4 **Amendment (with title amendment)**

5 Remove everything after the enacting clause and insert:

6 Section 1. Section 43.201, Florida Statutes, is created to
7 read:

8 43.201 Student loan assistance program; administration.--

9 (1) The administering body shall implement a student loan
10 assistance program for eligible career attorneys. The purpose of
11 the program is to provide financial assistance to eligible
12 career attorneys for the repayment of eligible student loans.

13 (2) As used in this section, the term:

14 (a) "Administering body" means the Justice Administrative
15 Commission when the eligible career attorney is employed as an
16 assistant state attorney or assistant public defender or the
17 Office of the Attorney General when the eligible career attorney
18 is employed as an assistant attorney general or assistant
19 statewide prosecutor.

20 (b) "Eligible career attorney" means an assistant state
21 attorney, assistant public defender, assistant attorney general,

Amendment No. 1 (for drafter's use only)

22 or assistant statewide prosecutor who has been employed in that
23 capacity for 3 to 12 years of continuous service on his or her
24 employment anniversary date.

25 (c) "Eligible student loan" means a loan that was issued
26 pursuant to the Higher Education Act of 1965, as amended, to an
27 eligible career attorney to fund his or her law school
28 education, and that is not in default.

29 (d) "Maximum available amount" means, in the event an
30 appropriation is less than the amount necessary to fund total
31 payments by the administering body under paragraph (3)(b), the
32 amount that results from multiplication of the percentage of
33 total funding appropriated by the payment amount of \$3,000 or
34 \$5,000, as appropriate under paragraph (3)(b). The percentage of
35 total funding appropriated is the amount that results from
36 division of the amount of the appropriation by the amount
37 necessary to fund total payments under paragraph (3)(b).

38 (3) The student loan assistance program shall be
39 administered in the following manner:

40 (a) Within 30 days after an individual's employment
41 anniversary date, the individual may submit to his or her
42 employer a certification affidavit on a form authorized by the
43 administering body, which certifies that he or she, as of his or
44 her last employment anniversary date, is an eligible career
45 attorney with one or more eligible student loans. Upon approval
46 by the employing state attorney, public defender, Attorney
47 General, or Statewide Prosecutor, the certification affidavit
48 shall be submitted to the administering body within 60 days
49 following the eligible career attorney's last employment
50 anniversary date.

Amendment No. 1 (for drafter's use only)

51 (b) The administering body that receives a certification
52 affidavit for an eligible career attorney with:

53 1. Three to five years of continuous service shall make a
54 payment in the amount of \$3,000 or in the maximum available
55 amount, whichever is less.

56 2. Six to twelve years of continuous service shall make a
57 payment in the amount of \$5,000 or in the maximum available
58 amount, whichever is less.

59 (c) A payment under paragraph (b) shall be made by the
60 administering body:

61 1. For the benefit of the eligible career attorney named in
62 the certification affidavit and for the purpose of satisfying his
63 or her eligible student loan obligation.

64 2. To the lender that services the eligible student loan
65 between July 1st and July 31st of the next fiscal year following
66 receipt of the certification affidavit by the administering
67 body.

68 3. For the eligible student loan with the highest current
69 interest rate, if the eligible career attorney has more than one
70 eligible student loan.

71 (d) Payments under paragraph (b) shall cease upon totaling
72 \$44,000 per eligible career attorney or upon full satisfaction of
73 the eligible student loan, whichever occurs first.

74 (4) The student loan assistance program shall be funded
75 annually by an appropriation from the General Revenue Fund to
76 the administering body.

77 (5) The administering body shall adopt rules to implement
78 this section.

79 Section 2. This act shall take effect July 1, 2006.

Timeline

Phase I
Data Mapping
(Standardizing Data for Interoperability)

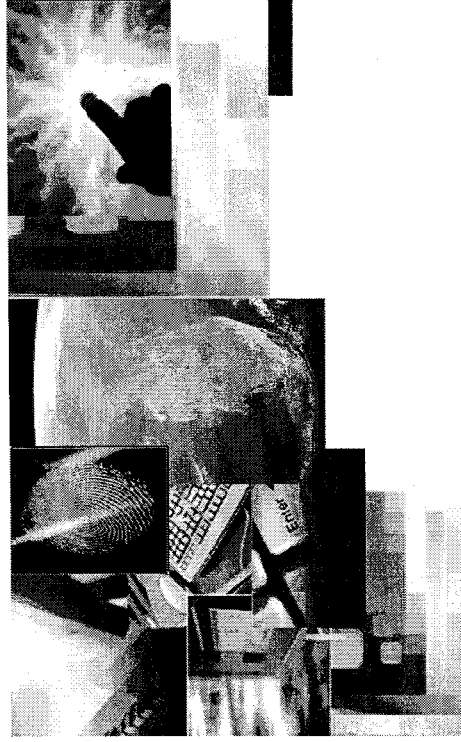

Phase II
Data Infrastructure
(Servers, Interfaces, Physical Connections)

