Meeting Adjourned

HOUSE OF REPRESENTATIVES STAFF ANALYSIS

BILL #: HB 331 Firesafety  
SPONSOR(S): Weinstein  
TIED BILLS: IDEN./SIM. BILLS: SB 534

REFERENCE	ACTION	ANALYST	STAFF DIRECTOR or BUDGET/POLICY CHIEF
1) Government Operations Subcommittee	11 Y, 0 N	Thompson	Williamson
2) K-20 Competitiveness Subcommittee	11 Y, 0 N	Graf	Ahearn
3) Rulemaking & Regulation Subcommittee		Rubottom 	Rubottom 
4) Government Operations Appropriations Subcommittee			
5) State Affairs Committee			

SUMMARY ANALYSIS

The bill clarifies the role of the State Fire Marshal in firesafety inspections of Florida's educational facilities and streamlines the inspection and enforcement practices at the state and local levels. Specifically, the bill:

- Aligns laws governing the State Fire Marshal with educational laws governing firesafety inspections on educational property;
- Abolishes the classification of the special state firesafety inspector, leaves intact the classification of firesafety inspector, and provides for a contingent grandfathering of existing special state firesafety inspectors;
- Requires uniform firesafety standards and an alternate system to be governed by firesafety inspectors certified by the State Fire Marshal;
- Reduces the number of mandatory annual inspections at educational facilities from two to one, and provides for the inspection report to be distributed at the local level only;
- Clarifies the firesafety inspection process for charter schools and for public colleges;
- Requires all public education boards to use only certified firesafety inspectors and other inspectors who have been certified by the State Fire Marshal in monitoring compliance with the Florida Building Code, the Florida Fire Prevention Code, and the State Requirements for Educational Facilities; and
- Requires a public education board to submit for approval the site plan for new construction to the local entity providing fire-protection services to the facility, and outlines the compliance process.

Reducing redundant firesafety inspections of Florida's education facilities may reduce related expenditures for state and local governments. See "Fiscal Analysis" for details.

The bill provides an effective date of July 1, 2011.

See DRAFTING ISSUES.

# FULL ANALYSIS

## I. SUBSTANTIVE ANALYSIS

### A. EFFECT OF PROPOSED CHANGES:

#### Present Situation

##### Division of State Fire Marshal

The law designates the Chief Financial Officer as the State Fire Marshal.<sup>1</sup> The State Fire Marshal operates through the Division of State Fire Marshal within the Florida Department of Financial Services (DFS) to implement and enforce state law on fire prevention and control. Pursuant to this authority, the State Fire Marshal regulates, trains, and certifies fire service personnel; investigates the causes of fires; enforces arson laws; regulates the installation of fire equipment; conducts firesafety inspections of state property; develops firesafety standards; provides facilities for the analysis of fire debris; and operates the Florida State Fire College.<sup>2</sup> Current law authorizes the State Fire Marshal to adopt by rule the Fire Prevention Code, which contains or references all firesafety laws and rules regarding public and private buildings.<sup>3</sup>

The Division of State Fire Marshal consists of four bureaus: Fire and Arson Investigations, Forensic Fire and Explosives Analysis, Fire Prevention, and Fire Standards and Training.<sup>4</sup> The Florida State Fire College, part of the Bureau of Fire Standards and Training, trains over 6,000 students per year in a wide variety of certification and training programs.<sup>5</sup> The Inspections Section within the Bureau of Fire Prevention conducts inspections of more than 14,000 state-owned buildings and facilities.<sup>6</sup> The Florida Fire Incident Reporting Section collects over 1,800,000 fire and emergency reports each year. These reports are combined with the reports from other states in the National Fire Incident Reporting System for use by the fire services in analysis and trends. The Florida reports are also used to form the basis for the State Fire Marshal's Annual Report.<sup>7</sup>

##### Firesafety Inspections of Florida's Educational and Ancillary Facilities

The State Fire Marshal must develop firesafety criteria for educational facilities in cooperation with the Florida Building Commission and the Department of Education.<sup>8</sup> All public schools, colleges, and universities are required to be inspected once every year by both the fire inspector for each school board and the local fire official.<sup>9</sup> Unless otherwise specified, under current law, a "board" is defined as:

[A] district school board, a community college board of trustees, a university board of trustees, and the Board of Trustees for the Florida School for the Deaf and the Blind. The term "board" does not include the State Board of Education or the Board of Governors.<sup>10</sup>

##### Annual Report on Firesafety

The State Fire Marshal must produce a statewide annual report documenting the status of each board's firesafety program, including the improvement or lack thereof. This involves an annual compilation of district inspection reports of educational and ancillary facilities into one format for distribution to the

<sup>10</sup> Section 1013.01(3), F.S.

substantive committees of the state House of Representatives and Senate having jurisdiction over education, the Commissioner of Education or his or her successor, the State Board of Education, the Board of Governors, and the Governor.<sup>11</sup>

The State Fire Marshal must adopt and administer rules regarding health and safety standards for educational and ancillary properties. If a county does not employ or appoint a fire official for firesafety inspections of educational properties, the State Fire Marshal assumes the duties of the local fire official.<sup>12</sup>

### **Firesafety Inspectors**

Current law allows two different types of firesafety inspectors to conduct firesafety inspections: firesafety inspectors and special state firesafety inspectors. A "firesafety inspector" is defined as:

[A]n individual officially assigned the duties of conducting firesafety inspections of buildings and facilities on a recurring or regular basis on behalf of the state or any county, municipality, or special district with firesafety responsibilities.<sup>13</sup>

A "special state firesafety inspector" is defined as:

[A]n individual officially assigned to the duties of conducting firesafety inspections required by law on behalf of or by an agency of the state having authority for inspections other than the Division of State Fire Marshal.<sup>14</sup>

A 2010 survey by the Florida State College at Jacksonville found a total of 44 special state firesafety inspectors employed in the 67 school districts and 26 institutions within the Florida College System.<sup>15</sup> The special state firesafety inspectors are required to complete 120 hours of specific training, 80 hours less than the training required for firesafety inspectors.<sup>16</sup> Every firesafety inspector or special state firesafety inspector certificate is valid for a period of 3 years from the date of issuance.<sup>17</sup>

### **Charter Schools**

Charter schools are public schools that operate under a performance contract or charter with a sponsor. A charter school may be formed by creating a new school or converting an existing public school to charter status.<sup>18</sup> The charter delineates unique requirements that the school must comply with in order to maintain charter status.<sup>19</sup> A charter school must be inspected annually and meet the requirements of the Florida Fire Prevention Code. In addition, charter schools, with the exception of conversion charter schools, are not required to comply, but may choose to comply, with the State Requirements for Educational Facilities of the Florida Building Code.<sup>20</sup>

### **Effect of Proposed Changes**

#### **State Fire Marshal**

The bill revises the powers and duties of the State Fire Marshal by requiring the State Fire Marshal to consult with the Department of Education regarding the adoption of rules on safety and health standards at educational and ancillary facilities. If a county does not employ or appoint a firesafety inspector certified by the State Fire Marshal, the bill provides that the State Fire Marshal will assume the duties of the local county, municipality, or independent special fire control district to conduct firesafety inspections of educational and ancillary facilities.

<sup>14</sup> Section 633.021(24), F.S.

<sup>15</sup> E-mail, Florida State College at Jacksonville (Feb. 9, 2011).

<sup>16</sup> Section 633.081(2)(g) and (3), F.S.

<sup>17</sup> Section 633.081(5), F.S.

<sup>18</sup> Section 1002.33(1), F.S.

<sup>19</sup> Section 1002.33(9), F.S.

<sup>20</sup> Section 1002.33(18) (a) and (b), F.S.

## **Firesafety Inspectors**

The bill abolishes the classification of "special state firesafety inspector" as of July 1, 2013. All special state firesafety inspector certifications will expire by midnight, June 30, 2013. However, current special state firesafety inspectors may be certified as firesafety inspectors if the following conditions are met:

- The inspector has at least five years of experience as a special state firesafety inspector as of July 1, 2011, and passes the firesafety inspection examination prior to July 1, 2013;
- The inspector does not have five years of experience as a special state firesafety inspector as of July 1, 2011, but takes an additional 80 hours of courses and passes the firesafety inspection examination; or
- The inspector has at least five years of experience as a special state firesafety inspector, fails the firesafety inspection examination, but takes 80 additional hours of courses, and then retakes and passes the firesafety inspection examination.

The bill prohibits a special state firesafety inspector who does not pass the firesafety inspection examination by July 1, 2013, from conducting firesafety inspections of educational and ancillary facilities.

The bill defines "firesafety inspector" as a person certified by the State Fire Marshal to conduct firesafety inspections of buildings and facilities on a recurring or regular basis.

## **Firesafety Inspections by District School Boards**

The bill requires a district school board to appoint certified firesafety inspectors to conduct annual inspections of educational and ancillary facilities. Inspections must begin no sooner than one year after a certificate of occupancy is issued. The district school board must submit a copy of the report to the county, municipality, or independent special fire control district providing fire protection services within ten business days after the inspection, unless immediate corrective action is required owing to life-threatening deficiencies identified during a firesafety inspection. The district school board, or any other entity authorized to conduct the firesafety inspection, must certify to the State Fire Marshal that the annual inspection has been completed. The bill requires the district school board to take immediate action to correct the deficiencies identified in the firesafety inspection report, or suspend use of the educational or ancillary facility until the deficiencies are corrected.

## **Inspections of Educational Property by Other Public Agencies**

An annual firesafety inspection must be conducted on educational and ancillary facilities operated by a school board or public college. Such inspections may begin no sooner than one year after a building certificate of occupancy is issued, and annually thereafter. If the firesafety inspection identifies any life-threatening deficiencies, the county, municipality, or independent special fire control district, in conjunction with the board-appointed fire official must require the board to take immediate to correct the deficiencies, or suspend use of the educational or ancillary facility until the deficiencies are corrected.

## **Inspection of Charter Schools Not Located on Board Owned or Leased Property**

The bill authorizes a safety or sanitation inspection of educational and ancillary facilities at any time by an authorized state or local agency. The agency that is authorized by law to conduct such inspections must submit a copy of the inspection report to the charter school sponsor.

A firesafety inspection must be conducted on educational facilities that are not owned or leased by the district school board or a public college in accordance with the standards adopted by the State Fire Marshal.

The inspecting authority is required, upon request, to provide a copy of the firesafety report to the board in the district in which the charter school facility is located. The inspecting authority must include a plan of action to correct each deficiency that is identified in the firesafety inspection. If any life-threatening deficiencies are identified, the inspecting authority must require the charter school to take immediate action to correct the deficiencies, or suspend use of the educational or ancillary facility until the deficiencies are corrected. If the charter school fails to take corrective action within the period

designated in the corrective action plan, the county, municipality, or independent special fire control district must immediately report the deficiency to the State Fire Marshal and the charter school sponsor.

The bill provides the State Fire Marshal enforcement authority over charter school educational and ancillary facilities.

### **Inspections of Public Postsecondary Education Facilities**

The bill requires firesafety inspections of public college facilities, including charter schools located on board-owned or board-leased facilities or otherwise operated by public college boards to comply with the Florida Fire Prevention Code, as adopted by the State Fire Marshal. Local amendments to the provisions of the code relating to inspection of such facilities are prohibited. Each public college facility must be inspected annually by a firesafety inspector certified by the State Fire Marshal.<sup>21</sup> The certified firesafety inspector must provide a plan of action to the college to correct each deficiency identified during the firesafety inspection. The bill requires the college to provide a copy of the firesafety inspection report to the county, municipality, or independent special fire control district in which the facility is located.

Firesafety inspections of state universities must comply with the Florida Fire Prevention Code. If a school board,<sup>22</sup> public college board or charter school fails to correct deficiencies identified by the certified firesafety inspector, the inspecting authority must immediately report the deficiency to the State Fire Marshal.

The bill deletes the requirement for the State Fire Marshal to publish an annual report on firesafety. This report is based on a compilation of firesafety inspection reports received from local entities for each educational and ancillary facility and submitted to the Florida Legislature, Governor, Commissioner of Education, State Board of Education, and the Board of Governors.

### **Approval of New Construction and Site Plans**

The bill requires each board, as defined under current law,<sup>23</sup> to provide for a periodic inspection of proposed educational and ancillary facilities to ensure that the construction complies with the Florida Building Code and the Florida Fire Prevention Code, in addition to the State Requirements for Educational Facilities. Firesafety inspectors certified by the State Fire Marshal must enforce the Florida Fire Prevention Code.

The bill requires local boards to submit for approval to local county, municipality, or independent special fire control district providing fire-protection services to a facility, site plans for new facilities, and describes the process for compliance and informal appeal. The boards must also submit to the local entity, the site plan for each new addition that exceeds 2,500 square feet.

The reviews of site plans and inspections must be conducted by certified building code inspectors,<sup>24</sup> fire officials, or firesafety inspectors.

The bill makes clear that such site plans are not subject to local amendments. The site plans will be deemed approved unless the local county, municipality, or independent special fire control district submits to the board-appointed fire official, deficiencies citing the Florida Fire Prevention Code within fifteen days after receipt of the site plan. The fire official must incorporate the identified deficiencies in his or her review and subsequent inspections.

---

<sup>21</sup> Section 633.081, F.S., provides training and certification requirements for State Fire Marshal-certified firesafety inspector.

<sup>22</sup> The provisions for school board have been included under the section on Inspections of Public Postsecondary Education Facilities in the bill.

<sup>23</sup> Section 1013.01(3), F.S., defines the term "board" as a district school board, a community college board of trustees, a university board of trustees, and the Board of Trustees for the Florida School for the Deaf and the Blind. The term "board" does not include the State Board of Education or the Board of Governors.

<sup>24</sup> Section 468.603(2), F.S., defines building code inspector.

The State Fire Marshal reserves the final administrative authority to resolve disputes between the local county, municipality, or independent special fire control district, and the fire official pertaining to the requirements or application of the Florida Fire Prevention Code.

Before the commencement of any new construction, renovation, or remodeling, the bill requires that the board must approve the construction documents for compliance with the Florida Building Code and the Florida Fire Prevention Code. The board is required to contract with a State Fire Marshal-certified firesafety inspector to ensure compliance with all firesafety codes. The bill prohibits issuing the certificate of occupancy until the board certifies that the building or structure complies with all applicable statutes and rules. The board must document and maintain as part of the construction record file, the method of compliance that it chooses. Finally, the bill requires that the board must, upon request, provide to the local county, municipality, or independent special fire control district, reasonable access to all construction documents.

**B. SECTION DIRECTORY:**

**Section 1.** Amends s. 633.01, F.S., to revise the rulemaking authority and responsibilities of the State Fire Marshal; to provide that if a county does not employ or appoint a certified firesafety inspector, the State Fire Marshal is to perform firesafety inspections of educational property.

**Section 2.** Amends s. 633.021, F.S., to clarify the definition of "firesafety inspector" to include certification under s. 633.081, F.S.

**Section 3.** Amends s. 633.081, F.S., to revise requirements and procedures for inspections of buildings and equipment; to abolish special state firesafety inspector classifications and certifications; and to provide criteria, procedures, and requirements for special state firesafety inspectors to be certified as firesafety inspectors.

**Section 4.** Amends s. 1013.12, F.S., to revise procedures and requirements for certain standards and inspection of educational property; to provide procedures, criteria, and requirements for inspections of charter schools; to provide reporting requirements; to revise requirements for inspections of public postsecondary education facilities; and to delete a provision requiring that the State Fire Marshal publish an annual report.

**Section 5.** Amends s. 1013.371, F.S., to revise firesafety inspection requirements for educational institution boards to conform to the Florida Building Code and the Florida Fire Prevention Code; and to revise certain code enforcement authority of such boards certified pursuant to chapter 633, F.S.

**Section 6.** Amends s. 1013.38, F.S., to require educational institution boards to submit certain facility site plans to a local county, municipality, or independent special fire control district for review; to authorize such entities to review site plans for compliance with certain provisions of the Florida Fire Prevention Code; to specify that site plans are not subject to local ordinances or local amendments to the Florida Fire Prevention Code; to provide criteria for approving site plans and correcting firesafety compliance deficiencies; to provide for referral of disputes to the State Fire Marshal; to authorize public education boards to use firesafety inspectors for compliance with the Florida Building Code and the Florida Fire Prevention Code; and to impose additional requirements for such boards relating to construction, renovation, or remodeling of educational facilities.

**Section 7.** Provides an effective date of July 1, 2011.

## II. FISCAL ANALYSIS & ECONOMIC IMPACT STATEMENT

### A. FISCAL IMPACT ON STATE GOVERNMENT:

#### 1. Revenues:

None.

#### 2. Expenditures:

The bill will likely create an insignificant reduction in expenditures. The bill deletes the Florida Division of State Fire Marshal's annual state-level report requirement. The Florida Department of Financial Services (DFS) estimates that the Florida Division of State Fire Marshal will save office funds and resources that are used to generate the report. The savings will be in the \$5,000 range unless the contract with the University of Florida to operate the database is cancelled. If the contract is cancelled, savings will be closer to \$9,000.<sup>25</sup>

### B. FISCAL IMPACT ON LOCAL GOVERNMENTS:

#### 1. Revenues:

None.

#### 2. Expenditures:

Currently, the State Requirements for Educational Facilities and the State Fire Marshal rules require two separate or one joint annual fire inspections to be performed by both a local authorized agency as well as the board for each board-owned or leased building. The bill authorizes an annual inspection of educational and ancillary facilities by county, municipal, or special fire control districts, thereby reducing the number of mandatory annual inspections to one every year.<sup>26</sup>

### C. DIRECT ECONOMIC IMPACT ON PRIVATE SECTOR:

Special state firesafety inspectors who fail the firesafety inspection examination, must meet the training and certification requirements provided in the bill. The bill prohibits special state firesafety inspectors who do not have at least five years of experience by July 1, 2011, and who do not pass the firesafety inspection examination by July 1, 2013, from conducting firesafety inspections.

### D. FISCAL COMMENTS:

Reducing duplicative inspections will likely result in cost savings for the local government entities. The DFS estimates cost savings will be small, approximately, \$5000 resulting from the modifications in the contract with the University of Florida relating to the database used for the compilation of firesafety inspection reports, and the cost associated with printing the annual report. Any staff time saved by implementing the bill will be redirected to other critical areas, and will likely not result in real savings to DFS.<sup>27</sup>

Additionally, deleting the existing requirement for the Florida Division of State Fire Marshal to prepare an annual report based on the compilation of inspection reports received from each board for all educational and ancillary facilities will likely result in cost savings for the State. Florida Department of Education estimates approximately \$515,210 in cost savings to the school districts and colleges based on an unofficial survey of the 67 school districts and 28 colleges within the Florida College System conducted by the department.<sup>28</sup>

<sup>25</sup> Florida Department of Financial Services, Revised Analysis of HB 331 (March 7, 2011).

<sup>26</sup> Florida Department of Education, Analysis of HB 331 (Feb. 17, 2011); *see also* rule 69A-58.004(1), F.A.C.; Chapter 5, State Requirements for Educational Facilities, incorporated by reference in rule 6A-2.0010, F.A.C., State Requirements for Educational Facilities (SREF).

<sup>27</sup> Florida Department of Financial Services, Revised Analysis of HB 331 (March 7, 2011).

<sup>28</sup> Florida Department of Education, Analysis of HB 331 (Feb. 17, 2011).

### III. COMMENTS

#### A. CONSTITUTIONAL ISSUES:

##### 1. Applicability of Municipality/County Mandates Provision:

Not Applicable. This bill does not appear to require counties or municipalities to spend funds or take action requiring the expenditures of funds; reduce the authority that counties or municipalities have to raise revenues in the aggregate; or reduce the percentage of state tax shared with counties or municipalities.

##### 2. Other:

None.

#### B. RULE-MAKING AUTHORITY:

The bill requires the State Fire Marshal to consult with the Florida Department of Education (DOE) regarding the adoption of rules pertaining to safety and health standards at educational facilities. Consequently, the DOE rules related to education facilities<sup>29</sup> and the State Fire Marshal rules for education facilities<sup>30</sup> adopted pursuant to Chapter 120, F.S., may need amending.

#### C. DRAFTING ISSUES OR OTHER COMMENTS:

The bill makes references to "public college". As directed by s. 21 of ch. 2010-70, Laws of Florida, a reviser's bill (HB 7111) was prepared to substitute the term "Florida College System Institution" for the terms "Florida college," "community college," and "junior college" where those terms appear in Florida K-20 Education Code. The term "public college" was also included in the reviser's bill.

### IV. AMENDMENTS/ COMMITTEE SUBSTITUTE CHANGES

None.

