Be It Enacted by the Legislature of the State of Florida:

Section 1. (1) SHORT TITLE.—This act may be cited as the "Comprehensive Insurance Fraud Investigation and Prevention Act."

(2) FINDINGS AND INTENT.—The Legislature intends to balance the insured's interest in prompt payment of valid claims for insurance benefits under the no-fault law with the public's interest in reducing fraud, abuse, and overuse of the no-fault system. To that end, the Legislature intends that the investigation and prevention of fraudulent insurance acts in this state be enhanced, that additional sanctions for such acts be imposed, and that the no-fault law be revised to remove incentives for fraudulent insurance acts. The Legislature intends that the no-fault law be construed according to the plain language of the statutory provisions, which are designed to meet these goals.

(a) The Legislature finds that:

1. Motor vehicle insurance fraud remains a major problem

for state consumers and insurers. According to the National Insurance Crime Bureau, in recent years this state has been among those states that have the highest number of fraudulent and questionable claims.

2. The current regulatory process for health care clinics under part X of chapter 400, Florida Statutes, which was originally enacted to reduce motor vehicle insurance fraud, is not adequately preventing fraudulent insurance acts with respect to licensure exemptions and compliance with that part.

(b) The Legislature intends that:

1. Insurers properly investigate claims, and as such, this act clarifies that insurers are allowed to obtain examinations under oath and sworn statements from any claimant seeking no-fault insurance benefits and to request mental and physical examinations of persons seeking personal injury protection coverage or benefits.

2. Any false, misleading, or otherwise fraudulent activity associated with a claim render the entire claim invalid. An insurer must be able to raise fraud as a defense to a claim for no-fault insurance benefits irrespective of any prior adjudication of guilt or determination of fraud by the Department of Financial Services.

3. Insurers toll the payment or denial of a claim with respect to any portion of a claim for which the insurer has a reasonable belief that a fraudulent insurance act, as defined in s. 626.989 or s. 817.234, Florida Statutes, has been committed.

4. Insurers discover the names of all passengers involved in a motor vehicle crash before paying claims or benefits

pursuant to an insurance policy governed by the no-fault law. A rebuttable presumption must be established that a person was not involved in the event giving rise to the claim if that person's name does not appear on the police report.

Section 2. Subsection (1) of section 316.066, Florida Statutes, is amended to read:

316.066 Written reports of crashes.—

(1)(a) A Florida Traffic Crash Report, Long Form must ~~is required to~~ be completed and submitted to the department within 10 days after ~~completing~~ an investigation is completed by the ~~every~~ law enforcement officer who in the regular course of duty investigates a motor vehicle crash that:

1. Resulted in death of, ~~or~~ personal injury to, or any indication of complaints of pain or discomfort by any of the parties or passengers involved in the crash;

2. Involved one or more passengers, other than the drivers of the vehicles, in any of the vehicles involved in the crash; or~~.~~

3.~~2.~~ Involved a violation of s. 316.061(1) or s. 316.193.

(b) The long form must include:

1. The date, time, and location of the crash.

2. A description of the vehicles involved.

3. The names and addresses of the parties involved, including all drivers and passengers.

4. The names and addresses of witnesses.

5. The name, badge number, and law enforcement agency of the officer investigating the crash.

6. The names of the insurance companies for the respective

parties involved in the crash.

7. The names and addresses of all passengers in all vehicles involved in the crash, each clearly identified as being a passenger, including the identification of the vehicle in which each was a passenger.

(c) ~~(b)~~ In every crash for which a Florida Traffic Crash Report, Long Form is not required ~~by this section~~, the law enforcement officer may complete a short-form crash report or provide a driver exchange-of-information form to be completed by each party involved in the crash. The short-form report must include all of the items listed in subparagraphs (b)1.-6. Short-form crash reports prepared by the law enforcement officer shall be maintained by the officer's agency.~~:~~

~~1. The date, time, and location of the crash.~~

~~2. A description of the vehicles involved.~~

~~3. The names and addresses of the parties involved, including all drivers and passengers.~~

~~4. The names and addresses of witnesses.~~

~~5. The name, badge number, and law enforcement agency of the officer investigating the crash.~~

~~6. The names of the insurance companies for the respective parties involved in the crash.~~

(d) ~~(c)~~ Each party to the crash must provide the law enforcement officer with proof of insurance, which must be documented in the crash report. If a law enforcement officer submits a report on the crash, proof of insurance must be provided to the officer by each party involved in the crash. Any party who fails to provide the required information commits a

noncriminal traffic infraction, punishable as a nonmoving violation as provided in chapter 318, unless the officer determines that due to injuries or other special circumstances such insurance information cannot be provided immediately. If the person provides the law enforcement agency, within 24 hours after the crash, proof of insurance that was valid at the time of the crash, the law enforcement agency may void the citation.

