4. EFFECTIVE DATE AND TERM OF AGREEMENT. This Agreement shall become effective and commence on October 26, 2021 and shall remain in effect for three (3) years, terminating on October 25, 2024.
5. TERMS OF PERFORMANCE.

5.02 Representatives. Prior to the start of any work under this Agreement, Supplier shall designate a primary and alternate representative, who will have management responsibility for the Services and who have authority to act on technical matters and resolve problems with the Services and the Contract Documents, to TBARTA in writing ("Supplier's Representative"). Such designation shall include the contact information (including phone numbers) of Supplier's Representative. TBARTA will advise Supplier in writing of the personnel who will represent TBARTA in the administration of the Contract Documents ("TBARTA'S Representative"). Such writing from TBARTA may include the specific duties of each individual and each representative's limits of authority.

5.04 Status Reports. Supplier shall submit monthly written status reports to TBARTA outlining the status of the Services to date throughout the term of this Agreement. Each status report shall be a concise narrative description of activities to date and planned activities until the next status report. Supplier shall provide services of first quality, and all work and workmanship associated with the Services must be in accordance with customary standards of the various trades and industries involved in the Services. The Services and all work associated therewith shall be high-quality in all respects. No advantage will be taken by Supplier in the omission of any part or detail of the Services. Supplier hereby assumes responsibility for all materials, equipment, and

TBARTA will communicate directly with Supplier's Representative and shall have no authority to direct, oversee, or instruct Supplier's employees, subcontractors, or materialmen, or any other individuals performing the Services. Omission of any applicable laws, ordinances, rules, regulations, standards or orders by TBARTA in the Contract Documents shall not relieve Supplier of its obligations to comply with all laws fully and completely. Upon request, Supplier shall furnish to TBARTA certificates of compliance with all such laws, orders and regulations. Supplier shall be responsible for obtaining all necessary permits and licenses required for performance and completion of the Services.

5.08 Ownership and Use of Materials. The Parties intend that the material produced by Supplier as part of the Services is "work for hire" as contemplated by the United States Copyright Act and is to be solely owned by TBARTA. Notwithstanding the foregoing, Supplier hereby irrevocably grants and assigns to TBARTA all rights, title, and interest to all materials produced by Supplier under this Agreement, including, but not limited to, the sole, absolute and exclusive right, license and privilege to exhibit, distribute, market, transmit, duplicate, dub, perform, produce, reproduce, sublicense and otherwise use and exploit the material produced by Supplier throughout the world by all existing formats, including internet and mobile platform, and any as yet undiscovered methods and formats, and Supplier hereby grants TBARTA all consent necessary to enable TBARTA to exploit the material at its convenience. Supplier shall not be entitled to use the materials or any part of thereof produced under this Agreement, without TBARTA's prior written consent, which TBARTA may withhold in its sole and absolute discretion. Upon termination of this Agreement, however terminated, Supplier shall deliver to TBARTA all papers and other materials related to the Services performed under this Agreement.

TBARTA shall own all rights, title, and interest in all of the intellectual property rights, including copyrights, patents, trade secrets, trademarks, and service marks in the works and documents created and paid for by TBARTA under this Agreement. The "works" means all inventions, improvements, discoveries (whether or not patentable), databases, computer programs, reports, notes, studies, photographs, negatives, designs, drawings, specifications, materials, tapes, and disks conceived, reduced to practice, created or originated by Supplier, its employees, agents, and subcontractors, either individually or jointly with others in the performance of this Agreement. The "documents" are the originals of any databases, computer programs, reports, notes, studies, photographs, negatives, designs, drawings, specifications, materials, tapes, disks, or other materials, whether in tangible or electronic forms, prepared by Supplier, its employees, agents, or subcontractors, in the performance of this Agreement. The documents will be the exclusive property of TBARTA and documents must be immediately returned to TBARTA by the Supplier upon completion or termination of this Agreement, however terminated. To the extent possible, those works eligible for copyright protection under the United States Copyright Act will be deemed to be "works made for hire." Supplier assigns all right, title, and interest it may have in the works and the documents to TBARTA. Supplier must, at the request of TBARTA, execute all papers and perform all other acts necessary to transfer or record TBARTA's ownership interest in the works and documents.

6. Obligations

6.01 Notification. Whenever any invention, improvement, or discovery (whether or not patentable) is made or conceived for the first time or actually or constructively reduced to practice by Supplier, including its employees and subcontractors, in the performance of this Agreement, Supplier shall immediately notify TBARTA's Representative in writing, and shall promptly furnish TBARTA's Representative with complete information and/or disclosure thereon.

