### SUMMARY ANALYSIS

The bill amends a variety of statutes related to sexual predators and offenders to bring them further in line with the federal Adam Walsh Act. Specifically, the bill amends ss. 775.21, 943.0435, 944.606, and 944.607, F.S., to add the following offenses to the list of offenses that qualify a person as a sexual predator and sexual offender:

- Section 393.135(2), F.S. (sexual misconduct with an individual with a developmental disability);
- Section 394.4593(2), F.S. (sexual misconduct with a patient); and
- Section 916.1075(2), F.S. (sexual misconduct with a forensic client).

The bill also:

- Requires sexual predators and offenders to provide the sheriff and the Florida Department of Law Enforcement (FDLE) any Internet identifier the offender uses and defines the term "Internet identifier;"
- Requires sexual offenders and predators to provide information about their passport, immigration status, vehicles, professional licenses, and other specified information to the sheriff as part of the registration process;
- Specifies that the registration period of a sexual offender sentenced to a term of incarceration or committed to a residential program begins upon release for the most recent conviction that required the offender to register;
- Specifies that an offender's registration period is tolled during any period in which the offender is incarcerated, civilly committed, detained pursuant to ch. 985, F.S., or committed to a residential program; and
- Makes conforming corrections to the Criminal Punishment Code; offense severity ranking chart.

The Criminal Justice Impact Conference met January 30, 2014 and determined this bill would have an insignificant impact on state prison beds. The bill will also have a nonrecurring fiscal impact of \$150,000 on FDLE for programming costs. See fiscal section.

The bill is effective October 1, 2014.

### I. SUBSTANTIVE ANALYSIS

#### A. EFFECT OF PROPOSED CHANGES:

##### **Sexual Predator Qualifying Offenses (Section 1)**

Section 775.21, F.S., which contains various registration requirements for sexual predators, provides in part, that a person must be designated a sexual predator if the person is convicted, on or after October 1, 1993, of:

1. A capital, life, or first degree felony violation, or any attempt thereof, of any of the criminal offenses prescribed in the following statutes in this state or a similar offense in another jurisdiction:
  - Sections 787.01 (kidnapping) or 787.02, F.S. (false imprisonment), where the victim is a minor and the defendant is not the victim's parent or guardian;
  - Section 794.011, F.S. (sexual battery);

  - Section 787.06(3)(b),(d),(f),(g), or (h), F.S. (relating to human trafficking);
  - Section 794.011, F.S. (sexual battery) excluding s. 794.011(10), F.S.;<sup>1</sup>

  - Section 796.035, F.S. (selling or buying of minors into sex trafficking or prostitution);
  - Section 800.04, F.S. (lewd or lascivious offenses committed upon or in the presence of persons less than 16 years of age);
  - Section 810.145(8)(b), F.S. (relating to video voyeurism);
  - Section 825.1025(2)(b), F.S. (lewd or lascivious battery upon or in the presence of an elderly person or disabled person);

  - The offender has previously been convicted of any of the statutes enumerated above, including s. 847.0133, F.S. (protection of minors / obscenity).

##### *Effect of the Bill*

The bill amends s. 775.21, F.S., to add the following qualifying offenses to the list of offenses contained in 2. (enumerated above):

- Section 393.135(2), F.S. (sexual misconduct with an individual with a developmental disability);
- Section 394.4593(2), F.S. (sexual misconduct with a patient); and
- Section 916.1075(2), F.S. (sexual misconduct with a forensic client).

The bill changes the reference to s. 847.0135(5), F.S., in the above list to "s. 847.0135, F.S., excluding s. 847.0135(6), F.S." As a result, all of the computer-related sexual offenses in s. 847.0135, F.S., are qualifying offenses, except for subsection (6), which prohibits an owner or operator of a computer online service to knowingly permit a subscriber to use the service to commit a violation of the statute. The bill also changes the reference to s. 825.1025(2)(b), F.S., in the above list to "s. 825.1025, F.S.," which will include all lewd and lascivious offenses against the elderly or disabled as qualifying offenses.

---

<sup>1</sup> Section 794.011(10), F.S., relates to falsely accusing specified persons of sexual battery.