(e) ~~(d)~~ The driver of a vehicle that was in any manner involved in a crash resulting in damage to any vehicle or other property in an amount of $500 or more which was not investigated by a law enforcement agency~~,~~ shall, within 10 days after the crash, submit a written report of the crash to the department. The entity receiving the report may require witnesses of the crash to render reports and may require any driver of a vehicle involved in a crash of which a written report must be made to file supplemental written reports if the original report is deemed insufficient by the receiving entity.

(f) The investigating law enforcement officer may testify at trial or provide a signed affidavit to confirm or supplement the information included on the long-form or short-form report.

~~(e) Short-form crash reports prepared by law enforcement shall be maintained by the law enforcement officer's agency.~~

(1) The purpose of the no-fault law ~~ss. 627.730-627.7405~~ is to provide for medical, surgical, funeral, and disability insurance benefits without regard to fault, and to require motor vehicle insurance securing such benefits, for motor vehicles required to be registered in this state and, with respect to motor vehicle accidents, a limitation on the right to claim

damages for pain, suffering, mental anguish, and inconvenience.

(2) The Legislature intends that the provisions, schedules, and procedures authorized under the no-fault law be implemented by the insurers offering policies pursuant to the no-fault law. These provisions, schedules, and procedures have full force and effect regardless of their express inclusion in an insurance policy, and an insurer is not required to amend its policy to implement and apply such provisions, schedules, or procedures.

Section 6. Section 627.732, Florida Statutes, is amended to read:

If ~~When~~ the Agency for Health Care Administration provides, pays, or becomes liable for medical assistance under the Medicaid program related to injury, sickness, disease, or death arising out of the ownership, maintenance, or use of a motor vehicle, the benefits are ~~under ss. 627.730-627.7405 shall be~~ subject to

If such written notice is not furnished to the insurer as to the entire claim, any partial amount supported by written notice is overdue if not paid within 30 days after such written notice is furnished to the insurer. Any part or all of the remainder of the claim that is subsequently supported by written notice is overdue if not paid within 30 days after such written notice is furnished to the insurer.

(c) If ~~When~~ an insurer pays only a portion of a claim or rejects a claim, the insurer shall provide at the time of the partial payment or rejection an itemized specification of each item that the insurer had reduced, omitted, or declined to pay and any information that the insurer desires the claimant to consider related to the medical necessity of the denied treatment or to explain the reasonableness of the reduced charge, provided that this does ~~shall~~ not limit the introduction of evidence at trial.~~; and~~ The insurer must ~~shall~~ include the name and address of the person to whom the claimant should respond and a claim number to be referenced in future correspondence.

This paragraph does not preclude or limit the ability of the insurer to assert that the claim is ~~was~~ unrelated, ~~was~~ not medically necessary, ~~or was~~ unreasonable, or submitted ~~that the amount of the charge was in excess of that permitted under, or~~ in violation of~~,~~ subsection (6) ~~(5). The amount required to be held in reserve may be used only to pay claims from such physicians or dentists until 30 days after the date the insurer receives notice of the accident. After the 30-day period, any amount of the reserve for which the insurer has not received notice of such ~~a~~ claim ~~from a physician or dentist who provided emergency services and care or who provided hospital inpatient care~~ may ~~then~~ be used by the insurer to pay other claims. The time periods specified in paragraph (b) for ~~required~~ payment of personal injury protection benefits are ~~shall be~~ tolled for the period of time that an insurer is required ~~by this paragraph~~ to hold payment of a claim that is not from a physician or dentist who provided emergency services and care or who provided hospital inpatient care to the extent that the personal injury protection benefits not held in reserve are insufficient to pay the claim. This paragraph does not require an insurer to establish a claim reserve for insurance accounting purposes.

(f)~~(d)~~ All overdue payments ~~shall~~ bear simple interest at the rate established under s. 55.03 or the rate established in the insurance contract, whichever is greater, for the year in which the payment became overdue, calculated from the date the insurer was furnished with written notice of the amount of covered loss. Interest is ~~shall be~~ due at the time payment of

the overdue claim is made.

(g) ~~(e)~~ The insurer of the owner of a motor vehicle shall pay personal injury protection benefits for:

1. Accidental bodily injury sustained in this state by the owner while occupying a motor vehicle, or while not an occupant of a self-propelled vehicle if the injury is caused by physical contact with a motor vehicle.

4. Accidental bodily injury sustained in this state by any other person while occupying the owner's motor vehicle or, if a resident of this state, while not an occupant of a self-propelled vehicle, if the injury is caused by physical contact with such motor vehicle and if~~, provided~~ the injured person is not ~~himself or herself~~:

b. Entitled to personal injury benefits from the insurer

of the owner ~~or owners~~ of such a motor vehicle.

