Florida House of Representatives

Dear Chair Bileca:

I am the sponsor of HB 541 Addresses of Legal Residence. The bill is very narrowly tailored and defines "address of legal residence". It would require voter registration applications to include certain additional distinguishing information, such as apartment, suite or lot number. It would further provide that a list of valid addresses be maintained by the supervisor of elections, which must include the additional distinguishing information.

I am pleased that HB 541 has now been referred to your committee for consideration. Please consider placing HB 541 on the next scheduled meeting of the Government Operations Subcommittee.

Should you have any concerns or require further clarification or information, please do not hesitate to contact me. Thank you in advance for your favorable consideration of this request.

Sincerely,

Ross Spano