## **Sexual Offender Qualifying Offenses (Sections 2, 5, and 6)**

Section 943.0435, F.S., which contains various registration requirements for sexual offenders, defines the term “sexual offender,” in part, as a person who:

1. Has been convicted of committing, or attempting, soliciting, or conspiring to commit, any of the criminal offenses proscribed in the following statutes in this state or similar offenses in another jurisdiction:
  - Sections 787.01, (kidnapping), 787.02, (false imprisonment), and 787.025(2)(c), F.S. (luring or enticing a child), where the victim is a minor and the defendant is not the victim’s parent or guardian;
  - Section 787.06(3)(b),(d),(f),(g), or (h), F.S. (relating to human trafficking);
  - Section 794.011, F.S. (sexual battery) excluding s. 794.011(10), F.S.;
  - Section 794.05, F.S. (unlawful activity with certain minors);
  - Section 796.03, F.S. (procuring a person under the age of 18 for prostitution);
  - Section 796.035, F.S. (selling or buying of minors into sex trafficking or prostitution);
  - Section 800.04, F.S. (lewd or lascivious offenses committed upon or in the presence of persons less than 16 years of age);
  - Section 810.145(8), F.S. (relating to video voyeurism);
  - Section 825.1025, F.S. (lewd or lascivious offenses committed upon or in the presence of an elderly person or disabled person);
  - Section 827.071, F.S. (sexual performance by a child);
  - Section 847.0133, F.S. (prohibition of certain acts in connection with obscenity);
  - Section 847.0135, F.S. (computer pornography and traveling to meet a minor) excluding s. 847.0135(6), F.S.;
  - Section 847.0137, F.S. (transmission of pornography by electronic device or equipment);
  - Section 847.0138, F.S. (transmission of material harmful to minors to a minor by electronic device or equipment);
  - Section 847.0145, F.S. (selling or buying of minors);
  - Section 985.701(1), F.S. (sexual misconduct with a juvenile offender); and
2. Has been released on or after October 1, 1997, from the sanction<sup>2</sup> imposed for any conviction of an offense described above.

Sections 944.606 and 944.607, F.S., which contain provisions relating to sexual offenders in the custody of or under the supervision of the Department of Corrections (DOC), also contain definitions of the term “sexual offender” that include the list of qualifying offenses enumerated above.

### ***Effect of the Bill***

The bill amends the definition of the term “sexual offender” in ss. 943.0435, 944.606, and 944.607, F.S., to add the following qualifying offenses:

- Section 393.135(2), F.S. (sexual misconduct with an individual with a developmental disability);
- Section 394.4593(2), F.S. (sexual misconduct with a patient); and
- Section 916.1075(2), F.S. (sexual misconduct with a forensic client).

## **Sexual Predator and Sexual Offender Registration (Sections 1, 2, 5, 6, 8, and 9)**

In very general terms, the distinction between a sexual predator and a sexual offender depends on what offense the person has been convicted of, whether the person has previously been convicted of a sexual offense, and the date the offense occurred.<sup>3</sup> A sexual predator or sexual offender must comply with a number of statutory registration requirements.<sup>4</sup> Failure to comply with these requirements is generally a third degree felony.<sup>5</sup>

---

<sup>2</sup> A sanction imposed in this state or in any other jurisdiction includes, but is not limited to, a fine, probation, community control, parole, conditional release, control release, or incarceration in a state prison, federal prison, private correctional facility, or local detention facility. Section 943.0435(1)(a), F.S.

<sup>3</sup> See generally, ss. 775.21, 943.0435, and 944.607, F.S.

<sup>4</sup> *Id.*

<sup>5</sup> Sections 775.21(10) and 943.0435(14), F.S. A third degree felony is punishable by up to five years imprisonment and a \$5,000 fine. Sections 775.082 and 775.083, F.S.

Sexual predators and offenders must register at the sheriff's office within 48 hours of establishing or maintaining a residence.<sup>6</sup> During initial registration, a sexual predator or sexual offender is required to provide certain information, including their name, address, e-mail address, home and cellular telephone number, and instant message name, to the sheriff's department, who then provides the information to the Florida Department of Law Enforcement (FDLE) for inclusion in the statewide database.<sup>7</sup>

A sexual predator or sexual offender is also required to re-register at specified intervals and to immediately report any changes to his or her registration information.<sup>8</sup> For example, a predator or offender who changes his or her residence or name must, within 48 hours after such change, report in person to a Department of Highway Safety and Motor Vehicles (DHSMV) driver license office.<sup>9</sup> In addition, predators or offenders who intend to establish a residence in another state or jurisdiction other than Florida are required to report in person to the sheriff of the county of current residence within 48 hours before the date he or she intends to leave the state.<sup>10</sup>

