241 make improvements to real property. It is critical that you have  
242 some understanding of Florida's construction lien and payment  
243 laws and take appropriate steps to protect your investment and  
244 fulfill your obligations to those who provide labor, services,  
245 or materials for your project.

246  
247 You must acknowledge that you have received and read this  
248 document by signing on the signature page. The original signed  
249 document must be delivered to the building permit authority,  
250 along with the building permit application for your project.  
251 Your building permit application will not be processed unless  
252 this signed document is in the file. You need to retain a copy  
253 of this document so that you can follow the procedures described  
254 in the document and identify the proper statutory forms as you  
255 proceed with your construction project.

256  
257 IT IS ALWAYS RECOMMENDED THAT YOU CONSULT LEGAL ADVICE  
258 BEFORE UNDERTAKING REAL PROPERTY IMPROVEMENTS. IF YOU HAVE  
259 QUESTIONS REGARDING THE INFORMATION CONTAINED IN THIS DOCUMENT,  
260 SEEK THE ADVICE OF A FLORIDA CONSTRUCTION LAW ATTORNEY.

261  
262 THE FLORIDA CONSTRUCTION LIEN LAW.—Part I of chapter 713,  
263 Florida Statutes, governs private construction projects in this  
264 state. The complete text of this law can be found at  
265 www.leg.state.fl.us. This statement is a guide and does not take  
266 precedence over Florida's Construction Lien Law.

267

COUNCIL/COMMITTEE AMENDMENT  
Bill No. CS/CS/HB 713 (2010)

Amendment No.

268 Under this law, those who work on your property or provide  
269 materials and services and who are not paid in full have a right  
270 to enforce their claim for payment against your property. This  
271 claim is known as a construction lien. If your contractor or a  
272 subcontractor fails to pay subcontractors, sub-subcontractors,  
273 or material suppliers, those people who are owed money may look  
274 to your property for payment even if you have already paid your  
275 contractor in full. If you fail to pay your contractor, your  
276 contractor may also have a lien on your property. This means  
277 that if a valid lien is filed, your property could be sold  
278 against your will to pay for labor, services, or materials that  
279 your contractor or a subcontractor may have failed to pay.

280  
281 FLORIDA LAW ALSO PROVIDES PROCEDURES TO PROTECT OWNERS FROM  
282 PAYING MORE THAN THE AMOUNT OF THEIR CONTRACT. IF YOU FOLLOW THE  
283 FOUR STEPS SET FORTH BELOW, YOU WILL PROTECT YOURSELF FROM VALID  
284 LIENS AGAINST YOUR PROPERTY, AND FROM PAYING TWICE FOR LABOR,  
285 SERVICES, OR MATERIALS FURNISHED FOR YOUR PROJECT.

286  
287 STEP 1 - THE NOTICE OF COMMENCEMENT.-An owner is required  
288 by law to complete, sign, and record in the public records a  
289 Notice of Commencement for all direct contracts that exceed  
290 \$2,500. The information provided in the recorded Notice of  
291 Commencement is relied upon by all parties who provide labor,  
292 services, or materials for your project. A copy of the statutory  
293 Notice of Commencement form required by section 713.13, Florida  
294 Statutes, is attached to this document.

295

COUNCIL/COMMITTEE AMENDMENT  
Bill No. CS/CS/HB 713 (2010)

Amendment No.

296 If a lender is financing your project, the lender will  
297 assist you in completing the Notice of Commencement and is  
298 responsible for recording it in the public records. It is  
299 critical that your Notice of Commencement be recorded after any  
300 construction loan or mortgage documents are recorded. If you are  
301 not using a lender, preparing and recording the Notice of  
302 Commencement is your responsibility. The Notice of Commencement  
303 must be recorded before commencing construction and posted on  
304 your jobsite. For most projects, a copy of the recorded Notice  
305 of Commencement must be submitted to the building permit  
306 authority prior to the first building inspection.

307  
308 STEP 2 - MONITOR THE DOCUMENTS AND NOTICES YOU RECEIVE.-  
309 Pick up your certified mail. Most lien notices are served by  
310 certified mail and you need to know who is providing labor,  
311 services, or materials for your project. The law provides that  
312 any properly addressed notices that are returned to the sender  
313 through no fault of the sender are considered served on the date  
314 sent, so failing to claim certified mail only hurts you.

