Representative Daisy Morales Partners with Farm Share and Community Organizations for Free Food Giveaway

ORLANDO, Fla. – On Tuesday, August 16 at 10 a.m., **Representative Daisy Morales (D-Orlando)** will partner with Farm Share and other community partners, including Lady Storm Foundation, One More Child and 4 Roots Feed The Need Florida for a free Drive Thru Food Distribution. The event is first come, first served until supplies are exhausted and is open to all members of the community who choose to attend.

“For families who live with food insecurity, these events help reduce the economic burden on households that may be struggling to pay the bills each month. Many of our neighbors are in much needed assistance to feed their families. The free food distribution is to help those families in need of the most basic necessity of food,” said **Representative Morales**.

Representative Morales will be available to speak with media.