(h) ~~(f)~~ If two or more insurers are liable to pay personal injury protection benefits for the same injury to any one person, the maximum payable is ~~shall be~~ as specified in subsection (1), and any insurer paying the benefits is ~~shall be~~ entitled to recover from each of the other insurers an equitable pro rata share of the benefits paid and expenses incurred in processing the claim.

(i) ~~(g)~~ It is a violation of the insurance code for an insurer to fail to timely provide benefits as required by this section with such frequency as to constitute a general business practice.

(j) ~~(h)~~ Benefits are ~~shall~~ not ~~be~~ due or payable to or on the behalf of a claimant who: ~~an insured person if that person has~~

1. Submits a false or misleading statement, document, record, or bill;

2. Submits any other false or misleading information; or

3. Has otherwise committed or attempted to commit a fraudulent insurance act as defined in s. 626.989.

A claimant who violates this paragraph is not entitled to any personal injury protection benefits or payment for any bills and services, regardless of whether a portion of the claim may be legitimate.

(k) Notwithstanding any remedies afforded by law, the insurer may recover from a claimant who has violated paragraph (j) any sums previously paid to the claimant and may bring any

available common law and statutory causes of action ~~committed, by a material act or omission, any insurance fraud relating to personal injury protection coverage under his or her policy, if the fraud is admitted to in a sworn statement by the insured or if it is established in a court of competent jurisdiction~~. If a physician, hospital, clinic, or other medical institution violates paragraph (j), the injured party is not liable for, and the physician, hospital, clinic, or other medical institution may not bill the insured for, charges that are unpaid because of failure to comply with paragraph (j). Any agreement requiring the injured person or insured to pay for such charges is unenforceable. ~~Any insurance fraud shall void all coverage arising from the claim related to such fraud under the personal injury protection coverage of the insured person who committed the fraud, irrespective of whether a portion of the insured person's claim may be legitimate, and any benefits paid prior to the discovery of the insured person's insurance fraud shall be recoverable by the insurer from the person who committed insurance fraud in their entirety. The prevailing party is entitled to its costs and attorney's fees in any action in which it prevails in an insurer's action to enforce its right of recovery under this paragraph.~~

(5) INSURER INVESTIGATIONS.—An insurer has the right and duty to conduct a reasonable investigation of a claim. In the course of the investigation, the insurer may require the insured, claimant, or medical provider to provide copies of the treatment and examination records so that the insurer can provide such records to a physician for a records review. A

records review need not be based on a physical examination and may be obtained at any time, including after reduction or denial of the claim. The 30-day period for payment under paragraph (4)(b) is tolled from the date the insurer sends its request for treatment records to the date that the insurer receives the treatment records. The claim may be denied or reduced if the medical provider fails to keep adequate records such that the insurer is unable to obtain a records review.

(6)~~(5)~~ CHARGES FOR TREATMENT OF INJURED PERSONS.—

(a)~~1.~~ Any physician, hospital, clinic, or other person or institution lawfully rendering treatment to an injured person for a bodily injury covered by personal injury protection insurance may charge the insurer and injured party only an ~~a reasonable~~ amount pursuant to this section for the services and supplies rendered, and the insurer providing such coverage may pay for such charges directly to such person or institution lawfully rendering such treatment~~,~~ if the insured receiving such treatment or his or her guardian has countersigned the properly completed invoice, bill, or claim form approved by the office upon which such charges are to be paid for as having actually been rendered, to the best knowledge of the insured or his or her guardian. ~~In no event,~~ However, ~~may~~ such ~~a~~ charge may not exceed ~~be in excess of~~ the amount the person or institution customarily charges for like services or supplies. When determining ~~With respect to a determination of~~ whether a charge for a particular service, treatment, or otherwise is reasonable, consideration may be given to evidence of usual and customary charges and payments accepted by the provider involved in the

dispute, ~~and~~ reimbursement levels in the community and various federal and state medical fee schedules applicable to automobile and other insurance coverages, and other information relevant to the reasonableness of the reimbursement for the service, treatment, or supply.

1.~~2.~~ The insurer may limit reimbursement to 80 percent of the following schedule of maximum charges:

a. For emergency transport and treatment by providers licensed under chapter 401, 200 percent of Medicare.

b. For emergency services and care provided by a hospital licensed under chapter 395, 75 percent of the hospital's usual and customary charges.

c. For emergency services and care as defined by s. 395.002~~(9)~~ provided in a facility licensed under chapter 395 rendered by a physician or dentist, and related hospital inpatient services rendered by a physician or dentist, the usual and customary charges in the community.

d. For hospital inpatient services, other than emergency services and care, 200 percent of the Medicare Part A prospective payment applicable to the specific hospital providing the inpatient services.

e. For hospital outpatient services, other than emergency services and care, 200 percent of the Medicare Part A Ambulatory Payment Classification for the specific hospital providing the outpatient services.

f. For all other medical services, supplies, and care, 200 percent of the allowable amount under the participating physicians schedule of Medicare Part B. However, if such

services, supplies, or care is not reimbursable under Medicare Part B, the insurer may limit reimbursement to 80 percent of the maximum reimbursable allowance under workers' compensation, as determined under s. 440.13 and rules adopted thereunder which are in effect at the time such services, supplies, or care is provided. Services, supplies, or care that is not reimbursable under Medicare or workers' compensation is not required to be reimbursed by the insurer.