6.02 Representation. The Supplier must perform all acts, and take all steps necessary to ensure that all intellectual property rights in the works and documents are the sole property of TBARTA, and that neither Supplier nor its employees, agents, or subcontractors, retain any interest in and to the works and documents.

7. COMPENSATION. In consideration of Supplier's faithful performance of the Contract Documents, TBARTA agrees to pay Supplier pursuant to the prices set forth in **Exhibit B**. Payment shall be made only for work which is actually performed and approved by TBARTA. Supplier shall submit invoices to TBARTA no later than the fifteenth (15th) day of the month immediately following the month in which the work or services were performed. TBARTA will make payment in accordance with the Florida Prompt Payment Act.

Payment due date for purchase of goods or services other than construction services is net forty-five (45) days from the accepted date. All invoices must have the TBARTA Purchase Order Number or Contract Number on them in order to be considered a proper invoice.

7.03 Disputed Invoices. In the event of a disputed invoice, only that portion so contested may be withheld from payment and the undisputed portion shall be due and payable on the terms set forth herein.

8. MODIFICATION OF CONTRACT DOCUMENTS. The Contract Documents, including the scope, specification, and details of the Services may only be modified by written agreement of the Parties.

9. WARRANTIES AND COVENANTS.

9.01 Patent, Trademark, Copyright, and Trade Secret. Supplier warrants that the Services, and all works, documents, goods and services associated therewith do not infringe on any patent, trademark, copyright or trade secret of any third parties and agrees to defend, indemnify and hold

TBARTA, its officers, agents, employees, trustees and its successors and assigns, harmless from and against any and all liabilities, loss, damage or expense, including, without limitation, court costs and reasonable attorneys' fees, arising out of any infringement or claims of infringement of any patent, trade name, trademark, copyright or trade secret by reason of the sale or use of any goods or services purchased under this Agreement. TBARTA shall promptly notify Supplier of any such claim. TBARTA makes no warranty that the production, sale or use of goods or services under this Agreement will not give rise to any such claim and TBARTA shall not be liable to Supplier for any such claim brought against Supplier.

9.02 Covenants against Gratuities. Supplier warrants that he or she has not offered or given gratuities (in the form of entertainment, gifts, money, or otherwise) to any official or employee of TBARTA with a view toward securing favorable treatment in the awarding, amending, or evaluating Supplier's performance under this Agreement.

10. ASSIGNABILITY AND SUBCONTRACTING. The terms and provisions of the Contract Documents shall be binding upon TBARTA and Supplier, their respective partners, successors, heirs, executors, administrators, assigns and legal representatives.

10.01 Written Approval Required. The rights and obligations of Supplier may not be transferred, assigned, sublet, mortgaged, pledged or otherwise disposed of or encumbered in any way without TBARTA's prior written consent. Supplier may subcontract a portion of its obligations to other firms or parties but only after having first obtained the written approval of the subcontractor by TBARTA.

10.02 Responsibility for Subcontractors. Supplier shall subcontract the Services with Suskey Consulting LLC for the term of this Agreement. If Supplier's assignee or subcontractor fails to perform in accordance with the terms of its assignment or subcontract, Supplier shall complete or pay to have completed the work which the assignee or subcontractor failed to complete at no additional cost to TBARTA. In the event of any noncompliance by any assignee or subcontractors, Supplier shall be directly and wholly responsible for the noncompliance of its assignee or subcontractor and shall bear all attributable costs.

10.03 E-Verify. Supplier shall utilize the U.S. Department of Homeland Security's E-Verify System to verify the employment eligibility of: (a) all persons employed by Supplier throughout the term of this Agreement; and (b) all persons, including subcontractors, retained or hired by Supplier, regardless of compensation, to perform work on the services provided pursuant to the Contract Documents.

11. DELAY IN PERFORMANCE/FORCE MAJEURE.

11.01 Time of the Essence. The timely receipt of the Services and all deliverables to TBARTA is essential. If the Services and all deliverables associate therewith are not received on time, TBARTA may cancel the unfilled portion of this Agreement for cause, purchase substitute requirements elsewhere, and recover from Supplier any increased costs and damages thereby incurred by TBARTA.

11.02 Force Majeure. Supplier shall be entitled to a reasonable extension of time from TBARTA for the delays resulting from damage to Supplier's and/or TBARTA's property caused by fire, lightning, earthquakes, tornadoes, and other extreme weather conditions, power failures, riots, acts

of war, strikes or lockouts beyond the control of Supplier and its subcontractors ("Force Majeure"). Any delay other than one mentioned above shall constitute a breach of Supplier's obligations under the Contract Documents.