#### *Effect of the Bill*

The bill amends ss. 775.21, 943.0435, 944.606, 944.607, 985.481, and 985.4815, F.S., to require sexual predators and offenders to provide the following registration information:

- Information about any tattoos or other identifying marks the offender may have.
- All e-mail addresses, home telephone numbers, and cellular telephone numbers (current law only requires offenders to provide *one* of each).
- The make, model, color, vehicle identification number (VIN), and license tag number of all vehicles the offender owns. "Vehicles owned" is defined to mean any motor vehicle that is registered, coregistered, leased, titled, or rented by a sexual offender; a rented vehicle with the sexual offender as an authorized driver; or a vehicle for which a sexual offender is insured as a driver.
- Palm prints.
- Information about the offender's passport, if the offender has one.
- Documents establishing the offender's immigration status, if the offender is an alien.
- Information about any professional licenses the offender may have.
- Whether the offender is volunteering at an institution of higher education.

The bill amends ss. 775.21 and 943.0435, F.S., to:

- Require sexual predators and offenders who are unable to obtain or update a driver license or state identification card with DHSMV to report any change in the offender's residence or name within 48 hours after the change to the sheriff's office in the county where the offender resides or is located and provide confirmation that he or she reported such information to DHSMV.
- Require sexual predators and offenders who intend to move to another state to report to the sheriff of the county of current residence within 21 days before his or her planned departure if the intended residence of five days or more is outside of the United States.
- Require sexual predators and offenders who intend to establish a residence in another country to provide the sheriff the address, municipality, county, state, and *country* of the offender's intended residence.
- Require FDLE to notify the applicable law enforcement agency in the country where the offender intends to reside.
- Provides that an offender who knowingly provides false registration information by act or omission commits a third degree felony (this provision is also added to ss. 944.607 and 985.4815, F.S.).

### **Sexual Predator / Offender Registration - Instant Message Name (sections 1, 2, 4, 5, 6, and 8)**

---

<sup>6</sup> See ss. 775.21 and 943.0435, F.S. Sexual predators or sexual offenders who are in the custody of or under the supervision of DOC or a local jail are required to register with DOC and the jail, respectively.

<sup>7</sup> See generally, ss. 775.21, 943.0435, 944.607, and 985.4815, F.S.

<sup>8</sup> *Id.*

<sup>9</sup> *Id.*

<sup>10</sup> *Id.*

In addition to providing the above-described information during initial registration, sexual predators and offenders are required to provide the sheriff any instant message name the offender wants to use.<sup>11</sup> Sexual predators and offenders must also register any instant message name with FDLE prior to using such name.<sup>12</sup>

Sections 775.21, 943.0435, 944.606, and 944.607, F.S., define the term “instant message name” as “an identifier that allows a person to communicate in real time with another person using the Internet.”

#### *Effect of the Bill*

The bill amends ss. 775.21, 943.0435, 944.606, and 944.607, F.S., to replace the term “instant message name” with “Internet identifier.” The bill defines the term “Internet identifier” as “all electronic mail, chat, instant messenger, social networking, or similar name used for Internet communication, but does not include a date of birth, social security number, or personal identification number (PIN).” The bill specifies that an offender’s voluntary disclosure of his or her date of birth, social security number, or PIN as an Internet identifier waives the disclosure exemption for such personal information. As a result, sexual predators and offenders will be required to register their Internet identifiers with the sheriff and with FDLE.

The bill also replaces the term “instant message name” with the term “Internet identifier” in s. 943.0437, F.S., which authorizes FDLE to provide information relating to electronic mail addresses and Internet identifiers maintained as part of the sex offender registry to commercial social networking websites.<sup>13</sup>

#### **Removal of the Requirement to Register as a Sexual Offender (Sections 2 and 3)**

Generally, sexual predators and offenders must maintain registration with FDLE for the duration of the offender’s life unless the sexual offender has received a full pardon or has had a conviction set aside in a postconviction proceeding for any offense that met the criteria for the sexual predator designation or that met the criteria for classifying the person as a sexual offender for purposes of registration.<sup>14</sup> However, there are ways in which the registration requirement can be removed.

