**Representative Andrew Learned to Hold Press Conference
with Representative Spencer Roach on Cannabis Regulation
Legislation**

Tallahassee, Fla- On Wednesday, Dec. 1, **Representative Andrew Learned (D-Brandon)** and **Representative Spencer Roach (R-Fort Meyers)** will be hosting a press conference to discuss [HB 679: Cannabis Regulation](#).

WHO: **Representative Andrew Learned**
Representative Spencer Roach

WHAT: Press Conference on HB 679 Cannabis Regulation

WHEN: Wednesday, Dec.1, 2021
Noon

WHERE: 4th Floor Rotunda

Representatives Learned and Roach issued the following statements.

"This bill represents the best of bipartisan compromise in your Florida House," said **Representative Learned**. "We are working to deliver significant cost savings for patients, make the program more user-friendly, and at the same time ensure safety for both patients and our children."

"This is a true bipartisan effort to ensure patients have access to a safe medical marijuana program as demand by an overwhelming majority of Florida voters in 2016, by putting common sense safeguards in place to develop standards, increase transparency, and keep MMJ products away from children," said **Representative Roach**.
