## **B. PROCEDURES:**

Time allocations apply to all bills listed in Section A and any bill substituted for or taken up in lieu of a listed bill. Amendment sponsors shall have 2 minutes to open and 2 minutes to close, except as outlined below.

Except for the bills listed in Section C, the House shall spend no more than the following times:

- For each bill:
  - Questions and answers - 10 minutes
  - Debate - 5 minutes
- For each amendment:
  - Questions and answers - 5 minutes
  - Debate - 5 minutes

For all bills, along with their associated amendments, the time for questions and answers includes both the question and the answer and shall be no more than the times listed. Neither the question nor the answer shall be protracted in an attempt to use up the time.

Once more than 10 non-bill sponsor amendments are filed, the allocation of time spent on each non-bill sponsor amendment shall be determined as follows:

- 90 minutes divided by the total number of non-sponsor amendments filed.
- The time allocated for each non-bill sponsor amendment shall be divided equally between the open, questions, debate, and close.
- Amendments withdrawn prior to consideration of the bill do not count toward the total.

For the bills listed in Section C, time spent on debate shall be allocated as specified, with the time equally divided. In addition to the allotted time, the sponsor will explain and close the bill, closing not to exceed 10 minutes. After opening, the debate managers shall be alternately recognized until their time runs out. Time not utilized is lost.

- Debate managers may speak in debate and yield time to other Members to debate; no Member may be recognized for debate unless a debate manager yields time to that Member. Recognitions of debate managers must go through the Speaker. A Member may not be recognized more than once in debate on the bill or amendment.