#### Section 943.0435(11), F.S.

Section 943.0435(11)(a), F.S., currently permits sexual offenders who have been lawfully released from confinement, supervision, or sanction, whichever is later, for at least 25 years and who have not been arrested for any felony or misdemeanor offense since release to petition the criminal division of the circuit court of the circuit in which the sexual offender resides for the purpose of removing the requirement for registration as a sexual offender, provided that the offender’s requirement to register was not based on an adult conviction:

- For a violation of ss. 787.01 or 787.02, F.S.;
- For a violation of s. 794.011, F.S., excluding s. 794.011(10), F.S.;
- For a violation of s. 800.04(4)(b), F.S., where the court finds the offense involved a victim under 12 years of age or sexual activity by the use of force or coercion;
- For a violation of s. 800.04(5)(b), F.S.;
- For a violation of s. 800.04(5)(c)2., F.S., where the court finds the offense involved unclothed genitals or genital area;
- For any attempt or conspiracy to commit any such offense; or
- For a violation of similar law of another jurisdiction.<sup>15</sup>

---

<sup>11</sup> See generally, ss. 775.21, 943.0435, 944.606, and 944.607, F.S.

<sup>12</sup> FDLE maintains an online system through which sexual predators and offenders can update their instant message name information. Sections 775.21 and 943.0435, F.S.

<sup>13</sup> Such websites can use this information for the purpose of comparing users and potential users of the website against the list provided by FDLE. Section 943.0437(2), F.S.

<sup>14</sup> Sections 775.21(6) and 943.0435(11), F.S.

<sup>15</sup> The court may grant or deny relief if the offender demonstrates to the court that he or she has not been arrested for any crime since release; the requested relief complies with the provisions of the federal Adam Walsh Child Protection and Safety Act of 2006 and any other federal standards applicable to the removal of registration requirements for a sexual offender or required to be met as a condition for the receipt of federal funds by the state; and the court is otherwise satisfied that the offender is not a current or potential threat to public safety. The state attorney in the circuit in which the petition is filed must be given notice of the petition at least 3 weeks before the hearing on the matter. The state attorney may present evidence in opposition to the requested relief or may otherwise demonstrate

### *Effect of the Bill*

The bill clarifies that a violation of s. 800.04(5)(c)2., F.S., disqualifies an offender from petitioning the court for removal from the registry if the court finds the offense involved *the use of force or coercion* and unclothed genitals or genital area. The bill permits the offender to petition for removal from the registry in the circuit court in the circuit where the offender previously resided, or in the county where the conviction or adjudication for the qualifying offense occurred.

The bill specifies that the registration period of a sexual offender sentenced to a term of incarceration or committed to a residential program begins upon release for the most recent conviction that required the offender to register. Additionally, an offender's registration period is tolled during any period in which the offender is incarcerated, civilly committed, detained pursuant to ch. 985, F.S., or committed to a residential program.

### Section 943.04354, F.S.

Currently, s. 943.04354(1), F.S., provides that a person can be considered for removal of the requirement to register as a sexual offender or predator if the person:

1. Was or will be convicted or adjudicated delinquent of a violation of ss. 794.011, 800.04, 827.071, or 847.0135(5), F.S., or the person committed a violation of ss. 794.011, 800.04, 827.071, or 847.0135(5), F.S., for which adjudication of guilt was or will be withheld, and the person does not have any other conviction, adjudication of delinquency, or withhold of adjudication of guilt for a violation of ss. 794.011, 800.04, 827.071, or 847.0135(5), F.S.;
2. Is required to register as a sexual offender or predator solely on the basis of this violation; and
3. Is not more than 4 years older than the victim of this violation who was 14 years of age or older but not more than 17 years of age at the time the person committed this violation.

Subsection (2) of the statute provides that if a person meets the above criteria, and the violation of ss. 794.011, 800.04, 827.071, or 847.0135(5), F.S., was committed on or after July 1, 2007, the person may move the court that will sentence or dispose of this violation to remove the requirement that the person register as a sexual offender or predator.<sup>16</sup> At sentencing or disposition of this violation, the court must rule on this motion and, if the court determines the person meets the above criteria and the removal of the registration requirement will not conflict with federal law, it may grant the motion and order the removal of the registration requirement.<sup>17</sup>

Subsection (3) of the statute specifies that a person who meets the above criteria and who is subject to registration as a sexual offender or sexual predator for a violation of ss. 794.011, 800.04, or 827.071, F.S., that occurred before July 1, 2007, may petition the court in which the sentence or disposition for the violation of ss. 794.011, 800.04, or 827.071, F.S., occurred for removal of the requirement to register as a sexual offender or predator.<sup>18</sup> The court shall rule on the petition and, if the court determines the person meets the above criteria and removal of the registration requirement will not conflict with federal law, it may grant the petition and order the removal of the registration requirement.<sup>19</sup>

---

the reasons why the petition should be denied. If the court denies the petition, the court may set a future date at which the sexual offender may again petition the court for relief. Section 943.0435(11)(a), F.S.

