22 municipality or special fire control district, who shall be
23 appointed by the governing body of the municipality or special
24 fire control district, and two of whom shall be full-time
25 firefighters as defined in s. 175.032 who shall be elected by a
26 majority of the active firefighters who are members of such
27 plan. With respect to any chapter plan or local law plan that,
28 on January 1, 1997, allowed retired firefighters to vote in such
29 elections, retirees may continue to vote in such elections. The
30 fifth member shall be chosen by a majority of the previous four
31 members as provided for herein, and such person's name shall be
32 submitted to the governing body of the municipality or special
33 fire control district. Upon receipt of the fifth person's name,
34 the governing body of the municipality or special fire control
35 district shall, as a ministerial duty, appoint such person to
36 the board of trustees as its fifth member. The fifth member
37 shall have the same rights as each of the other four members
38 appointed or elected as herein provided, shall serve as trustee
39 for a period of 2 years, and may succeed himself or herself in
40 office. Each resident member shall serve as trustee for a period
41 of 2 years, unless sooner replaced by the governing body at
42 whose pleasure he or she shall serve, and may succeed himself or
43 herself as a trustee. Each firefighter member shall serve as
44 trustee for a period of 2 years, unless he or she sooner leaves
45 the employment of the municipality or special fire control
46 district as a firefighter, whereupon a successor shall be chosen
47 in the same manner as an original appointment. Each firefighter
48 may succeed himself or herself in office. The terms of office of
49 the appointed and elected members of the board may be amended by
50 municipal ordinance, special act of the Legislature, or
51 resolution adopted by the governing body of the special fire

52 control district to extend the terms of office from 2 years to 4
53 years. The length of the terms of office shall be the same for
54 all board members.

55 (7) The board of trustees may, upon written request by the
56 retiree of the plan, or by a dependent, when authorized by the
57 retiree or the retiree's beneficiary, authorize the plan
58 administrator to withhold from the monthly retirement payment
59 those funds that are necessary to pay for the benefits being
60 received through the governmental entity from which the employee
61 retired, to pay the certified bargaining agent of the
62 governmental entity, and to make any payments for child support
63 or alimony. Further, the board of trustees may, upon written
64 request of the retiree of the plan, authorize the plan
65 administrator to withhold from the retirement payment those
66 funds that are necessary to pay for premiums for accident,
67 health, and long-term care insurance for the retiree and the
68 retiree's spouse and dependents. A retirement plan does not
69 incur any liability for participation in this permissive program
70 if its actions are taken in good faith.

71 Section 3. Subsection (1) of section 175.071, Florida
72 Statutes, is amended to read:

73 175.071 General powers and duties of board of
74 trustees.--For any municipality, special fire control district,
75 chapter plan, local law municipality, local law special fire
76 control district, or local law plan under this chapter:

77 (1) The board of trustees, subject to the fiduciary
78 standards in ss. 112.656, 112.661, and 518.11 and the Code of
79 Ethics in ss. 112.311-112.3187, may:

80 (a) Invest and reinvest the assets of the firefighters'
81 pension trust fund in annuity and life insurance contracts of

82 life insurance companies in amounts sufficient to provide, in
83 whole or in part, the benefits to which all of the participants
84 in the firefighters' pension trust fund shall be entitled under
85 the provisions of this chapter and pay the initial and
86 subsequent premiums thereon.

87 (b) Invest and reinvest the assets of the firefighters'
88 pension trust fund in:

89 1. Time or savings accounts of a national bank, a state
90 bank insured by the Bank Insurance Fund, or a savings, building,
91 and loan association insured by the Savings Association
92 Insurance Fund which is administered by the Federal Deposit
93 Insurance Corporation or a state or federal chartered credit
94 union whose share accounts are insured by the National Credit
95 Union Share Insurance Fund.

96 2. Obligations of the United States or obligations
97 guaranteed as to principal and interest by the government of the
98 United States.

99 3. Bonds issued by the State of Israel.

