Bill No. CS/HB 977 (2012)

Amendment No. 2

20 1. If a defendant was previously offered admission to a
21 pretrial veterans' treatment intervention program at any time
22 before trial and the defendant rejected that offer on the
23 record, the court may deny the defendant's admission to such a
24 program.

25 2. If a defendant previously entered a court-ordered
26 veterans' treatment program, the court may deny the defendant's
27 admission into the pretrial veterans' treatment program.

28 (b) While enrolled in a pretrial intervention program
29 authorized by this subsection, the participant shall be subject
30 to a coordinated strategy developed by a veterans' treatment
31 intervention team. The coordinated strategy should be modeled
32 after the therapeutic jurisprudence principles and key
33 components in s. 397.334(4), with treatment specific to the
34 needs of servicemembers and veterans. The coordinated strategy
35 may include a protocol of sanctions that may be imposed upon the

55 defendant has not successfully completed the pretrial
56 intervention program, the court may order the person to continue
57 in education and treatment, which may include treatment programs
58 offered by licensed service providers or jail-based treatment
59 programs, or order that the charges revert to normal channels

76 period based on the program requirements and the treatment plan
77 for the offender, upon motion of either party or the court's own
78 motion, except, if the state attorney believes the facts and
79 circumstances of the case suggest the defendant is involved in
