## FULL ANALYSIS

### I. SUBSTANTIVE ANALYSIS

#### A. EFFECT OF PROPOSED CHANGES:

*Background:*

Chapter 447, F.S., specifies the process for collective bargaining for public employees. The bargaining agent and the negotiator for the state must bargain collectively in the determination of the wages, hours, and terms and conditions of employment of the employees within the bargaining unit. Any collective bargaining agreement reached must be reduced to writing, signed by the chief executive officer for the state and the bargaining agent for the union, and submitted to the members of the bargaining unit for ratification.

Upon execution of the collective bargaining agreement, the Governor must request the legislative body to appropriate amounts sufficient to fund the provisions of the agreement. If the Legislature appropriates funds that are not sufficient to fund the agreement, the agreement must be administered on the basis of the amounts actually appropriated.

Typically, at the state level, an agreement is not reached. In that instance, and pursuant to s.216.163(6), F.S., an impasse is declared on all unresolved issues when the Governor's budget recommendations are released to the Legislature. Within five days of the start of the impasse period, each party is required to notify the presiding officers of the Legislature of the unresolved issues. A joint select committee of members of the Florida House of Representatives and the Senate is appointed to review the positions of the parties. The committee's recommendation to the Legislature regarding the resolution of those issues is presented to the presiding officers no later than ten days before the start of the regular legislative session. During the session, the Legislature may take action to address the issues. Any actions taken by the Legislature are binding upon the parties.

Following the resolution of the impasse issues, the parties are required to reduce to writing an agreement that includes those issues agreed to by the parties as well as those issues resolved by the Legislature. The agreement must be signed by the chief executive officer and the bargaining agent and then presented to the members of the bargaining unit for ratification.

If the members ratify the agreement, all the provisions of the agreement take effect. If the members do not ratify the agreement, the issues resolved by the Legislature take effect for the first fiscal year which was the subject of the negotiations.
