7 Section 1. (1) DEFINITIONS.--As used in this act:

8 (a) "Automatic renewal provision" means a provision under
9 which a service contract is renewed for a specified period if
10 the renewal causes the service contract to be in effect more
11 than 6 months after the day of the initiation of the service
12 contract. Such renewal is effective unless the consumer gives
13 notice to the seller of the consumer's intention to terminate
14 the service contract.

15 (b) "Consumer" means an individual receiving service,
16 maintenance, or repair under a service contract. The term does
17 not include a person engaged in business if the person enters
18 into the service contract as part of or ancillary to the
19 person's business activities.

20 (c) "Seller" means a person providing service,
21 maintenance, or repair under a service contract to a consumer.

HOUSE AMENDMENT FOR COUNCIL/COMMITTEE PURPOSES

Amendment No. (for drafter's use only)

22 (d) "Service contract" means a written contract for the
23 performance of services over a fixed period of time or for a
24 specified duration.

25 (2) SERVICE CONTRACTS WITH AUTOMATIC RENEWAL PROVISIONS.--

26 (a) Any person, firm, partnership, association, or
27 corporation engaged in commerce that sells, leases, or offers to
28 sell or lease any service to a consumer pursuant to a service
29 contract that automatically renews unless the consumer cancels
30 the contract shall disclose the automatic renewal provision
31 clearly and conspicuously in the contract or contract offer.

32 (b) Any person, firm, partnership, association, or
33 corporation that sells or offers to sell any service to a
34 consumer pursuant to a service contract the term of which is a
35 specified term of 12 months or more and that automatically
36 renews for a specified term of more than 1 month unless the
37 consumer cancels the contract shall provide the consumer with
38 written or electronic notification of the automatic renewal
39 provision. Notification shall be provided to the consumer no
40 less than 30 days and no more than 60 days before the
41 cancellation deadline pursuant to the automatic renewal
42 provision. Such notification shall disclose clearly and
43 conspicuously:

44 1. That unless the consumer cancels the contract, the
45 contract will automatically renew.

46 2. Methods by which the consumer may obtain details of the
47 automatic renewal provision and cancellation procedure, whether
48 by contacting the seller at a specified telephone number or
49 address, by referring to the contract, or by any other method.

50 (c) A person, firm, partnership, association, or
51 corporation that fails to comply with the requirements of this
52 subsection is in violation of this subsection unless the person,

HOUSE AMENDMENT FOR COUNCIL/COMMITTEE PURPOSES

Amendment No. (for drafter's use only)

53 firm, partnership, association, or corporation demonstrates
54 that:

55 1. As part of its routine business practice, it has
56 established and implemented written procedures to comply with
57 this section and enforces compliance with the procedures.

58 2. Any failure to comply with this subsection is the
59 result of error.

60 3. As part of its routine business practice, where an
61 error has caused the failure to comply with this subsection, the
62 unearned portion of the contract subject to the automatic
63 renewal provision is refunded as of the date on which the seller
64 is notified of the error.

65 (d) This subsection does not apply to:

66 1. A financial institution as defined in s. 655.005(1)(h),
67 Florida Statutes, or any depository institution as defined in 12
68 USC 1813 (c)(2);

69 2. A foreign bank maintaining a branch or agency licensed
70 under the laws of any state of the United States;

71 3. Any subsidiary or affiliate of an entity described in
72 subparagraph 1. or subparagraph 2.; or

73 4. A health studio as defined in s. 501.0125(1), Florida
74 Statutes.

75 5. Any entity licensed under chapter 634.

76 (e) A violation of this subsection renders the automatic
77 renewal provision void and unenforceable.

4 **Amendment (with title amendment)**

5 Remove everything after the enacting clause and insert:

6 Section 1. Section 633.042, Florida Statutes, is created
7 to read:

8 633.042 Reduced Cigarette Ignition Propensity Standard and
9 Firefighter Protection Act.--

10 (1) SHORT TITLE.--This section may be cited as the
11 "Reduced Cigarette Ignition Propensity Standard and Firefighter
12 Protection Act."

13 (2) LEGISLATIVE FINDINGS AND INTENT.--The Legislature
14 finds and declares that:

15 (a) Cigarettes are the leading cause of fire deaths in
16 this state and in the nation.