315  
316 If you expect to be absent for periods of time during your  
317 project, you should have an attorney or other agent in a  
318 position of trust who understands the law handle these details  
319 for you. Make sure someone is receiving your mail and taking  
320 steps to obtain the necessary lien releases before making  
321 payments to your contractor. If you receive anything that you do  
322 not understand, seek the assistance of an experienced  
323 construction law attorney.

STEP 3 – OBTAIN SIGNED LIEN WAIVERS EACH TIME YOU MAKE A PAYMENT TO YOUR CONTRACTOR.–Each time you pay your contractor you should obtain a Waiver and Release of Lien form from the contractor AND from anyone who has served you with a Notice to Owner. Make sure that each release waives lien rights against your project for work or materials furnished through the date of the work or materials that your payment covers. This date is probably not the date you are making the payment, but a date prior to the payment date through which labor, services, or materials have been billed.

UNDER FLORIDA LAW, YOU HAVE THE RIGHT TO WITHHOLD PAYMENTS OWED TO THE CONTRACTOR UNTIL YOU HAVE BEEN PROVIDED WITH A WRITTEN WAIVER AND RELEASE OF LIEN UPON PROGRESS PAYMENT OR A WRITTEN WAIVER AND RELEASE OF LIEN UPON FINAL PAYMENT SHOWING THAT THE LIENOR'S CLAIM FOR PAYMENT HAS BEEN PAID.

There are two statutory Waiver and Release of Lien forms. The signed Waiver and Release of Lien Upon Progress Payment should be provided to you by a contractor, subcontractor, or material supplier each time you make a progress payment to your contractor. The signed Waiver and Release of Lien Upon Final Payment should be submitted by your contractor, a subcontractor, or material supplier when they are finished furnishing all work or materials for your project and have received final payment. Once you receive a final waiver from a contractor,

Amendment No.

351 subcontractor, or material supplier, you should not need another  
352 waiver unless they are hired to do additional work.

353

354 STEP 4 - OBTAIN A CONTRACTOR'S FINAL PAYMENT AFFIDAVIT  
355 BEFORE YOU MAKE FINAL PAYMENT TO YOUR CONTRACTOR.-In addition to  
356 obtaining Final Waiver and Release of Lien forms from the  
357 contractor and anyone who has served you with a Notice to Owner,  
358 you should obtain a Contractor's Final Payment Affidavit before  
359 you make final payment to your contractor. This sworn affidavit  
360 should reflect that everyone who supplied labor, services, or  
361 materials on your project has been paid in full or should list  
362 those subcontractors and suppliers who are still owed money.  
363 Make sure that anyone listed as not being paid in full is paid  
364 before making final payment to your contractor. You have a right  
365 to rely on the information contained in the sworn affidavit when  
366 you make final payment to your contractor with respect to any  
367 lienor who has not served a Notice to Owner. If a lienor has  
368 served you with a Notice to Owner, you should obtain a Waiver  
369 and Release of Lien Upon Final Payment from that lienor.

607 however, the time limits for serving any required notices shall  
608 begin running from the later of the time specified in s. 713.23  
609 or the date the notice of bond is served on the lienor.

610 (f) The giving of a notice of commencement is effective  
611 upon the filing of the notice in the clerk's office.

612 (g) The owner must sign the notice of commencement and no  
613 one else may be permitted to sign in his or her stead.

614 (2) If the improvement described in the notice of  
615 commencement is not actually commenced within 90 days after the  
616 recording thereof, such notice is void and of no further effect.

617 (3) The recording of a notice of commencement does not  
618 constitute a lien, cloud, or encumbrance on real property, but  
619 gives constructive notice that claims of lien under this part  
620 may be recorded and may take priority as provided in s. 713.07.  
621 The posting of a copy does not constitute a lien, cloud, or  
622 encumbrance on real property, nor actual or constructive notice  
623 of any of them.

624 (4) This section does not apply to an owner who is  
625 constructing improvements described in s. 713.04.

COUNCIL/COMMITTEE AMENDMENT  
Bill No. CS/CS/HB 713 (2010)

Amendment No.

626 (5) (a) A notice of commencement that is recorded within  
627 the effective period may be amended to extend the effective  
628 period, change erroneous information in the original notice, or  
629 add information that was omitted from the original notice.  
630 However, in order to change contractors, a new notice of  
631 commencement or notice of recommencement must be executed and  
632 recorded.

