25 mortgage on behalf of all insureds.

26 (2) Every insurer offering a personal lines residential
27 property insurance policy covering windstorm in this state
28 shall, in addition to a standard comprehensive policy, offer a
29 policy that excludes personal contents coverage. If an applicant

Removes requirement that OIR consider profits of national companies of Florida subsidiaries in the rate filing.

Amendment 4 by Rep. Reagan (**lines 417-421**)

Provides duties of OIR and gives an insurer the right to a hearing under chapter 120. Requires refund of excess profits unless refund would render the insurer impaired or insolvent or if the insurer keeps the profit in reserve to pay future claims. HOUSE AMENDMENT FOR COUNCIL/COMMITTEE PURPOSES

Amendment No. (for drafter's use only)

22 this state, the membership of which consists or is to consist
23 only of public agencies of this state, may, for the purpose of
24 financing the provision or acquisition of liability or property
25 coverage contracts for or from one or more local government
26 liability or property pools to provide liability or property
27 coverage for counties, municipalities, or other public agencies
28 of this state, exercise all powers in connection with the
29 authorization, issuance, and sale of bonds. All of the
30 privileges, benefits, powers, and terms of s. 125.01 relating to
31 counties and s. 166.021 relating to municipalities shall be
32 fully applicable to such entity and such entity shall be
33 considered a unit of local government for all of the privileges,
34 benefits, powers, and terms of part I of chapter 159. Bonds
35 issued by such entity shall be deemed issued on behalf of
36 counties, municipalities, or public agencies which enter into
37 loan agreements with such entity as provided in this paragraph.
38 Proceeds of bonds issued by such entity may be loaned to
39 counties, municipalities, or other public agencies of this
40 state, whether or not such counties, municipalities, or other
41 public agencies are also members of the entity issuing the
42 bonds, and such counties, municipalities, or other public
43 agencies may in turn deposit such loan proceeds with a separate
44 local government liability or property pool for purposes of
45 providing or acquiring liability or property coverage contracts.

46 2. Counties or municipalities of this state are authorized
47 pursuant to this section, in addition to the authority provided
48 by s. 125.01, part II of chapter 166, and other applicable law,
49 to issue bonds for the purpose of acquiring liability coverage
50 contracts from a local government liability pool. Any individual
51 county or municipality may, by entering into interlocal

52 agreements with other counties, municipalities, or public
53 agencies of this state, issue bonds on behalf of itself and
54 other counties, municipalities, or other public agencies, for
55 purposes of acquiring a liability coverage contract or contracts
56 from a local government liability pool. Counties,
57 municipalities, or other public agencies are also authorized to
58 enter into loan agreements with any entity created pursuant to
59 subparagraph 1., or with any county or municipality issuing
60 bonds pursuant to this subparagraph, for the purpose of
61 obtaining bond proceeds with which to acquire liability coverage
62 contracts from a local government liability pool. No county,
63 municipality, or other public agency shall at any time have more
64 than one loan agreement outstanding for the purpose of obtaining
65 bond proceeds with which to acquire liability coverage contracts
66 from a local government liability pool. Obligations of any
67 county, municipality, or other public agency of this state
68 pursuant to a loan agreement as described above may be validated
69 as provided in chapter 75. Prior to the issuance of any bonds
70 pursuant to subparagraph 1. or this subparagraph for the purpose
71 of acquiring liability coverage contracts from a local
72 government liability pool, the reciprocal insurer or the manager
73 of any self-insurance program shall demonstrate to the
74 satisfaction of the Office of Insurance Regulation of the
75 Financial Services Commission that excess liability coverage for
76 counties, municipalities, or other public agencies is reasonably
77 unobtainable in the amounts provided by such pool or that the
78 liability coverage obtained through acquiring contracts from a
79 local government liability pool, after taking into account costs
80 of issuance of bonds and any other administrative fees, is less

81 expensive to counties, municipalities, or special districts than
82 similar commercial coverage then reasonably available.

83 3. Any entity created pursuant to this section or any
84 county or municipality may also issue bond anticipation notes,
85 as provided by s. 215.431, in connection with the authorization,
86 issuance, and sale of such bonds. In addition, the governing
87 body of such legal entity or the governing body of such county
88 or municipality may also authorize bonds to be issued and sold
89 from time to time and may delegate, to such officer, official,
90 or agent of such legal entity as the governing body of such
91 legal entity may select, the power to determine the time; manner
92 of sale, public or private; maturities; rate or rates of
93 interest, which may be fixed or may vary at such time or times
94 and in accordance with a specified formula or method of
95 determination; and other terms and conditions as may be deemed
96 appropriate by the officer, official, or agent so designated by
97 the governing body of such legal entity. However, the amounts
98 and maturities of such bonds and the interest rate or rates of
99 such bonds shall be within the limits prescribed by the
100 governing body of such legal entity and its resolution
101 delegating to such officer, official, or agent the power to
102 authorize the issuance and sale of such bonds. Any series of
103 bonds issued pursuant to this paragraph for liability coverage
104 shall mature no later than 7 years following the date of
105 issuance ~~thereof~~. Any series of bonds issued pursuant to this
106 paragraph for property coverage shall mature no later than 30
107 years following the date of issuance.

108 4. Bonds issued pursuant to subparagraph 1. may be
109 validated as provided in chapter 75. The complaint in any
110 action to validate such bonds shall be filed only in the Circuit

111 Court for Leon County. The notice required to be published by
112 s. 75.06 shall be published in Leon County and in each county
113 which is an owner of the entity issuing the bonds, or in which a
114 member of the entity is located, and the complaint and order of
115 the circuit court shall be served only on the State Attorney of
116 the Second Judicial Circuit and on the state attorney of each
117 circuit in each county or municipality which is an owner of the
118 entity issuing the bonds or in which a member of the entity is
119 located.

