I. SUMMARY

Section 19(f), Article III of the Florida Constitution governs the creation of trust funds. It provides that no trust fund of the state or other public body may be created without a three-fifths vote of the membership of each house of the Legislature in a separate bill for that purpose only. The Florida Constitution also specifies that state trust funds shall terminate not more than four years after the effective date of the act authorizing the initial creation of the trust fund, unless the Legislature by law sets forth a shorter time period.

Currently, the Administrative Trust Fund within the Florida Department of Law Enforcement is scheduled to be terminated on July 1, 2010. This bill re-creates the trust fund without modification, and repeals the provisions that would have terminated the trust fund. The bill recreates a trust fund; therefore it must pass with a three-fifths vote of the membership of each house of the Legislature.

This legislation has no fiscal impact on state agencies or state funds, on local governments as a whole or on the private sector. It simply re-creates, without modification, an existing state trust fund and continues the current use of the fund.