11.03 Unavoidable Delay. If delivery of the Services, and all deliverables thereunder, is unavoidably delayed, TBARTA may, in its sole discretion, extend the time for completion for a determined number of days of excusable delay. A delay is unavoidable only if the delay was not reasonably expected to occur in connection with or during Supplier's performance; was not caused directly or substantially by negligent errors, omissions, or mistakes of Supplier, its subcontractors, or its suppliers or their agents; was substantial; and, in fact, caused Supplier to miss delivery dates and could not adequately have been guarded against.

11.04 No Damages for Delay. Supplier shall not be entitled to any claim for damages on account of hindrances or delays in the work from any cause whatsoever, including any delays or hindrances caused by TBARTA. This paragraph shall include, but not be limited to, any actions which result in delays in scheduling, substantial changes in scope of the Services or substantial increases in the costs of performing the work under the Contract Documents.

11.05 Notification. Supplier will notify TBARTA as soon as Supplier has, or should have, knowledge that an event has occurred which will delay completion of the Services. Within five (5) working days, Supplier will confirm such notice in writing, furnishing as much detail as is available and including any request for extension of time. Supplier shall supply, as soon as such data is available, any reasonable proofs that are required by TBARTA to make a decision on any request for extension. TBARTA will examine the request and any documents supplied by Supplier and will determine if Supplier is entitled to an extension and the duration of such extension. TBARTA will notify Supplier of its decision in writing. It is expressly understood and agreed that Supplier will not be entitled to any extension and the granting of such extension is in the sole discretion of TBARTA. It is further expressly understood that Supplier shall not be entitled to any damages or compensation, and will not be reimbursed for any losses, on account of delays resulting from any cause.

12. TERMINATION OF AGREEMENT. This Agreement may be terminated with or without cause or penalty in accordance with the provisions below.

12.01 Without Cause. For and in consideration of \$10.00, if TBARTA determines that it is in its best interest to do so, TBARTA may terminate this Agreement without cause or penalty upon thirty (30) days' written notice to Supplier. Any such termination shall be without any penalty or expense to TBARTA. If TBARTA terminates this Agreement pursuant to this subsection, Supplier shall promptly submit to TBARTA its costs to be paid on work performed up to the time of termination. If Supplier has any property belonging to TBARTA in its possession, Supplier shall account for the same and dispose of it as directed by TBARTA, or return to TBARTA.

12.02 With Cause. TBARTA may terminate this Agreement with cause and without penalty at any time immediately upon written notice to Supplier, if: (1) Supplier fails to fulfill or abide by any of the terms or conditions specified in the Contract Documents; (2) Supplier fails to perform in the manner called for in the Contract Documents; or (3) Supplier does not provide services in accordance with the requirements of the specifications in the Contract Documents. In its sole discretion, TBARTA may allow Supplier an appropriately short period of time in which to cure a defect in performance or non-performance. In such case, TBARTA's written notice of termination to Supplier shall state the time period in which cure is permitted and other appropriate conditions, if applicable. Supplier may

RP 10/28/21

terminate this Agreement for cause if TBARTA fails to fulfill or abide by any duties or conditions specified in the Contract Documents, provided that Supplier must first provide notice of the alleged breach to TBARTA and give TBARTA thirty (30) days written notice to cure the alleged breach. If TBARTA cures the alleged breach or is making a good faith effort to cure said breach during the thirty (30) day cure period, Supplier may not terminate this Agreement.

12.03 Re-procurement. Should this Agreement be terminated by TBARTA for cause under this Section, Supplier shall be liable for all expenses incurred by TBARTA in re-procuring elsewhere the same or similar items or services offered by Supplier.

12.04 Force Majeure. If it is later determined by TBARTA that Supplier's failure to perform was a result of a Force Majeure, TBARTA may allow Supplier to continue performance under a new time for performance or treat the termination as if terminated without cause under Section 12.01 of this Agreement.

12.05 Appropriation. In the event TBARTA, in its sole discretion, determines that sufficient budgeted funds are not available to appropriate for payments due to Supplier under this Agreement, TBARTA shall notify Supplier of such occurrence and this Agreement shall terminate on the last day of the current fiscal period without any penalty or expense to TBARTA.