17 (b) Each year in the United States, between 700 and 900
18 persons are killed and around 3,000 persons are injured in fires
19 ignited by cigarettes, while in this state 153 residential fires
20 and 5 fatalities were attributable to fires caused by cigarettes
21 in 2006.

HOUSE AMENDMENT FOR COUNCIL/COMMITTEE PURPOSES

Amendment No. (for drafter's use only)

22 (c) A high percentage of the victims of cigarette fires
23 are nonsmokers, including senior citizens and young children.

24 (d) Fires caused by cigarettes result in billions of
25 dollars in property losses and damages in the United States and
26 millions of dollars in property losses and damages in this
27 state.

28 (e) Cigarette fires unnecessarily jeopardize the safety of
29 firefighters and result in avoidable emergency response costs
30 for municipalities.

31 (f) In 2004, the State of New York implemented a cigarette
32 firesafety regulation requiring cigarettes sold in that state to
33 meet a firesafety performance standard; in 2005, Vermont and
34 California enacted cigarette firesafety laws directly
35 incorporating New York's regulation into statute; and in 2006,
36 Illinois, New Hampshire, and Massachusetts joined these states
37 in enacting similar laws.

38 (g) In 2005, Canada implemented the New York State
39 firesafety standard, becoming the first country to have a
40 nationwide cigarette firesafety standard.

41 (h) New York State's cigarette firesafety standard is
42 based upon decades of research by the National Institute of
43 Standards and Technology, Congressional research groups, and
44 private industry. This cigarette firesafety standard minimizes
45 costs to the state; minimally burdens cigarette manufacturers,
46 distributors, and retail sellers; and, therefore, should become
47 law in this state.

48 (i) It is therefore fitting and proper for this state to
49 adopt the cigarette firesafety standard that is in effect in the
50 State of New York to reduce the likelihood that cigarettes will
51 cause fires and result in deaths, injuries, and property
52 damages.

74 1. Any entity that manufactures or produces, or causes to
75 be manufactured or produced, regardless of location, cigarettes
76 that such manufacturer intends to be sold in this state,
77 including cigarettes intended to be sold in the United States
78 through an importer;

79 2. Any entity, regardless of location, that first
80 purchases cigarettes manufactured anywhere and not intended by

Amendment No. (for drafter's use only)

84 3. Any entity that becomes a successor of an entity
85 described in subparagraph 1. or subparagraph 2.

86 (e) "Quality control and quality assurance program" means
87 laboratory procedures implemented to ensure that operator bias,
88 systematic and nonsystematic methodological errors, and
89 equipment-related problems do not affect the results of
90 laboratory testing. Such a program shall ensure that the testing
91 repeatability remains within the required repeatability values
92 stated in subparagraph (4)(a)6. for all test trials used to
93 certify cigarettes in accordance with this section.

94 (f) "Repeatability" means the range of values within which
95 the results of repeated cigarette test trials from a single
96 laboratory will fall 95 percent of the time.

97 (g) "Retail dealer" means any person, other than a
98 manufacturer or wholesale dealer, engaged in selling cigarettes.

99 (h) "Sale" means any transfer of title or possession or
100 both, exchange or barter, conditional or otherwise, in any
101 manner or by any means whatever or any agreement therefor. In
102 addition to cash and credit sales, the giving of cigarettes as
103 samples, prizes, or gifts and the exchanging of cigarettes for
104 any consideration other than money are considered sales.

105 (i) "Sell" means to execute a sale or to offer or agree to
106 execute a sale.

107 (j) "Wholesale dealer" means:

108 1. Any person other than a manufacturer who sells
109 cigarettes to retail dealers or other persons for purposes of
110 resale; or

111 2. Any person who owns, operates, or maintains one or more
112 cigarette or tobacco-product vending machines in, at, or upon
113 premises owned or occupied by any other person.

114 (4) TEST METHOD AND PERFORMANCE STANDARD.--

HOUSE AMENDMENT FOR COUNCIL/COMMITTEE PURPOSES

Amendment No. (for drafter's use only)

115 (a) Except as provided in paragraph (g), no cigarettes may
116 be sold or offered for sale in this state, or sold or offered
117 for sale to persons located in this state, unless the cigarettes
118 have been tested in accordance with the test method and meet the
119 performance standard specified in this subsection, a written
120 certification has been filed by the manufacturer with the
121 division in accordance with subsection (5), and the cigarettes
122 have been marked in accordance with subsection (6).

