DEPARTMENT OF STATE  
TALLAHASSEE, FLORIDA  
2020 JUN 29 PM 12: 58  
FILED

Dear Secretary Lee:

When I released my recommended budget for Fiscal Year 2020-2021 last November, Florida's unemployment rate was at an all-time low, visitors were traveling to our state in record numbers, and Florida's economy was thriving. Due to the COVID-19 global pandemic, our state's circumstances are markedly different.

Over the course of the past three months, our state unemployment rate has quadrupled, and too many Florida families now face hardships through no fault of their own. There is no one unaffected by this public health crisis.

As our state moves forward with a *Safe. Smart. Step-by-Step. Plan for Florida's Recovery*, we as elected officials must do all that we can for the health and well-being of Floridians. We have a responsibility to be judicious, mindful stewards of taxpayer dollars. Due to the unforeseen circumstances presented by COVID-19, I am obligated to significantly reduce spending in the Fiscal Year 2020-2021 budget in a fiscally responsible manner while safeguarding important initiatives in education, the environment and other priorities.

The vetoes to the 2020-2021 General Appropriations Act total \$1 billion. \$487.8 million directly benefits the General Revenue Fund, and vetoes of state trust funded appropriations will result in savings that create increased reserve balances. In addition to these vetoes, I authorized an annual release plan for operating appropriations that will provide for a 23.5 percent release of authorized appropriations for each quarter of Fiscal Year 2020-2021. This action, known as the 6 percent release holdback, will curtail state agency spending during the upcoming fiscal year to allow for a review and potential reduction of non-essential state services and programs.

We have also identified almost \$800 million of General Revenue that agencies will not need to spend as we close out the 2019-2020 Fiscal Year. This will create a larger General Revenue unallocated reserve balance that can be carried into the next fiscal year. All together, these actions will allow for a reassessment of the state's financial situation in anticipation of potential future decline in revenues.

These actions ensure that Florida maintains a strong fiscal position with available resources to support our ongoing COVID-19 response.

Despite these efforts to reduce spending, the Fiscal Year 2020-2021 budget protects the important and historic investment in K-12 education by preserving \$500 million for increased teacher and instructional personnel compensation and maintaining record per-pupil spending in our schools. Additionally, the Fiscal Year 2020-2021 budget maintains our focus on environmental protection, exceeding our annual goal of \$625 million in funding for water quality improvements and the protection of our valuable natural resources.

With these actions, we continue to promote fiscal responsibility while prioritizing key areas of the budget that will improve the quality of life for Floridians. There is a light at the end of the tunnel, and I will continue to monitor our state's COVID-19 response efforts and fiscal position to ensure that Florida emerges stronger than before.

---

By the authority vested in me as Governor of Florida, under the provisions of Article III, Section 8, of the Constitution of Florida, I do hereby withhold my approval of portions of House Bill 5001, enacted during the 122<sup>nd</sup> Regular Session of the Legislature, and entitled:

An act making appropriations; providing moneys for the annual period beginning July 1, 2020, and ending June 30, 2021, and supplemental appropriations for the period ending June 30, 2020, to pay salaries, and other expenses, capital outlay - buildings, and other improvements, and for other specified purposes of the various agencies of state government; providing effective dates.

I do hereby withhold my approval of the following line items in the Fiscal Year 2020-21 General Appropriations Act:
