BOCA RATON, Fla. – State Representative Kelly Skidmore (D-Boca Raton) and State Senator Tina Polsky (D-Boca Raton) are excited to announce their annual bill writing contest, “It Ought be a Law,” open to students at West Boca Raton Community and Olympic Heights High Schools. The contest asks students to identify an issue in their community and submit a solution that could be solved through statewide legislation. **Representative Skidmore** and **Senator Polsky** will sponsor the winning bill as potential legislation for the upcoming 2022 legislative session.

According to **Representative Skidmore**, “This contest is an excellent opportunity for students to participate first-hand in the legislative process and get a behind-the-scenes look at the bill-making process.” Students are encouraged to be creative! Entries can touch on a wide range of issues that can be addressed by legislation and will improve the quality of life in their communities and throughout the state of Florida. Students can enter individually or as a group. Deadline for submission is Friday, Oct. 1 2021.
