**Statement by Florida House Democratic Co-Leader Bobby
DuBose on Protests in Cuba**

TALLAHASSEE, Fla. – Florida House Democratic **Co-Leader Bobby DuBose (D-Ft. Lauderdale)** issued the following statement in response to the protests in Cuba.

“History has taught us all too well that when a government tries to oppress its citizens, they will face a powerful resistance. I stand firmly with the people of Cuba as they bravely unite their voices and take to the streets in demand for much needed relief from the pandemic and self-autonomy from its authoritarian rulers.”