120 5. Bonds issued pursuant to subparagraph 2. may be
121 validated as provided in chapter 75. The complaint in any action
122 to validate such bonds shall be filed in the circuit court of
123 the county or municipality which will issue the bonds. The
124 notice required to be published by s. 75.06 shall be published
125 only in the county where the complaint is filed, and the
126 complaint and order of the circuit court shall be served only on
127 the state attorney of the circuit in the county or municipality
128 which will issue the bonds.

129 6. The participation by any county, municipality, or other
130 public agency of this state in a local government liability pool
131 shall not be deemed a waiver of immunity to the extent of
132 liability coverage, nor shall any contract entered regarding
133 such a local government liability pool be required to contain
134 any provision for waiver.

135 (h)1. Notwithstanding the provisions of paragraph (c), any
136 separate legal entity consisting of an alliance, as defined in
137 s. 395.1060(2)(a), which is created pursuant to this paragraph
138 and controlled by and whose members consist of the following
139 eligible entities: special districts created pursuant to a
140 special act and having the authority to own or operate one or

141 more Florida-licensed hospitals, or Florida-licensed hospitals
142 that are owned, operated, or funded by a county or municipality,
143 may, for the purpose of providing property insurance coverage as
144 defined in s. 395.1060(2)(c), for such eligible entities,
145 exercise all powers under this subsection in connection with
146 borrowing funds for such purposes, including, without
147 limitation, the authorization, issuance, and sale of bonds,
148 notes, or other obligations of indebtedness. Borrowed funds,
149 including bonds issued by such alliance, shall be deemed issued
150 on behalf of such eligible entities that enter into loan
151 agreements with such separate entity as provided in this
152 paragraph.

153 2. Any such separate entity shall have all the powers that
154 are provided by the interlocal agreement under which it is
155 created or that are necessary to finance, operate, or manage the
156 alliance's property insurance coverage program. Proceeds of
157 bonds, notes, or other obligations issued by such an entity may
158 be loaned to any one or more eligible entities. Eligible
159 entities are authorized to enter into loan agreements with any
160 separate entity created pursuant to this paragraph for the
161 purpose of obtaining moneys with which to finance property
162 insurance coverage or claims. Obligations of any eligible entity
163 pursuant to a loan agreement as described in this paragraph may
164 be validated as provided in chapter 75.

166 incurred by a separate entity created pursuant to this paragraph
167 shall be authorized by resolution of the governing body of such
168 entity and bear the date or dates; mature at the time or times,
169 not exceeding 30 years from their respective dates; bear
170 interest at the rate or rates, which may be fixed or vary at

171 such time or times and in accordance with a specified formula or
172 method of determination; be payable at the time or times; be in
173 the denomination; be in the form; carry the registration
174 privileges; be executed in the manner; be payable from the
175 sources and in the medium of payment and at the place; and be
176 subject to redemption, including redemption prior to maturity,
177 as the resolution may provide. The bonds, notes, or other
178 obligations may be sold at public or private sale for such price
179 as the governing body of the separate entity shall determine.
180 The bonds may be secured by such credit enhancement, if any, as
181 the governing body of the separate entity deems appropriate. The
182 bonds may be secured by an indenture of trust or trust
183 agreement. In addition, the governing body of the separate
184 entity may delegate, to such officer or official of such entity
185 as the governing body may select, the power to determine the
186 time; manner of sale, public or private; maturities; rate or
187 rates of interest, which may be fixed or may vary at such time
188 or times and in accordance with a specified formula or method of
189 determination; and other terms and conditions as may be deemed
190 appropriate by the officer or official so designated by the
191 governing body of such separate entity. However, the amounts and
192 maturities of such bonds, the interest rate or rates, and the
193 purchase price of such bonds shall be within the limits
194 prescribed by the governing body of such separate entity in its
195 resolution delegating to such officer or official the power to
196 authorize the issuance and sale of such bonds.

197 4. Bonds issued pursuant to this paragraph may be
198 validated as provided in chapter 75. The complaint in any action
199 to validate such bonds shall be filed only in the Circuit Court
200 for Leon County. The notice required to be published by s. 75.06

201 shall be published in Leon County and in each county in which an
202 eligible entity that is a member of an alliance is located. The
203 complaint and order of the circuit court shall be served only on
204 the state attorney of the Second Judicial Circuit and on the
205 state attorney of each circuit in each county in which an
206 eligible entity receiving bond proceeds is located.

207 5. The accomplishment of the authorized purposes of a
208 separate entity created under this paragraph is in all respects
209 for the benefit of the people of the state, for the increase of
210 their commerce and prosperity, and for the improvement of their
211 health and living conditions. Since the separate entity will
212 perform essential public functions in accomplishing its
213 purposes, the separate entity is not required to pay any taxes
214 or assessments of any kind whatsoever upon any property acquired
215 or used by it for such purposes or upon any revenues at any time
216 received by it. The bonds, notes, and other obligations of such
217 separate entity, their transfer, and the income therefrom,
218 including any profits made on the sale thereof, are at all times
219 free from taxation of any kind of the state or by any political
220 subdivision or other agency or instrumentality thereof. The
221 exemption granted in this paragraph is not applicable to any tax
222 imposed by chapter 220 on interest, income, or profits on debt
223 obligations owned by corporations.

224 6. The participation by any eligible entity in an alliance
225 or a separate entity created pursuant to this paragraph may not
226 be deemed a waiver of immunity to the extent of liability or any
227 other coverage, and a contract entered regarding such alliance
228 is not required to contain any provision for waiver.
