Amendment (with title amendments)

5 Insert between lines 857-858:

6 Section 14. Section 27.7001, Florida Statutes, is amended
7 to read:

8 27.7001 Legislative intent and findings.--

9 (a) It is the intent of the Legislature to create part IV
 10 of this chapter, consisting of ss. 27.7001-27.711, inclusive, to
 11 provide for the collateral representation of any person
 12 convicted and sentenced to death in this state, so that
 13 collateral legal proceedings to challenge any Florida capital
 14 conviction and sentence may be commenced in a timely manner and
 15 so as to assure the people of this state that the judgments of
 16 its courts may be regarded with the finality to which they are
 17 entitled in the interests of justice.

18 (b) It is the further intent of the Legislature that
 19 collateral representation shall not include representation
 20 during retrials, resentencings, proceedings commenced under
 21 chapter 940, or civil litigation.

HOUSE AMENDMENT FOR COUNCIL/COMMITTEE PURPOSES

Amendment No. 2 (for drafter's use only)

22 (c) The Legislature finds that under Florida and federal
23 law, a defendant has no constitutional right to counsel in
24 postconviction proceedings. Notwithstanding, the Legislature
25 created by statute a qualified right for capital defendants to
26 postconviction counsel at specified rates for certain services.

27 (e) The Legislature finds that attorneys who participate in
28 the attorney registry to offer their services are not required
29 to accept an appointment and are free to decline an appointment
30 if they find the statutory fee schedule insufficient.

31 (f) The Florida Supreme Court in Olive v. Maas, 811 So.2d
32 644 (Fla. 2002) has allowed registry attorneys to seek, and
33 authorized trial courts to grant, compensation in excess of the
34 statutory fee schedule notwithstanding the terms of each
35 attorney's contract, notwithstanding statutory requirements, and
36 notwithstanding that the Legislature contemplated the nature of
37 postconviction representation in all capital cases in the
38 development of the statutory fee schedule.

39 Section 15. Subsections (5), (6) and (7) of section
40 27.7002, Florida Statutes, are amended to read:

41 27.7002 Limitation on collateral representation; lawyer
42 disqualification; use of state funds for excess fees not
43 authorized.--

44 (5) The use of state funds for compensation of counsel
45 appointed pursuant to s. 27.710 above the amounts set forth in
46 s. 27.711 is not authorized unless ordered by the court pursuant
47 to s. 27.7003.

48 ~~(6) The executive director of the Commission on Capital~~
49 ~~Cases is authorized to permanently remove from the registry of~~
50 ~~attorneys provided in ss. 27.710 and 27.711 any attorney who~~

HOUSE AMENDMENT FOR COUNCIL/COMMITTEE PURPOSES

Amendment No. 2 (for drafter's use only)

51 ~~seeks compensation for services above the amounts provided in s.~~
52 ~~27.711.~~

53 ~~(7) Any attorney who notifies any court, judge, state~~
54 ~~attorney, the Attorney General, or the executive director of the~~
55 ~~Commission on Capital Cases, prior to signing the contract~~
56 ~~required under s. 27.710, determines that he or she cannot~~
57 ~~provide adequate or proper representation under the terms and~~
58 ~~conditions set forth in s. 27.711 must immediately notify the~~
59 ~~appropriate trial court and decline the appointment for which~~
60 ~~the contract was offered shall be permanently disqualified from~~
61 ~~any attorney registry created under this chapter unless good~~
62 ~~cause arises after a change in circumstances.~~

63 Section 16. Section 27.7003, Florida Statutes, is created
64 to read:

65 27.7003 Determination of authorization for fees and costs
66 for registry attorneys in excess of those authorized by s.
67 27.711.--

68 (1) This section governs the determination of whether the
69 use of state funds for compensation of counsel requesting fees
70 or reimbursement of expenses in excess of the amounts set forth
71 in s. 27.711 is authorized.

72 (2) The use of state funds for compensation of counsel in
73 amounts greater than the amounts provided in ss. 27.711(4)(b)-
74 (h), (5) and (6) is authorized as provided in subsection (4) only
75 when in an evidentiary hearing the attorney requesting
76 additional compensation proves by clear and convincing evidence
77 that the services for which additional compensation is sought
78 were due to additional work that was unforeseeable by a
79 reasonable attorney exercising due diligence at the time the

HOUSE AMENDMENT FOR COUNCIL/COMMITTEE PURPOSES

Amendment No. 2 (for drafter's use only)

80 contract was signed. Additional work is unforeseeable only when
81 all of the following conditions are met:

82 (a) The additional work was necessary due to an
83 unanticipated change in circumstances that occurred after the
84 signing of the contract.

