28 | 393.0661 Home and community-based services delivery
 29 | system; comprehensive redesign.--The Legislature finds that the
 30 | home and community-based services delivery system for persons
 31 | with developmental disabilities and the availability of
 32 | appropriated funds are two of the critical elements in making
 33 | services available. Therefore, it is the intent of the
 34 | Legislature that the Agency for Persons with Disabilities shall
 35 | develop and implement a comprehensive redesign of the system.

36 | (3) The Agency for Health Care Administration, in
 37 | consultation with the agency, shall seek federal approval and
 38 | implement a four-tiered waiver system to serve clients with
 39 | developmental disabilities in the developmental disabilities and
 40 | family and supported living waivers. The agency shall assign all
 41 | clients receiving services through the developmental
 42 | disabilities waiver to a tier based on a valid assessment
 43 | instrument, client characteristics, and other appropriate
 44 | assessment methods. All services covered under the current
 45 | developmental disabilities waiver shall be available to all
 46 | clients in all tiers where appropriate, except as otherwise
 47 | provided in this subsection or in the General Appropriations
 48 | Act.

49 | (b) Tier two shall be limited to clients whose service
 50 | needs include a licensed residential facility and who are
 51 | authorized to receive a moderate level of support for standard
 52 | residential habilitation services or a minimal level of support
 53 | for behavior focus ~~greater than 5 hours per day in residential~~
 54 | habilitation services or clients in supported living who receive
 55 | greater than 6 hours a day of in-home support services. Total

56 | annual expenditures under tier two may not exceed \$55,000 per
 57 | client each year.

58 | (d) Tier four is the family and supported living waiver.
 59 | Tier four shall include, but is not limited to, clients in
 60 | independent or supported living situations and clients who live
 61 | in their family home. An increase to the number of services
 62 | available to clients in this tier shall not take effect prior to
 63 | July 1, 2009 ~~2008~~. Total annual expenditures under tier four may
 64 | not exceed \$14,792 per client each year.

65 | (4) Effective July 1, 2008, the geographic differential
 66 | for Miami-Dade, Broward, and Palm Beach Counties for residential
 67 | habilitation services shall be 7.5 percent. Effective July 1,
 68 | 2009, the geographic differential for Miami-Dade, Broward, and
 69 | Palm Beach Counties for residential habilitation services shall
 70 | be 4.5 percent.

71 | (5) Effective July 1, 2008, the geographic differential
 72 | for Monroe County for residential habilitation services shall be
 73 | 20 percent. Effective July 1, 2009, the geographic differential
 74 | for Monroe County for residential habilitation services shall be
 75 | 15 percent. Effective July 1, 2010, the geographic differential
 76 | for Monroe County for residential habilitation services shall be
 77 | 10 percent.

78 | (6) Effective January 1, 2009, and except as otherwise
 79 | provided in this section, an individual served by the home and
 80 | community-based services waiver or the family and supported
 81 | living waiver funded through the Agency for Persons with
 82 | Disabilities may have his or her cost plan adjusted to reflect
 83 | the amount of expenditures for the previous state fiscal year

84 plus 5 percent if such amount is less than the individual's
85 existing cost plan. The Agency for Persons with Disabilities
86 shall use actual paid claims for services provided during the
87 previous fiscal year that are submitted by October 31 to
88 calculate the revised cost plan amount. If an individual was not
89 served for the entire previous state fiscal year or there was
90 any single change in the cost plan amount of more than 5 percent
91 during the previous state fiscal year, the agency shall set the
92 cost plan amount at an estimated annualized expenditure amount
93 plus 5 percent. The agency shall estimate the annualized
94 expenditure amount by calculating the average of monthly
95 expenditures, beginning in the fourth month after the individual
96 enrolled or the cost plan was changed by more than 5 percent and
97 ending with August 31, 2008, and multiplying the average by 12.
98 In the event that at least 3 months of actual expenditure data
99 are not available to estimate annualized expenditures, the
100 agency may not rebase a cost plan pursuant to this subsection.
101 This subsection expires June 30, 2009, unless reenacted by the
102 Legislature before that date.

103 (8)-(5) The Agency for Persons with Disabilities shall
104 submit quarterly status reports to the Executive Office of the
105 Governor, the chair of the Senate Ways and Means Committee or
106 its successor, and the chair of the House Fiscal Council or its
107 successor regarding the financial status of home and community-
108 based services, including the number of enrolled individuals who
109 are receiving services through one or more programs; the number
110 of individuals who have requested services who are not enrolled
111 but who are receiving services through one or more programs,

112 with a description indicating the programs from which the
 113 individual is receiving services; the number of individuals who
 114 have refused an offer of services but who choose to remain on
 115 the list of individuals waiting for services; the number of
 116 individuals who have requested services but who are receiving no
 117 services; a frequency distribution indicating the length of time
 118 individuals have been waiting for services; and information
 119 concerning the actual and projected costs compared to the amount
 120 of the appropriation available to the program and any projected
 121 surpluses or deficits. If at any time an analysis by the agency,
 122 in consultation with the Agency for Health Care Administration,
 123 indicates that the cost of services is expected to exceed the
 124 amount appropriated, the agency shall submit a plan in
 125 accordance with subsection (7) ~~(4)~~ to the Executive Office of
 126 the Governor, the chair of the Senate Ways and Means Committee
 127 or its successor, and the chair of the House Fiscal Council or