2.~~3.~~ For purposes of subparagraph 1. ~~2.~~, the applicable fee schedule or payment limitation under Medicare is the fee schedule or payment limitation in effect on January 1 of the year in which ~~at the time~~ the services, supplies, or care was rendered and for the area in which such services were rendered, notwithstanding any subsequent changes made to such fee schedule or payment limitation, except that it may not be less than the allowable amount under the participating physicians schedule of Medicare Part B for 2007 for medical services, supplies, and care subject to Medicare Part B.

3.~~4.~~ Subparagraph 1. ~~2.~~ does not allow the insurer to apply any limitation on the number of treatments or other utilization limits that apply under Medicare or workers' compensation. An insurer that applies the allowable payment limitations of subparagraph 1. ~~2.~~ must reimburse a provider who lawfully provided care or treatment under the scope of his or her license~~,~~ regardless of whether such provider is ~~would be~~ entitled to reimbursement under Medicare due to restrictions or limitations on the types or discipline of health care providers who may be reimbursed for particular procedures or procedure

codes.

4.~~5.~~ If an insurer limits payment as authorized by subparagraph 1. ~~2.~~, the person providing such services, supplies, or care may not bill or attempt to collect from the insured any amount in excess of such limits, except for amounts that are not covered by the insured's personal injury protection coverage due to the coinsurance amount or maximum policy limits.

(b)1. An insurer or insured is not required to pay a claim or charges:

a. Made by a broker or by a person making a claim on behalf of a broker;

b. For any service or treatment that was not lawful at the time rendered;

c. To any person who knowingly submits a false or misleading statement relating to the claim or charges;

d. With respect to a bill or statement that does not ~~substantially~~ meet the ~~applicable~~ requirements of paragraphs (c) and ~~paragraph~~ (d);

e. For any treatment or service that is upcoded, or that is unbundled if ~~when~~ such treatment or services should be bundled, in accordance with paragraph (d). To facilitate prompt payment of lawful services, an insurer may change codes that it determines to have been improperly or incorrectly upcoded or unbundled, and may make payment based on the changed codes, without affecting the right of the provider to dispute the change by the insurer if~~, provided that~~ before doing so, the insurer contacts ~~must contact~~ the health care provider and discusses ~~discuss~~ the reasons for the insurer's change and the

health care provider's reason for the coding, or makes ~~make~~ a reasonable good faith effort to do so, as documented in the insurer's file; and

f. For medical services or treatment billed by a physician and not provided in a hospital unless such services are rendered by the physician or are incident to his or her professional services and are included on the physician's bill, including documentation verifying that the physician is responsible for the medical services that were rendered and billed.

2. The Department of Health, in consultation with the appropriate professional licensing boards, shall adopt, by rule, a list of diagnostic tests deemed not to be medically necessary for use in the treatment of persons sustaining bodily injury covered by personal injury protection benefits under this section. The ~~initial~~ list ~~shall be adopted by January 1, 2004, and~~ shall be revised from time to time as determined by the Department of Health~~,~~ in consultation with the respective professional licensing boards. Inclusion of a test on the list must ~~of invalid diagnostic tests shall~~ be based on lack of demonstrated medical value and a level of general acceptance by the relevant provider community and may ~~shall~~ not be dependent for results entirely upon subjective patient response. Notwithstanding its inclusion on a fee schedule in this subsection, an insurer or insured is not required to pay any charges or reimburse claims for any invalid diagnostic test as determined by the Department of Health.

(c)~~1.~~ With respect to any treatment or service, other than medical services billed by a hospital or other provider for

emergency services as defined in s. 395.002 or inpatient services rendered at a hospital-owned facility, the statement of charges must be furnished to the insurer by the provider and may not include, and the insurer is not required to pay, charges for treatment or services rendered more than 35 days before the postmark date or electronic transmission date of the statement, except for past due amounts previously billed on a timely basis under this paragraph, and except that, if the provider submits to the insurer a notice of initiation of treatment within 21 days after its first examination or treatment of the claimant, the statement may include charges for treatment or services rendered up to, but not more than, 75 days before the postmark date of the statement. The injured party is not liable for, and the provider may ~~shall~~ not bill the injured party for, charges that are unpaid because of the provider's failure to comply with this paragraph. Any agreement requiring the injured person or insured to pay for such charges is unenforceable.