---

39  
 40 Be It Enacted by the Legislature of the State of Florida:

41  
 42 Section 1. Subsection (7) of section 633.01, Florida  
 43 Statutes, is amended to read:

44 633.01 State Fire Marshal; powers and duties; rules.—

45 (7) The State Fire Marshal, in consultation with the  
 46 Department of Education, shall adopt and administer rules  
 47 prescribing standards for the safety and health of occupants of  
 48 educational and ancillary facilities pursuant to ss. 633.022,  
 49 1013.12, 1013.37, and 1013.371. In addition, in any county that  
 50 does not employ or appoint a firesafety inspector certified  
 51 under s. 633.081 ~~local fire official~~, the State Fire Marshal  
 52 shall assume the duties of the local county, municipality, or  
 53 independent special fire control district as defined in s.  
 54 191.003 ~~fire official~~ with respect to firesafety inspections of  
 55 educational property required under s. 1013.12(3)(b), and the  
 56 State Fire Marshal may take necessary corrective action as

HB 331

2011

57 authorized under s. 1013.12(7)~~(6)~~.

58 Section 2. Subsection (11) of section 633.021, Florida  
59 Statutes, is amended to read:

60 633.021 Definitions.—As used in this chapter:

61 (11) A "firesafety inspector" is an individual certified  
62 by the State Fire Marshal under s. 633.081 who is officially  
63 assigned the duties of conducting firesafety inspections of  
64 buildings and facilities on a recurring or regular basis ~~on~~  
65 ~~behalf of the state or any county, municipality, or special~~  
66 ~~district with firesafety responsibilities.~~

67 Section 3. Section 633.081, Florida Statutes, is amended  
68 to read:

69 633.081 Inspection of buildings and equipment; orders;  
70 firesafety inspection training requirements; certification;  
71 disciplinary action.—The State Fire Marshal and her or his  
72 agents shall, at any reasonable hour, when the State Fire  
73 Marshal has reasonable cause to believe that a violation of this  
74 chapter or s. 509.215, or a rule promulgated thereunder, or a  
75 minimum firesafety code adopted by the State Fire Marshal or a  
76 local authority, may exist, inspect any and all buildings and  
77 structures which are subject to the requirements of this chapter  
78 or s. 509.215 and rules promulgated thereunder. The authority to  
79 inspect shall extend to all equipment, vehicles, and chemicals  
80 which are located on or within the premises of any such building  
81 or structure.

82 (1) Each county, municipality, and special district that  
83 has firesafety enforcement responsibilities shall employ or  
84 contract with a firesafety inspector. Except as provided in s.

HB 331

2011

85 | 633.082(2), the firesafety inspector must conduct all firesafety  
86 | inspections that are required by law. The governing body of a  
87 | county, municipality, or special district that has firesafety  
88 | enforcement responsibilities may provide a schedule of fees to  
89 | pay only the costs of inspections conducted pursuant to this  
90 | subsection and related administrative expenses. Two or more  
91 | counties, municipalities, or special districts that have  
92 | firesafety enforcement responsibilities may jointly employ or  
93 | contract with a firesafety inspector.

94 | (2) Except as provided in s. 633.082(2), every firesafety  
95 | inspection conducted pursuant to state or local firesafety  
96 | requirements shall be by a person certified as having met the  
97 | inspection training requirements set by the State Fire Marshal.  
98 | Such person shall:

99 | (a) Be a high school graduate or the equivalent as  
100 | determined by the department;

101 | (b) Not have been found guilty of, or having pleaded  
102 | guilty or nolo contendere to, a felony or a crime punishable by  
103 | imprisonment of 1 year or more under the law of the United  
104 | States, or of any state thereof, which involves moral turpitude,  
105 | without regard to whether a judgment of conviction has been  
106 | entered by the court having jurisdiction of such cases;

107 | (c) Have her or his fingerprints on file with the  
108 | department or with an agency designated by the department;

109 | (d) Have good moral character as determined by the  
110 | department;

111 | (e) Be at least 18 years of age;

112 | (f) Have satisfactorily completed the firesafety inspector

HB 331

2011

113 certification examination as prescribed by the department; and

114 (g)1. Have satisfactorily completed, as determined by the  
115 department, a firesafety inspector training program of not less  
116 than 200 hours established by the department and administered by  
117 agencies and institutions approved by the department for the  
118 purpose of providing basic certification training for firesafety  
119 inspectors; or

120 2. Have received in another state training which is  
121 determined by the department to be at least equivalent to that  
122 required by the department for approved firesafety inspector  
123 education and training programs in this state.

124 (3) (a)1. Effective July 1, 2013, the classification of  
125 special state firesafety inspector is abolished and all special  
126 state firesafety inspector certifications shall expire at  
127 midnight June 30, 2013.

128 2. Any person who is a special state firesafety inspector  
129 on June 30, 2013, and who has failed to comply with paragraph  
130 (b) or paragraph (c) may not perform any firesafety inspection  
131 required by law.

132 3. A special state firesafety inspector certificate may  
133 not be issued after June 30, 2011.

134 (b)1. Any person who is a special state firesafety  
135 inspector on July 1, 2011, and who has at least 5 years of  
136 experience as a special state firesafety inspector as of July 1,  
137 2011, may take the firesafety inspection examination as provided  
138 in paragraph (2)(f) for firesafety inspectors before July 1,  
139 2013, to be certified as a firesafety inspector under this  
140 section.

HB 331

2011

141 2. Upon passing the examination, the person shall be  
142 certified as a firesafety inspector as provided in this section.

143 3. A person who fails to become certified must comply with  
144 paragraph (c) to be certified as a firesafety inspector under  
145 this section.

146 (c)1. To be certified as a firesafety inspector under this  
147 section, any person who:

148 a. Is a special state firesafety inspector on July 1,  
149 2011, and who does not have 5 years of experience as a special  
150 state firesafety inspector as of July 1, 2011; or

151 b. Has 5 years of experience as a special state firesafety  
152 inspector but has failed the examination taken as provided in  
153 paragraph (2) (f),

154  
155 must take an additional 80 hours of the courses described in  
156 paragraph (2) (g).

157 2. After successfully completing the courses described in  
158 this paragraph, such person may take the firesafety inspection  
159 examination as provided in paragraph (2) (f), if such examination  
160 is taken before July 1, 2013.

161 3. Upon passing the examination, the person shall be  
162 certified as a firesafety inspector as provided in this section.

163 4. A person who fails the course of study or the  
164 examination described in this paragraph may not perform any  
165 firesafety inspection required by law on or after July 1, 2013.  
166 ~~Each special state firesafety inspection which is required by~~  
167 ~~law and is conducted by or on behalf of an agency of the state~~  
168 ~~must be performed by an individual who has met the provision of~~

HB 331

2011

169 ~~subsection (2), except that the duration of the training program~~  
 170 ~~shall not exceed 120 hours of specific training for the type of~~  
 171 ~~property that such special state firesafety inspectors are~~  
 172 ~~assigned to inspect.~~

173 (4) A firefighter certified pursuant to s. 633.35 may  
 174 conduct firesafety inspections, under the supervision of a  
 175 certified firesafety inspector, while on duty as a member of a  
 176 fire department company conducting inservice firesafety  
 177 inspections without being certified as a firesafety inspector,  
 178 if such firefighter has satisfactorily completed an inservice  
 179 fire department company inspector training program of at least  
 180 24 hours' duration as provided by rule of the department.

181 (5) Every firesafety inspector ~~or special state firesafety~~  
 182 ~~inspector~~ certificate is valid for a period of 3 years from the  
 183 date of issuance. Renewal of certification is ~~shall be~~ subject  
 184 to the affected person's completing proper application for  
 185 renewal and meeting all of the requirements for renewal as  
 186 established under this chapter or by rule adopted under this  
 187 chapter promulgated thereunder, which shall include completion  
 188 of at least 40 hours during the preceding 3-year period of  
 189 continuing education as required by the rule of the department  
 190 or, in lieu thereof, successful passage of an examination as  
 191 established by the department.

192 (6) The State Fire Marshal may deny, refuse to renew,  
 193 suspend, or revoke the certificate of a firesafety inspector ~~or~~  
 194 ~~special state firesafety inspector~~ if the State Fire Marshal ~~it~~  
 195 finds that any of the following grounds exist:

196 (a) Any cause for which issuance of a certificate could

HB 331

2011

197 | have been refused had it then existed and been known to the  
198 | State Fire Marshal.

199 |       (b) Violation of this chapter or any rule or order of the  
200 | State Fire Marshal.

201 |       (c) Falsification of records relating to the certificate.

202 |       (d) Having been found guilty of or having pleaded guilty  
203 | or nolo contendere to a felony, whether or not a judgment of  
204 | conviction has been entered.

205 |       (e) Failure to meet any of the renewal requirements.

206 |       (f) Having been convicted of a crime in any jurisdiction  
207 | which directly relates to the practice of fire code inspection,  
208 | plan review, or administration.

209 |       (g) Making or filing a report or record that the  
210 | certificateholder knows to be false, or knowingly inducing  
211 | another to file a false report or record, or knowingly failing  
212 | to file a report or record required by state or local law, or  
213 | knowingly impeding or obstructing such filing, or knowingly  
214 | inducing another person to impede or obstruct such filing.

215 |       (h) Failing to properly enforce applicable fire codes or  
216 | permit requirements within this state which the  
217 | certificateholder knows are applicable by committing willful  
218 | misconduct, gross negligence, gross misconduct, repeated  
219 | negligence, or negligence resulting in a significant danger to  
220 | life or property.

221 |       (i) Accepting labor, services, or materials at no charge  
222 | or at a noncompetitive rate from any person who performs work  
223 | that is under the enforcement authority of the certificateholder  
224 | and who is not an immediate family member of the

HB 331

2011

225 certificateholder. For the purpose of this paragraph, the term  
226 "immediate family member" means a spouse, child, parent,  
227 sibling, grandparent, aunt, uncle, or first cousin of the person  
228 or the person's spouse or any person who resides in the primary  
229 residence of the certificateholder.

230 (7) The Division of State Fire Marshal and the Florida  
231 Building Code Administrators and Inspectors Board, established  
232 pursuant to s. 468.605, shall enter into a reciprocity agreement  
233 to facilitate joint recognition of continuing education  
234 recertification hours for certificateholders licensed under s.  
235 468.609 and firesafety inspectors certified under subsection  
236 (2).

237 (8) The State Fire Marshal shall develop by rule an  
238 advanced training and certification program for firesafety  
239 inspectors having fire code management responsibilities. The  
240 program must be consistent with the appropriate provisions of  
241 NFPA 1037, or similar standards adopted by the division, and  
242 establish minimum training, education, and experience levels for  
243 firesafety inspectors having fire code management  
244 responsibilities.

245 (9) The department shall provide by rule for the  
246 certification of firesafety inspectors.

247 Section 4. Section 1013.12, Florida Statutes, is amended  
248 to read:

249 1013.12 Casualty, safety, sanitation, and firesafety  
250 standards and inspection of property.—

251 (1) FIRESAFETY.—The State Board of Education shall adopt  
252 and administer rules prescribing standards for the safety and

HB 331

2011

253 health of occupants of educational and ancillary plants as a  
 254 part of State Requirements for Educational Facilities or the  
 255 Florida Building Code for educational facilities construction as  
 256 provided in s. 1013.37, except that the State Fire Marshal in  
 257 consultation with the Department of Education shall adopt  
 258 uniform firesafety standards for educational and ancillary  
 259 plants and educational facilities, as provided in s.  
 260 633.022(1)(b), and a firesafety evaluation system to be used as  
 261 an alternate firesafety inspection standard for existing  
 262 educational and ancillary plants and educational facilities. The  
 263 uniform firesafety standards and the alternate firesafety  
 264 evaluation system shall be administered and enforced by ~~local~~  
 265 fire officials certified by the State Fire Marshal under s.  
 266 633.081. These standards must be used by all public agencies  
 267 when inspecting public educational and ancillary plants, and the  
 268 firesafety standards must be used by county, municipal, or  
 269 independent special ~~local~~ fire control district inspectors  
 270 ~~officials~~ when performing firesafety inspections of public  
 271 educational and ancillary plants and educational facilities. In  
 272 accordance with such standards, each board shall prescribe  
 273 policies and procedures establishing a comprehensive program of  
 274 safety and sanitation for the protection of occupants of public  
 275 educational and ancillary plants. Such policies must contain  
 276 procedures for periodic inspections as prescribed in this  
 277 section or chapter 633 and for withdrawal of any educational and  
 278 ancillary plant, or portion thereof, from use until unsafe or  
 279 unsanitary conditions are corrected or removed.

280 (2) PERIODIC INSPECTION OF PROPERTY BY DISTRICT SCHOOL

HB 331

2011

281 BOARDS.—

282 (a) Each board shall provide for periodic inspection,  
283 other than firesafety inspection, of each educational and  
284 ancillary plant at least once during each fiscal year to  
285 determine compliance with standards of sanitation and casualty  
286 safety prescribed in the rules of the State Board of Education.

287 (b) Each school cafeteria must post in a visible location  
288 and on the school website the school's semiannual sanitation  
289 certificate and a copy of its most recent sanitation inspection  
290 report.

291 (c) Under the direction of the fire official appointed by  
292 the board under s. 1013.371(2), firesafety inspections of each  
293 educational and ancillary plant located on property owned or  
294 leased by the board, or other educational facilities operated by  
295 the board, must be made no sooner than 1 year after issuance of  
296 a certificate of occupancy and annually thereafter. Such  
297 inspections shall be made by persons certified by the Division  
298 of State Fire Marshal under s. 633.081 to ~~be eligible to~~ conduct  
299 firesafety inspections in public educational and ancillary  
300 plants. The board shall submit a copy of the firesafety  
301 inspection report to the county, municipality, or independent  
302 special fire control district providing fire protection services  
303 to the school facility within 10 business days after the date of  
304 the inspection. Alternate schedules for delivery of reports may  
305 be agreed upon between the school district and the county,  
306 municipality, or independent special fire control district  
307 providing fire protection services to the site in cases in which  
308 delivery is impossible due to hurricanes or other natural

HB 331

2011

309 disasters. Regardless, if immediate life-threatening  
310 deficiencies are noted in the report, the report shall be  
311 delivered immediately ~~State Fire Marshal and, if there is a~~  
312 ~~local fire official who conducts firesafety inspections, to the~~  
313 ~~local fire official.~~ In addition, the board and any other  
314 authority conducting the fire safety inspection shall certify to  
315 the State Fire Marshal that the annual inspection has been  
316 completed. The certification shall be made electronically or by  
317 such other means as directed by the State Fire Marshal.

318 (d) In each firesafety inspection report, the board shall  
319 include a plan of action and a schedule for the correction of  
320 each deficiency ~~which have been formulated in consultation with~~  
321 ~~the local fire control authority.~~ If immediate life-threatening  
322 deficiencies are noted in any inspection, the board shall ~~either~~  
323 take action to promptly correct the deficiencies or withdraw the  
324 educational or ancillary plant from use until such time as the  
325 deficiencies are corrected.

326 (3) INSPECTION OF EDUCATIONAL PROPERTY BY OTHER PUBLIC  
327 AGENCIES.—

328 (a) A safety or sanitation inspection of any educational  
329 or ancillary plant may be made at any time by the Department of  
330 Education or any other state or local agency authorized or  
331 required to conduct such inspections by either general or  
332 special law. Each agency conducting inspections shall use the  
333 standards adopted by the Commissioner of Education in lieu of,  
334 and to the exclusion of, any other inspection standards  
335 prescribed either by statute or administrative rule. The agency  
336 shall submit a copy of the inspection report to the board.

HB 331

2011

337 (b) One firesafety inspection of each educational or  
 338 ancillary plant located on the property owned or leased by the  
 339 board, or other educational or ancillary plants operated by the  
 340 school board, and each public college may ~~must~~ be conducted no  
 341 sooner than 1 year after the issuance of the certificate of  
 342 occupancy and annually thereafter ~~each fiscal year~~ by the  
 343 county, municipality, or independent special fire control  
 344 district in which the plant is located using the standards  
 345 adopted by the State Fire Marshal. The board or public college  
 346 shall cooperate with the inspecting authority when a firesafety  
 347 inspection is made by a governmental authority under this  
 348 paragraph.

349 (c) In each firesafety inspection report prepared pursuant  
 350 to this subsection, the county, municipality, or independent  
 351 special ~~local~~ fire control district, ~~official~~ in conjunction  
 352 with the board, shall include a plan of action and a schedule  
 353 for the correction of each deficiency. If immediate life-  
 354 threatening deficiencies are noted in any inspection, the local  
 355 county, municipality, or independent special fire control  
 356 district, in conjunction with the fire official appointed by the  
 357 board, shall ~~either~~ take action to require the board to promptly  
 358 correct the deficiencies or withdraw the educational or  
 359 ancillary plant ~~facility~~ from use until the deficiencies are  
 360 corrected, subject to review by the State Fire Marshal who shall  
 361 act within 10 days to ensure that the deficiencies are corrected  
 362 or withdraw the plant ~~facility~~ from use.

363 (4) CORRECTIVE ACTION; DEFICIENCIES OTHER THAN FIRESAFETY  
 364 DEFICIENCIES.—Upon failure of the board to take corrective

HB 331

2011

365 | action within a reasonable time, the agency making the  
 366 | inspection, other than a local fire official, may request the  
 367 | commissioner to:

368 |       (a) Order that appropriate action be taken to correct all  
 369 | deficiencies in accordance with a schedule determined jointly by  
 370 | the inspecting authority and the board; in developing the  
 371 | schedule, consideration must be given to the seriousness of the  
 372 | deficiencies and the ability of the board to obtain the  
 373 | necessary funds; or

374 |       (b) After 30 calendar days' notice to the board, order all  
 375 | or a portion of the educational or ancillary plant withdrawn  
 376 | from use until the deficiencies are corrected.

377 |       (5) INSPECTIONS OF CHARTER SCHOOLS NOT LOCATED ON BOARD-  
 378 | OWNED OR LEASED PROPERTY OR OTHERWISE OPERATED BY A SCHOOL  
 379 | BOARD.-

380 |       (a) A safety or sanitation inspection of any educational  
 381 | or ancillary plant may be made at any time by a state or local  
 382 | agency authorized or required to conduct such inspections by  
 383 | general or special law. The agency shall submit a copy of the  
 384 | inspection report to the charter school sponsor.

385 |       (b) One firesafety inspection of each charter school that  
 386 | is not located in facilities owned or leased by the board or a  
 387 | public college must be conducted each fiscal year by the county,  
 388 | municipality, or independent special fire control district in  
 389 | which the charter school is located using the standards adopted  
 390 | by the State Fire Marshal. Upon request, the inspecting  
 391 | authority shall provide a copy of each firesafety report to the  
 392 | board in the district in which the facility is located.

HB 331

2011

393 (c) In each firesafety inspection report and formulated in  
 394 consultation with the charter school, the inspecting authority  
 395 shall include a plan of action and a schedule for the correction  
 396 of each deficiency. If any immediate life-threatening deficiency  
 397 is noted in any inspection, the inspecting authority shall take  
 398 action to require the charter school to promptly correct each  
 399 deficiency or withdraw the educational or ancillary plant from  
 400 use until such time as all deficiencies are corrected.

401 (d) If the charter school fails to take corrective action  
 402 within the period designated in the plan of action to correct  
 403 any firesafety deficiency noted under paragraph (c), the county,  
 404 municipality, or independent special fire control district shall  
 405 immediately report the deficiency to the State Fire Marshal and  
 406 the charter school sponsor. The State Fire Marshal has  
 407 enforcement authority with respect to charter school educational  
 408 and ancillary plants and educational facilities as provided in  
 409 chapter 633 for any building or structure.

410 (6) ~~(5)~~ INSPECTIONS OF PUBLIC POSTSECONDARY EDUCATION  
 411 FACILITIES.—

412 (a) Firesafety inspections of public ~~community~~ college  
 413 facilities, including charter schools located on board-owned or  
 414 board-leased facilities or otherwise operated by public college  
 415 boards, shall be made in accordance ~~comply~~ with the Florida Fire  
 416 Prevention Code, as adopted by the State Fire Marshal.  
 417 Notwithstanding s. 633.0215, provisions of the code relating to  
 418 inspections of such facilities are not subject to any local  
 419 amendments as provided by s. 1013.371. Each public college  
 420 facility shall be inspected annually by persons certified under

HB 331

2011

421 s. 633.081 Board of Education rules.

422 (b) After each required firesafety inspection, the  
 423 inspecting authority shall develop a plan of action to correct  
 424 each deficiency identified. The public college shall provide a  
 425 copy of each firesafety inspection report to the county,  
 426 municipality, or independent special fire control district in  
 427 which the facility is located.