12.06 Waiver of Remedies for any Breach. In the event that TBARTA elects to waive its remedies for any breach by Supplier of any covenant, term or condition of this Agreement, such waiver by TBARTA shall only be valid if set forth in writing and shall not limit TBARTA's remedies for any succeeding breach of that or of any other term, covenant, or condition of this Agreement.

13. DISPUTES, BREACHES, DEFAULTS, OR OTHER LITIGATION.

13.01 Disputes. Disputes raised by Supplier which are not resolved amicably by the Parties shall be decided in writing by TBARTA and staff resources. This decision shall be final and conclusive unless within ten (10) days from the date of receipt of its copy, Supplier mails or otherwise furnishes a written appeal to TBARTA's Executive Director. In connection with any such appeal, Supplier shall be afforded an opportunity to be heard and to offer evidence in support of its position. The decision of TBARTA's Executive Director shall be final and binding upon Supplier and Supplier shall abide by the decision.

13.02 Performance during Dispute. Unless otherwise directed by TBARTA, Supplier shall continue performance under this Agreement while matters in dispute are being resolved.

13.03 Rights and Remedies. The duties and obligations imposed by the Contract Documents and the rights and remedies available thereunder shall be in addition to and not a limitation of any duties, obligations, rights and remedies otherwise imposed or available by law. No action or failure to act by TBARTA or Supplier shall constitute a waiver of any right or duty afforded any of them under this Agreement, nor shall any such action or failure to act constitute an approval of or acquiescence in any breach thereunder, except as specifically set forth herein or as may be specifically agreed in writing.

13.04 Attorneys' Fees. In the event of legal action or other proceeding arising under this Agreement, TBARTA shall be entitled to recover from Supplier all its reasonable attorneys' fees and costs incurred by TBARTA in the prosecution or defense of such action, or in any post-judgment or collection proceedings and whether incurred before suit, at the trial level or at the appellate level. This shall include any bankruptcy proceedings filed by or against Supplier. TBARTA also shall be entitled to recover any reasonable attorneys' fees and costs incurred in litigating the entitlement to attorneys' fees and costs, as well as in determining the amount of attorneys' fees and costs due to TBARTA. The

reasonable costs to which TBARTA will be entitled include costs that are taxable under any applicable statute, rule, or guideline, as well as costs of investigation, copying costs, electronic discovery costs, mailing and delivery charges, costs of conducting legal research, Consultant and expert witness fees, travel expenses, court reporter fees and mediator fees, regardless of whether such costs are taxable under any applicable statutes, rule or guideline.

14. INDEMNIFICATION

14.01 Indemnification. The parties recognize that Supplier is an independent supplier. Supplier agrees to assume liability for and indemnify, hold harmless, and defend TBARTA, its board members, officers, employees, agents and attorneys of, from, and against all liability and expense, including reasonable attorneys' fees, in connection with any and all claims, demands, damages, actions, causes of action, and suits in equity of whatever kind or nature, including claims for personal injury, property damage, equitable relief, or loss of use, arising out of the execution, performance, nonperformance, or enforcement of this Agreement, whether or not due to or caused by the negligence of TBARTA, its board members, officers, employees, agents, and/or attorneys excluding only the sole negligence of TBARTA, its officers, employees, agents, and attorneys. This includes claims made by the employees of Supplier against TBARTA, and Supplier hereby waives its entitlement, if any, to immunity under Section 440.11, Florida Statutes. Supplier's liability hereunder shall include all attorneys' fees and costs incurred by TBARTA in the enforcement of this indemnification provision. Notwithstanding anything contained herein to the contrary, this indemnification provision shall not be construed as a waiver of any immunity from or limitation of liability to which TBARTA is entitled to pursuant to the doctrine of sovereign immunity or Section 768.28, Florida Statutes. The obligations contained in this provision shall survive termination of this Agreement, however terminated, and shall not be limited by the amount of any insurance required to be obtained or maintained under this Agreement.

14.02 Control of Defense. Subject to the limitations set forth in this provision, Supplier shall assume control of the defense of any claim asserted by a third party against TBARTA arising from or in any way related to this Agreement and, in connection with such defenses, shall appoint lead counsel, in each case at Supplier's expense. Supplier shall have the right, at its option, to participate in the defense of any third party claim, without relieving Supplier of any of its obligations hereunder. If Supplier assumes control of the defense of any third party claim in accordance with this paragraph, Supplier shall obtain the prior written consent of TBARTA before entering into any settlement of such claim. Notwithstanding anything to the contrary in this provision, Supplier shall not assume or maintain control of the defense of any third party claim, but shall pay the fees of counsel retained by TBARTA and all expenses including experts' fees, if (i) an adverse determination with respect to the third party claim would, in the good faith judgment of TBARTA, be detrimental in any material respect of TBARTA's reputation; (ii) the third party claim seeks an injunction or equitable relief against TBARTA; or (iii) Supplier has failed or is failing to prosecute or defend vigorously the third party claim. Each party shall cooperate, and cause its agents to cooperate, in the defense or prosecution of any third party claim and shall furnish or cause to be furnished such records and information, and attend such conferences, discovery proceedings, hearings, trials, or appeals, as may be reasonably requested in connection therewith.