1.~~2.~~ If~~, however,~~ the insured fails to furnish the provider with the correct name and address of the insured's personal injury protection insurer, the provider has 35 days from the date the provider obtains the correct information to furnish the insurer with a statement of the charges. The insurer is not required to pay for such charges unless the provider includes with the statement documentary evidence that was provided by the insured during the 35-day period demonstrating that the provider reasonably relied on erroneous information from the insured and either:

a. A denial letter from the incorrect insurer; or

b. Proof of mailing, which may include an affidavit under penalty of perjury, reflecting timely mailing to the incorrect address or insurer.

2.~~3.~~ For emergency services and care as defined in s. 395.002 rendered in a hospital emergency department or for transport and treatment rendered by an ambulance provider licensed pursuant to part III of chapter 401, the provider is not required to furnish the statement of charges within the time periods established by this paragraph,~~;~~ and the insurer is ~~shall~~ not ~~be~~ considered to have been furnished with notice of the amount of covered loss for purposes of paragraph (4)(b) until it receives a statement complying with paragraph (d), or copy thereof, which specifically identifies the place of service to be a hospital emergency department or an ambulance in accordance with billing standards recognized by the Centers for Medicare and Medicaid Services (CMS) ~~Health Care Finance Administration~~.

3.~~4.~~ Each notice of the insured's rights under s. 627.7401 must include the following statement in type no smaller than 12 points:

BILLING REQUIREMENTS.—Florida Statutes provide that with respect to any treatment or services, other than certain hospital and emergency services, the statement of charges furnished to the insurer by the provider may not include, and the insurer and the injured party are not required to pay, charges for treatment or services rendered more than 35 days before the postmark date of the statement, except for past due

amounts previously billed on a timely basis, and except that, if the provider submits to the insurer a notice of initiation of treatment within 21 days after its first examination or treatment of the claimant, the first billing cycle statement may include charges for treatment or services rendered up to, but not more than, 75 days before the postmark date of the statement.

(d) All statements and bills for medical services rendered by any physician, hospital, clinic, or other person or institution shall be submitted to the insurer on a properly completed Centers for Medicare and Medicaid Services (CMS) 1500 form, UB 92 forms, or any other standard form approved by the office or adopted by the commission for purposes of this paragraph. All billings for such services rendered by providers must ~~shall~~, to the extent applicable, follow the Physicians' Current Procedural Terminology (CPT) or Healthcare Correct Procedural Coding System (HCPCS), or ICD-9 in effect for the year in which services are rendered and comply with the ~~Centers for Medicare and Medicaid Services (~~CMS~~)~~ 1500 form instructions and the American Medical Association Current Procedural Terminology (CPT) Editorial Panel and Healthcare Correct Procedural Coding System (HCPCS). All providers other than hospitals shall include on the applicable claim form the professional license number of the provider in the line or space provided for "Signature of Physician or Supplier, Including Degrees or Credentials." In determining compliance with

applicable CPT and HCPCS coding, guidance shall be provided by the Physicians' Current Procedural Terminology (CPT) or the Healthcare Correct Procedural Coding System (HCPCS) in effect for the year in which services were rendered, the Office of the Inspector General ~~(OIG)~~, Physicians Compliance Guidelines, and other authoritative treatises designated by rule by the Agency for Health Care Administration. A ~~No~~ statement of medical services may not include charges for medical services of a person or entity that performed such services without possessing the valid licenses required to perform such services. For purposes of paragraph (4)(b), an insurer is ~~shall~~ not ~~be~~ considered to have been furnished with notice of the amount of covered loss or medical bills due unless the statements or bills comply with this paragraph, and unless the statements or bills are properly completed in their entirety as to all material provisions, with all relevant information ~~being~~ provided ~~therein~~.

(e)1. At the initial treatment or service provided, each physician, other licensed professional, clinic, or other medical institution providing medical services upon which a claim for personal injury protection benefits is based shall require an insured person, or his or her guardian, to execute a disclosure and acknowledgment form, which reflects at a minimum that:

a. The insured, or his or her guardian, must countersign the form attesting to the fact that the services set forth therein were actually rendered;

b. The insured, or his or her guardian, has both the right and affirmative duty to confirm that the services were actually

rendered;

c. The insured, or his or her guardian, was not solicited by any person to seek any services from the medical provider;

d. The physician, other licensed professional, clinic, or other medical institution rendering services for which payment is being claimed explained the services to the insured or his or her guardian; and

e. If the insured notifies the insurer in writing of a billing error, the insured may be entitled to a certain percentage of a reduction in the amounts paid by the insured's motor vehicle insurer.

2. The physician, other licensed professional, clinic, or other medical institution rendering services for which payment is being claimed has the affirmative duty to explain the services rendered to the insured, or his or her guardian, so that the insured, or his or her guardian, countersigns the form with informed consent.

