1 A bill to be entitled
2 An act relating to the Prostate Cancer Awareness
3 Program; amending s. 381.911, F.S.; revising the
4 structure and objectives of the Prostate Cancer
5 Awareness Program; authorizing the University of
6 Florida Prostate Disease Center, in collaboration with
7 other organizations and institutions, to establish a
8 prostate cancer task force to replace the advisory
9 committee; providing for membership and duties of the
10 task force; requiring an annual report to the
11 Governor, Legislature, and State Surgeon General;
12 providing an effective date.

13
14 WHEREAS, the Legislature recognizes that prostate cancer is
15 a major public health problem and that promoting awareness of
16 this disease is in the public interest of this state, and

17 WHEREAS, according to the Department of Health's Florida
18 Cancer Plan 2003-2006, prostate cancer was the most commonly
19 diagnosed cancer in Florida, accounting for one in every four
20 cancer diagnoses, and

21 WHEREAS, the costs for screening, staging, and treating
22 prostate cancer patients in both dollars and morbidity continue
23 to rise and threaten the foundation of this state's health
24 system, and

25 WHEREAS, because African-American men are 2.8 times more
26 likely to succumb to prostate cancer than their Caucasian
27 counterparts, a call for action is mandatory, and

28 WHEREAS, there are currently no organized, active, or
29 effective strategies to improve community education and

awareness regarding the rising incidence of and the racial and ethnic disparities related to prostate cancer, and

WHEREAS, the Legislature finds that it in the public interest for state agencies and institutions to work with the University of Florida Prostate Disease Center to establish the prostate cancer task force to more effectively serve the needs of the people of Florida, NOW, THEREFORE,

Be It Enacted by the Legislature of the State of Florida:

Section 1. Section 381.911, Florida Statutes, is amended to read:

381.911 Prostate Cancer Awareness Program.—

(1) To the extent that funds are specifically made available for this purpose, the Prostate Cancer Awareness Program is established within the Department of Health. The purpose of this program is ~~to implement the recommendations of January 2000 of the Florida Prostate Cancer Task Force to~~ provide ~~for~~ statewide outreach, promote prostate cancer awareness, communicate the advantages of early detection, report recent progress in prostate cancer research and the availability of clinical trials, minimize health disparities through outreach and education, communicate best practices principles to physicians involved in the care of prostate cancer patients, and establish a communication platform for patients and their advocates ~~and health education activities to ensure that men are aware of and appropriately seek medical counseling for prostate cancer as an early-detection health care measure.~~

(2) For purposes of implementing the program, the

120 3. Develop effective communication channels among all
121 private and public entities in the state involved in prostate
122 cancer education, research, treatment, and patient advocacy.

123 4. Plan, develop, and implement activities designed to
124 heighten awareness and educate residents of the state,
125 especially those in underserved areas, regarding the importance
126 of prostate cancer awareness.

127 5. Disseminate information about recent progress in
128 prostate cancer research and the availability of clinical
129 trials.

130 6. Minimize health disparities through outreach and
131 education.

132 7. Communicate best practices principles to physicians
133 involved in the care of patients with prostate cancer.

134 8. Establish a communication platform for patients and
135 their advocates.

136 9. Work with other institutions and organizations to
137 develop and maintain a prostate cancer registry that is an
138 automated, electronic, and centralized database of persons in
139 the state who are diagnosed with and treated for prostate
140 cancer.

141 10. Establish a tissue bank to enable research that could
142 result in new therapies and potential cures for persons
143 diagnosed with prostate cancer.

144 11. Solicit grants or philanthropic funding to conduct an
145 annual prostate cancer symposium that brings physicians,

146 researchers, community leaders, prostate cancer survivors, and
147 prostate cancer advocates together to highlight recent advances
148 in prostate cancer research, clinical trials, and best practices
149 used for the prevention of the prostate cancer and to promote
150 strategies for successful rural and urban outreach, community
151 education, and increased awareness.

152 12. Submit and present an annual report to the Governor,
153 the President of the Senate, the Speaker of the House of
154 Representatives, and the State Surgeon General by January 15,
155 2012, and by January 15 of each following year, which contains
156 recommendations for legislative changes necessary to decrease
157 the incidence of prostate cancer, decrease racial and ethnic
158 disparities among persons diagnosed with prostate cancer, and
159 promote increased community education and awareness regarding
160 this disease.

161 ~~(4) The program shall coordinate its efforts with those of~~
162 ~~the Florida Public Health Institute, Inc.~~

163 Section 2. This act shall take effect July 1, 2011.