85 (b) The change in circumstances was extraordinary and
86 unusual when compared to other capital cases in the
87 postconviction stage of proceedings.

88 (c) The additional work was for the purpose of raising a
89 meritorious claim in a timely manner that could not have been
90 raised but for the unanticipated change in circumstances
91 described in paragraph (a) and not for the purpose of raising
92 any claim that is procedurally barred, not supported by the law
93 or facts of the case, or that is otherwise frivolous or
94 successive.

95 (d) The additional work claimed is not due to counsel's
96 failure to adequately review the case record in advance of
97 signing the contract or due to counsel's failure to remain
98 apprised of current developments in the law.

99 (3) (a) Any motion for additional compensation that fails to
100 state specific facts describing how the additional work was
101 necessary due to an unanticipated change in circumstances
102 occurring after the signing of the contract shall be summarily
103 dismissed without prejudice.

104 (b) In determining whether the required showing in
105 subsection (2) has been satisfied, the court may, to the extent
106 possible, compare the case in which the registry counsel seeks
107 additional compensation to other similar capital cases in the
108 postconviction stage of proceedings. If the court grants the
109 motion for additional compensation it shall issue a written

HOUSE AMENDMENT FOR COUNCIL/COMMITTEE PURPOSES

Amendment No. 2 (for drafter's use only)

110 order setting forth its findings and reasons along with an
111 explanation of how the amount of additional compensation was
112 calculated. An order granting additional compensation may be
113 appealed by the State.

114 (4) The use of state funds for compensation above the
115 amounts provided in ss. 27.711(4)(b)-(h), (5) and (6) is
116 authorized upon the filing of the court order granting
117 additional compensation with the clerk of the court. The amount
118 of additional compensation authorized in this section shall be
119 calculated using the statutory maximum amounts as the starting
120 point with additional compensation determined using the rate per
121 hour provided in s. 27.711 for the applicable service. The
122 amount of additional compensation ordered shall be no more than
123 the court determines is necessary to avoid confiscation of the
124 registry counsel's time, energy and talent for his or her
125 unforeseeable additional work but in no event shall the amount
126 of additional compensation exceed thirty percent of the
127 statutory maximum amount authorized under s. 27.711 for the
128 specific service for which additional compensation was granted.
129 In the same way as the statutory maximum amounts provided in s.
130 27.711 restrict the number of hours for which compensation is
131 authorized for each service at the specified rate, it is not
132 necessary that additional compensation be ordered for every hour
133 of unforeseeable additional work claimed. In determining an
134 amount of additional compensation needed to avoid confiscation
135 of a registry counsel's time, energy and talent, the court may
136 consider whether the additional work resulted in registry
137 counsel pursuing a meritorious claim that could not have
138 otherwise been raised and how the quantity and quality of the
139 additional work proportionally compares with the quantity and

Amendment No. 2 (for drafter's use only)

140 quality of work that is within the scope of expected performance
141 under the registry contract and the terms of s. 27.711.

142 (5) The Chief Financial Officer shall represent the state
143 in proceedings for additional compensation provided in this
144 section.

145 (6) This section shall not be construed to authorize
146 compensation for services or expenses not specified in ss.
147 27.711(4), (5) or (6).

148 Section 17. Subsections (2), (3), (4), and (12) of section
149 27.711, Florida Statutes, are amended to read:

150 27.711 Terms and conditions of appointment of attorneys as
151 counsel in postconviction capital collateral proceedings.--

152 (2) After appointment by the trial court under s. 27.710,
153 the attorney must, immediately within thirty days, sign the
154 contract required under s. 27.710 and file a notice of
155 appearance with the trial court indicating acceptance of the
156 appointment to represent the capital defendant throughout all
157 postconviction capital collateral proceedings, including federal
158 habeas corpus proceedings, in accordance with this section or
159 until released by order of the trial court.

160 (3) An attorney appointed to represent a capital defendant
161 is entitled to payment of the fees set forth in this section or
162 s. 27.7003 only upon full performance by the attorney of the
163 duties specified in this section and approval of payment by the
164 trial court, and the submission of a payment request by the
165 attorney, subject to the availability of sufficient funding
166 specifically appropriated for this purpose. An attorney may not
167 be compensated under this section for work performed by the
168 attorney before July 1, 2003, while employed by the northern
169 regional office of the capital collateral counsel. The Chief

170 Financial Officer shall notify the executive director and the
171 court if it appears that sufficient funding has not been
172 specifically appropriated for this purpose to pay any fees which
173 may be incurred. The attorney shall maintain appropriate
174 documentation, including a current and detailed hourly
175 accounting of time spent representing the capital defendant. The
176 fee and payment schedule in this section is the exclusive means
177 of compensating a court-appointed attorney who represents a
178 capital defendant. An attorney seeking additional compensation
179 for fees or reimbursement for expenses in excess of the amounts
180 provided in subsections (4)(b)-(h), (5) or (6) must satisfy the
181 requirements of s. 27.7003. When appropriate, a court-appointed
182 attorney must seek further compensation from the Federal
183 Government, as provided in 18 U.S.C. s. 3006A or other federal
184 law, in habeas corpus litigation in the federal courts.