633 (b) The amended notice must identify the official records  
634 book and page where the original notice of commencement is  
635 recorded, and a copy of the amended notice must be served by the  
636 owner upon the contractor and each lienor who serves notice  
637 before or within 30 days after the date the amended notice is  
638 recorded.

639 (6) Unless otherwise provided in the notice of  
640 commencement or a new or amended notice of commencement, a  
641 notice of commencement is not effectual in law or equity against  
642 a conveyance, transfer, or mortgage of or lien on the real  
643 property described in the notice, or against creditors or  
644 subsequent purchasers for a valuable consideration, after 1 year  
645 after the date of recording the notice of commencement.

646 (7) A lender must, prior to the disbursement of any  
647 construction funds to the contractor, record the notice of  
648 commencement in the clerk's office as required by this section;  
649 however, the lender is not required to post a certified copy of  
650 the notice at the construction site. The posting of the notice  
651 at the construction site remains the owner's obligation. The  
652 failure of a lender to record the notice of commencement as  
653 required by this subsection renders the lender liable to the

654 owner for all damages sustained by the owner as a result of the  
655 failure. Whenever a lender is required to record a notice of  
656 commencement, the lender shall designate the lender, in addition  
657 to others, to receive copies of notices to owner. This  
658 subsection does not give any person other than the owner a claim  
659 or right of action against a lender for failure to record a  
660 notice of commencement.

661 Section 58. Effective October 1, 2010, section 713.135,  
662 Florida Statutes, is amended to read:

909 applications which accepts building permit applications in an  
910 electronic format shall provide public Internet access to the  
911 electronic building permit applications in a searchable format.

912 (7) This section applies to every municipality and county  
913 in the state which now has or hereafter may have a system of  
914 issuing building permits for the construction of improvements or  
915 for the alteration or repair of improvements on or to real  
916 property located within the geographic limits of the issuing  
917 authority.

918 Section 59. Effective October 1, 2010, section 713.137,

920 713.137 Prerequisites to inspection of improvements;  
921 exceptions.-

922 (1) The authority issuing a building permit or a private

929 b. A notarized statement that the notice of commencement  
930 has been filed for recording, along with a copy of the notice.

931 2. If the permit is for a commercial project:

932 a. A copy of the contractor's recorded payment bond; or

933 b. A notarized statement of the contractor or owner

934 stating that a payment bond was not required.

935 3. A signed copy of the general statement of owner's  
936 rights and responsibilities under Florida's Construction Lien  
937 Law, if required by s. 713.015.

938 (b) The information in the notice of commencement filed  
939 with the issuing authority is consistent with the building  
940 permit application, complete, and legible.

941 (2) This section does not apply to inspections of the  
942 following improvements:

943 (a) The installation of temporary electrical service or  
944 other temporary utility service, land clearing, or other  
945 preliminary site work.

946 (b) Improvements pursuant to a direct contract in an

957 ascertainable thereon must be furnished by any party thereto,  
958 upon written demand of an owner or a lienor contracting with or  
959 employed by the other party to such contract. If the owner or  
960 lienor refuses or neglects to furnish such copy of the contract  
961 or such statement, or willfully and falsely states the amount  
962 due or to become due if fixed or ascertainable under such  
963 contract, any person who suffers any detriment thereby has a  
964 cause of action against the person refusing or neglecting to  
965 furnish the same or willfully and falsely stating the amount due  
966 or to become due for his or her damages sustained thereby. The  
967 information contained in such copy or statement furnished  
968 pursuant to such written demand is binding upon the owner or  
969 lienor furnishing it unless actual notice of any modification is  
970 given to the person demanding the copy or statement before such  
971 person acts in good faith in reliance on it. The person  
972 demanding such documents must pay for the reproduction thereof;  
973 and, if such person fails or refuses to do so, he or she is  
974 entitled only to inspect such documents at reasonable times and  
975 places.

