

28 determined by the Board of Governors of the State University
 29 System in consultation with the Office of Program Policy
 30 Analysis and Government Accountability. The funding methodology
 31 shall be updated annually.

32 (2) New medical schools authorized by the Legislature may
 33 receive startup funding that is not provided on a per-student
 34 basis until such time as the first class has graduated.

35 (3) In addition to the per-student, base-level funding,
 36 any college of medicine at a state university may be provided a
 37 supplement to support its unique mission or other policy
 38 initiatives of the Legislature. Supplemental funding shall be
 39 determined by the Board of Governors of the State University
 40 System in consultation with the Office of Program Policy
 41 Analysis and Government Accountability.

42 (4) In order for a college of medicine at a state
 43 university to receive funding pursuant to this section, the
 44 college of medicine must maintain its accreditation.

45 (5) A college of medicine at a state university may seek
 46 nonstate funds to augment funds received under the provisions of
 47 this section.

48 (6) The Board of Governors, in consultation with the
 49 Office of Program Policy Analysis and Government Accountability,
 50 shall develop uniform reporting procedures applicable to each
 51 state university that receives funding pursuant to this section
 52 and, no later than February 1 each year, submit the following
 53 information for each of these universities to the President of

54 the Senate, the Speaker of the House of Representatives, and the
 55 Governor:

56 (a) A 5-year history of of medical student enrollment,
 57 including residency and citizenship.

58 (b) A 5-year history of graduates of the medical school.

59 (c) A 5-year history of graduates of the medical school
 60 who do residencies in Florida after graduation.

61 (d) A 5-year history of students who graduated from the
 62 medical school within the past 10 years and currently practice
 63 in Florida.

64 (e) A 5-year history of the number of medical students who
 65 fail to complete the program prior to graduation and if they
 66 leave Florida or transfer to another school.

67 (f) A 5-year history of expenditures by fund, including
 68 state appropriations, tuition, practice plans, and university
 69 funds for the medical school.