Phase III
Visualization Tools
& Full Implementation
(Link Analysis, GIS, etc.)

Accomplishments February 2005 to Present

- Hired Technical Coordinator to lead statewide connectivity
- Established technical committee with representatives from each project
- Conducted onsite assessments of infrastructure and architecture of each project
- Revised Statewide Information and Intelligence Sharing Strategy

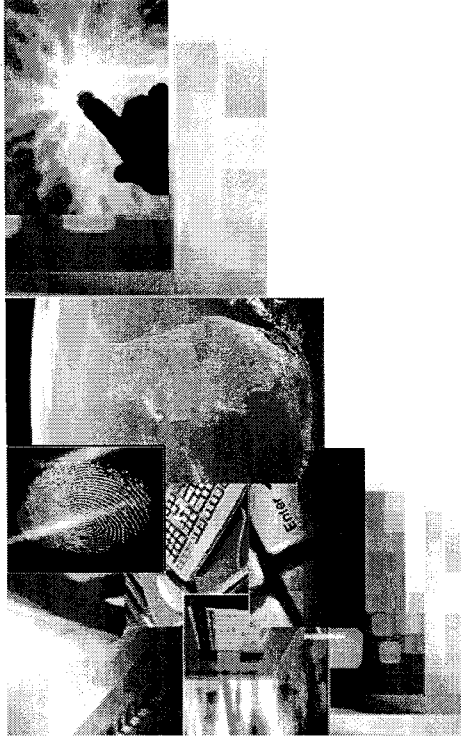

Accomplishments February 2005 to Present

- Progress Report supported and validated by Domestic Security Oversight Council on 10-12-05
- Developed Statement Of Work associated with Phase 1 “Data Mapping” efforts
- Began requirement documents for Phase 2 - physical infrastructure to share data
- Integrated an FDLE Internal Auditor to review project procurements and expenditures

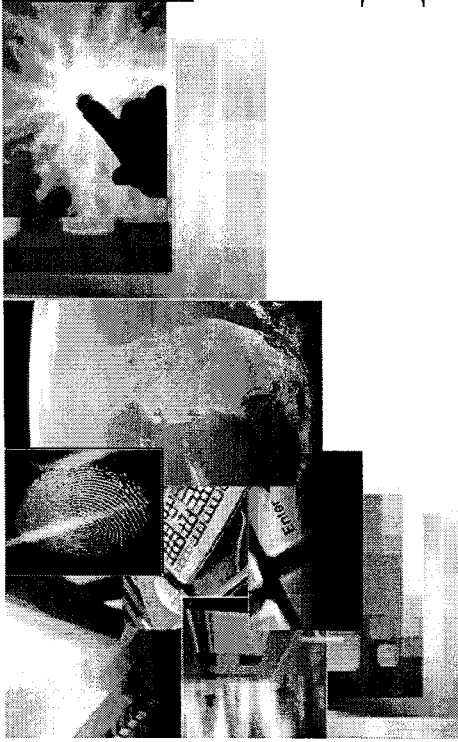

Future – Next Steps

- Development and signing of formal MOUs, between respective entities/project participants
- Development of Privacy Policies in conjunction with individual project and statewide applications
- Complete sub-grant applications for each project to receive DHS/OPD funds for individual projects
- Finalize the creation of the initial Florida Law Enforcement Connectivity Data Dictionary which will refine the data elements that will be shared

Future – Next Steps

- Ensure that all Regions are conducting “data mapping” of individual agency data to the Global Justice XML Data Model (GJXDM) standard for data sharing
- Develop the requirement documents in conjunction with Phase 3 - to provide the high end analytic capability “web utility belt” for system users
- Identify additional funding needs for consideration at the upcoming Domestic Security Funding Conference
- Identify sustainment requirements with respect to system support and maintenance
