## FULL ANALYSIS

### I. SUBSTANTIVE ANALYSIS

#### A. EFFECT OF PROPOSED CHANGES:

##### **Current Situation**

###### Prisoners of War-Missing In Action (POW-MIA)

More than 83,000 Americans remain missing from World War II, the Korean War, the Cold War, the Vietnam War and the 1991 Gulf War.<sup>1</sup> Currently, there are a total of 9,533 unaccounted for military servicemembers from the Korean War and the Vietnam War,<sup>2</sup> with 217 indicating Florida as their home of record.<sup>3</sup> In addition, 34 military servicemembers from Florida have either been accounted for (including POW returnees and POW escapees) or their remains have been recovered and identified from the Korean War and the Vietnam War.<sup>4</sup>

In accordance with the Missing Service Personnel Act,<sup>5</sup> the current number of personnel missing from operations in Iraq and other current conflicts is seven: two servicemembers from Operation Desert Storm; one servicemember and three Department of Defense contractors from Operation Iraqi Freedom; and one servicemember from Operation Enduring Freedom.<sup>6</sup>

###### Military Recognition by the Florida Legislature

The Florida Legislature recognizes the military service of Florida residents through the Florida Veterans' Hall of Fame and the Florida Medal of Honor Wall. The Florida Veterans' Hall of Fame recognizes and honors those military veterans who, through their works and lives during or after military service, made a significant contribution to the State of Florida.<sup>7</sup> The Florida Medal of Honor Wall recognizes and honors those who are accredited, or associated by birth, to the State of Florida, who through their conspicuous bravery and gallantry during wartime, and at considerable risk to their own lives, earned the Medal of Honor.<sup>8</sup>

There are no funds generated by the Veterans' Hall of Fame or Medal of Honor Wall for the benefit of veterans or their families.

###### Rolling Thunder, Inc.

Incorporated in 1995, Rolling Thunder, Inc., is a non-profit organization with over 94 chartered chapters throughout the United States and members abroad, including eight chapters in Florida.<sup>9</sup>

The major function of Rolling Thunder, Inc., is to publicize the POW-MIA issue: to educate the public that many American Prisoners Of War were left behind after all previous wars and to help correct the past and to protect the future veterans from being left behind should they become Prisoners Of War or Missing In Action.<sup>10</sup>