<sup>16</sup> The person must allege in the motion that he or she meets the above criteria and that removal of the registration requirement will not conflict with federal law. The state attorney must be given notice of the motion at least 21 days before the date of sentencing or disposition of this violation and may present evidence in opposition to the requested relief or may otherwise demonstrate why the motion should be denied. Section 943.04354(2), F.S.

<sup>17</sup> If the court denies the motion, the person is not authorized under this section to petition for removal of the registration requirement. Section 943.04354(2), F.S.

<sup>18</sup> The person must allege in the petition that he or she meets the above criteria and that removal of the registration requirement will not conflict with federal law. The state attorney must be given notice of the petition at least 21 days before the hearing on the petition and may present evidence in opposition to the requested relief or may otherwise demonstrate why the petition should be denied. Section 943.04354(3)(a) and (b), F.S.

<sup>19</sup> If the court denies the petition, the person is not authorized under this section to file any further petition for removal of the registration requirement. Section 943.04354(3)(b), F.S.

### *Effect of the Bill*

The bill makes a variety of changes to s. 943.04354(1), F.S., to bring the statute in line with the federal Adam Walsh Act. Specifically, the bill provides that a person can be considered for removal of the requirement to register as a sexual offender or predator if the person:

1. Was convicted, regardless of adjudication, or adjudicated delinquent of a violation of ss. 794.011, 800.04, 827.071, or 847.0135(5), F.S., or a similar offense in another jurisdiction, and the person does not have any other conviction, regardless of adjudication, or adjudication of delinquency for a violation of ss. 794.011, 800.04, 827.071, or 847.0135(5), F.S., or a similar offense in another jurisdiction;
2. (a) Was required to register as a sexual offender or predator solely on the basis of the conviction or adjudication described in 1.; or  
(b) Was convicted, regardless of adjudication, or adjudicated delinquent of an offense in another jurisdiction that is similar to an offense listed in 1. and no longer meets the criteria for registration as a sexual offender under the laws of the jurisdiction where the similar offense occurred; and
3. Is not more than 4 years older than the victim of this violation who was 13 years of age or older but less than 18 years of age at the time the person committed this violation.

The bill amends s. 943.04354(2), F.S., to:

- Specify that the motion must be filed in the criminal court of the circuit in which the offense occurred or the *sentencing* court, or for persons convicted or adjudicated delinquent in another jurisdiction, the criminal circuit court of the circuit in which the petitioner resides.
- Require persons convicted or adjudicated delinquent of an offense in another jurisdiction to provide the court written confirmation that he or she is not required to register in the state where the conviction or adjudication occurred.
- Require that FDLE be given notice of the motion at least 3 weeks prior to the date of sentencing, disposition of the violation, or hearing on the motion (currently only the state attorney is required to be given notice).
- Require the court to instruct the moving party to provide FDLE with a certified copy of the order granting relief.

The bill also removes language requiring that the offense be committed on or after July 1, 2007, and repeals s. 943.04354(3), F.S. As a result, the registration removal provisions of s. 943.04354, F.S., will apply to all eligible sexual offenders, regardless of their offense date.

### **Conditions of Supervision – Sex Offender Treatment (Section 7)**

Since 1995, there has been a condition of probation requiring sexual offenders convicted of specified offenses to successfully complete sexual offender treatment.<sup>20</sup> Currently, this condition of probation, found in s. 948.30(1)(c), F.S., is a standard condition of probation and applies to probationers whose crime was committed on or after October 1, 1995, and who are placed under supervision for violation of ch. 794, F.S., s. 800.04, s. 827.071, s. 847.0135(5), or s. 847.0145, F.S.

Section 948.31, F.S., mandates that courts require an evaluation by a qualified practitioner to determine the need of a probationer for treatment. If the court determines that such a need is established by the evaluation process, the court must require sex offender treatment as a term or condition of probation for any person who is required to register as a sexual predator or sexual offender. The court is required to impose a restriction against contact with minors if sexual offender treatment is recommended.<sup>21</sup> This section of statute applies to all sexual offenders on probation – not just those convicted of specified offenses.

