COMMITTEE SUBSTITUTE - Substantial Changes

I. Summary:

CS/SB 746 amends the definition of “clinic” to include any entity that “receives remuneration” rather than entities that “tender charges for reimbursement.” The bill also makes clinics liable for administrative penalties¹ and any applicable criminal penalties if an inspection or investigation reveals that the clinic hired or continued to employ a physician whose license is suspended or revoked.

II. Present Situation:

Clinics in the state must be licensed by the Agency for Health Care Administration (AHCA);² however, there are numerous exclusions from the definition of “clinic” in s. 400.9905, F.S.,³ and from the requirement to obtain a license as a clinic. The definition of “clinic” only includes entities that “tender charges for reimbursement.” The AHCA interprets this phrase to only include entities that bill third parties, such as Medicare, Medicaid, and insurance companies. Entities that provide health care services on a “cash only” basis are excluded from the definition of “clinic” and, as such, need not be licensed by the AHCA.⁴

¹ See s. 400.995, F.S., allowing the AHCA to deny, revoke, or suspend a license and impose fines of up to \$5,000 for violations of the Health Care Clinic Act.

² s. 400.991, F.S.

³ s. 400.9905(4)(a)-(n), F.S.

⁴ See AHCA bill analysis for SB 746, on file with Health Policy Committee staff.

III. Effect of Proposed Changes:

Section 1 of the bill amends s. 400.9905, F.S., to amend the definition of “clinic” to include any entity that “receives remuneration” rather than entities that “tender charges for reimbursement.” The effect of this change is to require “cash only” clinics to obtain a license as a clinic and, as a result, these facilities will be subject to periodic inspections which may help detect and deter unlawful practices.

Section 2 of the bill amends s. 400.9935, F.S., to make clinics liable for administrative penalties⁵ and any applicable criminal penalties⁶ if an inspection or investigation reveals that the clinic hired or continued to employ a physician whose license is suspended or revoked.

Section 3 establishes an effective date of July 1, 2014.

IV. Constitutional Issues:

A. Municipality/County Mandates Restrictions:

None.

B. Public Records/Open Meetings Issues:

None.

C. Trust Funds Restrictions:

None.

V. Fiscal Impact Statement:

A. Tax/Fee Issues:

None.

B. Private Sector Impact:

“Cash only” clinics that are not currently licensed will be required to obtain a license from the AHCA and pay a \$2,000 licensing fee. Also, clinics that hire or continue to employ a physician whose license is suspended or revoked may be required to pay a fine of up to \$5,000.

⁵ See s. 400.995, F.S., allowing the AHCA to deny, revoke, or suspend a license and impose fines of up to \$5,000 for violations of the Health Care Clinic Act.

⁶ The criminal penalties are not specified, however, these penalties could include a felony of the third degree imposed by s. 458.327(1)(b), F.S., on physicians who attempt to use a license which is suspended or revoked to practice medicine.

C. **Government Sector Impact:**

The AHCA anticipates an increased workload for clinic licensure of approximately 10 percent and to require four new FTEs to manage the increased workload.⁷ The increased workload will generate an estimated one-time cost to the AHCA of approximately \$16,000 and estimated recurring costs of approximately \$60,000.⁸
