Amendment (with title amendment)

6 Remove everything after the enacting clause and insert:
7 Section 1. Section 1004.097, Florida Statutes, is created
8 to read:

9 1004.097 Information identifying applicants for president,
10 vice president, provost, or dean at state universities and
11 Florida College System institutions; public records exemption;
12 public meeting exemption.

13 (1) Any personal identifying information of an applicant
14 for president, vice president, provost, or dean of a state
15 university or Florida College System institution is confidential

Amendment No.

16 and exempt from s. 119.07(1) and s. 24(a), Art. I of the State
17 Constitution.

18 (2) Any meeting held for the purpose of identifying or
19 vetting applicants for president, vice president, provost, or
20 dean of a state university or Florida College System institution
21 is exempt from s. 286.011 and s. 24(b), Art. I of the State
22 Constitution. This exemption does not apply to a meeting held
23 for the purpose of establishing qualifications of potential
24 applicants or any compensation framework to be offered to
25 potential applicants. However, any portion of such a meeting
26 that would disclose personal identifying information of an
27 applicant or potential applicant is exempt from s. 286.011 and
28 s. 24(b), Art. I of the State Constitution.

29 (3) Any meeting or interview held after a final group of
30 applicants has been established and held for the purpose of
31 making a final selection to fill the position of president, vice
32 president, provost, or dean of a state university or Florida
33 College System institution is subject to the provisions of s.
34 286.011 and s. 24(b), Art. I of the State Constitution.

35 (4) The names of applicants who comprise a final group of
36 applicants pursuant to subsection (3) must be released by the
37 state university or Florida College System institution no later
38 than 21 days before the date of the meeting at which final
39 action or vote is to be taken on the employment of the
40 applicants.

Amendment No.

41 (5) Any personal identifying information of applicants who
42 comprise a final group of applicants pursuant to subsection (3)
43 become subject to the provisions of s. 119.07(1) and s. 24(a),
44 Art. I of the State Constitution at the time the names of such
45 applicants are released pursuant to subsection (4).

46 (6) This section is subject to the Open Government Sunset
47 Review Act in accordance with s. 119.15 and shall stand repealed
48 on October 2, 2022, unless reviewed and saved from repeal
49 through reenactment by the Legislature.

50 Section 2. The Legislature finds that it is a public
51 necessity that any personal identifying information of an
52 applicant for president, vice president, provost, or dean of a
53 state university or Florida College System institution be made
54 confidential and exempt from s. 119.07(1), Florida Statutes, and
55 s. 24(a), Art. I of the State Constitution. It is also the
56 finding of the Legislature that any meeting held for the purpose
57 of identifying or vetting applicants for president, vice
58 president, provost, or dean of a state university or Florida
59 College System institution and any portion of a meeting held for
60 the purpose of establishing qualifications of, or any
61 compensation framework to be offered to, such potential
62 applicants that would disclose personal identifying information
63 of an applicant or potential applicant be made exempt from s.
64 286.011, Florida Statutes, and s. 24(b), Art. I of the State
65 Constitution. The task of filling the position of president,

Amendment No.

66 vice president, provost, or dean within a state university or
67 Florida College System institution is often conducted by an
68 executive search committee. Many, if not most, applicants for
69 such a position are currently employed at another job at the
70 time they apply and could jeopardize their current positions if
71 it were to become known that they were seeking employment
72 elsewhere. These exemptions from public records and public
73 meeting requirements are needed to ensure that such a search
74 committee can avail itself of the most experienced and desirable
75 pool of qualified applicants from which to fill the position of
76 president, vice president, provost, or dean of a state
77 university or Florida College System institution. If potential
78 applicants fear the possibility of losing their current jobs as
79 a consequence of attempting to progress along their chosen
80 career path or simply seeking different and more rewarding
81 employment, failure to have these safeguards in place could have
82 a chilling effect on the number and quality of applicants
83 available to fill the position of president, vice president,
84 provost, or dean of a state university or Florida College System
85 institution.

86 Section 3. This act shall take effect upon becoming a law.

7 notice of such meeting or recording such meeting, and such
8 meetings are exempt from this section and s. 24(b), Art. I of
9 the State Constitution, if:

10 1. The members do not adopt a resolution or rule or take
11 any other formal action, or agree to do so at a future meeting,
12 at such meeting. A resolution or rule adopted, or any other
13 formal action taken, in violation of this subparagraph is void.

14 2. The members do not discuss an appropriation, a
15 contract, or any other public business that involves the direct
16 expenditure of public funds to a private vendor.

Amendment No.

17 3. The meeting is not intended to frustrate or circumvent
18 the purpose of this section.

19 (b) This subsection is subject to the Open Government
20 Sunset Review Act in accordance with s. 119.15 and shall stand
21 repealed on October 2, 2022, unless reviewed and saved from
22 repeal through reenactment by the Legislature.

23 Section 2. The Legislature finds that it is a public
24 necessity that meetings between two members of any board or
25 commission, including persons elected or appointed to such board
26 or commission who have not yet taken office, of any state agency
27 or authority or any agency or authority of any county, municipal
28 corporation, or political subdivision with a total membership of
29 at least five members should be exempt from s. 286.011, Florida
30 Statutes, and s. 24(b), Article I of the State Constitution, and
31 should be authorized to meet and discuss public business without
32 providing notice of such meeting or recording such meeting.
33 Individual members of any board or commission are authorized to
34 gather information and discuss topics, ideas, and issues in
35 private, one-on-one meetings in order to facilitate a more
36 thorough vetting of policies and appropriations that such
37 members are responsible for examining and understanding.
38 Exempting such one-on-one meetings from public meetings
39 requirements will allow such members to better serve the
40 interests of the public which they have been elected or
41 appointed to represent. Therefore, the Legislature finds that