428 (c) ~~(b)~~ Firesafety inspections of state universities shall  
 429 comply with the Florida Fire Prevention Code, as adopted by the  
 430 State Fire Marshal under s. 633.0215 ~~regulations of the Board of~~  
 431 Governors.

432 (7) ~~(6)~~ CORRECTIVE ACTION; FIRESAFETY DEFICIENCIES.—If a  
 433 school ~~Upon failure of the board, public college board, or~~  
 434 charter school fails to correct any firesafety deficiency noted  
 435 under this section ~~take corrective action~~ within the time  
 436 designated in the plan of action ~~to correct any firesafety~~  
 437 deficiency noted under paragraph ~~(2) (d) or paragraph (3) (c),~~ the  
 438 inspecting authority ~~local fire official~~ shall immediately  
 439 report the deficiency to the State Fire Marshal, who ~~has~~ shall  
 440 have enforcement authority with respect to educational and  
 441 ancillary plants and educational facilities as provided in  
 442 chapter 633 for any other building or structure.

443 (8) ~~(7)~~ ADDITIONAL STANDARDS.—In addition to any other  
 444 rules adopted under this section or s. 633.022, the State Fire  
 445 Marshal in consultation with the Department of Education shall  
 446 adopt and administer rules prescribing the following standards  
 447 for the safety and health of occupants of educational and  
 448 ancillary plants:

HB 331

2011

449 (a) The designation of serious life-safety hazards,  
450 including, but not limited to, nonfunctional fire alarm systems,  
451 nonfunctional fire sprinkler systems, doors with padlocks or  
452 other locks or devices that preclude egress at any time,  
453 inadequate exits, hazardous electrical system conditions,  
454 potential structural failure, and storage conditions that create  
455 a fire hazard.

456 (b) The proper placement of functional smoke and heat  
457 detectors and accessible, unexpired fire extinguishers.

458 (c) The maintenance of fire doors without doorstops or  
459 wedges improperly holding them open.

460 ~~(8) ANNUAL REPORT. The State Fire Marshal shall publish an~~  
461 ~~annual report to be filed with the substantive committees of the~~  
462 ~~state House of Representatives and Senate having jurisdiction~~  
463 ~~over education, the Commissioner of Education or his or her~~  
464 ~~successor, the State Board of Education, the Board of Governors,~~  
465 ~~and the Governor documenting the status of each board's~~  
466 ~~firesafety program, including the improvement or lack thereof.~~

467 Section 5. Paragraph (a) of subsection (1) and subsection  
468 (2) of section 1013.371, Florida Statutes, are amended to read:

469 1013.371 Conformity to codes.—

470 (1) CONFORMITY TO FLORIDA BUILDING CODE AND FLORIDA FIRE  
471 PREVENTION CODE REQUIRED FOR APPROVAL.—

472 (a) Except as otherwise provided in paragraph (b), all  
473 public educational and ancillary plants constructed by a board  
474 must conform to the Florida Building Code and the Florida Fire  
475 Prevention Code, and the plants are exempt from all other state  
476 building codes; county, municipal, or other local amendments to

HB 331

2011

477 the Florida Building Code and local amendments to the Florida  
 478 Fire Prevention Code; building permits, and assessments of fees  
 479 for building permits, except as provided in s. 553.80;  
 480 ordinances; road closures; and impact fees or service  
 481 availability fees. Any inspection by local or state government  
 482 must be based on the Florida Building Code and the Florida Fire  
 483 Prevention Code. Each board shall provide for periodic  
 484 inspection of the proposed educational plant during each phase  
 485 of construction to determine compliance with the Florida  
 486 Building Code, the Florida Fire Prevention Code, and the State  
 487 Requirements for Educational Facilities.

488 (2) ENFORCEMENT BY BOARD.—It is the responsibility of each  
 489 board to ensure that all plans and educational and ancillary  
 490 plants meet the standards of the Florida Building Code and the  
 491 Florida Fire Prevention Code and to provide for the enforcement  
 492 of these codes in the areas of its jurisdiction. Each board  
 493 shall provide for the proper supervision and inspection of the  
 494 work. Each board may employ a chief building official ~~or~~  
 495 ~~inspector~~ and such other inspectors, who have been certified  
 496 pursuant to chapter 468, and a fire official and such other  
 497 inspectors, who have been certified pursuant to chapter 633, and  
 498 such personnel as ~~are~~ necessary to administer and enforce the  
 499 provisions of such codes ~~this code~~. Boards may also use local  
 500 building department inspectors who are certified by the  
 501 department to enforce the Florida Building Code and the State  
 502 Requirements for Educational Facilities ~~this code~~. Boards may  
 503 also use local county, municipal, or independent special fire  
 504 control district firesafety inspectors who are certified by the

HB 331

2011

505 State Fire Marshal to conduct reviews of site plans and  
506 inspections and to enforce the Florida Fire Prevention Code.  
507 Plans or facilities that fail to meet the standards of the  
508 Florida Building Code or the Florida Fire Prevention Code may  
509 not be approved. When planning for and constructing an  
510 educational, auxiliary, or ancillary facility, a board must use  
511 construction materials and systems that meet standards adopted  
512 pursuant to s. 1013.37(1)(e)3. and 4. If the planned or actual  
513 construction of a facility deviates from the adopted standards,  
514 the board must, at a public hearing, quantify and compare the  
515 costs of constructing the facility with the proposed deviations  
516 and in compliance with the adopted standards and the Florida  
517 Building Code. The board must explain the reason for the  
518 proposed deviations and compare how the total construction costs  
519 and projected life-cycle costs of the facility or component  
520 system of the facility would be affected by implementing the  
521 proposed deviations rather than using materials and systems that  
522 meet the adopted standards.

523 Section 6. Section 1013.38, Florida Statutes, is amended  
524 to read:

525 1013.38 Boards to ensure that facilities comply with  
526 building codes and life safety codes.—

527 (1) Boards shall ensure that all new construction,  
528 renovation, remodeling, day labor, and maintenance projects  
529 conform to the appropriate sections of the Florida Building  
530 Code, Florida Fire Prevention Code, or, where applicable as  
531 authorized in other sections of law, other building codes, and  
532 life safety codes.

HB 331

2011

533        (a) For each proposed new facility and each proposed new  
534 facility addition exceeding 2,500 square feet, the board shall  
535 submit for review a minimum of one copy of the site plan to the  
536 local county, municipality, or independent special fire control  
537 district providing fire-protection services to the facility.

538        (b) The local county, municipality, or independent special  
539 fire control district may review each site plan for compliance  
540 with the applicable provisions of the Florida Fire Prevention  
541 Code relating to fire department access roads, fire-protection  
542 system connection locations, and fire hydrant spacing. Such site  
543 plans are not subject to local amendments to the Florida Fire  
544 Prevention Code or local ordinances as provided in s. 1013.371.  
545 Site plan reviews conducted pursuant to this section shall be  
546 performed at no charge to the school board or public college  
547 board.

548        (c) The site plan shall be deemed approved unless the  
549 local county, municipality, or independent special fire control  
550 district submits to the fire official appointed by the board, in  
551 writing, any deficiencies identified with reference to specific  
552 provisions of the Florida Fire Prevention Code within 15 days  
553 after receipt of the site plan. The fire official shall  
554 incorporate such comments into his or her review and subsequent  
555 inspections.

556        (d) If the local county, municipality, or independent  
557 special fire control district and the fire official appointed by  
558 the board do not agree on the requirements or application of the  
559 Florida Fire Prevention Code, either party may refer the matter  
560 to the State Fire Marshal, who shall have final administrative

HB 331

2011

561 authority in resolving the matter.

562 (2) In addition to the submission of site plans, boards  
563 may provide compliance as follows:

564 (a) Boards or consortia may individually or cooperatively  
565 provide review services under the insurance risk management  
566 oversight through the use of board employees or consortia  
567 employees, ~~registered pursuant to chapter 471, chapter 481, or~~  
568 part XII of chapter 468 and firesafety inspectors certified  
569 under s. 633.081.

570 (b) Boards may elect to review construction documents  
571 using their own employees registered pursuant to chapter 471,  
572 chapter 481, or part XII of chapter 468 and firesafety  
573 inspectors certified under s. 633.081.

574 (c) Boards may submit phase III construction documents for  
575 review to the department.

576 (d) Boards or consortia may contract for plan review  
577 services directly with engineers and architects registered  
578 pursuant to chapter 471 or chapter 481 and firesafety inspectors  
579 certified under s. 633.081.

580 (3) The Department of Management Services may, upon  
581 request, provide facilities services for the Florida School for  
582 the Deaf and the Blind, the Division of Blind Services, and  
583 public broadcasting. As used in this section, the term  
584 "facilities services" means project management, code and design  
585 plan review, and code compliance inspection for projects as  
586 defined in s. 287.017(5).

587 (4) (a) Before the commencement of any new construction,  
588 renovation, or remodeling, the board shall:

HB 331

2011

589 1. Approve or cause to be approved the construction  
 590 documents and evaluate such documents for compliance with the  
 591 Florida Building Code and the Florida Fire Prevention Code.

592 2. Ensure compliance with all applicable firesafety codes  
 593 and standards by contracting with a firesafety inspector  
 594 certified by the State Fire Marshal under s. 633.081.

595 (b) A certificate of occupancy may not be issued until the  
 596 board, through its designated certified building official, has  
 597 determined that the building or structure and its site  
 598 conditions comply with all applicable statutes and rules.

599 (c) The method of compliance as chosen by the board  
 600 pursuant to subsection (2) shall be documented and maintained as  
 601 part of the construction record file.

602 (d) Upon request by the local county, municipality, or  
 603 independent special fire control district, the board shall  
 604 provide reasonable access to all construction documents.

605 Section 7. This act shall take effect July 1, 2011.

HOUSE OF REPRESENTATIVES STAFF ANALYSIS

BILL #: HB 553 Violations of the Florida Election Code

SPONSOR(S): Eisnaugle

TIED BILLS: IDEN./SIM. BILLS: SB 330

REFERENCE	ACTION	ANALYST	STAFF DIRECTOR or BUDGET/POLICY CHIEF
1) Government Operations Subcommittee	12 Y, 0 N	McDonald	Williamson
2) Rulemaking & Regulation Subcommittee		Miller <i>EM</i>	Rubottom <i>RJR</i>
3) State Affairs Committee			

SUMMARY ANALYSIS

The bill provides that it is a violation of the Florida Election Code for a candidate, in any election, to directly or indirectly falsely represent past or current service in the military. A civil penalty of up to \$5,000 may be assessed for each violation by the Florida Elections Commission or an administrative law judge for the Division of Administrative Hearings, as appropriate. Assessed civil penalties are deposited in the General Revenue Fund.

The bill also provides that anyone may file a complaint with the Florida Elections Commission alleging such violation.

The Florida Elections Commission and the Division of Administrative Hearings are required to provide expedited hearings in such cases coming before them.

The fiscal impact on state government is minimal.

The bill takes effect July 1, 2011.

# FULL ANALYSIS

## I. SUBSTANTIVE ANALYSIS

### A. EFFECT OF PROPOSED CHANGES:

#### Present Situation

##### Florida Law

Currently, the Florida Election Code does not govern false representations made by a candidate concerning the candidate's own background. It does, however, prohibit a candidate from knowingly making false or malicious statements or causing such statements to be made about an opposing candidate in an election.

An aggrieved candidate may file a complaint with the Florida Elections Commission (Commission) pursuant to s. 106.25, F.S. The offense is punishable by an administrative fine of up to \$5,000 to be deposited in the General Revenue Fund.<sup>1</sup> The respondent has 30 days after the filing of formal allegations to choose a hearing before the Commission, otherwise a hearing is conducted by an administrative law judge appointed by the Division of Administrative Hearings (DOAH).<sup>2</sup> The statute provides final order authority to both the Commission and the administrative law judge in their respective proceedings but DOAH presently lacks any authority to impose a fine or other sanctions in proceedings under this section.<sup>3</sup> The present rules of the Commission do not expressly provide for an expedited hearing.<sup>4</sup> Currently, s. 120.574, F.S., provides procedures for a summary hearing before DOAH but only by the voluntary agreement of the parties.<sup>5</sup>

##### Federal Law

The "Stolen Valor Act of 2005,"<sup>6</sup> signed into law on December 20, 2006, makes it a crime to falsely represent having been awarded a military honor, declaration, or medal, with penalties including fines, imprisonment, or both. The length of imprisonment ranges from 6 months up to 1 year depending upon the type of medal.<sup>7</sup> There is currently disagreement among courts in different federal judicial circuits with regard to the constitutionality of the federal law.<sup>8</sup>

#### Effect of Proposed Changes<sup>9</sup>

The bill provides that it is a violation of the Florida Election Code for a candidate, in any election, to directly or indirectly falsely represent past or current service in the military.<sup>10</sup> A civil penalty of up to \$5,000 may be assessed for each violation by the Commission or an administrative law judge for the

<sup>1</sup> Section 104.271(2), F.S. This appears to be the only provision in the Florida Election Code that addresses false political speech.

<sup>2</sup> s. 106.25(5), F.S.

<sup>3</sup> *Florida Elections Commission v. Davis*, 44 So. 3d 1211 (Fla. 1<sup>st</sup> DCA 2010).

<sup>4</sup> Fla. Admin. Code R. 2B-1.004.

<sup>5</sup> s. 120.574(1)(b), F.S.

<sup>6</sup> Public Law 109-437.

<sup>7</sup> The longer imprisonment of up to 1 year is provided for false claims involving a Distinguished Service Cross, Navy Cross, Air Force Cross, Silver Star, Purple Heart, and Congressional Medal of Honor.

<sup>8</sup> See *U.S. v. Alvarez*, 617 F.3d 1198 (9th Cir. 2010) (holding that the Stolen Valor Act violates First Amendment free speech rights); but see, *U.S. v. Robbins*, 2011 WL 7384 (W.D. Va. 2011) (false statements of fact implicated by the federal statute are not protected by the First Amendment). *U.S. v. Alvarez* is the only appellate decision interpreting the Stolen Valor Act. While the U.S. Circuit Court of Appeals for the Ninth Circuit has a reputation in the legal community for adopting outlier positions rejected by other circuits, in *Alvarez* the Court relied upon the reasoning in *U.S. v. Stevens*, ---U.S.---, 130 S. Ct. 1577, 176 L.Ed.2d 435 (2010), to find the First Amendment to the U.S. Constitution did not permit sanctioning speech content because of its relative lack of social worth. *Alvarez* at 1206. In *Robbins*, the federal district judge expressly refused to follow the 2-1 majority decision in *Alvarez* by adopting the dissent's position that false speech is not entitled to First Amendment protection. This conclusion conflicts with the decision in *U.S. v. Stevens*.

<sup>9</sup> The changes proposed to the Florida Election Code are similar to the federal Stolen Valor Act in that they refer to false statements of fact involving military service. The federal law, however, does not relate to having served or serving in the military but to honors, declarations, or medals received related to such service.

<sup>10</sup> Military service in the bill refers to prior service, active duty, or reserve.

(DOAH), depending upon which authority renders the final order. Assessed civil penalties are deposited in the General Revenue Fund.

The bill provides that any person may file a complaint with the Florida Elections Commission alleging that a candidate has falsely represented his or her military service. The Commission is required to adopt rules to provide for the expedited hearing of complaints before the Commission and requires the director of DOAH to assign an administrative law judge to provide an expedited hearing on cases before DOAH.

**B. SECTION DIRECTORY:**

**Section 1.** Creates s. 104.2715, F.S., providing that it is a violation of the Florida Election Code for a candidate to directly or indirectly falsely represent his or her military service; permitting anyone to file a complaint with the Florida Elections Commission alleging a violation; requiring the adoption of rules to provide for an expedited hearing for complaints filed with the Commission; requiring the director of DOAH to assign an administrative law judge to provide an expedited hearing in certain cases; and requiring the assessment of a civil penalty.

**Section 2.** Provides a July 1, 2011, effective date.

**II. FISCAL ANALYSIS & ECONOMIC IMPACT STATEMENT**

**A. FISCAL IMPACT ON STATE GOVERNMENT:**

**1. Revenues:**

Violation penalties may provide additional, but minimal, revenues that will be deposited into the General Revenue Fund.

**2. Expenditures:**

None.

**B. FISCAL IMPACT ON LOCAL GOVERNMENTS:**

**1. Revenues:**

None.

**2. Expenditures:**

None.

**C. DIRECT ECONOMIC IMPACT ON PRIVATE SECTOR:**

None.

**D. FISCAL COMMENTS:**

None.

**III. COMMENTS**

**A. CONSTITUTIONAL ISSUES:**

**1. Applicability of Municipality/County Mandates Provision:**

The bill does not appear to require counties or municipalities to take an action requiring the expenditure of funds, reduce the authority that counties or municipalities have to raise revenue in the

aggregate, nor reduce the percentage of state tax shared with counties or municipalities. The bill is exempt from the mandate requirements because it is amending the elections laws.

## 2. Other:

As found by the Florida Supreme Court in *Sult v. State*, Florida is bound by the interpretations of the United States Supreme Court concerning the extent of protection afforded to speech content by the First Amendment to the United States Constitution:

The First Amendment to the United States Constitution and article I, section 4 of the Florida Constitution protect the rights of individuals to express themselves in a variety of ways. The constitutions protect not only speech and the written word, but also conduct intended to communicate. ... When lawmakers attempt to restrict or burden fundamental and basic rights such as these, the laws must not only be directed toward a legitimate public purpose, but they must be drawn as narrowly as possible. ... As the United States Supreme Court has noted, “[b]ecause First Amendment freedoms need breathing space to survive, government may regulate in the area only with narrow specificity.”<sup>11</sup>

Regulation of speech during political campaigns is viewed particularly closely under the strict scrutiny standard of constitutional review:

The First Amendment “ ‘has its fullest and most urgent application’ to speech uttered during a campaign for political office.” ... For these reasons, political speech must prevail against laws that would suppress it, whether by design or inadvertence. Laws that burden political speech are “subject to strict scrutiny,” which requires the Government to prove that the restriction “furthers a compelling interest and is narrowly tailored to achieve that interest.”<sup>12</sup>

In *Weaver v. Bonner*,<sup>13</sup> the Eleventh Circuit Court of Appeals applied a consistent constitutional standard even as to prohibitions against false factual statements by a political candidate:

A candidate's speech during an election campaign “occupies the core of the protection afforded by the First Amendment.” *McIntyre v. Ohio Elections Comm'n*, 514 U.S. 334, 346, 115 S.Ct. 1511, 1518, 131 L.Ed.2d 426 (1995). The proper test to be applied to determine the constitutionality of restrictions on “core political speech” is strict scrutiny. *Id.* Under strict scrutiny analysis, the government has the burden of proving that the restriction is “(1) narrowly tailored, to serve (2) a compelling state interest.” *Republican Party of Minnesota v. White*, 536 U.S. 765, 122 S.Ct. 2528, 2534, 153 L.Ed.2d 694 (2002); *see also Brown v. Hartlage*, 456 U.S. 45, 53-54, 102 S.Ct. 1523, 1529, 71 L.Ed.2d 732 (1982) (“When a State seeks to restrict directly the offer of ideas by a candidate to the voters, the First Amendment surely requires that the restriction be demonstrably supported by not only a legitimate state interest, but a compelling one, and that the restriction operate without unnecessarily circumscribing protected expression.”).

## B. RULE-MAKING AUTHORITY:

The bill requires the Florida Elections Commission to adopt rules to provide an expedited hearing of complaints filed with the Commission that relate to false misrepresentation of military service.

A rule is an agency statement of general applicability which interprets, implements, or prescribes law or policy, including the procedure and practice requirements of an agency as well as certain types of forms.<sup>14</sup> Rulemaking authority is delegated by the Legislature<sup>15</sup> through statute and authorizes an agency to “adopt, develop, establish, or otherwise create”<sup>16</sup> a rule. Agencies do not have discretion

<sup>11</sup> 906 So. 2d 1013, 1018 (Fla. 2005) (citations omitted).

<sup>12</sup> *Citizens United v. Federal Elections Commission*, ---U.S.---, 130 S.Ct. 876, 175 L.Ed.2d 753 (2010) (citations omitted).

<sup>13</sup> 309 F. 3d 1312 (11<sup>th</sup> Cir. 2002). Applying the standard of strict scrutiny, the Circuit Court found unconstitutional a prohibition in the Georgia Code of Judicial Conduct against false statements made in a judicial election.

<sup>14</sup> s. 120.52(16), F.S.; *Florida Department of Financial Services v. Capital Collateral Regional Counsel-Middle Region*, 969 So. 2d 527, 530 (Fla. 1<sup>st</sup> DCA 2007).

<sup>15</sup> *Southwest Florida Water Management District v. Save the Manatee Club, Inc.*, 773 So. 2d 594 (Fla. 1<sup>st</sup> DCA 2000).

