Leader Driskell Reacts to Half Billion Dollars in Budget Vetoes

Tallahassee, Fla. – House Democratic Caucus **Leader Fentrice Driskell (D-Tampa)** reacts to today’s budget vetoes:

“Budgets aren’t just numbers on spreadsheets, they’re a reflection of our values and priorities. Unfortunately, these vetoes show that Ron DeSantis doesn’t understand the problems that real Florida families are struggling with every day.

This budget was written and passed unanimously by the Florida Legislature, and while no budget is ever perfect, this one did a lot of good for the people of Florida. Unfortunately, DeSantis cut half a billion dollars from projects to keep Floridians healthy, protect us from storms, and improve our schools and roads.

Ron DeSantis and his veto pen made Florida worse off today.”