3. Countersignature by the insured, or his or her guardian, is not required for the reading of diagnostic tests or other services that are of such a nature that they are not required to be performed in the presence of the insured.

4. The licensed medical professional rendering treatment for which payment is being claimed must sign, by his or her own hand, the form complying with this paragraph.

5. The original completed disclosure and acknowledgment form is ~~shall be~~ furnished to the insurer pursuant to paragraph (4)(b) and may not be electronically furnished.

6. This disclosure and acknowledgment form is not required

for services billed by a provider for emergency services as defined in s. 395.002, for emergency services and care as defined in s. 395.002 rendered in a hospital emergency department, or for transport and treatment rendered by an ambulance provider licensed pursuant to part III of chapter 401.

7. The Financial Services Commission shall adopt~~,~~ by rule~~,~~ a standard disclosure and acknowledgment form to ~~that shall~~ be used to fulfill the requirements of this paragraph~~, effective 90 days after such form is adopted and becomes final~~. ~~The commission shall adopt a proposed rule by October 1, 2003. Until the rule is final, the provider may use a form of its own which otherwise complies with the requirements of this paragraph.~~

8. As used in this paragraph, the term "countersigned" or "countersignature" means a second or verifying signature, as on a previously signed document, and is not satisfied by the statement "signature on file" or any similar statement.

9. The requirements of this paragraph apply only with respect to the initial treatment or service of the insured by a provider. For subsequent treatments or service, the provider must maintain a patient log signed by the patient, in chronological order by date of service, that is consistent with the services being rendered to the patient as claimed. The requirements ~~of this subparagraph~~ for maintaining a patient log signed by the patient may be met by a hospital that maintains medical records as required by s. 395.3025 and applicable rules and makes such records available to the insurer upon request.

(f) Upon written notification by any person, an insurer shall investigate any claim of improper billing by a physician

or other medical provider. The insurer shall determine if the insured was properly billed for only those services and treatments that the insured actually received. If the insurer determines that the insured has been improperly billed, the insurer shall notify the insured, the person making the written notification, and the provider of its findings and ~~shall~~ reduce the amount of payment to the provider by the amount determined to be improperly billed. If a reduction is made due to such written notification by any person, the insurer shall pay to the person 20 percent of the amount of the reduction, up to $500. If the provider is arrested due to the improper billing, ~~then~~ the insurer shall pay to the person 40 percent of the amount of the reduction, up to $500.

(g) An insurer may not systematically downcode with the intent to deny reimbursement otherwise due. Such action constitutes a material misrepresentation under s. 626.9541(1)(i)2.

(7)~~(6)~~ DISCOVERY OF FACTS ABOUT AN INJURED PERSON; DISPUTES.—

(a) An insurer may require a claimant to submit to an examination under oath or sworn statement as often as reasonably requested by an insurer and at any reasonable location designated by the insurer. Submission to an examination under oath or sworn statement is a condition precedent to recovery or filing suit. The insurer is not liable for benefits under the no-fault law if the claimant fails to fully and truthfully answer all questions asked or violates any provision of paragraph (4)(j).

1. The insurer may conduct the examination outside the presence of any other person seeking coverage.

2. If an insurer requests an examination of a claimant that is in a hospital, clinic, or other medical institution, such claimant shall produce the persons with the most knowledge relating to the issues set forth by the insurer in the notice of examination.

3. The claimant must provide the insurer at the examination with all documents, papers, receipts, invoices, bills, records, or other tangible items requested by the insurer.

4. The examination may be recorded by audio, video, or court report or any combination thereof. The claimant may record the examination at the claimant's expense.

5. The claimant may have an attorney present at the examination at the claimant's expense.

6. An insurer that unreasonably requests an examination without a reasonable basis as a general business practice is engaging in an unfair insurance trade practice pursuant to s. 626.9541.

~~(a) Every employer shall, if a request is made by an insurer providing personal injury protection benefits under ss. 627.730-627.7405 against whom a claim has been made, furnish forthwith, in a form approved by the office, a sworn statement of the earnings, since the time of the bodily injury and for a reasonable period before the injury, of the person upon whose injury the claim is based.~~

(b) Every physician, hospital, clinic, or other medical

institution providing, before or after bodily injury upon which a claim for personal injury protection insurance benefits is based, any products, services, or accommodations in relation to that or any other injury, or in relation to a condition claimed to be connected with that or any other injury, shall, if requested to do so by the insurer against whom the claim has been made, permit the insurer or the insurer's representative to conduct an onsite physical review and examination of the treatment location, treatment apparatuses, diagnostic devices, and any other medical equipment used for the services rendered within 10 days after the insurer's request and furnish ~~forthwith~~ a written report of the history, condition, treatment, dates, and costs of such treatment of the injured person and why the items identified by the insurer were reasonable in amount and medically necessary, together with a sworn statement that the treatment or services rendered were reasonable and necessary with respect to the bodily injury sustained and identifying which portion of the expenses for such treatment or services was incurred as a result of such bodily injury, and produce ~~forthwith,~~ and permit the inspection and copying of~~,~~ his or her or its records regarding such history, condition, treatment, dates, and costs of treatment if~~; provided that~~ this does ~~shall~~ not limit the introduction of evidence at trial. Such sworn statement must ~~shall~~ read as follows: "Under penalty of perjury, I declare that I have read the foregoing, and the facts alleged are true, to the best of my knowledge and belief." A ~~No~~ cause of action for violation of the physician-patient privilege or invasion of the right of privacy may not be brought ~~shall be~~