123 1. Testing of cigarettes shall be conducted in accordance
124 with the American Society for Testing and Materials standard
125 E2187-04, "Standard Test Method for Measuring the Ignition
126 Strength of Cigarettes."

127 2. Testing shall be conducted on 10 layers of filter
128 paper.

129 3. No more than 25 percent of the cigarettes tested in a
130 test trial in accordance with this subsection shall exhibit
131 full-length burns. Forty replicate tests shall comprise a
132 complete test trial for each cigarette tested.

133 4. The performance standard required by this subsection
134 shall only be applied to a complete test trial.

135 5. Written certifications shall be based upon testing
136 conducted by a laboratory that has been accredited pursuant to
137 standard ISO/IEC 17025 of the International Organization for
138 Standardization or another comparable accreditation standard
139 required by the division.

140 6. Laboratories conducting testing in accordance with this
141 subsection shall implement a quality control and quality
142 assurance program that includes a procedure that will determine
143 the repeatability of the testing results. The repeatability
144 value shall be no greater than 0.19.

HOUSE AMENDMENT FOR COUNCIL/COMMITTEE PURPOSES

Amendment No. (for drafter's use only)

145 7. This subsection does not require additional testing if
146 cigarettes are tested consistently with this section for any
147 other purpose.

148 8. The division may, in its discretion, perform or sponsor
149 testing to determine a cigarette's compliance with the required
150 performance standard. Any such discretionary compliance testing
151 by the division shall be conducted in accordance with this
152 subsection.

153 (b) Each cigarette listed in a certification submitted
154 pursuant to subsection (5) that uses lowered permeability bands
155 in the cigarette paper to achieve compliance with the
156 performance standard set forth in this subsection shall have at
157 least two nominally identical bands on the paper surrounding the
158 tobacco column. At least one complete band shall be located at
159 least 15 millimeters from the lighting end of the cigarette. For
160 cigarettes on which the bands are positioned by design, there
161 shall be at least two bands fully located at least 15
162 millimeters from the lighting end and 10 millimeters from the
163 filter end of the tobacco column, or 10 millimeters from the
164 labeled end of the tobacco column for nonfiltered cigarettes.

165 (c) A manufacturer of a cigarette that the division
166 determines cannot be tested in accordance with the test method
167 prescribed in subparagraph (a)1. shall propose a test method and
168 performance standard for the cigarette to the division. Upon
169 approval of the proposed test method and a determination by the
170 division that the performance standard proposed by the
171 manufacturer is equivalent to the performance standard
172 prescribed in subparagraph (a)3., the manufacturer may employ
173 such test method and performance standard to certify such
174 cigarette pursuant to subsection (5). If the division determines
175 that another state has enacted reduced cigarette ignition

HOUSE AMENDMENT FOR COUNCIL/COMMITTEE PURPOSES

Amendment No. (for drafter's use only)

176 propensity standards that include a test method and performance
177 standard that are the same as those contained in this section,
178 and if the division finds that the officials responsible for
179 implementing those requirements have approved the proposed
180 alternative test method and performance standard for a
181 particular cigarette proposed by a manufacturer as meeting the
182 firesafety standards of that state's law or regulation under a
183 legal provision comparable to this subsection, the division
184 shall authorize that manufacturer to employ the alternative test
185 method and performance standard to certify that cigarette for
186 sale in this state unless the division demonstrates a reasonable
187 basis why the alternative test should not be accepted under this
188 section. All other applicable requirements of this subsection
189 shall apply to the manufacturer.

190 (d) Each manufacturer shall maintain copies of the reports
191 of all tests conducted on all cigarettes offered for sale for a
192 period of 3 years and shall make copies of the reports available
193 to the division and the Attorney General upon written request.
194 Any manufacturer who fails to make copies of the reports
195 available within 60 days after receiving a written request shall
196 be subject to a civil penalty not to exceed \$10,000 for each day
197 after the 60th day that the manufacturer does not make such
198 copies available.