15. INSURANCE

15.01 Insurance. Supplier must provide a certificate of insurance and endorsement in accordance with the insurance requirements listed below by the Effective Date. Failure to provide insurance by the Effective Date shall constitute a material breach of this Agreement

and may result in TBARTA terminating this Agreement, without any penalty or expense to TBARTA.

Delays in commencement due to failure to provide satisfactory evidence of insurance shall not extend deadlines. Any penalties and failure to perform assessments shall be imposed as if the work commenced as scheduled. In the event Supplier has subcontractors perform any portion of the work in the Contract Documents; either Supplier shall name those subcontractors as "additional insured" or each Subcontractor shall be required to have the same insurance requirements as Supplier. Insurance must be maintained throughout the entire term of this Agreement, insurance of the types and in the amounts set forth. Failure to do so may result in suspension of all work until insurance has been reinstated or replaced or termination of this Agreement. For services with a "Completion Operation Exposure", Supplier shall maintain coverage and provide evidence of insurance for two (2) years beyond final acceptance. Any penalties and failure to perform assessments shall be imposed as if the work had not been suspended.

Supplier may be required to submit a Letter of Authorization issued by the Department of Labor and a Certificate of Insurance, providing details on Supplier's Excess Insurance Program. If Supplier participates in a self-insurance fund, updated financial statements may be required upon request, such self-insurance fund shall only be accepted, at the sole discretion of TBARTA, and only if TBARTA finds the financial statements to be acceptable. Supplier shall provide to TBARTA, satisfactory evidence of the required insurance by, either:

- A Certificate of Insurance with the additional insured endorsement.
- A Certified copy of the actual insurance policy.
- The Most Recent Annual Report or Audited Financial Statement (Self-Insured Retention (SIR) or deductible exceeds \$100,000).

Supplier may redact or omit, or cause to be redacted or omitted, those provisions of the policy or policies which are not relevant to the insurance required herein.

The acceptance and approval of Supplier's Insurance shall not be construed as relieving Supplier from liability or obligation assumed under this Agreement or imposed by law. TBARTA, Board Members, Officers and Employees will be included "Additional Insured" on all policies, except Workers' Compensation and Professional Liability coverage.

Should at any time Supplier not maintain the insurance coverage's required by this Agreement, TBARTA may either cancel or suspend delivery of goods or services as required by Supplier or, at its sole discretion, shall be authorized to purchase such coverage and charge Supplier for such coverage purchased. TBARTA shall be under no obligation to purchase such insurance or be responsible for the coverage's purchased or the responsibility of the insurance company/companies used. The decision of TBARTA to purchase such insurance coverages shall in no way be construed to be a waiver of its rights.

Any certificate of insurance evidencing coverage provided by a leasing company for either workers' compensation or commercial general liability shall have a list of employees certified by the leasing company attached to the certificate of insurance. TBARTA shall have the right, but not the obligation to determine that Supplier is only using employees named on such a list to perform work on the jobsite. Should employees not be named be utilized by Supplier, Supplier has the option to work without penalty until TBARTA identify proof of coverage or removal of the employee by Supplier occurs, or alternately find Supplier to be in default and takes over the protective measures as needed.

The insurance provided by Supplier shall apply on a primary basis to any insurance or self-insurance maintained by any participating agency. Any insurance, or self-insurance, maintained by a participating agency shall be excess of, and shall not contribute with, the insurance provided by Supplier.

Except as otherwise specifically authorized in this Agreement, or for which prior written approval has been obtained hereunder, the insurance maintained by Supplier shall apply on a first dollar basis without application of a deductible or self-insured retention. Under limited circumstances, TBARTA may permit the application of a deductible or permit Supplier to self-insure, in whole or in part, one or more of the insurance coverages required by this Agreement. In such instances, Supplier shall pay on behalf of TBARTA and TBARTA's board members, officers or employees, any deductible or self-insured retention applicable to a claim against TBARTA and TBARTA's board members, officer(s) or employee(s).