976 (2) The owner may serve in writing a demand of any lienor  
977 for a written statement under oath of his or her account showing  
978 the nature of the labor or services performed and to be  
979 performed, if any, the materials furnished, the materials to be  
980 furnished, if known, the amount paid on account to date, the  
981 amount due, and the amount to become due, if known, as of the  
982 date of the statement by the lienor. Any such demand to a lienor  
983 must be served on the lienor at the address and to the attention  
984 of any person who is designated to receive the demand in the

985 notice to owner served by such lienor and must include a  
986 description of the project, including the names of the owner,  
987 the contractor, and the lienor's customer, sufficient for the  
988 lienor to properly identify the account in question. The failure  
989 or refusal to furnish the statement does not deprive the lienor  
990 of his or her lien if the demand is not served at the address of  
991 the lienor or directed to the attention of the person designated  
992 to receive the demand in the notice to owner. The failure or  
993 refusal to furnish the statement under oath within 30 days after  
994 the demand, or the furnishing of a false or fraudulent  
995 statement, deprives the person so failing or refusing to furnish  
996 such statement of his or her lien. If the owner serves more than  
997 one demand for statement of account on a lienor and none of the  
998 information regarding the account has changed since the lienor's  
999 last response to a demand, the failure or refusal to furnish  
1000 such statement does not deprive the lienor of his or her lien.  
1001 The negligent inclusion or omission of any information deprives  
1002 the person of his or her lien to the extent the owner can  
1003 demonstrate prejudice from such act or omission by the lienor.  
1004 The failure to furnish a response to a demand for statement of  
1005 account does not affect the validity of any claim of lien being  
1006 enforced through a foreclosure case filed prior to the date the  
1007 demand for statement is received by the lienor.

1008 (3) A request for sworn statement of account must be in

1040 at the address and to the attention of any person who is  
1041 designated to receive the demand in the notice to contractor  
1042 served by such lienor. The failure or refusal to furnish the  
1043 statement does not deprive the lienor of his or her rights under  
1044 the bond if the demand is not served at the address of the  
1045 lienor or directed to the attention of the person designated to  
1046 receive the demand in the notice to contractor or if the demand  
1047 does not include a description of the project, including the  
1048 names of the owner, the contractor, and the lienor's customer as  
1049 set forth in the lienor's notice to contractor, sufficient for  
1050 the lienor to properly identify the account in question. The  
1051 failure to furnish the statement within 30 days after the  
1052 demand, or the furnishing of a false or fraudulent statement,  
1053 deprives the person who fails to furnish the statement, or who  
1054 furnishes the false or fraudulent statement, of his or her  
1055 rights under the bond. If the contractor serves more than one  
1056 demand for statement of account on a lienor and none of the  
1057 information regarding the account has changed since the lienor's  
1058 last response to a demand, the failure or refusal to furnish  
1059 such statement does not deprive the lienor of his or her rights  
1060 under the bond. The negligent inclusion or omission of any  
1061 information deprives the person of his or her rights under the  
1062 bond to the extent the contractor can demonstrate prejudice from  
1063 such act or omission by the lienor. The failure to furnish a  
1064 response to a demand for statement of account does not affect  
1065 the validity of any claim on the bond being enforced in a  
1066 lawsuit filed prior to the date the demand for statement of  
1067 account is received by the lienor.

23 or other supplemental or limited benefit policies as described in  
24 s. 627.6561(5)(b)-(d). For purposes of this section, the term  
25 "mandatory health benefits" means those benefits set forth in ss.  
26 627.6401-627.64193, s. 627.65626, ss. 627.65735-627.6579, ss.

48 contract issued pursuant to chapter 651 and shall not apply to  
49 guaranteed renewable policies issued prior to October 1, 1988.  
50 With respect to all policies of insurance covered under this part  
51 whenever issued, the term "guaranteed renewable" means the insured  
52 has the right to continue the policy in force by the timely payment  
53 of premiums and the insurer has no unilateral right to make any  
54 change in any provision of the policy while the insurance is in force  
55 and cannot decline to renew the policy, except that rates may be  
56 revised by the insurer on a class basis. The continuation or renewal  
57 of a guaranteed renewable policy of insurance by the timely payment  
58 of required premiums does not constitute making or issuing a new  
59 policy of insurance for any purpose, including, but not limited to,  
60 for purposes of incorporating into the policy changes in the rules  
61 or provisions of law governing insurance policies. Any limited  
62 benefit policy that limits coverage to care in a nursing home or  
63 to one or more lower levels of care required or authorized to be  
64 provided by this part or by commission rule is a type of long-  
65 term care insurance policy that must meet all requirements of

189 scientifically documented impairment of waters within the local  
190 government's jurisdiction by nutrient enrichment due to  
191 landforms, soils, hydrology, climate, or geology.

192 (5) If the local government proposes more stringent
