#	House Bump	Senate Bump	House Bump Offer # 1	#
1	<p>From the funds in Specific Appropriation 96, \$5,000,000 in nonrecurring funds from the General Revenue Fund is provided to the Department of Education to award transportation grants to school districts and charter schools for purposes of implementing the start time requirements of HB 733 prior to July 1,2026, and is contingent upon HB 733 or similar legislation becoming law. The release of funds is contingent upon a school district or charter school submitting an implementation plan for the 2024-2025 or 2025-2026 school year, to the Department of Education, in a format prescribed by the department. The Department of Education shall provide a report to the Legislature before January 1, 2024, that details school district expenditures for these funds and the effect of later start times on the following: student and school performance, truancy, absenteeism, tardiness, drop-out rates, and mental and behavioral health.</p>	<p align="center">Maintain Senate Position. Not included</p>	<p><b>House Offer Modified Proviso:</b>            From the funds in Specific Appropriation 96, \$5,000,000 in nonrecurring funds from the General Revenue Fund is provided to the Department of Education to award <del>transportation</del> grants to school districts and charter schools for purposes of implementing the start time requirements of HB 733, or similar legislation, prior to July 1,2026, and to conduct a survey of six department-selected school superintendents which represent two small, two medium, and two large counties regarding the estimated costs to implement such school start times <del>is contingent upon HB 733 or similar legislation becoming law.</del> School districts and charter schools may use grant funds to develop and implement a plan that includes the transportation, instructional planning, and other school-related resources necessary to implement the start time requirements of HB 733 or similar legislation. The release of funds is contingent upon a school district or charter school submitting an <del>application</del> <del>implementation plan</del> for the 2024-2025 or 2025-2026 school year that includes the estimated costs and timeline for implementing the start time requirements of HB 733 or similar legislation, to the Department of Education, in a format prescribed by the department. The Department of Education shall provide a report to the Legislature before January 1, <del>2026</del> 2024, that details for the school districts and charter schools awarded a grant their total grant expenditures <del>for these funds</del> and the effect of later start times on the following: student and school performance, truancy, absenteeism, tardiness, drop-out rates, and mental and behavioral health.            The Department of Education shall provide a report to the Legislature before January 1, 2024, for the school districts selected for the survey, the estimated costs to implement the start time requirements. This funding is contingent upon HB 733 or similar legislation becoming a law.</p>	1

2	The funds in Specific Appropriation 99 are provided for the SEED School of Miami as provided in section 1002.3305, Florida Statutes.	The funds in Specific Appropriation 99 are provided for the SEED School of Miami as provided in section 1002.3305, Florida Statutes. <u>The Department is authorized to supplement quarterly payments up to the amount appropriated for operational expenses in the event the student population falls short of forecasted enrollment.</u>	Accept Senate Position	2
3	Not included.	From the funds provided in Specific Appropriation 134, <u>\$3,501,897</u> <del>\$250,000</del> in nonrecurring funds from the General Revenue Fund is provided to the Department of Education for the procurement of a statewide curriculum and library transparency tool. The department shall procure a statewide curriculum transparency tool that will provide parents, teachers, students, and community members with access to school district instructional materials and library books. The tool must be an enterprise content management system and a SaaS-based web software solution that can be completely configured, branded, and deployed specifically for the Florida Department of Education for use by all 67 school districts. The platform must allow for the discovery, display, review, and ability to provide comments on a wide range of digital educational content, including but not limited to instructional materials, library books, classroom library materials, lesson plans, assessment content, curriculum standards, and teacher professional development. The tool must also provide parents with the ability to "opt-out" of individual books in school and classroom library through a secure and confidential platform.	Maintain House Position	3