~~permitted~~ against any physician, hospital, clinic, or other medical institution complying with ~~the provisions of~~ this section. The person requesting such records and such sworn statement shall pay all reasonable costs connected therewith. If an insurer makes a written request for documentation or information under this paragraph within 30 days after having received notice of the amount of a covered loss under paragraph (4)(a), the amount or the partial amount that ~~which~~ is the subject of the insurer's inquiry is ~~shall become~~ overdue if the insurer does not pay in accordance with paragraph (4)(b) or within 10 days after the insurer's receipt of the requested documentation or information, whichever occurs later. For purposes of this paragraph, the term "receipt" includes, but is not limited to, inspection and copying pursuant to this paragraph. An ~~Any~~ insurer that requests documentation or information pertaining to reasonableness of charges or medical necessity under this paragraph without a reasonable basis for such requests as a general business practice is engaging in an unfair trade practice under the insurance code.

(c) If a request is made by an insurer, an employer must furnish, in a form approved by the office, a sworn statement of the earnings of the person upon whose injury a claim is based since the time of the bodily injury and for a reasonable period before the injury.

(d) ~~(c)~~ If there is a ~~In the event of any~~ dispute regarding an insurer's right to discovery of facts under this section, the insurer may petition the ~~a~~ court ~~of competent jurisdiction~~ to enter an order permitting such discovery. The order may be made

only on motion for good cause shown and upon notice to all persons having an interest~~,~~ and must ~~it shall~~ specify the time, place, manner, conditions, and scope of the discovery. The ~~Such~~ court may, in order to protect against annoyance, embarrassment, or oppression, as justice requires, enter an order refusing discovery or specifying conditions of discovery and ~~may~~ order payments of costs and expenses of the proceeding, including reasonable fees for the appearance of attorneys at the proceedings, as justice requires.

(8)~~(7)~~ MENTAL AND PHYSICAL EXAMINATION OF INJURED PERSON; REPORTS.—

(b) If requested by the person examined, a party causing an examination to be made shall deliver to him or her a copy of every written report concerning the examination rendered by an examining physician, at least one of which reports must set out the examining physician's findings and conclusions in detail. After such request and delivery, the party causing the examination to be made is entitled, upon request, to receive from the person examined every written report available to him or her or his or her representative concerning any examination, previously or thereafter made, of the same mental or physical condition. By requesting and obtaining a report of the examination so ordered, or by taking the deposition of the examiner, the person examined waives any privilege he or she may have, in relation to the claim for benefits, regarding the testimony of every other person who has examined, or may thereafter examine, him or her in respect to the same mental or physical condition. If a person unreasonably refuses to submit

to an examination, the personal injury protection carrier is no longer liable for ~~subsequent~~ personal injury protection benefits incurred after the date of the first request for examination. Failure to appear for an examination raises a rebuttable presumption that such failure was unreasonable. Submission to an examination is a condition precedent to the recovery of benefits.

(9)~~(8)~~ APPLICABILITY OF PROVISION REGULATING ATTORNEY'S FEES.—With respect to any dispute ~~under the provisions of ss. 627.730-627.7405~~ between the insured and the insurer under the no-fault law~~,~~ or between an assignee of an insured's rights and the insurer, ~~the provisions of~~ s. 627.428 applies ~~shall apply~~, except as provided in subsections (11) and (16) ~~(10) and (15)~~.

(10)~~(9)~~ PREFERRED PROVIDERS.—An insurer may negotiate and enter into contracts with preferred ~~licensed health care~~ providers for the benefits described in this section, ~~referred to in this section as "preferred providers,"~~ which ~~shall~~ include health care providers licensed under chapter ~~chapters~~ 458, chapter 459, chapter 460, chapter 461, or chapter ~~and~~ 463.