<sup>16</sup> s. 120.52(17), F.S.

whether to engage in rulemaking.<sup>17</sup> To adopt a rule an agency must have a general grant of authority to implement a specific law by rulemaking.<sup>18</sup> The grant of rulemaking authority itself need not be detailed.<sup>19</sup> The specific statute being interpreted or implemented through rulemaking must provide specific standards and guidelines to preclude the administrative agency from exercising unbridled discretion in creating policy or applying the law.<sup>20</sup>

Proceedings before DOAH are conducted pursuant to the Uniform Rules<sup>21</sup> adopted by the Administration Commission.<sup>22</sup> The bill does not provide authority for either the Commission or DOAH to make rules compelling the parties to participate in an expedited or summary hearing before DOAH.

#### C. DRAFTING ISSUES OR OTHER COMMENTS:

The bill does not specify whether "military" is limited to the armed forces of the United States. The bill does not provide a definition for "expedited proceeding" and does not provide rulemaking authority for DOAH or the Administration Commission to adopt rules for expedited proceedings. The bill grants specific penalty power to the administrative law judge.<sup>23</sup>

#### IV. AMENDMENTS/ COMMITTEE SUBSTITUTE CHANGES

None.

---

<sup>17</sup> s. 120.54(1)(a), F.S.

<sup>18</sup> s. 120.52(8) & s. 120.536(1), F.S.

<sup>21</sup> Fla. Admin. Code Chapter 28-106.

<sup>22</sup> Composed of the Governor and Cabinet under s. 14.202, F.S., the Administration Commission is authorized to adopt uniform rules to be applied by all agencies, including rules governing agency enforcement and discipline proceedings. s. 120.54(5)(b)5, F.S.

<sup>23</sup> *Davis v. Florida Elections Commission*, 44 So.3d 1211 (Fla. 1<sup>st</sup> DCA 2010) (The court found that an ALJ needs express statutory authority to institute penalties for election violations originating with the Florida Elections Commission).

HB 553

2011

1 A bill to be entitled  
2 An act relating to violations of the Florida Election  
3 Code; creating s. 104.2715, F.S.; providing that a  
4 candidate who, in a primary or other election, falsely  
5 represents that he or she served or is currently serving  
6 in the military, commits a violation of the Florida  
7 Election Code; permitting any person to file a complaint  
8 with the Florida Elections Commission alleging that a  
9 candidate has falsely represented his or her military  
10 service; requiring that the commission adopt rules to  
11 provide for an expedited hearing for complaints filed with  
12 the commission; requiring that the Director of the  
13 Division of Administrative Hearings assign an  
14 administrative law judge to provide an expedited hearing  
15 in certain cases; requiring the commission or  
16 administrative law judge to assess a civil penalty of up  
17 to a specified amount against a candidate who is found to  
18 have falsely misrepresented his or her military service;  
19 providing an effective date.  
20

21 Be It Enacted by the Legislature of the State of Florida:  
22

23 Section 1. Section 104.2715, Florida Statutes, is created  
24 to read:

25 104.2715 False representations of military service;  
26 penalty.—

27 (1) A candidate who, in a primary or other election,  
28 falsely represents, directly or indirectly, that he or she

HB 553

2011

29 served or is currently serving in the military, whether active  
30 duty, reserve, or National Guard, commits a violation of the  
31 Florida Election Code.

32 (2) Any person may file a complaint with the Florida  
33 Elections Commission pursuant to s. 106.25 alleging a violation  
34 of subsection (1).

35 (3) The commission shall adopt rules to provide an  
36 expedited hearing of complaints filed under subsection (2), or,  
37 in cases referred to the Division of Administrative Hearings  
38 pursuant to s. 106.25(5), the director shall assign an  
39 administrative law judge to provide an expedited hearing.

40 (4) Notwithstanding any other law, the commission or  
41 administrative law judge shall assess a civil penalty of up to  
42 \$5,000 against any candidate who is found to have violated  
43 subsection (1), which shall be deposited into the General  
44 Revenue Fund.

45 Section 2. This act shall take effect July 1, 2011.

**HOUSE OF REPRESENTATIVES STAFF ANALYSIS**

**BILL #:** CS/HB 707 Agriculture  
**SPONSOR(S):** Community & Military Affairs Subcommittee, Crisafulli and others  
**TIED BILLS:** IDEN./SIM. **BILLS:** CS/SB 858

REFERENCE	ACTION	ANALYST	STAFF DIRECTOR or BUDGET/POLICY CHIEF
1) Community & Military Affairs Subcommittee	14 Y, 0 N, As CS	Gibson	Hoagland
2) Rulemaking & Regulation Subcommittee		Jensen 	Rubottom 
3) Agriculture & Natural Resources Appropriations Subcommittee			
4) State Affairs Committee			

**SUMMARY ANALYSIS**

HB 707 addresses various issues relating to agriculture. The bill prohibits, with some limited exceptions, counties from imposing an assessment or fee for stormwater management on land classified as agricultural if the agricultural operation has a National Pollutant Discharge Elimination System (NPDES) permit, an environmental resource permit (ERP), a works-of-the-district permit, or implements best management practices (BMPs). The bill also prohibits counties from enforcing any regulations on land classified as agricultural if the activity is regulated by BMPs, interim measures or regulations. The bill does not limit the powers of a county to enforce applicable wetland protection ordinances, regulations or rules adopted prior to July 1, 2003. Additional exceptions are provided for areas located in the Wekiva River Protection Area and when a program is operated under a delegation agreement from a state agency or a water management district.

The bill creates the "Agricultural Land Acknowledgement Act" (act), which requires a political subdivision, prior to issuing a local land use permit, building permit, or certificate of occupancy for nonagricultural land located contiguous to sustainable agricultural land, to have the applicant sign and submit to the political subdivision a written acknowledgement of neighboring sustainable agricultural land. Additionally, a copy of the Acknowledgement of Agricultural Land must be presented to prospective buyers at or before the execution of a contract for sale. The Department of Agriculture and Consumer Services is granted rulemaking authority to implement the provisions of the act.

The bill exempts any person, rather than any "natural person" as in current law, involved in the sale of agricultural products that were grown by the person in the state, from obtaining a local business tax receipt. The bill amends the definition of "farm tractor" to clarify that a farm tractor may be operated incidentally on the roads of the state as transportation between the owner's or operator's headquarters and the farm, grove, or orchard or between one farm, grove, or orchard and another.

The bill reverses current law enacted in 2005 and returns tropical foliage to exempt status from the provisions of the License and Bond law<sup>1</sup>. The bill exempts farm fences from the Florida Building Code, and exempts farm fences and nonresidential farm buildings from county or municipal codes and fees, except for code provisions implementing local, state, or federal floodplain management regulations. The definition of "nonresidential farm building" is clarified to more accurately define what types of buildings are exempt from county or municipal codes and fees.

The bill allows multi-peril crop insurers to meet the statutorily required capital and surplus to do business in the state, providing agricultural producers with increased insurance options. The bill amends chapter 823, F.S., to mirror the language in chapter 403, F.S., regarding the materials used in agricultural production that may be burned in the open.

The Revenue Estimating Conference on February 24, 2011, estimated that limiting the ability of counties to charge stormwater management assessments or fees on certain agricultural properties would have a total negative fiscal impact on the five counties currently charging fees ranging from \$500,000 in FY 2011-12, to \$700,000 in FY 2014-15. The remainder of the bill was estimated to have an insignificant fiscal impact on state and local revenues.

The effective date of the bill is July 1, 2011.

<sup>1</sup> Ss. 604.15-604.34, F.S.

## FULL ANALYSIS

### I. SUBSTANTIVE ANALYSIS

#### A. EFFECT OF PROPOSED CHANGES:

##### Background Information

###### **Gubernatorial Veto**

HB 707 contains identical language, with the exception of technical drafting changes, to House Bill 7103, which was passed unanimously by both houses of the Legislature during the 2010 Legislative Session.<sup>2</sup> On May 15, 2010, Governor Charlie Crist vetoed HB 7103. The Governor's veto letter expressed "concerns about the restrictions placed on local governments that are contained in this bill."<sup>3</sup>

**ON MARCH 24, 2011, HB 7103 (2010), WAS ENACTED NOTWITHSTANDING THE VETO AND BECAME EFFECTIVE IMMEDIATELY.**

##### Issues Addressed

###### **County Regulations**

###### Current Situation

In 2003, the Legislature passed CS/CS/SB 1660, which prohibited counties from adopting any ordinance, resolution, regulation, rule, or policy to prohibit, restrict, regulate, or otherwise limit an activity of a bona fide farm or farm operation on land that is classified as agricultural<sup>4</sup>, if such activity is regulated through best management practices (BMPs) or by an existing state, regional, or federal regulatory program. Prior to the enactment of this legislation, several counties had proposed regulations on various agricultural operations in the state that were duplicative and more restrictive than those already dictated through BMPs or an existing governmental regulatory program. The bill did not explicitly prohibit the enforcement of existing measures. Some counties are imposing stormwater utility fees on agricultural lands where the farm operation has an agricultural discharge permit or implements BMPs.

###### Effect of the Bill

The bill prohibits counties from enforcing regulations on activities currently meeting state, regional or federal regulations on a bona fide farm operation on land classified as agricultural. The powers of a county to enforce applicable wetland protection ordinances, regulations or rules adopted prior to July 1, 2003, are not limited by the provisions of the bill. Additional exceptions are provided for areas located in the Wekiva River Protection Area and when a program is operated under a delegation agreement from a state agency and a water management district. The bill provides that a local government may not impose an assessment or fee for stormwater management on land classified as agricultural if the farm operation has a National Pollutant Discharge Elimination System (NPDES) permit, an environmental resource permit (ERP), a works-of-the-district permit or implements BMPs<sup>5</sup>.

The bill permits counties that adopted ordinances prior to March 1, 2009, to continue to charge an assessment or fee for stormwater management on agricultural land as long as the ordinance or resolution provides credits against the assessment or fee for the water quality or flood control benefit of implementation of BMPs<sup>6</sup>; stormwater quality and quantity measures required as part of the NPDES permit, ERP, or works-of-the-district permit; or implements BMPs, which are demonstrated to be of equivalent or greater stormwater benefit than the BMPs implemented pursuant to Chapter 120, F.S.

<sup>2</sup> See <http://www.myfloridahouse.gov/Sections/Bills/billsdetail.aspx?BillId=44447&SessionId=64> (last visited: March 18, 2011).

<sup>3</sup> Veto of Fla. HB 7103 (2010) (letter from Gov. Crist to Interim Sec'y of State Dawn Roberts, May 15, 2010) (on file with Sec'y of State, R.A. Gray Building, Tallahassee, Fla.).

<sup>4</sup> S. 193.461, F.S.

<sup>5</sup> The BMPs interim measures or regulations must have been adopted as rules under chapter 120, F.S. by the Department of Environmental Protection, the Department of Agriculture and Consumer Services or a water management district as part of a statewide or regional program.

<sup>6</sup> *Id.*

## **Nuisance Protection**

### **Current Situation**

Current law<sup>7</sup> states that if a farm operation has been operating for one year or more and was not a nuisance at the time it was established, it cannot be considered a nuisance thereafter as long as it conforms to generally accepted agricultural and management practices. Florida law further states that the farm operation does not become a nuisance as a result of a change in ownership, a change in the type of farm product being produced, a change in conditions in or around the locality of the farm, or a change brought about to comply with BMPs adopted by local, state or federal agencies.

Conditions that invalidate the nuisance protection include:

- The presence of untreated or improperly treated human waste, garbage, offal, dead animals, dangerous waste materials, or gases that are harmful to human or animal life.
- The presence of improperly built or improperly maintained septic tanks, water closets or privies.
- The keeping of diseased animals that is dangerous to human health, unless such animals are kept in accordance with current state or federal disease control programs.
- The presence of unsanitary places where animals are slaughtered, which may give rise to diseases harmful to human or animal life.

In 2007, a developer in Polk County built a housing development next to an established blueberry grower. The entrances to the development and the grower's operation were adjacent. The grower posted a "buyers beware" sign at the entrance to his farm stating that he used propane cannons to scare birds from his blueberry bushes. The developer sued the blueberry farmer stating that the sign was hindering the sales of homes in the development. The case was eventually dropped.

The Department of Agriculture & Consumer Services (department) states that it receives 8-12 complaints per year regarding the "nuisance" law and speculates there are at least 10 times as many that are never brought to the attention of the department.

### **Effect of the Bill**

The bill creates the "Agricultural Land Acknowledgement Act", which requires a political subdivision, prior to issuing a local land use permit, building permit, or certificate of occupancy for nonagricultural land located contiguous to sustainable agricultural land, to have the applicant for the permit or certificate sign and submit to the political subdivision a written acknowledgement of neighboring sustainable agricultural land.

The bill provides specific information to be included in the acknowledgement and provides that such acknowledgement is a public record and must be maintained by the political subdivision as a permanent record. The bill also requires that a copy of the Acknowledgement of Neighboring Agricultural Land be presented to prospective purchasers of residential property contiguous to sustainable agricultural land prior to or at the time the contract for sale is signed.

The department, in cooperation with the Department of Revenue, is granted rulemaking authority to administer the provisions of this section of law.

Georgia has similar language in the Georgia Department of Community Affairs' "Model Land Use Management Code."

## **Occupational License Exemption**

### **Current Situation**

Florida law<sup>8</sup> exempts any natural person from obtaining an occupational license to sell agricultural products<sup>9</sup> that were grown in the state by said natural person. While the statutes provide a definition

---

<sup>7</sup> S. 823.14(4), F.S.

<sup>8</sup> S. 205.064, F.S.

for "person," no definition is provided for "natural person." Hence, the statute is interpreted differently in different counties in regards to the exemption.

#### Effect of the Bill

The bill strikes the word "natural" to exempt any "person" from obtaining an occupational license.

### **Farm Equipment**

#### Current Situation

Florida law provides various exemptions from obtaining a driver's license, one of those being "...any person while driving or operating any road machine, farm tractor, or implement of husbandry temporarily operated or moved on a highway."<sup>10</sup> Currently, a farm tractor is defined in statute<sup>11</sup> as "a motor vehicle designed and used primarily as a farm implement for drawing plows, mowing machines, and other implements of husbandry."

When this term was codified in statute several years ago, there was no other motor vehicle able to pull wagons and other farm machinery, other than a truck. In the past several years, farmers have begun using utility-type vehicles, such as ATVs, John Deere Gators, golf carts and others, as well as tractors, in agricultural operations. While these utility vehicles are generally used in the fields and around the agricultural production areas, it is necessary at times to gain access to state roadways for a brief distance to get from one field to another or to the production area.

#### Effect of the Bill

The bill amends the definition to clarify that a farm tractor may be operated incidentally on the roads of the state as transportation between the owner's or operator's headquarters and the farm, grove, or orchard or between one farm, grove, or orchard and another.

### **Tropical Foliage**

#### Current Situation

The Florida License and Bond Law (law)<sup>12</sup> was enacted in 1941 to give market protection to producers of perishable agricultural commodities. The law is intended to facilitate the marketing of Florida agricultural products by encouraging a better understanding between buyers and sellers and by providing a marketplace that is relatively free of unfair trading practices and defaults.

In 2004, the Committee on Agriculture in the Florida House of Representatives reviewed the law as part of an interim project and recommended changes to the then-current statutes. During the 2005 Legislative Session, HB 1231 implemented the recommendations suggested by the interim project. Based on one of the recommendations, the bill amended the definition of the term "agricultural products" to include tropical foliage as a non-exempt agricultural product produced in the state. Until that point, tropical foliage had been exempt from the provisions of the law. For the most part, agricultural products considered exempt from the law are generally those offered by growers or groups of growers selling their own product(s); all persons who buy for cash and pay at the time of purchase with U.S. currency; dealers operating as bonded licensees under the Federal Packers and Stockyards Act; or retail operations purchasing less than \$1,000 in product per month from Florida producers.

Due to the manner by which the foliage business is conducted, the change implemented by HB 1231 has not proven beneficial to the foliage industry and the industry has requested a reenactment of the exemption.

#### Effect of the Bill

This bill reverses the legislation enacted in 2005 to return tropical foliage to exempted status from the provisions of the law.

---

<sup>9</sup> Agricultural products include grove, horticultural, floricultural, tropical piscicultural, or tropical fish farm products, with the exception of intoxicating liquors, wine or beer.

<sup>10</sup> S. 322.04 (1)(b), F.S.

<sup>11</sup> S. 322.01(20), F.S.

<sup>12</sup> Ss. 604.15-604.34, F.S.

## **Nonresidential Farm Buildings**

### **Current Situation**

Nonresidential farm buildings have always maintained exempt status from building codes except for a brief period in 1998, when the statewide building code was amended and the exemption was inadvertently left out. In the recent past, some counties and municipalities have started assessing impact fees and/or requiring permits for nonresidential farm buildings, even though the buildings are never inspected and are exempt from building codes.

In October 2001, Attorney General Bob Butterworth wrote in an opinion to Nicolas Camuccio, Gilchrist Assistant County Attorney:

“ . . . [T]he plain language of sections 553.73(7)(c)<sup>13</sup> and 604.50, Florida Statutes, exempts all nonresidential buildings located on a farm from state and local building codes. Thus, to the extent that the State Minimum Building Codes require an individual to obtain a permit for the construction, alteration, repair, or demolition of a building or structure, no such permits are required for nonresidential buildings located on a farm. . . . ”

### **Effect of the Bill**

The bill exempts farm fences from the Florida Building Code, and exempts farm fences and nonresidential farm buildings from county or municipal codes and fees, except for code provisions implementing local, state, or federal floodplain management regulations.

The definition of “nonresidential farm building” is amended to clarify that it may be a temporary or permanent structure and is not intended to be used as a residential dwelling. The definition includes examples of types of buildings that are exempt from county or municipal codes and fees.

## **Crop Insurance**

### **Current Situation**

Crop insurance is purchased by agricultural producers for protection against either the loss of their crops due to natural disasters or the loss of revenue due to declines in the prices of agricultural commodities. In the United States, a subsidized multi-peril federal insurance program, administered by the Risk Management Agency, is available to most farmers. The program is authorized by the Federal Crop Insurance Act (title V of the Agricultural Adjustment Act of 1938, P.L. 75-430).

Multi-peril crop insurance covers the broad perils of drought, flood, insects, disease, etc., which may affect many insureds at the same time and present the insurer with excessive losses. To make this class of insurance, the perils are often bundled together in a single policy, called a multi-peril crop insurance (MPCI) policy. MPCI coverage is usually offered by a government insurer and premiums are usually partially subsidized by the government. The earliest MPCI program was first implemented in 1938 by the Federal Crop Insurance Corporation (FCIC), an agency of the U.S. Department of Agriculture. The FCIC authorizes reinsurers. Certain crop insurers are interested in doing business in Florida, but are currently unable to write insurance because of current statutory constructs regarding gross writing ratios.

### **Effect of the Bill**

The bill allows insurance companies, when calculating their gross writing ratio, to not include gross written premiums for federal multi-peril crop insurance that is ceded to the Federal Crop Insurance Cooperation (FCIC) and authorized reinsurers. The bill requires liabilities for ceded reinsurance premiums payable to the FCIC and authorized reinsurers to be netted against the asset for amounts recoverable from reinsurers. Insurers who write other insurance products along with federal multi-peril crop insurance must disclose, either in the notes to the annual and quarterly financial statement or as a

<sup>13</sup> This cite has changed to s. 553.73(9)(c), F.S., since the opinion was written.

supplement to the financial statement, a breakout of the gross written premiums for federal multi-peril crop insurance.

## **Open Burning**

### Current Situation

There are currently two sections in statute<sup>14</sup> that address open burning of materials used in agricultural production. They differ only in the products listed as approved for open burning.

### Effect of the Bill

The bill amends the language in chapter 823, F.S., to mirror the language in chapter 403, F.S., which is the most recent expression of the Legislature.

## **B. SECTION DIRECTORY:**

**Section 1:** Amends s. 163.3162(4), F.S.; prohibits a county from enforcing certain ordinances and/or resolutions relating to land classified as agricultural under certain circumstances; and, prohibits the county from imposing a tax, assessment or fee for stormwater management in certain circumstances.

**Section 2:** Creates s. 163.3163, F.S.; creates the "Agricultural Land Acknowledgement Act"; provides legislative findings and intent; provides definitions; requires applicants for certain development permits to sign and submit an acknowledgement of neighboring sustainable agricultural land; provides for such acknowledgement to become a public record and permanently maintained by the political subdivision; and, allows the Department of Agriculture and Consumer Services to adopt rules to administer the provisions of this section.

