276 960.003 Hepatitis and HIV testing for persons charged with
277 or alleged by petition for delinquency to have committed certain
278 offenses; disclosure of results to victims.—

279 (1) LEGISLATIVE INTENT.—The Legislature finds that a
280 victim of a criminal offense which involves the transmission of

CS/CS/HB 251

2011

body fluids, or which involves certain sexual offenses in which the victim is a minor, disabled adult, or elderly person, is entitled to know at the earliest possible opportunity whether the person charged with or alleged by petition for delinquency to have committed the offense has tested positive for hepatitis or human immunodeficiency virus (HIV) infection. The Legislature finds that to deny victims access to hepatitis and HIV test results causes unnecessary mental anguish in persons who have already suffered trauma. The Legislature further finds that since medical science now recognizes that early diagnosis is a critical factor in the treatment of hepatitis and HIV infection, both the victim and the person charged with or alleged by petition for delinquency to have committed the offense benefit from prompt disclosure of hepatitis and HIV test results.

(2) TESTING OF PERSON CHARGED WITH OR ALLEGED BY PETITION FOR DELINQUENCY TO HAVE COMMITTED CERTAIN OFFENSES.—

(a) In any case in which a person has been charged by information or indictment with or alleged by petition for delinquency to have committed any offense enumerated in s. 775.0877(1)(a)-(n), which involves the transmission of body fluids from one person to another, upon request of the victim or the victim's legal guardian, or of the parent or legal guardian of the victim if the victim is a minor, the court shall order such person to undergo hepatitis and HIV testing within 48 hours after ~~of~~ the information or indictment is filed ~~court order~~. In the event the victim or, if the victim is a minor, the victim's parent or legal guardian, requests hepatitis and HIV testing after 48 hours have elapsed from the filing of the indictment or

CS/CS/HB 251

2011

information, the testing shall be done within 48 hours after the request.

(b) However, when a victim of any sexual offense enumerated in s. 775.0877(1)(a)-(n) is under the age of 18 at the time the offense was committed or when a victim of any sexual offense enumerated in s. 775.0877(1)(a)-(n) or s. 825.1025 is a disabled adult or elderly person as defined in s. 825.1025 regardless of whether the offense involves the transmission of bodily fluids from one person to another, then upon the request of the victim or the victim's legal guardian, or of the parent or legal guardian, the court shall order such person to undergo hepatitis and HIV testing within 48 hours after ~~of~~ the information or indictment is filed ~~court order~~. In the event the victim or, if the victim is a minor, the victim's parent or legal guardian, requests hepatitis and HIV testing after 48 hours have elapsed from the filing of the indictment or information, the testing shall be done within 48 hours after the request. The testing shall be performed under the direction of the Department of Health in accordance with s. 381.004. The results of a hepatitis and ~~an~~ HIV test performed on a defendant or juvenile offender pursuant to this subsection shall not be admissible in any criminal or juvenile proceeding arising out of the alleged offense.

(c) If medically appropriate, followup HIV testing shall be provided when testing has been ordered under paragraph (a) or paragraph (b). The medical propriety of followup HIV testing shall be based upon a determination by a physician and does not require an additional court order. Notification to the victim,

CS/CS/HB 251

2011

337 or to the victim's parent or legal guardian, and to the
338 defendant of the results of each followup test shall made be as
339 soon as practicable in accordance with this section.

340 (3) DISCLOSURE OF RESULTS.—

341 (a) The results of the test shall be disclosed no later
342 than 2 weeks after the court receives such results, under the
343 direction of the Department of Health, to the person charged
344 with or alleged by petition for delinquency to have committed or
345 to the person convicted of or adjudicated delinquent for any
346 offense enumerated in s. 775.0877(1)(a)-(n), which involves the
347 transmission of body fluids from one person to another, and,
348 upon request, to the victim or the victim's legal guardian, or
349 the parent or legal guardian of the victim if the victim is a
350 minor, and to public health agencies pursuant to s. 775.0877. If
351 the alleged offender is a juvenile, the test results shall also
352 be disclosed to the parent or guardian. When the victim is a
353 victim as described in paragraph (2)(b), the test results must
354 also be disclosed no later than 2 weeks after the court receives
355 such results, to the person charged with or alleged by petition
356 for delinquency to have committed or to the person convicted of
357 or adjudicated delinquent for any offense enumerated in s.
358 775.0877(1)(a)-(n), or s. 825.1025 regardless of whether the

360 person to another, and, upon request, to the victim or the
361 victim's legal guardian, or the parent or legal guardian of the
362 victim, and to public health agencies pursuant to s. 775.0877.
363 Otherwise, hepatitis and HIV test results obtained pursuant to
364 this section are confidential and exempt from the provisions of

s. 119.07(1) and s. 24(a), Art. I of the State Constitution and shall not be disclosed to any other person except as expressly authorized by law or court order.

(b) At the time that the results are disclosed to the victim or the victim's legal guardian, or to the parent or legal guardian of a victim if the victim is a minor, the same immediate opportunity for face-to-face counseling which must be made available under s. 381.004 to those who undergo hepatitis and HIV testing shall also be afforded to the victim or the victim's legal guardian, or to the parent or legal guardian of the victim if the victim is a minor.

(4) POSTCONVICTION TESTING.—If, for any reason, the testing requested under subsection (2) has not been undertaken, then upon request of the victim or the victim's legal guardian, or the parent or legal guardian of the victim if the victim is a minor, the court shall order the offender to undergo hepatitis and HIV testing following conviction or delinquency adjudication. The testing shall be performed under the direction of the Department of Health, and the results shall be disclosed in accordance with the provisions of subsection (3).

(5) EXCEPTIONS.—~~The provisions of~~ Subsections (2) and (4) do not apply if:

(a) The person charged with or convicted of or alleged by petition for delinquency to have committed or been adjudicated delinquent for an offense described in subsection (2) has undergone hepatitis and HIV testing voluntarily or pursuant to procedures established in s. 381.004(3)(h)6. or s. 951.27, or any other applicable law or rule providing for hepatitis and HIV

394 subsequent to his or her arrest, conviction, or delinquency

396 alleged by petition for delinquency to have committed; and

397 (b) The results of such hepatitis and HIV testing have
398 been furnished to the victim or the victim's legal guardian, or
399 the parent or legal guardian of the victim if the victim is a
400 minor.

401 (6) TESTING DURING INCARCERATION, DETENTION, OR PLACEMENT;
402 DISCLOSURE.—In any case in which a person convicted of or
403 adjudicated delinquent for an offense described in subsection

405 hepatitis and HIV testing during his or her incarceration,
406 detention, or placement, the results of the initial hepatitis
407 and HIV testing shall be disclosed in accordance with ~~the~~
408 ~~provisions of~~ subsection (3). Except as otherwise requested by
409 the victim or the victim's legal guardian, or the parent or
410 guardian of the victim if the victim is a minor, if the initial
411 test is conducted within the first year of the imprisonment,
412 detention, or placement, the request for disclosure shall be
413 considered a standing request for any subsequent hepatitis and
414 HIV test results obtained within 1 year after the initial
415 hepatitis and HIV test are performed, and need not be repeated
416 for each test administration. Where the inmate or juvenile
417 offender has previously been tested pursuant to subsection (2)
418 the request for disclosure under this subsection shall be
419 considered a standing request for subsequent hepatitis and HIV
420 results conducted within 1 year of the test performed pursuant

CS/CS/HB 251

422 by an agency other than the Department of Health, that agency