185 (4) Upon approval by the trial court, an attorney
186 appointed to represent a capital defendant under s. 27.710 is
187 entitled to payment of the following fees by the Chief Financial
188 Officer:

189 (a) Regardless of the stage of postconviction capital
190 collateral proceedings, the attorney is entitled to \$100 per
191 hour, up to a maximum of \$2,500, after signing the contract
192 required under s. 27.710, accepting the appointment and filing a
193 notice of appearance.

194 (b) The attorney is entitled to \$100 per hour, up to a
195 maximum of \$20,000, after timely filing in the trial court the
196 capital defendant's complete original motion for postconviction
197 relief under the Florida Rules of Criminal Procedure. The motion
198 must raise all issues to be addressed by the trial court.
199 However, an attorney is entitled to fees under this paragraph if

200 the court schedules a hearing on a matter that makes the filing
201 of the original motion for postconviction relief unnecessary or
202 if the court otherwise disposes of the case.

203 (c) The attorney is entitled to \$100 per hour, up to a
204 maximum of \$20,000, after the trial court issues a final order
205 granting or denying the capital defendant's motion for
206 postconviction relief.

207 (d) The attorney is entitled to \$100 per hour, up to a
208 maximum of \$20,000, after timely filing in the Supreme Court the
209 capital defendant's brief or briefs that address the trial
210 court's final order granting or denying the capital defendant's
211 motion for postconviction relief and the state petition for writ
212 of habeas corpus.

213 (e) The attorney is entitled to \$100 per hour, up to a
214 maximum of \$10,000, after the trial court issues an order,
215 pursuant to a remand from the Supreme Court, which directs the
216 trial court to hold further proceedings on the capital
217 defendant's motion for postconviction relief.

218 (f) The attorney is entitled to \$100 per hour, up to a
219 maximum of \$4,000, after the appeal of the trial court's denial
220 of the capital defendant's motion for postconviction relief and
221 the capital defendant's state petition for writ of habeas corpus
222 become final in the Supreme Court.

223 (g) At the conclusion of the capital defendant's
224 postconviction capital collateral proceedings in state court,
225 the attorney is entitled to \$100 per hour, up to a maximum of
226 \$2,500, after filing a petition for writ of certiorari in the
227 Supreme Court of the United States.

228 (h) If, at any time, a death warrant is issued, the
229 attorney is entitled to \$100 per hour, up to a maximum of

230 \$5,000. This payment shall be full compensation for attorney's
231 fees and costs for representing the capital defendant throughout
232 the proceedings before the state courts of Florida.

233
234 The hours billed by a contracting attorney under this subsection
235 may include time devoted to representation of the defendant by
236 another attorney who is qualified under s. 27.710 and who has
237 been designated by the contracting attorney to assist him or
238 her.

239 (12) The court shall monitor the performance of assigned
240 counsel to ensure that the capital defendant is receiving
241 quality representation. The court shall also receive and
242 evaluate allegations that are made regarding the performance of
243 assigned counsel. The Chief Financial Officer, the Department of
244 Legal Affairs, the executive director, or any interested person
245 may advise the court of any circumstance that could affect the
246 quality of representation, including, but not limited to, false
247 or fraudulent billing, misconduct, failure to meet continuing
248 legal education requirements, solicitation to receive
249 compensation from the capital defendant, ~~or~~ failure to file
250 appropriate motions in a timely manner, or assertion of claims

A VVI system videos potential job candidates answering standardized questions for teacher positions. The goal of the VVI system is to provide the Hillsborough County School District with the best interviewing model to be easily replicated around the state of Florida. Hillsborough County will serve as a pilot program to increase the opportunities to recruit teachers from other states by allowing on-going video interviews to take place continuously and potentially reduce the need for staff salary and travel expenses to other parts of the country. The results of the pilot as measured by the number of teachers hired as a result of this project shall be reported to the chair of the Senate Fiscal Policy and Calendar Committee, the chair of the House Policy and Budget Council, and the Governor by July 1, 2008.