**Section 3:** Amends s. 205.064(1), F.S.; revises exemption eligibility for a local business tax receipt.

**Section 4:** Amends s. 322.01(20), F.S.; revises the definition of "farm tractor."

**Section 5:** Amends s. 604.15(1), F.S.; revises the definition of "agricultural products."

**Section 6:** Amends s. 604.50, F.S.; provides an exemption for farm fences from the Florida Building Code; provides an exemption for nonresidential farm buildings and farm fences from any county or municipal code or fee; and, revises the definition of "nonresidential farm building."

**Section 7:** Adds subsection (7) to s. 624.4095, F.S.; requires that gross written premiums not be included when calculating the insurer's gross ratio; requires liabilities for ceded reinsurance premiums be netted against the asset for amounts recoverable from reinsurers; and, requires insurer writing other insurance products together with federal multi-peril crop insurance to disclose a breakout of the gross written premiums for multiple-peril crop insurance.

**Section 8:** Amends s. 823.145, F.S.; revises the agricultural materials that are allowed to be openly burned.

**Section 9:** Provides an effective date of July 1, 2011.

## **II. FISCAL ANALYSIS & ECONOMIC IMPACT STATEMENT**

### **A. FISCAL IMPACT ON STATE GOVERNMENT:**

#### **1. Revenues:**

The bill removes tropical foliage from the definition of agricultural products that are required to be licensed and bonded. The Revenue Estimating Conference on February 24, 2011, estimated that

<sup>14</sup> ss. 403.707(2)(e) and 823.145, F.S.

the removal will reduce revenue to the Department of Agriculture and Consumer Services by \$18,900 annually. The fiscal impact is insignificant.

2. Expenditures:

None

B. FISCAL IMPACT ON LOCAL GOVERNMENTS:

1. Revenues:

The Revenue Estimating Conference on February 24, 2011, reported that there are five counties that currently charge stormwater assessments or fees on agricultural properties. The conference estimated that eliminating the ability to charge stormwater assessments or fees for certain agricultural lands would have a total fiscal impact ranging from \$500,000 in FY 2011-12 to \$700,000 in FY 2014-15.

The conference also estimated that exempting "persons" instead of "natural persons" from certain local business taxes would have an insignificant fiscal impact on local governments.

2. Expenditures:

None

C. DIRECT ECONOMIC IMPACT ON PRIVATE SECTOR:

The bill provides relief to agricultural producers who are being charged with assessments, fees and/or business tax receipts by counties or municipalities.

The bill also exempts dealers who sell tropical foliage from the requirement to be licensed and bonded. According to the Department of Agriculture and Consumer Affairs, this will decrease the protection provided by the agricultural bond and create a financial vulnerability for those growers who no longer have the protection of ensuring they are paid for their product.

D. FISCAL COMMENTS:

None.

### III. COMMENTS

A. CONSTITUTIONAL ISSUES:

1. Applicability of Municipality/County Mandates Provision:

Article VII, section 18(b) of the Florida Constitution, may apply because the bill reduces the authority that counties and municipalities have to raise revenues in the aggregate. The bill prohibits a county from imposing an assessment or fee for stormwater management on certain lands and exempts non-residential farm buildings and fences from fees. The bill also prohibits cities and counties from imposing a local business tax on persons engaged in the selling of farm, aquacultural, grove, horticultural, floricultural, tropical piscicultural, or tropical fish farm products, or products manufactured therefrom.

Article VII, section 18(d) of the Florida Constitution, provides an exemption for laws that have an insignificant fiscal impact. The Legislature has interpreted "insignificant fiscal impact", in the context of Article VII, section 18(d), to mean an amount not greater than the average statewide population for the applicable fiscal year times ten cents, or \$1.9 million. The average fiscal impact, including any

offsetting effects over the long term, is also considered.<sup>15</sup> The Revenue Estimating Conference estimated that this bill would have total impacts ranging from \$500,000 in FY 2011-12 to \$700,000 in FY 2014-2015, so it appears that the bill would fall under the insignificant fiscal impact exemption in Article VII, section 18(d).

If it is later determined that the bill has more than an insignificant fiscal impact, a two-thirds vote of the membership of each house would be necessary to have the legislation binding on counties and municipalities.

2. Other:

None

B. RULE-MAKING AUTHORITY:

The Department of Agriculture and Consumer Services, in cooperation with the Department of Revenue, is granted rulemaking authority to implement the provisions of the "Agricultural Land Acknowledgement Act."

C. DRAFTING ISSUES OR OTHER COMMENTS:

None.

#### IV. AMENDMENTS/ COMMITTEE SUBSTITUTE CHANGES

On March 21, 2011, the Community & Military Affairs Subcommittee adopted one technical amendment to HB 707 and reported the bill favorably as a committee substitute. The amendment removed a cross reference added by bill drafting and inserted language in order to make the bill identical to that of CS/HB 7103 passed by the Legislature in 2010 and vetoed by Governor Crist.

<sup>15</sup> See Legislative Leadership Memorandum Addressing the Implementation of Constitutional Language Referring to Mandates (issued by Senate President Margolis and House Speaker Wetherell, March 1991); House Memorandum Addressing the Implementation of Constitutional Language Referring to Mandates (issued by House Speaker Webster, March 1997); 2009 Intergovernmental Impact Report, pp. 58-77 (March 2010), available at <http://www.floridalcir.gov/UserContent/docs/File/reports/impact09.pdf> (last visited March 18, 2011).

1                                   A bill to be entitled  
 2           An act relating to agriculture; amending s. 163.3162,  
 3           F.S.; prohibiting a county from enforcing certain limits  
 4           on the activity of a bona fide farm operation on  
 5           agricultural land under certain circumstances; prohibiting  
 6           a county from charging agricultural lands for stormwater  
 7           management assessments and fees under certain  
 8           circumstances; allowing an assessment to be collected if  
 9           credits against the assessment are provided for  
 10          implementation of best management practices; providing  
 11          exemptions from certain restrictions on a county's powers  
 12          over the activity on agricultural land; providing a  
 13          definition; providing for application; creating s.  
 14          163.3163, F.S.; creating the "Agricultural Land  
 15          Acknowledgement Act"; providing legislative findings and  
 16          intent; providing definitions; requiring an applicant for  
 17          certain development permits to sign and submit an  
 18          acknowledgement of certain contiguous agricultural lands  
 19          as a condition of the political subdivision issuing the  
 20          permits; specifying information to be included in the  
 21          acknowledgement; requiring that the acknowledgement be  
 22          recorded in the official county records; authorizing the  
 23          Department of Agriculture and Consumer Services to adopt  
 24          rules; amending s. 205.064, F.S.; authorizing a person  
 25          selling certain agricultural products who is not a natural  
 26          person to qualify for an exemption from obtaining a local  
 27          business tax receipt; amending s. 322.01, F.S.; revising  
 28          the term "farm tractor" for purposes of driver's licenses;

29 | amending s. 604.15, F.S.; revising the term "agricultural  
 30 | products" to make tropical foliage exempt from regulation  
 31 | under provisions relating to dealers in agricultural  
 32 | products; amending s. 604.50, F.S.; exempting farm fences  
 33 | from the Florida Building Code; revising the term  
 34 | "nonresidential farm building"; exempting nonresidential  
 35 | farm buildings and farm fences from county and municipal  
 36 | codes and fees; specifying that the exemptions do not  
 37 | apply to code provisions implementing certain floodplain  
 38 | regulations; amending s. 624.4095, F.S.; requiring that  
 39 | gross written premiums for certain crop insurance not be  
 40 | included when calculating the insurer's gross writing  
 41 | ratio; requiring that liabilities for ceded reinsurance  
 42 | premiums be netted against the asset for amounts  
 43 | recoverable from reinsurers; requiring that insurers who  
 44 | write other insurance products disclose a breakout of the  
 45 | gross written premiums for crop insurance; amending s.  
 46 | 823.145, F.S.; expanding the materials used in  
 47 | agricultural operations that may be disposed of by open  
 48 | burning; providing certain limitations on open burning;  
 49 | providing an effective date.

50 |

51 | Be It Enacted by the Legislature of the State of Florida:

52 |

53 | Section 1. Subsection (4) of section 163.3162, Florida  
 54 | Statutes, is amended to read:

55 | 163.3162 Agricultural Lands and Practices Act.—

56 | (4) DUPLICATION OF REGULATION.—Except as otherwise

CS/HB 707

2011

57 | provided in this section and s. 487.051(2), and notwithstanding  
58 | any other law, including any provision of chapter 125 or this  
59 | chapter:7

60 |       (a) A county may not exercise any of its powers to adopt  
61 | or enforce any ordinance, resolution, regulation, rule, or  
62 | policy to prohibit, restrict, regulate, or otherwise limit an  
63 | activity of a bona fide farm operation on land classified as  
64 | agricultural land pursuant to s. 193.461, if such activity is  
65 | regulated through implemented best management practices, interim  
66 | measures, or regulations adopted as rules under chapter 120  
67 | ~~developed~~ by the Department of Environmental Protection, the  
68 | Department of Agriculture and Consumer Services, or a water  
69 | management district ~~and adopted under chapter 120~~ as part of a  
70 | statewide or regional program; or if such activity is expressly  
71 | regulated by the United States Department of Agriculture, the  
72 | United States Army Corps of Engineers, or the United States  
73 | Environmental Protection Agency.

74 |       (b) A county may not charge an assessment or fee for  
75 | stormwater management on a bona fide farm operation on land  
76 | classified as agricultural land pursuant to s. 193.461, if the  
77 | farm operation has a National Pollutant Discharge Elimination  
78 | System permit, environmental resource permit, or works-of-the-  
79 | district permit or implements best management practices adopted  
80 | as rules under chapter 120 by the Department of Environmental  
81 | Protection, the Department of Agriculture and Consumer Services,  
82 | or a water management district as part of a statewide or  
83 | regional program.

84 |       (c) For each county that, before March 1, 2009, adopted a

CS/HB 707

2011

85 stormwater utility ordinance or resolution, adopted an ordinance  
86 or resolution establishing a municipal services benefit unit, or  
87 adopted a resolution stating the county's intent to use the  
88 uniform method of collection pursuant to s. 197.3632 for such  
89 stormwater ordinances, the county may continue to charge an  
90 assessment or fee for stormwater management on a bona fide farm  
91 operation on land classified as agricultural pursuant to s.  
92 193.461 if the ordinance or resolution provides credits against  
93 the assessment or fee on a bona fide farm operation for the  
94 water quality or flood control benefit of:

95 1. The implementation of best management practices adopted  
96 as rules under chapter 120 by the Department of Environmental  
97 Protection, the Department of Agriculture and Consumer Services,  
98 or a water management district as part of a statewide or  
99 regional program;

100 2. The stormwater quality and quantity measures required  
101 as part of a National Pollutant Discharge Elimination System  
102 permit, environmental resource permit, or works-of-the-district  
103 permit; or

104 3. The implementation of best management practices or  
105 alternative measures that the landowner demonstrates to the  
106 county to be of equivalent or greater stormwater benefit than  
107 those provided by implementation of best management practices  
108 adopted as rules under chapter 120 by the Department of  
109 Environmental Protection, the Department of Agriculture and  
110 Consumer Services, or a water management district as part of a  
111 statewide or regional program, or stormwater quality and  
112 quantity measures required as part of a National Pollutant

CS/HB 707

2011

113 Discharge Elimination System permit, environmental resource  
114 permit, or works-of-the-district permit.

115 (d)~~(a)~~ When an activity of a farm operation takes place  
116 within a wellfield protection area as defined in any wellfield  
117 protection ordinance adopted by a county, and the implemented  
118 best management practice, regulation, or interim measure does  
119 not specifically address wellfield protection, a county may  
120 regulate that activity pursuant to such ordinance. This  
121 subsection does not limit the powers and duties provided for in  
122 s. 373.4592 or limit the powers and duties of any county to  
123 address an emergency as provided for in chapter 252.

124 (e)~~(b)~~ This subsection may not be construed to permit an  
125 existing farm operation to change to a more excessive farm  
126 operation with regard to traffic, noise, odor, dust, or fumes  
127 where the existing farm operation is adjacent to an established  
128 homestead or business on March 15, 1982.

129 (f)~~(e)~~ This subsection does not limit the powers of a  
130 predominantly urbanized county with a population greater than  
131 1,500,000 and more than 25 municipalities, not operating under a  
132 home rule charter adopted pursuant to ss. 10, 11, and 24, Art.  
133 VIII of the Constitution of 1885, as preserved by s. 6(e), Art.  
134 VIII of the Constitution of 1968, which has a delegated  
135 pollution control program under s. 403.182 and includes drainage  
136 basins that are part of the Everglades Stormwater Program, to  
137 enact ordinances, regulations, or other measures to comply with  
138 the provisions of s. 373.4592, or which are necessary to  
139 carrying out a county's duties pursuant to the terms and  
140 conditions of any environmental program delegated to the county

CS/HB 707

2011

141 | by agreement with a state agency.

142 |       (g)~~(d)~~ For purposes of this subsection, a county ordinance  
 143 | that regulates the transportation or land application of  
 144 | domestic wastewater residuals or other forms of sewage sludge  
 145 | shall not be deemed to be duplication of regulation.

146 |       (h) This subsection does not limit a county's powers to:

147 |       1. Enforce wetlands, springs protection, or stormwater  
 148 | ordinances, regulations, or rules adopted before July 1, 2003.

149 |       2. Enforce wetlands, springs protection, or stormwater  
 150 | ordinances, regulations, or rules pertaining to the Wekiva River  
 151 | Protection Area.

152 |       3. Enforce ordinances, regulations, or rules as directed  
 153 | by law or implemented consistent with the requirements of a  
 154 | program operated under a delegation agreement from a state  
 155 | agency or water management district.

156 |  
 157 | As used in this paragraph, the term "wetlands" has the same  
 158 | meaning as provided in s. 373.019.

159 |       (i) The provisions of this subsection which limit a  
 160 | county's authority to adopt or enforce any ordinance,  
 161 | regulation, rule, or policy, or to charge any assessment or fee  
 162 | for stormwater management, apply only to a bona fide farm  
 163 | operation as described in this subsection.

164 |       (j) This subsection does not apply to a municipal services  
 165 | benefit unit established before March 1, 2009, pursuant to s.  
 166 | 125.01(1)(q), predominately for flood control or water supply  
 167 | benefits.

168 |       Section 2. Section 163.3163, Florida Statutes, is created

CS/HB 707

2011

169 to read:

170 163.3163 Applications for development permits; disclosure  
171 and acknowledgement of contiguous sustainable agricultural  
172 land.—

173 (1) This section may be cited as the "Agricultural Land  
174 Acknowledgement Act."

175 (2) The Legislature finds that nonagricultural land that  
176 neighbors agricultural land may adversely affect agricultural  
177 production and farm operations on the agricultural land and may  
178 lead to the agricultural land's conversion to urban, suburban,  
179 or other nonagricultural uses. The Legislature intends to reduce  
180 the occurrence of conflicts between agricultural and  
181 nonagricultural land uses and encourage sustainable agricultural  
182 land use. The purpose of this section is to ensure that  
183 generally accepted agricultural practices will not be subject to  
184 interference by residential use of land contiguous to  
185 sustainable agricultural land.

186 (3) As used in this section, the term:

187 (a) "Contiguous" means touching, bordering, or adjoining  
188 along a boundary. For purposes of this section, properties that  
189 would be contiguous if not separated by a roadway, railroad, or  
190 other public easement are considered contiguous.

191 (b) "Farm operation" has the same meaning as defined in s.  
192 823.14.

193 (c) "Sustainable agricultural land" means land classified  
194 as agricultural land pursuant to s. 193.461 which is used for a  
195 farm operation that uses current technology, based on science or  
196 research and demonstrated measurable increases in productivity,

225 Date: ... (date)....

226

227 (b) An acknowledgement submitted to a political  
 228 subdivision under paragraph (a) shall be recorded in the  
 229 official records of the county in which the political  
 230 subdivision is located.

231 (c) The Department of Agriculture and Consumer Services,  
 232 in cooperation with the Department of Revenue, may adopt rules  
 233 to administer this section.

234 Section 3. Subsection (1) of section 205.064, Florida  
 235 Statutes, is amended to read:

236 205.064 Farm, aquacultural, grove, horticultural,  
 237 floricultural, tropical piscicultural, and tropical fish farm  
 238 products; certain exemptions.—

239 (1) A local business tax receipt is not required of any  
 240 ~~natural~~ person for the privilege of engaging in the selling of  
 241 farm, aquacultural, grove, horticultural, floricultural,  
 242 tropical piscicultural, or tropical fish farm products, or  
 243 products manufactured therefrom, except intoxicating liquors,  
 244 wine, or beer, when such products were grown or produced by such  
 245 ~~natural~~ person in the state.

246 Section 4. Subsection (20) of section 322.01, Florida  
 247 Statutes, is amended to read:

248 322.01 Definitions.—As used in this chapter:

249 (20) "Farm tractor" means a motor vehicle that is:

250 (a) Operated principally on a farm, grove, or orchard in  
 251 agricultural or horticultural pursuits and that is operated on  
 252 the roads of this state only incidentally for transportation

CS/HB 707

2011

253 between the owner's or operator's headquarters and the farm,  
 254 grove, or orchard or between one farm, grove, or orchard and  
 255 another; or

256 (b) Designed and used primarily as a farm implement for  
 257 drawing plows, mowing machines, and other implements of  
 258 husbandry.

259 Section 5. Subsection (1) of section 604.15, Florida  
 260 Statutes, is amended to read:

261 604.15 Dealers in agricultural products; definitions.—For  
 262 the purpose of ss. 604.15-604.34, the following words and  
 263 terms, when used, shall be construed to mean:

264 (1) "Agricultural products" means the natural products of  
 265 the farm, nursery, grove, orchard, vineyard, garden, and apiary  
 266 (raw or manufactured); sod; ~~tropical foliage~~; horticulture; hay;  
 267 livestock; milk and milk products; poultry and poultry products;  
 268 the fruit of the saw palmetto (meaning the fruit of the *Serenoa*  
 269 *repens*); limes (meaning the fruit *Citrus aurantifolia*, variety  
 270 Persian, Tahiti, Bearss, or Florida Key limes); and any other  
 271 nonexempt agricultural products produced in the state, except  
 272 tobacco, sugarcane, tropical foliage, timber and timber  
 273 byproducts, forest products as defined in s. 591.17, and citrus  
 274 other than limes.

275 Section 6. Section 604.50, Florida Statutes, is amended to  
 276 read:

277 604.50 Nonresidential farm buildings and farm fences.—

278 (1) Notwithstanding any other law to the contrary, any  
 279 nonresidential farm building or farm fence is exempt from the  
 280 Florida Building Code and any county or municipal ~~building~~ code

CS/HB 707

2011

281 or fee, except for code provisions implementing local, state, or  
 282 federal floodplain management regulations.

283 (2) As used in ~~For purposes of~~ this section, the term:

284 (a) "Nonresidential farm building" means any temporary or  
 285 permanent building or support structure that is classified as a  
 286 nonresidential farm building on a farm under s. 553.73(9)(c) or  
 287 that is used primarily for agricultural purposes, is located on  
 288 ~~a farm that is not used as a residential dwelling, and is~~  
 289 located on land that is an integral part of a farm operation or  
 290 is classified as agricultural land under s. 193.461, and is not  
 291 intended to be used as a residential dwelling. The term may  
 292 include, but is not limited to, a barn, greenhouse, shade house,  
 293 farm office, storage building, or poultry house.

294 (b) The term "Farm" has the same meaning ~~is~~ as provided  
 295 defined in s. 823.14.

296 Section 7. Subsection (7) is added to section 624.4095,  
 297 Florida Statutes, to read:

298 624.4095 Premiums written; restrictions.—

299 (7) For purposes of ss. 624.407 and 624.408 and this  
 300 section, with regard to capital and surplus required, gross  
 301 written premiums for federal multiple-peril crop insurance that  
 302 is ceded to the Federal Crop Insurance Corporation and  
 303 authorized reinsurers shall not be included when calculating the  
 304 insurer's gross writing ratio. The liabilities for ceded  
 305 reinsurance premiums payable for federal multiple-peril crop  
 306 insurance ceded to the Federal Crop Insurance Corporation and  
 307 authorized reinsurers shall be netted against the asset for  
 308 amounts recoverable from reinsurers. Each insurer that writes

CS/HB 707

2011

309 other insurance products together with federal multiple-peril  
 310 crop insurance shall disclose in the notes to the annual and  
 311 quarterly financial statement, or file a supplement to the  
 312 financial statement that discloses, a breakout of the gross  
 313 written premiums for federal multiple-peril crop insurance.

