Rep. Andrew Learned Responds to Governor DeSantis' OSHA Lawsuit

Tallahassee, Fla. – Today, Governor Ron DeSantis continued his efforts to waste taxpayer money on lawsuits to further his political ambitions. **Representative Andrew Learned (D- Brandon)** issued the following statement:

“The Governor is playing presidential primary politics by putting Floridians at risk. This isn't about vaccines or vaccine mandates, it's about the cornerstone of workplace safety, like hard hats on a construction site. By joining this unnecessary lawsuit, the governor is wasting the state's time & money and continuing to risk the safety of Floridians.”