199 (e) The division may adopt a subsequent American Society
200 for Testing and Materials Standard Test Method for Measuring the
201 Ignition Strength of Cigarettes upon a finding that such
202 subsequent method does not result in a change in the percentage
203 of full-length burns exhibited by any tested cigarette when
204 compared to the percentage of full-length burns the same
205 cigarette would exhibit when tested in accordance with American

HOUSE AMENDMENT FOR COUNCIL/COMMITTEE PURPOSES

Amendment No. (for drafter's use only)

206 Society for Testing and Materials Standard E2187-04 and the
207 performance standard in subparagraph (a)3.

208 (f) The division shall review the effectiveness of this
209 subsection and report every 3 years to the President of the
210 Senate and the Speaker of the House of Representatives the
211 division's findings and, if appropriate, recommendations for
212 legislation to improve the effectiveness of this subsection. The
213 report and legislative recommendations shall be submitted no
214 later than June 13 following the conclusion of each 3-year
215 period.

216 (g) The requirements of paragraph (a) shall not prohibit:

217 1. Wholesale or retail dealers from selling their existing
218 inventory of cigarettes on or after the effective date of this
219 section if the wholesale or retailer dealer can establish that
220 state tax stamps were affixed to the cigarettes prior to the
221 effective date and the wholesale or retailer dealer can
222 establish that the inventory was purchased prior to the
223 effective date in comparable quantity to the inventory purchased
224 during the same period of the prior year; or

225 2. The sale of cigarettes solely for the purpose of
226 consumer testing. For purposes of this subparagraph, the term
227 "consumer testing" means an assessment of cigarettes that is
228 conducted by or is under the control and direction of a
229 manufacturer for the purpose of evaluating consumer acceptance
230 of such cigarettes and that uses only the quantity of cigarettes
231 that is reasonably necessary for such assessment.

232 (h) It is the intent of the Legislature to promote
233 uniformity among the states in the regulation of cigarettes per
234 this section. As a result, the Legislature intends that the
235 resolution of issues regarding the interpretation or
236 implementation of this section be made in a manner consistent

Amendment No. (for drafter's use only)

237 with the New York Fire Safety Standards for Cigarettes, New York
238 Executive Law, Section 156-c, as amended, and Part 429 of Title
239 19 New York Codes, Rules, and Regulations, as amended, that are
240 in effect on March 1, 2008.

241 (5) CERTIFICATION AND PRODUCT CHANGE.--

242 (a) Each manufacturer shall submit to the division a
243 written certification attesting that:

244 1. Each cigarette listed in the certification has been
245 tested in accordance with subsection (4).

246 2. Each cigarette listed in the certification meets the
247 performance standard set forth in subsection (4).

248 (b) Each cigarette listed in the certification shall be
249 described with the following information:

250 1. Brand, or trade name, on the package.

251 2. Style, such as light or ultra light.

252 3. Length in millimeters.

253 4. Circumference in millimeters.

254 5. Flavor, such as menthol or chocolate, if applicable.

255 6. Filter or nonfilter.

256 7. Package description, such as soft pack or box.

257 8. Marking pursuant to subsection (6).

258 9. The name, address, and telephone number of the testing
259 laboratory, if different from the name, address, and telephone
260 number of the manufacturer that conducted the test.

261 10. The date the testing occurred.

262 (c) Each certification shall be made available to the
263 Attorney General for purposes consistent with this section and
264 to the Department of Revenue for the purposes of ensuring
265 compliance with this subsection.

266 (d) Each cigarette certified under this subsection shall
267 be recertified every 3 years.

HOUSE AMENDMENT FOR COUNCIL/COMMITTEE PURPOSES

Amendment No. (for drafter's use only)

268 (e) At the time it submits a written certification under
269 this subsection, a manufacturer shall pay to the division a fee
270 of \$250 for each brand of cigarettes listed in the
271 certification. The fee paid shall apply to all cigarettes within
272 the brand certified and to any new cigarette certified within
273 the brand during the 3-year certification period.