314 Section 8. Section 823.145, Florida Statutes, is amended  
 315 to read:

316 823.145 Disposal by open burning of certain materials  
 317 ~~mulch plastic~~ used in agricultural operations.—Polyethylene  
 318 agricultural mulch plastic; damaged, nonsalvageable, untreated  
 319 wood pallets; and packing material that cannot be feasibly  
 320 recycled, which are used in connection with agricultural  
 321 operations related to the growing, harvesting, or maintenance of  
 322 crops, may be disposed of by open burning provided that no  
 323 public nuisance or any condition adversely affecting the  
 324 environment or the public health is created thereby and that  
 325 state or federal national ambient air quality standards are not  
 326 violated.

327 Section 9. This act shall take effect July 1, 2011.

**HOUSE OF REPRESENTATIVES STAFF ANALYSIS**

**BILL #:** CS/HB 823 Loan Processing  
**SPONSOR(S):** Insurance & Banking Subcommittee, Workman  
**TIED BILLS:** IDEN./SIM. BILLS: SB 1316

REFERENCE	ACTION	ANALYST	STAFF DIRECTOR or BUDGET/POLICY CHIEF
1) Insurance & Banking Subcommittee	12 Y, 0 N, As CS	Barnum	Cooper
2) Rulemaking & Regulation Subcommittee		Miller 	Rubottom 
3) Government Operations Appropriations Subcommittee			
4) Economic Affairs Committee			

**SUMMARY ANALYSIS**

The Housing and Economic Recovery Act of 2008 was enacted on July 30, 2008. Title V of this act is titled the "Secure and Fair Enforcement for Mortgage Licensing Act of 2008" or "S.A.F.E.". The intent is to provide greater accountability and regulation of loan originators. In 2009, the state became compliant with S.A.F.E.

The Office of Financial Regulation is responsible for loan originator licensure and annual renewal. The process includes confirming completion of educational requirements, conducting criminal history background checks, and reviewing credit histories.

Normally, loan originators are prohibited from working for more than one mortgage broker or mortgage lender, whether as an employee or as an independent contractor. Current law provides an exception for "loan processors," who are individuals licensed as loan originators but only performing clerical or support duties. In that role, they may contract with or be employed by multiple companies. S.A.F.E. requires licensure of contract loan processors as loan originators.

The bill distinguishes between in-house loan processors and contract loan processors, and creates a new type of license, unique to in-house loan processors.

The bill specifies that those applying for licensure as an in-house loan processor must comply with some, but not all, of the requirements which must be met for licensure as a loan originator. Applicants must submit fingerprints and undergo a state and federal criminal history background check. However, there is no pre-licensure education requirement or requirement for release of a credit report or a credit history.

The bill requires that applicants for initial licensure or renewal must submit a nonrefundable fee of \$100 or \$75 respectively, while similar fees for loan originators are \$195 and \$150. In-house loan processors are not subject to the \$20 nonrefundable fee required of loan originators for deposit into the Mortgage Guaranty Trust Fund.

The bill requires direction and supervision of an in-house loan processor by a state-licensed loan originator.

Individuals currently licensed as loan originators who wish to be licensed as in-house loan processors, will be subject to fewer regulatory requirements and lower fees.

While retaining the requirement that a good faith estimate be provided to an individual applying for a mortgage loan, as required by S.A.F.E., the bill removes the requirement for the borrower to sign and date the good faith estimate.

The bill codifies a requirement of S.A.F.E. that a mortgage lender submit reports of mortgage activity and financial information to the Nationwide Mortgage Licensing System and Registry.

The bill should have a positive fiscal impact on the private sector. The fiscal impact on state government is indeterminate.

The bill provides for an effective date of January 1, 2012.

# FULL ANALYSIS

## I. SUBSTANTIVE ANALYSIS

### A. EFFECT OF PROPOSED CHANGES:

#### **Background:**

The Housing and Economic Recovery Act of 2008<sup>1</sup> was enacted on July 30, 2008. Title V of this act is titled the "Secure and Fair Enforcement for Mortgage Licensing Act of 2008" or "S.A.F.E.". The intent of S.A.F.E. is to provide greater accountability and regulation of loan originators, defined to include mortgage brokers and lenders, and enhance consumer protections by:

- Providing uniform license applications and reporting requirements for state-licensed loan originators.
- Providing a comprehensive licensing and supervisory database.
- Aggregating and improving the flow of information to and between regulators.
- Providing increased accountability and tracking of loan originators.
- Streamlining the licensing process and reducing the regulatory burden.
- Enhancing consumer protections and supporting anti-fraud measures.
- Providing consumers with easily accessible information, offered at no charge, regarding the employment history of, and publicly adjudicated disciplinary and enforcement actions against, loan originators.
- Establishing a means by which residential mortgage loan originators would, to the greatest extent possible, be required to act in the best interests of the consumer.
- Facilitating responsible behavior in the subprime mortgage market place and providing comprehensive training and examination requirements related to subprime mortgage lending.
- Facilitating the collection and disbursement of consumer complaints on behalf of state and federal mortgage regulators.<sup>2</sup>

S.A.F.E. establishes regulatory requirements for individuals, rather than businesses, licensed or registered as mortgage brokers and lenders, collectively known as loan originators. It defines the term, "loan originator," to mean an individual who takes loan applications and offers or negotiates terms of a loan for compensation.

S.A.F.E. requires that states participate in a national licensing registry, the Registry, which has been developed by the Conference of State Bank Supervisors and American Association of Residential Mortgage Regulators. It contains employment history, as well as disciplinary and enforcement actions against loan originators, and provides for free consumer access to this information.

S.A.F.E requires loan originators, which include mortgage brokers and lenders, to meet minimum net worth, surety bond, or applicable guaranty fund requirements to establish financial responsibility for licensees and provide some level of compensation for consumers defrauded by mortgage brokers and mortgage lenders.

In 2009, the Legislature enacted and the Governor approved legislation bringing the state into compliance with the S.A.F.E. Mortgage Licensing Act of 2008.<sup>3</sup> The law requires licensure of individual loan originators, plus mortgage broker businesses and mortgage lender businesses. Loan originators employed by or contracting with a mortgage lender are subject to licensure.

---

<sup>1</sup> H.R. 3221, Public Law 110-289

<sup>2</sup> H.R. 3221, Public Law 110-289, Title V, sec. 1502

<sup>3</sup> Chapter 2009-241, Laws of Florida

Licensure as a loan originator<sup>4</sup> includes the following requirements:

- Twenty (20) hours of pre-licensure education through Registry authorized providers and satisfactory completion of a test authorized by the Registry. The course content is specified by the Registry.
- Eight (8) hours of prescribed Continuing Education Units every year through Registry authorized providers.
- Submission of fingerprints to the Office of Financial Regulation (OFR) and the Registry. The cost associated with fingerprinting is the responsibility of the individual.
- An independent credit report to be reviewed by the Registry and OFR. The cost associated with the credit report is the responsibility of the individual.
- A state and federal criminal history background check.
- A demonstration of character, general fitness, and financial responsibility such as to command the confidence of the community and to warrant a determination that the individual will operate honestly, fairly, and efficiently.

When applying for licensure as a loan originator, an individual must submit a nonrefundable application fee of \$195. At the time of annual renewal, a nonrefundable fee of \$150 must be submitted. There is an additional \$30 fee for initial set-up in the Registry, plus a \$30 annual processing fee at the time of renewal. In addition, at the time of initial application and renewal, the individual must submit a \$20 nonrefundable fee to be deposited into the Mortgage Guaranty Trust Fund.<sup>5</sup> That fund was established to compensate persons, in specific circumstances, who have suffered monetary damages because of a violation of ch. 494, F.S., by a licensed individual or business.

Normally, loan originators are prohibited from working for more than one mortgage broker or mortgage lender, whether as an employee or as an independent contractor. Current law provides an exception for "loan processors," who are individuals licensed as loan originators but only performing clerical or support duties. In that role, they may contract with or be employed by multiple companies.

Current law does not differentiate between in-house loan processors and contract loan processors.<sup>6</sup> A loan processor needs to be licensed as a loan originator and, in addition, have a "declaration of intent" filed with the OFR, if (s)he wishes to engage solely in loan processing and work for multiple employers. If a loan processor wishes to return to standard loan origination activities, the individual can withdraw the declaration of intent.<sup>7</sup>

When executing a written mortgage broker agreement, current law requires that the mortgage broker disclose, in writing, to any applicant for a mortgage loan, a good faith estimate of the total amount of each of the fees the borrower may reasonably expect to pay if the loan is closed. These include fees earned by the mortgage broker, lender fees, third-party fees, and official fees, together with the terms and conditions for obtaining a refund of such fees, if any. Except for all fees to be received by the mortgage broker, they may be disclosed in generic terms. The good faith estimate must be signed and dated by the borrower.<sup>8</sup>

The Department of Housing and Urban Development requires that loan originators provide borrowers with a standardized good faith estimate using a prescribed form.<sup>9</sup> The form does not contain a signature block and cannot be altered or modified to accommodate a signature block with date.<sup>10</sup>

<sup>10</sup> 24 CFR 3500 App C (Instructions for Completing Good Faith Estimate (GFE) Form

## **Effect of the bill:**

The bill creates a new type of license, unique to in-house loan processors. In so doing, it clearly defines "loan processing" as:

- Receipt, collection, distribution, and analysis of information common for the processing of a mortgage loan.
- Communicating with a consumer to obtain the information necessary for the processing of a mortgage loan.

Equally important, the bill makes clear that loan processing does not include offering or negotiating rates or terms, or providing counseling to consumers regarding residential mortgage loan rates or terms.

The bill, through definitions, distinguishes between in-house loan processors and contract loan processors. Making this distinction is essential because S.A.F.E. requires licensing of contract loan processors as loan originators.<sup>11</sup>

The bill specifies that those applying for licensure as an in-house loan processor must comply with some, but not all, of the requirements which must be met for licensure as a loan originator. In addition to reduced requirements, the fees are also reduced. Like a loan originator applicant, an individual must submit fingerprints and undergo a state and federal criminal history background check. Costs associated with fingerprint processing and retention are borne by the applicant. Consistent with the loan originator requirements, in-house loan processor licensure or renewal may be denied if the person is the subject of a pending felony criminal prosecution or a prosecution or an administrative enforcement action, in any jurisdiction, which involves fraud, dishonesty, breach of trust, money laundering, or any other act of moral turpitude. An individual who has had a loan originator or in-house loan processor license, or its equivalent, revoked in any jurisdiction, cannot be licensed as an in-house loan processor.

Unlike the loan originator, the in-house loan processor applicant has no pre-licensure education requirement, nor must the individual undergo educational testing as part of the licensure process. In like manner, there is no requirement for release of a credit report or a credit history to be reviewed by the OFR, nor is continuing education required for the annual license renewal.

While applicants for initial licensure or renewal as an in-house loan processor must submit a nonrefundable application fee of \$100 or \$75 respectively, similar fees for loan originators are \$195 and \$150. In-house loan processors are not subject to the \$20 nonrefundable fee required of loan originators for deposit into the Mortgage Guaranty Trust Fund.

While performing clerical or support duties as an employee of a mortgage broker or mortgage lender, the bill requires direction and supervision of an in-house loan processor by a state-licensed loan originator. That loan originator is subject to disciplinary actions for work-related activities of the in-house loan processor (s)he is supervising.

The bill amends s. 494.0011(2), F.S., to extend the rulemaking authority of the Financial Services Commission to the licensing and regulation of in-house loan processors. Revisions to s. 494.0018 and s. 494.0025, F.S., subject unlicensed in-house loan processors to administrative fines and penalties but not to criminal sanctions.

Under the provisions of the bill, individuals currently licensed as loan originators, but performing as in-house loan processors, will be subject to fewer requirements and lower fees should they desire to become licensed as in-house loan processors at their next annual license renewal. The bill provides for less regulation and lower costs for an individual seeking initial licensure in order to be qualified to perform loan processing as an employee of a mortgage broker or mortgage lender.

---

<sup>11</sup> H.R. 3221, Public Law 110-289, Title V, sec. 1504

While retaining the requirement that a good faith estimate be provided to an individual applying for a mortgage loan, as required by S.A.F.E., the bill removes the requirement for the borrower to sign and date the good faith estimate.

The bill codifies a requirement of S.A.F.E. that a mortgage lender submit "reports of condition"<sup>12</sup> to the Nationwide Mortgage Licensing System and Registry.<sup>13</sup>

The bill provides for an effective date of July 1, 2011.

**B. SECTION DIRECTORY:**

- Section 1. Amends s. 494.001, F.S., by creating and revising definitions.
- Section 2. Amends s. 494.0011, F.S., by specifying the rulemaking powers authorized to the Financial Services Commission extend to in-house loan processors.
- Section 3. Amends s. 494.0018, F.S., by revising cross-references so that acting as an in-house loan processor without a current license is not punishable as a criminal offense.
- Section 4. Amends s. 494.0025, F.S., by revising prohibited activities to include in-house loan processors.
- Section 5. Amends s. 494.00255, F.S., by including in-house loan processors under those subject to administrative penalties and fines for license violations.
- Section 6. Amends s. 494.00312, F.S., by revising the circumstances under which a loan originator license may not be issued.
- Section 7. Creates s. 494.00314, F.S., providing application and processing requirements for an in-house loan processor license.
- Section 8. Creates s. 494.00315, F.S., providing application and processing requirements for an in-house loan processor license renewal.
- Section 9. Amends s. 494.00331, F.S., by revising provisions relating to employment as a loan processor to include distinctions between employment as a contract loan processor and as an in-house loan processor.
- Section 10. Amends s. 494.0035, F.S., by clarifying language concerning the operation of a mortgage broker.
- Section 11. Amends s. 494.0038, F.S., by revising provisions relating to a good faith estimate.
- Section 12. Amends s. 494.00421, F.S., by revising an agency reference.
- Section 13. Amends s. 494.00611, F.S., by revising the circumstances under which a mortgage lender license may not be issued.
- Section 14. Amends s. 494.00612, F.S., by clarifying a mortgage lender license renewal requirement.
- Section 15. Amends s. 494.0067, F.S., by requiring each mortgage lender to submit reports of condition.
- Section 16. Provides an effective date of January 1, 2012.

---

<sup>12</sup> Reports of condition contain mortgage activity and financial information.

<sup>13</sup> H.R. 3221, Public Law 110-289, Title V, sec. 1505

## II. FISCAL ANALYSIS & ECONOMIC IMPACT STATEMENT

### A. FISCAL IMPACT ON STATE GOVERNMENT:

1. Revenues:

Indeterminate. See FISCAL COMMENTS.

2. Expenditures:

None.

### B. FISCAL IMPACT ON LOCAL GOVERNMENTS:

1. Revenues:

None.

2. Expenditures:

None.

### C. DIRECT ECONOMIC IMPACT ON PRIVATE SECTOR:

An individual currently licensed as loan originator, but performing as an in-house loan processor, will pay \$95 less in fees should (s)he desire to become licensed as an in-house loan processor at the time of license renewal. In addition, annual cost avoidance related to continuing education equates to approximately \$100. For an individual joining the industry for the first time as an in-house loan processor, the cost would be approximately \$540 less than under current law. For both individuals there would be a savings of approximately \$195 at the time of annual license renewal.<sup>14</sup>

### D. FISCAL COMMENTS:

The Office of Financial Regulation reports that between October 1, 2010 and March 2, 2011, it received 15,549 applications for licensure as a loan originator, including 275 who are known to be contract loan processors and therefore not affected by the bill.<sup>15</sup> Of the remaining 15,274 individuals, it cannot be determined how many are performing as in-house loan processors, nor how many would desire to change to the new category of licensee with lower fees. The number of new-to-the-industry applicants which could result from the lower costs and fewer licensure requirements, with associated application fees and processing workload, is unknown.

## III. COMMENTS

### A. CONSTITUTIONAL ISSUES:

1. Applicability of Municipality/County Mandates Provision:

Not applicable. This bill does not appear to: require counties or municipalities to spend funds or take an action requiring the expenditure of funds; reduce the authority that counties or municipalities have to raise revenues in the aggregate; or reduce the percentage of a state tax shared with counties or municipalities.

2. Other:

None.

---

<sup>14</sup> Savings are a result of lower application fees, no education and/or testing requirements, and no annual requirement for the \$20 payment into the Mortgage Guarantee Trust Fund. Pre-licensure courses plus testing average \$460, and the cost for 8 hours of continuing education courses averages \$102.

<sup>15</sup> OFR e-mail dated March 9, 2011 on file with the Insurance & Banking Subcommittee.

**B. RULE-MAKING AUTHORITY:**

A rule is an agency statement of general applicability which interprets, implements, or prescribes law or policy, including the procedure and practice requirements of an agency as well as certain types of forms.<sup>16</sup> Rulemaking authority is delegated by the Legislature<sup>17</sup> through statute and authorizes an agency to “adopt, develop, establish, or otherwise create”<sup>18</sup> a rule. Agencies do not have discretion whether to engage in rulemaking.<sup>19</sup> To adopt a rule an agency must have a general grant of authority to implement a specific law by rulemaking.<sup>20</sup> The grant of rulemaking authority itself need not be detailed.<sup>21</sup> The specific statute being interpreted or implemented through rulemaking must provide specific standards and guidelines to preclude the administrative agency from exercising unbridled discretion in creating policy or applying the law.<sup>22</sup>

The bill incorporates in-house loan processor licensing and regulation into the general rulemaking authority of the Financial Services Commission under s. 494.0011(2), F.S. The present statute provides significant and specific guidance to the Commission for developing rules to implement the provisions of the bill.

**C. DRAFTING ISSUES OR OTHER COMMENTS:**

None.

**IV. AMENDMENTS/ COMMITTEE SUBSTITUTE CHANGES**

---

<sup>16</sup> s. 120.52(16), F.S.; *Florida Department of Financial Services v. Capital Collateral Regional Counsel-Middle Region*, 969 So. 2d 527, 530 (Fla. 1<sup>st</sup> DCA 2007).

1                                   A bill to be entitled  
2           An act relating to loan processing; amending s. 494.001,  
3           F.S.; creating and revising definitions; deleting a  
4           redundant definition; amending s. 494.0011, F.S.;  
5           specifying rulemaking powers of the Financial Services  
6           Commission; amending s. 494.0018, F.S.; revising cross-  
7           references; amending s. 494.0025, F.S.; prohibiting acting  
8           as an in-house loan processor without a specified license;  
9           amending s. 494.00255, F.S.; including licensed in-house  
10          loan processors in disciplinary provisions; amending s.  
11          494.00312, F.S.; providing that a loan originator license  
12          may not be issued to a person who has had an in-house loan  
13          processor license or its equivalent revoked in any  
14          jurisdiction; creating s. 494.00314, F.S.; providing for  
15          licensing of in-house loan processors; providing  
16          application requirements; specifying when an application  
17          is considered received; providing grounds for denial of  
18          licensure; prohibiting issuance of licenses to applicants  
19          who have had certain licenses revoked in other  
20          jurisdictions; providing for annulment of licenses in  
21          certain circumstances; requiring annual renewal of  
22          licenses; prohibiting an in-house loan processor from  
23          acting as a loan originator without a loan originator  
24          license; authorizing a licensed loan originator to act as  
25          an in-house loan processor without an in-house loan  
26          processor license; creating s. 494.00315, F.S.; providing  
27          for license renewals; amending s. 494.00331, F.S.;  
28          providing that specified provisions do not apply to a

CS/HB 823

2011

29 licensed contract loan processor who has on file with the  
30 office a declaration of intent to act solely as a contract  
31 loan processor; deleting a definition; providing  
32 restrictions on employment of persons licensed as in-house  
33 loan processors; amending s. 494.0035, F.S.; clarifying  
34 provisions concerning operation of mortgage brokers;  
35 amending s. 494.0038, F.S.; revising provisions relating  
36 to disclosure of settlement charges and loan terms;  
37 amending s. 494.00421, F.S.; revising an agency reference  
38 in the mortgage broker agreement; providing that a  
39 borrower may contact the Office of Financial Regulation  
40 rather than the Department of Financial Services regarding  
41 any complaints against a loan originator; amending s.  
42 494.00611, F.S.; providing that a mortgage lender license  
43 may not be issued to an applicant if any of the  
44 applicant's control persons has ever had an in-house loan  
45 processor license or its equivalent revoked in any  
46 jurisdiction; amending s. 494.00612, F.S.; requiring that  
47 in order to renew a mortgage lender license a mortgage  
48 lender must authorize the Nationwide Mortgage Licensing  
49 System and Registry to obtain an independent credit report  
50 on each of the mortgage lender's control persons; amending  
51 s. 494.0067, F.S.; requiring each mortgage lender to  
52 submit certain reports to the registry as may be required;  
53 providing an effective date.