100 4. Bonds, stocks, or other evidences of indebtedness
101 issued or guaranteed by a corporation organized under the laws
102 of the United States, any state or organized territory of the
103 United States, or the District of Columbia, provided:

104 a. The corporation is listed on any one or more of the
105 recognized national stock exchanges or on the National Market
106 System of the NASDAQ Stock Market and, in the case of bonds
107 only, holds a rating in one of the three highest classifications
108 by a major rating service; and

109 b. The board of trustees shall not invest more than 5
110 percent of its assets in the common stock or capital stock of
111 any one issuing company, nor shall the aggregate investment in

112 any one issuing company exceed 5 percent of the outstanding
113 capital stock of that company or the aggregate of its
114 investments under this subparagraph at cost exceed 50 percent of
115 the assets of the fund.

116
117 This paragraph shall apply to all boards of trustees and
118 participants. However, in the event that a municipality or
119 special fire control district has a duly enacted pension plan
120 pursuant to, and in compliance with, s. 175.351, and the
121 trustees thereof desire to vary the investment procedures
122 herein, the trustees of such plan shall request a variance of
123 the investment procedures as outlined herein only through a
124 municipal ordinance, special act of the Legislature, or
125 resolution by the governing body of the special fire control
126 district; where a special act, or a municipality by ordinance
127 adopted prior to July 1, 1998, permits a greater than 50-percent
128 equity investment, such municipality shall not be required to
129 comply with the aggregate equity investment provisions of this
130 paragraph. Notwithstanding any other provision of law to the
131 contrary, nothing in this section may be construed to take away
132 any preexisting legal authority to make equity investments that
133 exceed the requirements of this paragraph. The board of trustees
134 may invest up to 20 ~~40~~ percent of plan assets in foreign
135 securities.

136 (c) Issue drafts upon the firefighters' pension trust fund
137 pursuant to this act and rules and regulations prescribed by the
138 board of trustees. All such drafts shall be consecutively
139 numbered, be signed by the chair and secretary or two
140 individuals designated by the board who are subject to the same
141 fiduciary standards as required for the board of trustees under

000000

Amendment No. (for drafter's use only)

142 this subsection, and state upon their faces the purpose for
143 which the drafts are drawn. The treasurer or depository of each
144 municipality or special fire control district shall retain such
145 drafts when paid, as permanent vouchers for disbursements made,
146 and no money shall be otherwise drawn from the fund.

147 (d) Convert into cash any securities of the fund.

148 (e) Keep a complete record of all receipts and
149 disbursements and of the board's acts and proceedings.

150 Section 4. Paragraph (a) of subsection (1) and subsection
151 (6) of section 185.05, Florida Statutes, are amended to read:

152 185.05 Board of trustees; members; terms of office;
153 meetings; legal entity; costs; attorney's fees.--For any
154 municipality, chapter plan, local law municipality, or local law

156 (1) In each municipality described in s. 185.03 there is
157 hereby created a board of trustees of the municipal police
158 officers' retirement trust fund, which shall be solely
159 responsible for administering the trust fund. Effective October
160 1, 1986, and thereafter:

161 (a) The membership of the board of trustees for chapter
162 plans shall consist of five members, two of whom, unless
163 otherwise prohibited by law, shall be legal residents of the
164 municipality, who shall be appointed by the legislative body of
165 the municipality, and two of whom shall be police officers as
166 defined in s. 185.02 who shall be elected by a majority of the
167 active police officers who are members of such plan. With
168 respect to any chapter plan or local law plan that, on January
169 1, 1997, allowed retired police officers to vote in such
170 elections, retirees may continue to vote in such elections. The
171 fifth member shall be chosen by a majority of the previous four

174 person's name, the legislative body of the municipality shall,
175 as a ministerial duty, appoint such person to the board of
176 trustees as its fifth member. The fifth member shall have the
177 same rights as each of the other four members appointed or
178 elected as herein provided, shall serve as trustee for a period
179 of 2 years, and may succeed himself or herself in office. Each
180 resident member shall serve as trustee for a period of 2 years,
181 unless sooner replaced by the legislative body at whose pleasure
182 the member shall serve, and may succeed himself or herself as a
183 trustee. Each police officer member shall serve as trustee for a
184 period of 2 years, unless he or she sooner leaves the employment
185 of the municipality as a police officer, whereupon the

192 terms of office shall be the same for all board members.

194 retiree of the plan, or by a dependent, when authorized by the
195 retiree or the retiree's beneficiary, authorize the plan
196 administrator to withhold from the monthly retirement payment
