technologist who maintains valid and active certification as a Certified Surgical Technologist from the National Board of Surgical Technology and Surgical Assisting.

- 3. "Surgeon" means any health care practitioner as defined in chapter 456 whose scope of practice includes performing surgery and who is listed as the primary surgeon in the operative record.
- 4. "Surgical assistant" means a person providing aid under the supervision of a surgeon in exposure, hemostasis, closures, and other intra-operative technical functions that assist the surgeon in performing a safe operation with optimal results for the patient.
- 5. "Surgical technologist" means a person who assists and practices under the supervision of a surgeon to ensure that the operating room environment is safe, that proper equipment is available, and that the operative procedure is conducted efficiently. Surgical technologist duties include, but are not limited to, maintaining sterility during a surgical procedure, handling and ensuring the availability of necessary equipment and supplies, and maintaining visibility of the operative site.

(b) EMPLOYMENT LIMITATIONS.-

- 1. A facility may not employ or contract with any person to perform the duties of a surgical assistant unless the person is a certified surgical assistant.
- 2. A facility may not employ or contract with any person to perform the duties of a surgical technologist unless the person is a certified surgical technologist.
 - 3. Subparagraphs 1. and 2. do not apply to:
- a. A person who was employed or contracted to perform the duties of a surgical technologist or a surgical assistant at any

HIV or AIDS service organization, or another nonprofit entity designated by the department. The pilot program shall offer the free exchange of clean unused needles and hypodermic syringes for used needles and hypodermic syringes as a means to prevent the transmission of HIV, AIDS, viral hepatitis, or other bloodborne diseases among intravenous drug users and their sexual partners and offspring.

- (a) The needle and syringe exchange program shall:
- 1. Provide for maximum security of exchange sites and equipment, including an accounting of the number of needles and syringes in use, the number of needles and syringes in storage, safe disposal of returned needles, and any other measure that may be required to control the use and dispersal of sterile needles and syringes.
- 2. Strive for a one-to-one exchange, whereby the participant shall receive one sterile needle and syringe unit in exchange for each used one.
- 3. Make available educational materials; HIV counseling and testing; referral services to provide education regarding HIV, AIDS, and viral hepatitis transmission; and drug use prevention and treatment.
- (b) Notwithstanding any other provision of law, the possession, distribution, or exchange of needles or syringes as part of a needle and syringe exchange program established by the department or the department's designee is not a violation of any part of chapter 893 or any other law.

- (2) Each person shall submit confirmation of having completed the course required under subsection (1), on a form as provided by the board, when submitting fees for first renewal.
- (3) Except for persons licensed or certified under chapter 458 or 459, the The board shall have the authority to approve additional equivalent courses that may be used to satisfy the requirements in subsection (1). Each licensing board that requires a licensee to complete an educational course pursuant to this section may count the hours required for completion of the course included in the total continuing educational requirements as required by law.

TITLE AMENDMENT

Remove everything before the enacting clause and insert:
An act relating to continuing education; amending s.

456.031, F.S., requiring domestic violence continuing education
upon first renewal; providing an exemption for domestic violence
continuing education for certain individuals; deleting the
requirement for domestic violence continuing education every
third biennial; requiring certain persons to complete domestic
violence continuing education course offered by a certain
association; prohibits the certain boards from deeming
equivalent courses equivalent; amending s. 456.033, F.S.,

Notwithstanding the requirements of paragraph (4)(d), the department shall adopt rules that specify required methods for determination and approval of patient eligibility and referral by government contractors and providers. The rules adopted by the department pursuant to this subsection shall give providers the greatest flexibility possible in order to serve eligible patients. The department shall retain review and oversight authority of the patient eligibility and referral determination and the contractual conditions under which a health care provider may perform the patient eligibility and referral process on behalf of the department.