54

55 Be It Enacted by the Legislature of the State of Florida:

56

CS/HB 823

2011

57 Section 1. Subsections (5) through (9), (10) through (14),  
58 (15) through (24), and (26) through (34) of section 494.001,  
59 Florida Statutes, are renumbered as subsections (6) through  
60 (10), (12) through (16), (18) through (27), and (28) through  
61 (36), respectively, new subsections (5), (11), and (17) are  
62 added to that section, and present subsections (14), (25), and  
63 (26) of that section are amended, to read:

64 494.001 Definitions.—As used in ss. 494.001-494.0077, the  
65 term:

66 (5) "Contract loan processor" means an individual who is  
67 licensed under part II of this chapter as a loan originator, who  
68 is an independent contractor for a mortgage broker or mortgage  
69 lender, and who engages only in loan processing.

70 (11) "In-house loan processor" means an individual who is  
71 an employee of a mortgage broker or a mortgage lender who  
72 engages only in loan processing.

73 (16)(14) "Loan originator" means an individual who,  
74 directly or indirectly, solicits or offers to solicit a mortgage  
75 loan, accepts or offers to accept an application for a mortgage  
76 loan, negotiates or offers to negotiate the terms or conditions  
77 of a new or existing mortgage loan on behalf of a borrower or  
78 lender, ~~processes a mortgage loan application,~~ or negotiates or  
79 offers to negotiate the sale of an existing mortgage loan to a  
80 noninstitutional investor for compensation or gain. The term  
81 includes an individual who is required to be licensed as a loan  
82 originator under ~~the activities of a loan originator as that~~  
83 term is defined in the S.A.F.E. Mortgage Licensing Act of 2008,  
84 and ~~an individual acting as a loan originator pursuant to that~~

CS/HB 823

2011

85 ~~definition is acting as a loan originator for purposes of this~~  
 86 ~~definition.~~ The term does not include an employee of a mortgage  
 87 broker or mortgage lender whose duties are limited to who  
 88 ~~performs only administrative or clerical tasks, including~~  
 89 ~~quoting available interest rates,~~ physically handling a  
 90 completed application form, or transmitting a completed  
 91 application form to a lender on behalf of a prospective  
 92 borrower.

93 (17) "Loan processing" means:

94 (a) Receiving, collecting, distributing, and analyzing  
 95 information common for the processing of a mortgage loan; or

96 (b) Communicating with a consumer to obtain information  
 97 necessary for the processing of a mortgage loan, if such  
 98 communication does not include offering or negotiating loan  
 99 rates or terms, or counseling consumers about residential  
 100 mortgage loan rates or terms.

101 ~~(25) "Person" has the same meaning as in s. 1.01.~~

102 (28)~~(26)~~ "Principal loan originator" means the licensed  
 103 loan originator in charge of, and responsible for, the operation  
 104 of a mortgage lender or mortgage broker, including all of the  
 105 activities of the mortgage lender's or mortgage broker's loan  
 106 originators, in-house loan processors, and branch managers,  
 107 whether employees or independent contractors.

108 Section 2. Subsection (2) of section 494.0011, Florida  
 109 Statutes, is amended to read:

110 494.0011 Powers and duties of the commission and office.-

CS/HB 823

2011

111           (2) ~~To administer ss. 494.001-494.0077,~~ The commission may  
 112 adopt rules to administer parts I, II, and III of this chapter,  
 113 including rules:

114           (a) Requiring electronic submission of any forms,  
 115 documents, or fees required by this act.

116           (b) Relating to compliance with the S.A.F.E. Mortgage  
 117 Licensing Act of 2008, including rules to:

118           1. Require in-house loan processors, loan originators,  
 119 mortgage brokers, mortgage lenders, and branch offices to  
 120 register through the registry.

121           2. Require the use of uniform forms that have been  
 122 approved by the registry, and any subsequent amendments to such  
 123 forms if the forms are substantially in compliance with the  
 124 provisions of this chapter. Uniform forms that the commission  
 125 may adopt include, but are not limited to:

126           a. Uniform Mortgage Lender/Mortgage Broker Form, MU1.

127           b. Uniform Mortgage Biographical Statement & Consent Form,  
 128 MU2.

129           c. Uniform Mortgage Branch Office Form, MU3.

130           d. Uniform Individual Mortgage License/Registration &  
 131 Consent Form, MU4.

132           3. Require the filing of forms, documents, and fees in  
 133 accordance with the requirements of the registry.

134           4. Prescribe requirements for amending or surrendering a  
 135 license or other activities as the commission deems necessary  
 136 for the office's participation in the registry.

137           5. Prescribe procedures that allow a licensee to challenge  
 138 information contained in the registry.

CS/HB 823

2011

139           6. Prescribe procedures for reporting violations of this  
140 chapter and disciplinary actions on licensees to the registry.

141           (c) Establishing time periods during which an in-house  
142 loan processor, a loan originator, a mortgage broker, or a  
143 mortgage lender license applicant under part II or part III is  
144 barred from licensure due to prior criminal convictions of, or  
145 guilty or nolo contendere pleas by, any of the applicant's  
146 control persons, regardless of adjudication.

147           1. The rules must provide:

148           a. Permanent bars for felonies involving fraud,  
149 dishonesty, breach of trust, or money laundering;

150           b. A 15-year disqualifying period for felonies involving  
151 moral turpitude;

152           c. A 7-year disqualifying period for all other felonies;  
153 and

154           d. A 5-year disqualifying period for misdemeanors  
155 involving fraud, dishonesty, or any other act of moral  
156 turpitude.

157           2. The rules may provide for an additional waiting period  
158 due to dates of imprisonment or community supervision, the  
159 commitment of multiple crimes, and other factors reasonably  
160 related to the applicant's criminal history.

161           3. The rules may provide for mitigating factors for crimes  
162 identified in sub-subparagraph 1.b. However, the mitigation may  
163 not result in a period of disqualification less than 7 years.  
164 The rule may not mitigate the disqualifying periods in sub-  
165 subparagraphs 1.a., 1.c., and 1.d.

CS/HB 823

2011

166 4. An applicant is not eligible for licensure until the  
167 expiration of the disqualifying period set by rule.

168 5. Section 112.011 is not applicable to eligibility for  
169 licensure under this part.

170 Section 3. Subsection (1) of section 494.0018, Florida  
171 Statutes, is amended to read:

172 494.0018 Penalties.—

173 (1) Whoever knowingly violates any provision of s.  
174 494.00255(1)(a), (b), or (c) or s. 494.0025(1), ~~(3)(2)~~, ~~(4)(3)~~,  
175 ~~(5)(4)~~, or ~~(6)(5)~~, except as provided in subsection (2) of this  
176 section, commits a felony of the third degree, punishable as  
177 provided in s. 775.082, s. 775.083, or s. 775.084. Each such  
178 violation constitutes a separate offense.

179 Section 4. Subsections (2) through (10) of section  
180 494.0025, Florida Statutes, are renumbered as subsections (3)  
181 through (11), respectively, and a new subsection (2) is added to  
182 that section to read:

183 494.0025 Prohibited practices.—It is unlawful for any  
184 person:

185 (2) To act as an in-house loan processor in this state  
186 without a current, active in-house loan processor license issued  
187 by the office pursuant to part II of this chapter.

188 Section 5. Paragraphs (n) and (p) of subsection (1),  
189 paragraph (f) of subsection (2), and subsections (3), (4), (5),  
190 (6), and (8) of section 494.00255, Florida Statutes, are  
191 amended, and paragraph (m) of subsection (1) is reenacted, to  
192 read:

CS/HB 823

2011

193 494.00255 Administrative penalties and fines; license  
 194 violations.-

195 (1) Each of the following acts constitutes a ground for  
 196 which the disciplinary actions specified in subsection (2) may  
 197 be taken against a person licensed or required to be licensed  
 198 under part II or part III of this chapter:

199 (m) In any mortgage transaction, violating any provision  
 200 of the federal Real Estate Settlement Procedures Act, as  
 201 amended, 12 U.S.C. ss. 2601 et seq.; the federal Truth in  
 202 Lending Act, as amended, 15 U.S.C. ss. 1601 et seq.; or any  
 203 regulations adopted under such acts.

204 (n) Having a loan originator, an in-house loan processor,  
 205 a mortgage broker, or a mortgage lender license, or the  
 206 equivalent of such license, revoked in any jurisdiction.

207 (p) Acting as a loan originator, an in-house loan  
 208 processor, a mortgage broker, or a mortgage lender without a  
 209 current license issued under part II or part III of this  
 210 chapter.

211 (2) If the office finds a person in violation of any act  
 212 specified in this section, it may enter an order imposing one or  
 213 more of the following penalties:

214 (f) An administrative fine of up to \$1,000 per day, but  
 215 not to exceed \$25,000 cumulatively, for each day that:

216 1. A mortgage broker or mortgage lender conducts business  
 217 at an unlicensed branch office.

218 2. An unlicensed person acts as a loan originator, an in-  
 219 house loan processor, a mortgage broker, or a mortgage lender.

CS/HB 823

2011

220 (3) A mortgage broker or mortgage lender, as applicable,  
221 is subject to the disciplinary actions specified in subsection  
222 (2) for a violation of subsection (1) by:

223 (a) A control person of the mortgage broker or mortgage  
224 lender; ~~or~~

225 (b) A loan originator employed by or contracting with the  
226 mortgage broker or mortgage lender; or

227 (c) An in-house loan processor who is an employee of the  
228 mortgage broker or mortgage lender.

229 (4) A principal loan originator of a mortgage broker is  
230 subject to the disciplinary actions specified in subsection (2)  
231 for violations of subsection (1) by a loan originator or an in-  
232 house loan processor in the course of an association with the  
233 mortgage broker if there is a pattern of repeated violations by  
234 the loan originator or in-house loan processor or if the  
235 principal loan originator has knowledge of the violations.

236 (5) A principal loan originator of a mortgage lender is  
237 subject to the disciplinary actions specified in subsection (2)  
238 for violations of subsection (1) by a loan originator or an in-  
239 house loan processor in the course of an association with a  
240 mortgage lender if there is a pattern of repeated violations by  
241 the loan originator or in-house loan processor or if the  
242 principal loan originator has knowledge of the violations.

243 (6) A branch manager is subject to the disciplinary  
244 actions specified in subsection (2) for violations of subsection  
245 (1) by a loan originator or an in-house loan processor in the  
246 course of an association with the mortgage broker or mortgage  
247 lender if there is a pattern of repeated violations by the loan

CS/HB 823

2011

248 originator or in-house loan processor or if the branch manager  
 249 has knowledge of the violations.

250 (8) Pursuant to s. 120.60(6), the office may summarily  
 251 suspend the license of a loan originator, an in-house loan  
 252 processor, a mortgage broker, or a mortgage lender if the office  
 253 has reason to believe that a licensee poses an immediate,  
 254 serious danger to the public's health, safety, or welfare. The  
 255 arrest of the licensee, or the mortgage broker or the mortgage  
 256 lender's control person, for any felony or any crime involving  
 257 fraud, dishonesty, breach of trust, money laundering, or any  
 258 other act of moral turpitude is deemed sufficient to constitute  
 259 an immediate danger to the public's health, safety, or welfare.  
 260 Any proceeding for the summary suspension of a license must be  
 261 conducted by the commissioner of the office, or designee, who  
 262 shall issue the final summary order.

263 Section 6. Subsection (5) of section 494.00312, Florida  
 264 Statutes, is amended to read:

265 494.00312 Loan originator license.—

266 (5) The office may not issue a license to an applicant who  
 267 has had a loan originator or an in-house loan processor license  
 268 or its equivalent revoked in any jurisdiction.

269 Section 7. Section 494.00314, Florida Statutes, is created  
 270 to read:

271 494.00314 In-house loan processor license.—

272 (1) An individual acting as an in-house loan processor  
 273 must be licensed under this section.

274 (2) In order to apply for an in-house loan processor  
 275 license, an applicant must:

CS/HB 823

2011

276 (a) Be at least 18 years of age and have a high school  
277 diploma or its equivalent.

278 (b) Submit a completed license application form as  
279 prescribed by commission rule.

280 (c) Submit a nonrefundable application fee of \$100.  
281 Application fees may not be prorated for partial years of  
282 licensure.

283 (d) Submit fingerprints in accordance with rules adopted  
284 by the commission.

285 1. The fingerprints must be submitted to a live-scan  
286 vendor authorized by the Department of Law Enforcement.

287 2. A state criminal history background check must be  
288 conducted through the Department of Law Enforcement, and a  
289 federal criminal history check must be conducted through the  
290 Federal Bureau of Investigation.

291 3. All fingerprints submitted to the Department of Law  
292 Enforcement must be submitted electronically and entered into  
293 the statewide automated fingerprint identification system  
294 established in s. 943.05(2)(b) and available for use in  
295 accordance with s. 943.05(2)(g) and (h). The office shall pay an  
296 annual fee to the department to participate in the system and  
297 inform the department of any person whose fingerprints are no  
298 longer required to be retained.

299 4. The costs of fingerprint processing, including the cost  
300 of retaining fingerprints, shall be borne by the person subject  
301 to the background check.

CS/HB 823

2011

302 | 5. The office is responsible for reviewing the results of  
303 | the state and federal criminal history checks and determining  
304 | whether the applicant meets licensure requirements.

305 | (e) Submit additional information or documentation  
306 | requested by the office and required by rule concerning the  
307 | applicant. Additional information may include documentation of  
308 | pending or prior disciplinary or criminal history events,  
309 | including arrest reports and certified copies of charging  
310 | documents, plea agreements, judgments and sentencing documents,  
311 | documents relating to pretrial intervention, orders terminating  
312 | probation or supervised release, final administrative agency  
313 | orders, or other comparable documents that may provide the  
314 | office with the appropriate information to determine eligibility  
315 | for licensure.

316 | (f) Submit any other information required by the registry  
317 | for processing the application.

318 | (3) An application is considered received for the purposes  
319 | of s. 120.60 upon the office's receipt of all documentation from  
320 | the registry, including the completed application form, criminal  
321 | history information, and license application fee.

322 | (4) The office shall issue an in-house loan processor  
323 | license to each person who is not otherwise ineligible and who  
324 | meets the requirements of this section. However, it is a ground  
325 | for denial of licensure if the applicant:

326 | (a) Has committed any violation specified in ss. 494.001-  
327 | 494.0077; or

328 | (b) Is the subject of a pending felony criminal  
329 | prosecution or a prosecution or an administrative enforcement

CS/HB 823

2011

330 action in any jurisdiction which involves fraud, dishonesty,  
 331 breach of trust, money laundering, or any other act of moral  
 332 turpitude.

333 (5) The office may not issue a license to an applicant who  
 334 has had an in-house loan processor or loan originator license or  
 335 its equivalent revoked in any jurisdiction.

336 (6) An in-house loan processor license shall be annulled  
 337 pursuant to s. 120.60 if it was issued by the office by mistake.  
 338 A license must be reinstated if the applicant demonstrates that  
 339 the requirements for obtaining the license have been satisfied.

340 (7) All in-house loan processor licenses must be renewed  
 341 annually by December 31, pursuant to s. 494.00315. If a person  
 342 holding an active license has not applied to renew the license  
 343 on or before December 31, the license expires on December 31. If  
 344 a person holding an active license has applied to renew on or  
 345 before December 31, the license remains active until the renewal  
 346 application is approved or denied. An in-house loan processor is  
 347 not precluded from reapplying for licensure upon expiration of a  
 348 previous license.

349 (8) An in-house loan processor licensed under this section  
 350 may not act as a loan originator without a loan originator  
 351 license issued under this part.

352 (9) A loan originator licensed under this part may also  
 353 act as an in-house loan processor without an in-house loan  
 354 processor license.

355 Section 8. Section 494.00315, Florida Statutes, is created  
 356 to read:

CS/HB 823

2011

357 494.00315 In-house loan processor license renewal.—In  
 358 order to renew an in-house loan processor license, an in-house  
 359 loan processor must:

360 (1) Submit a completed license renewal form as prescribed  
 361 by commission rule.

362 (2) Submit a nonrefundable renewal fee of \$75 and  
 363 nonrefundable fees to cover the costs of further fingerprint  
 364 processing and retention as set forth in commission rule.

365 (3) Submit any additional information or documentation  
 366 requested by the office and required by rule concerning the  
 367 licensee. Additional information may include documentation of  
 368 pending and prior disciplinary and criminal history events,  
 369 including arrest reports and certified copies of charging  
 370 documents, plea agreements, judgments and sentencing documents,  
 371 documents relating to pretrial intervention, orders terminating  
 372 probation or supervised release, final administrative agency  
 373 orders, or other comparable documents that may provide the  
 374 office with the appropriate information to determine eligibility  
 375 for renewal of licensure.

376 Section 9. Section 494.00331, Florida Statutes, is amended  
 377 to read:

378 494.00331 Loan originator and loan processor employment.—

379 (1) LOAN ORIGINATORS.—An individual may not act as a loan  
 380 originator unless he or she is an employee of, or an independent  
 381 contractor for, a mortgage broker or a mortgage lender, and may  
 382 not be employed by or contract with more than one mortgage  
 383 broker or mortgage lender, or either simultaneously.

CS/HB 823

2011

384        (2) CONTRACT LOAN PROCESSORS.—Subsection (1) ~~However, this~~  
 385 ~~provision~~ does not apply to a contract loan processor who has a  
 386 declaration of intent to act solely as a contract loan processor  
 387 on file with the office. The declaration of intent must be on a  
 388 form as prescribed by commission rule ~~any licensed loan~~  
 389 ~~originator who acts solely as a loan processor and contracts~~  
 390 ~~with more than one mortgage broker or mortgage lender, or either~~  
 391 ~~simultaneously.~~

392        ~~(2) For purposes of this section, the term "loan~~  
 393 ~~processor" means an individual who is licensed as a loan~~  
 394 ~~originator who engages only in:~~

395        ~~(a) The receipt, collection, distribution, and analysis of~~  
 396 ~~information common for the processing or underwriting of a~~  
 397 ~~residential mortgage loan; or~~

398        ~~(b) Communication with consumers to obtain the information~~  
 399 ~~necessary for the processing or underwriting of a loan, to the~~  
 400 ~~extent that such communication does not include offering or~~  
 401 ~~negotiating loan rates or terms or does not include counseling~~  
 402 ~~consumers about residential mortgage loan rates or terms.~~

403        ~~(3) A person may not act as a loan processor unless the~~  
 404 ~~person is licensed as a loan originator under this chapter and~~  
 405 ~~has on file with the office a declaration of intent to engage~~  
 406 ~~solely in loan processing. The declaration of intent must be on~~  
 407 ~~such form as prescribed by the commission by rule.~~

408        (a)(4) A loan originator that ~~currently has a declaration~~  
 409 ~~of intent to engage solely in loan processing on file with the~~  
 410 ~~office may withdraw his or her declaration of intent to engage~~

CS/HB 823

2011

411 ~~solely in loan processing.~~ The withdrawal of declaration of  
 412 intent must be on such form as prescribed by commission rule.

413 (b) ~~(5)~~ A declaration of intent or a withdrawal of  
 414 declaration of intent is effective upon receipt by the office.

415 (c) ~~(6)~~ The fee earned by a contract loan processor may be  
 416 paid to the company that employs the loan processor without  
 417 violating the restriction in s. 494.0025 (8) ~~(7)~~ requiring fees or  
 418 commissions to be paid to a licensed mortgage broker or mortgage  
 419 lender or a person exempt from licensure under this chapter.

420 (3) IN-HOUSE LOAN PROCESSORS.—An individual may not act as  
 421 an in-house loan processor unless he or she is an employee of a  
 422 mortgage broker or a mortgage lender and may not be employed by  
 423 more than one mortgage broker or mortgage lender, or either,  
 424 simultaneously. An in-house loan processor must work at the  
 425 direction of and be subject to the supervision and instruction  
 426 of a loan originator licensed under this part.

427 Section 10. Subsection (1) of section 494.0035, Florida  
 428 Statutes, is amended to read:

429 494.0035 Principal loan originator and branch manager for  
 430 mortgage broker.—

431 (1) Each mortgage broker must be operated by a principal  
 432 loan originator who shall have full charge, control, and  
 433 supervision of the mortgage broker ~~business~~. The principal loan  
 434 originator must have been licensed as a loan originator for at  
 435 least 1 year before being designated as the principal loan  
 436 originator, or must demonstrate to the satisfaction of the  
 437 office that he or she has been actively engaged in a mortgage-  
 438 related ~~mortgage broker-related~~ business for at least 1 year

CS/HB 823

2011

439 before being designated as a principal loan originator. Each  
440 mortgage broker must keep the office informed of the person  
441 designated as the principal loan originator as prescribed by  
442 commission rule. If the designation is inaccurate, the mortgage  
443 broker business shall be deemed to be operated under the full  
444 charge, control, and supervision of each officer, director, or  
445 ultimate equitable owner of a 10-percent or greater interest in  
446 the mortgage broker, or any other person in a similar capacity.  
447 A loan originator may not be a principal loan originator for  
448 more than one mortgage broker at any given time.

