**PROPOSED  
PROCEDURE FOR THE EXPEDITED LOCAL BILL CALENDAR  
TO BE ADOPTED BY THE  
RULES & CALENDAR COUNCIL  
Tuesday, April 22, 2008**

**DRAFT**

April 22, 2008

The Honorable Marco Rubio  
Speaker, Florida House of Representatives  
420 The Capitol  
Tallahassee, FL 32399-1300

Dear Mr. Speaker,

The following report is submitted for the purpose of outlining a procedure for the Expedited Local Bill Calendar, Section IX of the Special Order for Thursday, April 24, 2008.

1. Without objection, a single roll call on all bills will be taken at the conclusion of the reading of local bills on the Expedited Local Bill Calendar.

Because a "no" vote would be cast against every bill on the local roll call, anyone wishing to vote against a specific bill or bills should do so by filing a Nay Vote - Local bills form with the Chief Clerk. Those forms may be obtained at the Chief Clerk's desk.

Local Calendar in these procedures refers to the section of the Special Order Calendar reserved for the expedited consideration of local bills. Removal of a specific bill from the Local Calendar requires notice by five members received during consideration of the bill. The notice may be presented by a raising of hands during the reading of the bill, or in written form delivered to the Chair of the Rules & Calendar Council prior to the reading of the bill. Any bill dropped will return to the end of Section XI, (non-expedited Local Bills) of the Special Order Calendar.

**Members should:**

- a. Determine the location of their bill on the Local Calendar so prompt response may be made when the Speaker inquires who is moving the bill.
- b. Determine whether there may be a bill that they wish to have temporarily postponed.
2. The Chair will take up each bill as it appears on the Local Calendar. Bill numbers will not appear on the board since House action moves too fast for numbers to be useful.
3. Without separate motions, each local bill will be read twice by caption title and the Chair will announce "Pass the bill on the motion of (bill sponsor)."
4. Floor amendments to a local bill must be accompanied by a local bill amendment form signed by the delegation chair explaining the necessity for the amendment. Any bill with a properly filed amendment accompanied by the aforementioned form offered on the floor will be dropped from the list, and the amendment and the bill will return to the end of Section ~~8~~ of the Special Order Calendar.

5. Adoption of this procedure shall constitute consent on the part of the House to a blanket motion to waive the Rules and allow each bill to be read twice on the same day.

A quorum was present in person, and a majority of those present agreed to the above Report.

Sincerely,

A handwritten signature in black ink, appearing to read "David Rivera", with a stylized flourish at the end.