### *Effect of the Bill*

---

<sup>20</sup> Chapter 1995-283, L.O.F.

<sup>21</sup> Section 948.30, F.S., currently contains standard conditions of probation that require sex offender treatment for certain offenders and that prohibit certain sex offenders from having contact with minors if the victim of the offender's offense was under 18. The bill requires courts to impose a restriction against contact with minors regardless of whether the offender's victim was a minor.

The bill amends s. 948.31, F.S., to authorize (rather than mandate) a court to require probationers who are required to register as a sexual offender to undergo an evaluation by a qualified practitioner to determine whether the offender needs sex offender treatment. If the practitioner recommends treatment, the offender must successfully complete and pay for such treatment, which must be provided by a qualified practitioner.

The bill also amends s. 948.31, F.S., to remove the requirement that the court impose a restriction against contact with minors if sexual offender treatment is recommended. This prohibition is not needed in s. 948.31, F.S., as there is already a standard condition of supervision in s. 948.30(1)(e), F.S., prohibiting specified sexual offenders from having contact with minors.

### **The Criminal Punishment Code - Offense Severity Ranking Chart (Section 10)**

The Criminal Punishment Code applies to sentencing for felony offenses (except capital felonies) committed on or after October 1, 1998.<sup>22</sup> Criminal offenses are ranked in the Offense Severity Ranking Chart from Level 1 (least severe) to Level 10 (most severe) and are assigned points based on the severity of the offense as determined by the Legislature.<sup>23</sup> A defendant's sentence is calculated based on points and are added in order to determine the "lowest permissible sentence" for the offense.

A violation of s. 796.03, F.S. (procuring person under age of 18 for prostitution), is currently ranked in Level 7 of the ranking chart but is incorrectly described as "procuring any person under 16 years for prostitution."<sup>24</sup> Similarly, a violation of s. 787.02(3)(a), F.S. (false imprisonment of a child under 13 while committing other specified offenses) is ranked in Level 9 of the ranking chart, but is incorrectly listed as a first degree felony (the offense is a first degree felony punishable for life imprisonment).

#### *Effect of the Bill*

The bill amends the ranking chart to correct the above-described inaccuracies.

## **B. SECTION DIRECTORY:**

Section 1. Amends s. 775.21, F.S., relating to The Florida Sexual Predators Act.

## **II. FISCAL ANALYSIS & ECONOMIC IMPACT STATEMENT**

### **A. FISCAL IMPACT ON STATE GOVERNMENT:**

#### **1. Revenues:**

The bill does not appear to have any impact on state revenues.

#### **2. Expenditures:**

The Criminal Justice Impact Conference met January 30, 2014 and determined this bill would have an insignificant impact on state prison beds.

The possible prison bed impact on the Department of Corrections resulted from the bill increasing the number of people subject to sex offender registration requirements and adding additional information that sexual predators and offenders must provide when registering (failure to register is generally punishable as an unranked third degree felony).

FDLE reports that there are two options for implementing the bill. The first requires an additional Systems Analyst recurring position, while the second requires hiring a programmer (non-recurring) for approximately \$150,000.<sup>25</sup>

### **B. FISCAL IMPACT ON LOCAL GOVERNMENTS:**

#### **1. Revenues:**

The bill does not appear to have any impact on local government revenues.

#### **2. Expenditures:**

The bill does not appear to have any impact on local government expenditures.

### **C. DIRECT ECONOMIC IMPACT ON PRIVATE SECTOR:**

None.

### **D. FISCAL COMMENTS:**

None.

## **III. COMMENTS**

### **A. CONSTITUTIONAL ISSUES:**

#### **1. Applicability of Municipality/County Mandates Provision:**

Not applicable because the bill does not appear to: require the counties or municipalities to spend funds or take an action requiring the expenditure of funds; reduce the authority that counties or municipalities have to raise revenues in the aggregate; or reduce the percentage of a state tax shared with counties and municipalities.

#### **2. Other:**

None.

**IV. AMENDMENTS/ COMMITTEE SUBSTITUTE CHANGES**

On January 16, 2014, the Criminal Justice Subcommittee adopted one amendment to the PCB and reported the PCB favorably. The amendment defines the term “vehicles owned” and requires sexual offenders and predators to provide vehicle identification numbers (VIN) as part of the registration process.

This analysis is drafted to the PCB as amended and passed by the Criminal Justice Subcommittee
