11. What is the specific purpose or goal that will be achieved by the funds being requested?

The purpose of this project is to design and construct a new elevated water storage tank for the NW region of Tallahassee that will be optimally located, appropriately sized and provide redundancy in the system should the power be lost (during hurricanes and other emergency events) at the wells that supply the Northwest region of Tallahassee. The new tank will allow the City to maintain system pressure and fire flow capability for approximately 15,000 customers until power can be restored.

12. Provide specific details on how funds will be spent. (Select all that apply)

Spending Category	Description	Nonrecurring (Should equal 4d, Col. E) Enter ?0? if request is zero for the category
Administrative Costs:		
□a. Executive Director/Project Head Salary and Benefits		
□b. Other Salary and Benefits
