11. What is the specific purpose or goal that will be achieved by the funds being requested?

The City of Parkland is seeking funds to retrofit a drainage canal in the northeastern portion of the City. The canal serves as a collector for drainage from a number of communities eventually draining into the Hillsboro Canal. The drainage canal is in poor condition and currently has no water quality value. The proposed project would reshape and armor the canal banks as well as providing water quality improvements to the stormwater runoff.

12. Provide specific details on how funds will be spent. (Select all that apply)