274 (f) If a manufacturer has certified a cigarette pursuant
275 to this subsection and thereafter makes any change to such
276 cigarette that is likely to alter its compliance with the
277 reduced cigarette ignition propensity standards required by this
278 section, that cigarette shall not be sold or offered for sale in
279 this state until the manufacturer retests the cigarette in
280 accordance with the testing standards set forth in subsection
281 (4) and maintains records of that retesting as required by
282 subsection (4). Any altered cigarette that does not meet the
283 performance standard set forth in subsection (4) may not be sold
284 in this state.

285 (6) MARKING OF CIGARETTE PACKAGING.--

286 (a) Cigarettes that are certified by a manufacturer in
287 accordance with subsection (5) shall be marked to indicate
288 compliance with the requirements of subsection (4). The marking
289 shall be in 8-point type or larger and consist of:

290 1. Modification of the universal product code to include a
291 visible mark printed at or around the area of the universal
292 product code. The mark may consist of alphanumeric or symbolic
293 characters permanently stamped, engraved, embossed, or printed
294 in conjunction with the universal product code;

295 2. Any visible combination of alphanumeric or symbolic
296 characters permanently stamped, engraved, or embossed upon the
297 cigarette package or cellophane wrap; or

HOUSE AMENDMENT FOR COUNCIL/COMMITTEE PURPOSES

Amendment No. (for drafter's use only)

298 3. Printed, stamped, engraved, or embossed text that
299 indicates that the cigarettes meet the standards of this
300 section.

301 (b) A manufacturer shall use only one marking and shall
302 apply this marking uniformly for all brands and all packages,
303 including, but not limited to, packs, cartons, and cases,
304 marketed by that manufacturer.

305 (c) The division shall be notified as to the marking that
306 is selected.

307 (d) Prior to the certification of any cigarette, a
308 manufacturer shall present its proposed marking to the division
309 for approval. Upon receipt of the request, the division shall
310 approve or disapprove the marking offered, except that the
311 division shall approve:

312 1. Any marking in use and approved for sale in the State
313 of New York pursuant to the New York Fire Safety Standards for
314 Cigarettes; or

315 2. The letters "FSC," which signify "Fire Standards
316 Compliant," appearing in 8-point type or larger and permanently
317 printed, stamped, engraved, or embossed on the package at or
318 near the universal product code.

319
320 Proposed markings shall be deemed approved if the division fails
321 to act within 10 business days after receiving a request for
322 approval.

323 (e) No manufacturer shall modify its approved marking
324 unless the modification has been approved by the division in
325 accordance with this subsection.

326 (f) Manufacturers certifying cigarettes in accordance with
327 subsection (5) shall provide a copy of the certifications to all
328 wholesale dealers and agents to which they sell cigarettes and

HOUSE AMENDMENT FOR COUNCIL/COMMITTEE PURPOSES

Amendment No. (for drafter's use only)

329 shall also provide sufficient copies of an illustration of the
330 package marking used by the manufacturer pursuant to this
331 subsection for each retail dealer to which the wholesale dealers
332 or agents sell cigarettes. Wholesale dealers and agents shall
333 provide a copy of these package markings received from
334 manufacturers to all retail dealers to which they sell
335 cigarettes. Wholesale dealers, agents, and retail dealers shall
336 permit the division, the Department of Revenue, the Attorney
337 General, and their employees to inspect markings of cigarette
338 packaging marked in accordance with this subsection.

339 (7) PENALTIES.--

340 (a) A manufacturer, wholesale dealer, agent, or any other
341 person or entity that knowingly sells or offers to sell
342 cigarettes, other than through retail sale, in violation of
343 subsection (4) shall be subject to a civil penalty not to exceed
344 \$100 for each pack of such cigarettes sold or offered for sale.
345 In no case shall the penalty against any such person or entity
346 exceed \$100,000 during any 30-day period.

347 (b) A retail dealer who knowingly sells or offers to sell
348 cigarettes in violation of subsection (4) shall be subject to a
349 civil penalty not to exceed \$100 for each pack of such
350 cigarettes sold or offered for sale. In no case shall the
351 penalty against any retail dealer exceed \$25,000 during any 30-
352 day period.

353 (c) In addition to any penalty prescribed by law, any
354 corporation, partnership, sole proprietor, limited partnership,
355 or association engaged in the manufacture of cigarettes that
356 knowingly makes a false certification pursuant to subsection (5)
357 shall be subject to a civil penalty of at least \$75,000 and not
358 to exceed \$250,000 for each such false certification.