(a) The insurer may provide an option to an insured to use a preferred provider at the time of purchase of the policy for personal injury protection benefits~~,~~ if the requirements of this subsection are met. However, if the insurer offers a preferred provider option, it must also offer a nonpreferred provider policy. ~~If the insured elects to use a provider who is not a preferred provider, whether the insured purchased a preferred provider policy or a nonpreferred provider policy, the medical benefits provided by the insurer shall be as required by this~~

~~section.~~

(b) If the insured elects the ~~to use a provider who is a~~ preferred provider option, the insurer may pay medical benefits in excess of the benefits required by this section and may waive or lower the amount of any deductible that applies to such medical benefits. As an alternative, or in addition to such benefits, waiver, or reduction, the insurer may provide an actuarially appropriate premium discount as specified in an approved rate filing to an insured who selects the preferred provider option. If the preferred provider option provides a premium discount, the policy may provide that charges for nonemergency services provided within this state are payable only if performed by members of the preferred provider network unless there is no member of the preferred provider network located within 15 miles of the insured's place of residence whose scope of practice includes the required services. ~~If the insurer offers a preferred provider policy to a policyholder or applicant, it must also offer a nonpreferred provider policy.~~

(c) The insurer shall provide each insured ~~policyholder~~ with a current roster of preferred providers in the county in which the insured resides at the time of purchasing ~~purchase of~~ such policy~~,~~ and ~~shall~~ make such list available for public inspection during regular business hours at the insurer's principal office ~~of the insurer~~ within the state. The insurer may contract with another health insurer for the right to use an existing preferred provider network to implement the preferred provider option. Any other arrangement is subject to the approval of the Office of Insurance Regulation.

(17) ~~(16)~~ SECURE ELECTRONIC DATA TRANSFER.—If all parties mutually and expressly agree, a notice, documentation, transmission, or communication of any kind required or authorized under the no-fault law ~~ss. 627.730-627.7405~~ may be transmitted electronically if it is transmitted by secure electronic data transfer that is consistent with state and federal privacy and security laws.

Section 8. Subsection (1) of section 324.021, Florida Statutes, is amended to read:

324.021 Definitions; minimum insurance required.—The following words and phrases when used in this chapter shall, for the purpose of this chapter, have the meanings respectively ascribed to them in this section, except in those instances where the context clearly indicates a different meaning:

However, the term does ~~"motor vehicle" shall~~ not include a ~~any~~ motor vehicle as defined in s. 627.732~~(3)~~ if ~~when~~ the owner of such vehicle has complied with the no-fault law ~~requirements of ss. 627.730-627.7405, inclusive~~, unless the provisions of s. 324.051 apply; and, in such case, the applicable proof of insurance provisions of s. 320.02 apply.

(2) As used in this section, the terms "records owner," "health care practitioner," and "health care practitioner's employer" do not include any of the following persons or entities; furthermore, the following persons or entities are not authorized to acquire or own medical records, but are authorized under the confidentiality and disclosure requirements of this section to maintain those documents required by the part or chapter under which they are licensed or regulated:

(k) Persons or entities practicing under s. 627.736(8) ~~627.736(7)~~.

Section 10. Subsection (7) of section 627.7295, Florida Statutes, is amended to read:

627.7295 Motor vehicle insurance contracts.—

(7) A policy of private passenger motor vehicle insurance or a binder for such a policy may be initially issued in this state only if, before the effective date of such binder or policy, the insurer or agent has collected from the insured an amount equal to 2 months' premium. An insurer, agent, or premium finance company may not, directly or indirectly, take any action resulting in the insured having paid from the insured's own funds an amount less than the 2 months' premium required by this subsection. This subsection applies without regard to whether the premium is financed by a premium finance company or is paid pursuant to a periodic payment plan of an insurer or an insurance agent. This subsection does not apply if an insured or

member of the insured's family is renewing or replacing a policy or a binder for such policy written by the same insurer or a member of the same insurer group. This subsection does not apply to an insurer that issues private passenger motor vehicle coverage primarily to active duty or former military personnel or their dependents. This subsection does not apply if all policy payments are paid pursuant to a payroll deduction plan or an automatic electronic funds transfer payment plan from the policyholder. This subsection and subsection (4) do not apply if an insured has had a policy in effect for at least 6 months, the insured's agent is terminated by the insurer that issued the policy, and the insured obtains coverage on the policy's renewal date with a new company through the terminated agent.

Section 11. Subsections (3) and (4) of section 627.733, Florida Statutes, are amended to read:

627.733 Required security.—

(3) Such security shall be provided:

(a) By an insurance policy delivered or issued for delivery in this state by an authorized or eligible motor vehicle liability insurer which provides the benefits and exemptions contained in the no-fault law ~~ss. 627.730-627.7405~~. Any policy of insurance represented or sold as providing the security required hereunder shall be deemed to provide insurance for the payment of the required benefits; or

(b) By any other method authorized by s. 324.031(2), (3), or (4) and approved by the Department of Highway Safety and Motor Vehicles as affording security equivalent to that afforded by a policy of insurance or by self-insuring as authorized by s. 768.28(16). The person filing such security shall have all of the obligations and rights of an insurer under the no-fault law ~~ss. 627.730-627.7405~~.