HOUSE AMENDMENT FOR COUNCIL/COMMITTEE PURPOSES

Amendment No. (for drafter's use only)

359 (d) Any person violating any other provision of this
360 section shall be subject to a civil penalty not to exceed \$1,000
361 for a first offense and not to exceed \$5,000 for each subsequent
362 offense.

363 (e) Any cigarettes that have been sold or offered for sale
364 that do not comply with the performance standard required by
365 subsection (4) shall be subject to forfeiture following a
366 hearing pursuant to chapter 120 at which the true holder of the
367 trademark rights in the cigarette brand may appear and present
368 evidence. Cigarettes forfeited pursuant to this paragraph shall
369 be destroyed; however, prior to destruction of any such
370 cigarette, the true holder of the trademark rights in the
371 cigarette brand shall be permitted to inspect the cigarette.

372 (f) In addition to any other remedy provided by law, the
373 division or the Attorney General may file an action in circuit
374 court for a violation of this section, including petitioning for
375 injunctive relief or to recover any costs or damages suffered by
376 the state because of a violation of this section, including
377 enforcement costs relating to the specific violation and
378 attorney's fees. Each violation of this section or of rules
379 adopted under this section constitutes a separate civil
380 violation for which the division or the Attorney General may
381 obtain relief.

382 (g) Whenever any law enforcement personnel or duly
383 authorized representative of the division discovers any
384 cigarettes that have not been marked in the manner required by
385 subsection (6), such personnel or representative is authorized
386 and empowered to seize and take possession of such cigarettes.
387 Such cigarettes shall be turned over to the Department of
388 Revenue and shall be forfeited to the state. Cigarettes seized
389 pursuant to this paragraph shall be destroyed; however, prior to

Amendment No. (for drafter's use only)

390 the destruction of any such cigarette, the true holder of the
391 trademark rights in the cigarette brand shall be permitted to
392 inspect the cigarette.

393 (8) IMPLEMENTATION.--

394 (a) The division may adopt rules to implement the
395 provisions of this section.

396 (b) The division, in the regular course of conducting
397 inspections of wholesale dealers, agents, and retail dealers as
398 authorized pursuant to chapter 210, may inspect such cigarettes
399 to determine if the cigarettes are marked as required by
400 subsection (6).

401 (9) INSPECTION.--To enforce the provisions of this
402 section, the Attorney General, the Department of Revenue, the
403 division, and their duly authorized representatives and other
404 law enforcement personnel are authorized to examine the books,
405 papers, invoices, and other records of any person in possession,
406 control, or occupancy of any premises where cigarettes are
407 placed, stored, sold, or offered for sale, as well as the stock
408 of cigarettes on the premises. Every person in the possession,
409 control, or occupancy of any premises where cigarettes are
410 placed, sold, or offered for sale is directed and required to
411 give the Attorney General, the Department of Revenue, the
412 division, and their duly authorized representatives and other
413 law enforcement personnel the means, facilities, and opportunity
414 for the examinations authorized by this subsection.

415 (10) SALE OUTSIDE OF FLORIDA.--Nothing in this section
416 shall be construed to prohibit any person or entity from
417 manufacturing or selling cigarettes that do not meet the
418 requirements of subsection (4) if the cigarettes are or will be
419 stamped for sale in another state or are packaged for sale
420 outside the United States and that person or entity has taken

Amendment No. (for drafter's use only)

421 reasonable steps to ensure that such cigarettes will not be sold
422 or offered for sale to persons located in this state.

423 (11) PREEMPTION.--This section shall be repealed if a
424 federal reduced cigarette ignition propensity standard that
425 preempts this section is adopted and becomes effective.

426 Section 2. Effective upon this act becoming a law, and
427 notwithstanding any other provision of law, local government
428 units of this state may neither enact nor enforce any ordinance
429 or other local law or regulation conflicting with, or preempted
430 by, any provision of this act or any policy of this state
431 expressed by this act, whether that policy be expressed by
432 inclusion of a provision in this act or by exclusion of that
433 subject from this act.

434 Section 3. Except as otherwise expressly provided in this
435 act, this act shall take effect January 1, 2010.