449 Section 11. Paragraph (c) of subsection (3) of section  
450 494.0038, Florida Statutes, is amended to read:

451 494.0038 Loan origination and mortgage broker fees and  
452 disclosures.—

453 (3) At the time a written mortgage broker agreement is  
454 signed by the borrower or forwarded to the borrower for  
455 signature, or at the time the mortgage broker business accepts  
456 an application fee, credit report fee, property appraisal fee,  
457 or any other third-party fee, but at least 3 business days  
458 before execution of the closing or settlement statement, the  
459 mortgage broker shall disclose in writing to any applicant for a  
460 mortgage loan the following information:

461 (c) A good faith estimate that discloses settlement  
462 charges and loan terms, signed and dated by the borrower, which  
463 discloses the total amount of each of the fees the borrower may  
464 reasonably expect to pay if the loan is closed, including, but  
465 not limited to, fees earned by the mortgage broker, lender fees,

CS/HB 823

2011

466 | ~~third-party fees, and official fees, together with the terms and~~  
 467 | ~~conditions for obtaining a refund of such fees, if any.~~

468 |         1. Any amount collected in excess of the actual cost shall  
 469 | be returned within 60 days after rejection, withdrawal, or  
 470 | closing.

471 |         2. At the time a good faith estimate is provided to the  
 472 | borrower, the loan originator must identify in writing an  
 473 | itemized list that provides the recipient of all payments  
 474 | charged the borrower, which, except for all fees to be received  
 475 | by the mortgage broker, may be disclosed in generic terms, such  
 476 | as, but not limited to, paid to lender, appraiser, officials,  
 477 | title company, or any other third-party service provider. This  
 478 | requirement does not supplant or is not a substitute for the  
 479 | written mortgage broker agreement described in subsection (1).  
 480 | The disclosure required under this subparagraph must be signed  
 481 | and dated by the borrower.

482 |         Section 12. Paragraph (a) of subsection (7) of section  
 483 | 494.00421, Florida Statutes, is amended to read:

484 |         494.00421 Fees earned upon obtaining a bona fide  
 485 | commitment.—Notwithstanding the provisions of ss. 494.001-  
 486 | 494.0077, any mortgage broker which contracts to receive a loan  
 487 | origination fee from a borrower upon obtaining a bona fide  
 488 | commitment shall accurately disclose in the mortgage broker  
 489 | agreement:

490 |         (7) (a) The following statement, in at least 12-point  
 491 | boldface type immediately above the signature lines for the  
 492 | borrowers:

CS/HB 823

2011

493            "You are entering into a contract with a mortgage broker to  
 494 obtain a bona fide mortgage loan commitment under the same terms  
 495 and conditions as stated hereinabove or in a separate executed  
 496 good faith estimate form. If the mortgage broker obtains a bona  
 497 fide commitment under the same terms and conditions, you will be  
 498 obligated to pay the loan origination fees even if you choose  
 499 not to complete the loan transaction. If the provisions of s.  
 500 494.00421, Florida Statutes, are not met, the loan origination  
 501 fee can only be earned upon the funding of the mortgage loan.  
 502 The borrower may contact the Office of Financial Regulation  
 503 ~~Department of Financial Services~~, Tallahassee, Florida,  
 504 regarding any complaints that the borrower may have against the  
 505 loan originator. The telephone number of the office ~~department~~  
 506 is: ...(insert telephone number)...."

507            Section 13. Subsection (5) of section 494.00611, Florida  
 508 Statutes, is amended to read:

509            494.00611 Mortgage lender license.—

510            (5) The office may not issue a license if the applicant  
 511 has had a mortgage lender license or its equivalent revoked in  
 512 any jurisdiction, or any of the applicant's control persons has  
 513 ever had a loan originator or an in-house loan processor license  
 514 or its equivalent revoked in any jurisdiction.

515            Section 14. Paragraph (e) of subsection (1) of section  
 516 494.00612, Florida Statutes, is amended to read:

517            494.00612 Mortgage lender license renewal.—

518            (1) In order to renew a mortgage lender license, a  
 519 mortgage lender must:

CS/HB 823

2011

520 (e) Authorize the registry to obtain an independent credit  
 521 report on each of the mortgage lender's control persons ~~lender~~  
 522 from a consumer reporting agency, and transmit or provide access  
 523 to the report to the office. The cost of the credit report shall  
 524 be borne by the licensee.

525 Section 15. Subsection (13) is added to section 494.0067,  
 526 Florida Statutes, to read:

527 494.0067 Requirements of mortgage lenders.—

528 (13) Each mortgage lender shall submit to the registry  
 529 reports of condition which are in a form and which contain such  
 530 information as the registry may require.

531 Section 16. This act shall take effect January 1, 2012.

HOUSE OF REPRESENTATIVES STAFF ANALYSIS

**BILL #:** CS/HB 849 Building Construction and Inspection  
**SPONSOR(S):** Business & Consumer Affairs Subcommittee, Davis and others  
**TIED BILLS:** IDEN./SIM. **BILLS:** CS/CS/HB 396

REFERENCE	ACTION	ANALYST	STAFF DIRECTOR or BUDGET/POLICY CHIEF
1) Business & Consumer Affairs Subcommittee	12 Y, 0 N, As CS	Creamer	Creamer
2) Rulemaking & Regulation Subcommittee		Miller <i>EAM</i>	Rubottom <i>LJR</i>
3) Government Operations Appropriations Subcommittee			
4) Economic Affairs Committee			

**SUMMARY ANALYSIS**

The bill deletes references to the specified energy efficiency and sustainable materials rating standards, and redefines the term "sustainable building rating" to include the International Green Construction Code (IGCC). Specifically, these sections substitute references to the individual green code ratings with the term "sustainable building rating."

The bill also revises the membership of the 25-member commission by expanding the qualifications for the participating member who is a representative of the green building industry, to include "a professional who is accredited under the International Green Construction Code (IGCC), or a professional who is accredited under Leadership in Energy and Environmental Design (LEED)."

The bill has no fiscal impact.

The bill has an effective date of July 1, 2011.

# FULL ANALYSIS

## I. SUBSTANTIVE ANALYSIS

### A. EFFECT OF PROPOSED CHANGES:

#### **International Green Construction Code (IGCC)**

##### Current Situation

The International Green Construction Code (IGCC) establishes baseline green and sustainability “regulations for new and existing traditional and high-performance buildings related to energy conservation, water efficiency, building owner responsibilities, site impacts, building waste, and materials and other considerations.” The IGCC is sponsored and endorsed by the International Code Council (ICC), the American Institute of Architects, ASTM International, the American Society of Heating, Refrigerating and Air-Conditioning Engineers (ASHRAE), the U.S. Green Building Council (USGBC), and the Illuminating Engineering Society (IES).<sup>1</sup>

The ICC recently revealed the latest version of the IGCC, Public Version 2.0, in December of 2010.<sup>2</sup> The ICC provides that the new code complements existing rating systems and guidelines by providing minimum baseline requirements along with a “jurisdictional electives” section of the code that allows jurisdictions to customize the codes beyond its baseline provisions. The IGCC acts as a model code that becomes law after it is adopted by the state or local government entity that governs construction standards. Previously, Rhode Island adopted the IGCC, Public Version 1.0, as part of the Rhode Island Green Buildings Act in 2010. The new Act “applies to any public project that is owned, leased or controlled by the State of Rhode Island.”<sup>3</sup> The City of Richland, WA, previously adopted the IGCC, Public Version 1.0, as a non-mandatory document for commercial buildings.<sup>4</sup>

##### Proposed Changes

The bill amends s. 255.253, F.S., to redefine the term “sustainable building rating” and include the International Green Construction Code (IGCC). The bill does not specify which version of the IGCC which version of the IGCC is incorporated into the statute.

#### **Florida Building Commission**

##### Current Situation

The Florida Building Commission (commission) is established in ch. 553, F.S., within the Department of Community Affairs (DCA) and consists of 25 members that are appointed by the Governor and confirmed by the Senate.<sup>5</sup> The Commission is responsible for adopting and enforcing the Florida Building Code as a single, unified state building code used to provide effective and reasonable protection for the public safety, health and welfare.<sup>6</sup> The commission is required to update the code triennially based upon the “code development cycle of the national model building codes.”<sup>7</sup>

The commission is authorized to adopt general administrative rules,<sup>8</sup> issue binding code interpretations<sup>9</sup> and must use the rule adoption procedures of s. 120.536(1) and 120.54, F.S., to approve amendments to the building code.<sup>10</sup>

<sup>5</sup> s. 553.74, F.S.

<sup>6</sup> s. 553.72(1), F.S.

<sup>7</sup> s. 553.73(7)(a), F.S.

<sup>8</sup> s. 553.76(1), F.S.

<sup>9</sup> s. 553.775, F.S.

## Proposed Changes

The bill amends s. 553.74(1)(v), F.S., revising the membership of the 25-member the Florida Building Commission. The language expands the qualifications for the participating member who is a representative of the green building industry, to include “a professional who is accredited under the International Green Construction Code (IGCC), or a professional who is accredited under Leadership in Energy and Environmental Design (LEED)”.

### B. SECTION DIRECTORY:

Section 1: Amends s. 255.252(3) & 255.252(4), F.S., to make technical changes in the present language and to substitute the defined phrase “sustainable building rating” for separate references to four different rating systems.

Section 2: Amends s. 255.253(7), F.S., to incorporate the IGCC as an additional green building rating system which may be approved by the Department of Management Services.

Section 3: Amends s. 255.257(4), F.S., to substitute the defined phrase “sustainable building rating” for separate references to four different rating systems.

Section 4: Amends s. 255.2575(2) to substitute the defined phrase “sustainable building rating” for separate references to four different rating systems.

Section 5: Amends s. 553.74(1)(v), F.S., to provide additional alternative accreditations for the one member of the Florida Building Commission who is a representative of the green building industry.

Section 6: Provides an effective date of July 1, 2011.

## II. FISCAL ANALYSIS & ECONOMIC IMPACT STATEMENT

### A. FISCAL IMPACT ON STATE GOVERNMENT:

1. Revenues:

None.

2. Expenditures:

None.

### B. FISCAL IMPACT ON LOCAL GOVERNMENTS:

1. Revenues:

None.

2. Expenditures:

None.

### C. DIRECT ECONOMIC IMPACT ON PRIVATE SECTOR:

None.

### D. FISCAL COMMENTS:

None.

---

<sup>10</sup> The triennial update of the entire Building Code must be adopted through statutory rulemaking. s. 553.73(1)(a), 553.73(7)(a), F.S. Technical amendments are authorized under s. 553.73(3), F.S.

### **III. COMMENTS**

#### **A. CONSTITUTIONAL ISSUES:**

##### **1. Applicability of Municipality/County Mandates Provision:**

Not applicable. The bill does not appear to require counties or municipalities to spend funds or take an action requiring the expenditure of funds; reduce the authority that the counties or municipalities have to raise revenue in the aggregate; or reduce the percentage of a state tax shared with counties or municipalities.

##### **2. Other:**

None.

#### **B. RULE-MAKING AUTHORITY:**

No additional rulemaking authority is required to implement the provisions of the bill.

#### **C. DRAFTING ISSUES OR OTHER COMMENTS:**

The bill provides for inclusion of the International Green Construction Code (IGCC) as an alternative rating standard for public buildings. The bill does not specify which of the available versions of the IGCC is referenced in the amendments.

A bill to be entitled  
 An act relating to building construction and inspection;  
 amending s. 255.252, F.S.; conforming provisions to  
 changes made by the act; amending s. 255.253, F.S.;  
 redefining the term "sustainable building rating" to  
 include the International Green Construction Code;  
 amending ss. 255.257 and 255.2575, F.S.; conforming  
 provisions to changes made by the act; amending s. 553.74,  
 F.S.; revising requirements for selecting a member of the  
 Florida Building Commission; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Subsections (3) and (4) of section 255.252,  
 Florida Statutes, are amended to read:

255.252 Findings and intent.—

(3) In order for ~~that such~~ energy-efficiency and  
 sustainable materials considerations to become a function of  
 building design and a model for future application in the  
 private sector, it is ~~shall be~~ the policy of the state that  
 buildings constructed and financed by the state be designed and  
 constructed to comply with a sustainable building rating ~~the~~  
~~United States Green Building Council (USGBC) Leadership in~~  
~~Energy and Environmental Design (LEED) rating system, the Green~~  
~~Building Initiative's Green Globes rating system, the Florida~~  
~~Green Building Coalition standards, or a nationally recognized,~~  
~~high-performance green building rating system as approved by the~~  
~~department.~~ It is further the policy of the state, if ~~when~~

29 economically feasible, to retrofit existing state-owned  
 30 buildings in a manner that minimizes ~~which will minimize~~ the  
 31 consumption of energy used in the operation and maintenance of  
 32 such buildings.

33 (4) In addition to designing and constructing new  
 34 buildings to be energy-efficient, it is ~~shall be~~ the policy of  
 35 the state to operate and maintain state facilities in a manner  
 36 that minimizes ~~which will minimize~~ energy consumption and  
 37 maximizes ~~maximize~~ building sustainability, and to operate as  
 38 ~~well as ensure that~~ facilities leased by the state ~~are operated~~  
 39 so as to minimize energy use. It is further the policy of the  
 40 state that the renovation of existing state facilities be in  
 41 accordance with a sustainable building rating ~~the United States~~  
 42 ~~Green Building Council (USGBC) Leadership in Energy and~~  
 43 ~~Environmental Design (LEED) rating system, the Green Building~~  
 44 ~~Initiative's Green Globes rating system, the Florida Green~~  
 45 ~~Building Coalition standards, or a nationally recognized, high-~~  
 46 ~~performance green building rating system as approved by the~~  
 47 ~~department.~~ State agencies are encouraged to consider shared  
 48 savings financing of ~~such~~ energy-efficiency and conservation  
 49 projects, using contracts that ~~which~~ split the resulting savings  
 50 for a specified period of time between the state agency and the  
 51 private firm or cogeneration contracts and that ~~which~~ otherwise  
 52 permit the state to lower its net energy costs. Such energy  
 53 contracts may be funded from the operating budget.

54 Section 2. Subsection (7) of section 255.253, Florida  
 55 Statutes, is amended to read:

56 255.253 Definitions; ss. 255.251-255.258.—

CS/HB 849

2011

57 (7) "Sustainable building rating" means a rating  
 58 established by the United States Green Building Council (USGBC)  
 59 Leadership in Energy and Environmental Design (LEED) rating  
 60 system, the International Green Construction Code (IGCC), the  
 61 Green Building Initiative's Green Globes rating system, the  
 62 Florida Green Building Coalition standards, or a nationally  
 63 recognized, high-performance green building rating system as  
 64 approved by the department.

65 Section 3. Subsection (4) of section 255.257, Florida  
 66 Statutes, is amended to read:

67 255.257 Energy management; buildings occupied by state  
 68 agencies.—

69 (4) ADOPTION OF STANDARDS.—

70 (a) All state agencies shall adopt a sustainable building  
 71 rating system ~~the United States Green Building Council (USGBC)~~  
 72 ~~Leadership in Energy and Environmental Design (LEED) rating~~  
 73 ~~system, the Green Building Initiative's Green Globes rating~~  
 74 ~~system, the Florida Green Building Coalition standards, or a~~  
 75 ~~nationally recognized, high-performance green building rating~~  
 76 ~~system as approved by the department~~ for all new buildings and  
 77 renovations to existing buildings.

78 (b) No state agency shall enter into new leasing  
 79 agreements for office space that does not meet Energy Star  
 80 building standards, except when ~~determined by~~ the appropriate  
 81 state agency head determines that no other viable or cost-  
 82 effective alternative exists.

83 (c) All state agencies shall develop energy conservation  
 84 measures and guidelines for new and existing office space where

CS/HB 849

2011

85 state agencies occupy more than 5,000 square feet. These  
 86 conservation measures shall focus on programs that may reduce  
 87 energy consumption and, when established, provide a net  
 88 reduction in occupancy costs.

89 Section 4. Subsection (2) of section 255.2575, Florida  
 90 Statutes, is amended to read:

91 255.2575 Energy-efficient and sustainable buildings.—

92 (2) All county, municipal, school district, water  
 93 management district, state university, community college, and  
 94 ~~Florida~~ state court buildings shall be constructed to comply  
 95 with a sustainable building rating system ~~meet the United States~~  
 96 ~~Green Building Council (USGBC) Leadership in Energy and~~  
 97 ~~Environmental Design (LEED) rating system, the Green Building~~  
 98 ~~Initiative's Green Globes rating system, the Florida Green~~  
 99 ~~Building Coalition standards, or a nationally recognized, high-~~  
 100 ~~performance green building rating system as approved by the~~  
 101 ~~Department of Management Services.~~ This section applies ~~shall~~  
 102 ~~apply~~ to all county, municipal, school district, water  
 103 management district, state university, community college, and  
 104 ~~Florida~~ state court buildings the architectural plans of which  
 105 are commenced after July 1, 2008.

106 Section 5. Paragraph (v) of subsection (1) of section  
 107 553.74, Florida Statutes, is amended to read:

108 553.74 Florida Building Commission.—

109 (1) The Florida Building Commission is created and shall  
 110 be located within the Department of Community Affairs for  
 111 administrative purposes. Members shall be appointed by the  
 112 Governor subject to confirmation by the Senate. The commission

CS/HB 849

2011

113 shall be composed of 25 members, consisting of the following:

114 (v) One member who is a representative of the green  
 115 building industry and who is a third-party commission agent, a  
 116 Florida board member of the United States Green Building Council  
 117 or Green Building Initiative, a professional who is accredited  
 118 under the International Green Construction Code (IGCC), or a  
 119 professional who is accredited under Leadership in Energy and  
 120 Environmental Design (LEED) ~~LEED-accredited professional.~~

121  
 122 Any person serving on the commission under paragraph (c) or  
 123 paragraph (h) on October 1, 2003, and who has served less than  
 124 two full terms is eligible for reappointment to the commission  
 125 regardless of whether he or she meets the new qualification.

126 Section 6. This act shall take effect July 1, 2011.

2 Subcommittee

3 Representative(s) Davis offered the following:

4  
5 **Amendment (with title amendment)**

6 Between lines 13 and 14, insert:

7 Section 1. Subsection (4) of section 120.541, Florida  
8 Statutes, as amended by chapter 2010-279, Laws of Florida, is  
9 amended to read:

10 120.541 Statement of estimated regulatory costs.—

11 (3) If the adverse impact or regulatory costs of the rule  
12 exceed any of the criteria established in paragraph (2)(a), the  
13 rule shall be submitted to the President of the Senate and  
14 Speaker of the House of Representatives no later than 30 days  
15 prior to the next regular legislative session, and the rule may  
16 not take effect until it is ratified by the Legislature.

17 (4) Subsection (3) ~~Paragraph (2)(a)~~ does not apply to the  
18 adoption of:

COMMITTEE/SUBCOMMITTEE AMENDMENT

Bill No. CS/HB 849 (2011)

Amendment No. 01

19 (a) emergency rules pursuant to s. 120.54(4) or the  
20 adoption of Federal standards pursuant to s. 120.54(6).

21 (b) Triennial updates to the Florida Building Code  
22 pursuant to s. 553.73(7)(a).

23 (c) Triennial updates to the Florida Fire Prevention Code  
24 pursuant to s. 633.0215(1).

25 Section 2. Subsection (3) of section 527.06, Florida  
26 Statutes, is amended to read:

27 527.06 Rules.—

28 (3) (a) Rules in substantial conformity with the published  
29 standards of the National Fire Protection Association (NFPA) are  
30 shall be deemed to be in substantial conformity with the  
31 generally accepted standards of safety concerning the same  
32 subject matter.

33 (b) Notwithstanding any other law, the department or other  
34 state agency may not require compliance with the minimum  
35 separation distances of NFPA 58 for separation between a  
36 liquefied petroleum gas tank and a building, adjoining property  
37 line, other liquefied petroleum gas tank, or any source of  
38 ignition, except in compliance with the minimum separation  
39 distances of the 2011 edition of NFPA 58. This subsection shall  
40 be deemed repealed upon the last effective date of rules  
41 adopted, directly or as incorporated by reference, by the  
42 department, the Florida Building Commission as part of the  
43 Florida Building Code, and the Office of State Fire Marshal as  
44 part of the Florida Fire Prevention Code of these minimum  
45 separation distances as contained in the 2011 edition of NFPA 58  
46 promulgated by the National Fire Protection Association.

SUMMARY ANALYSIS

CS/HB 917 creates a new section of statute to authorize the Department of Corrections to develop and administer a nonviolent offender re-entry program. This program is intended to divert nonviolent offenders from long periods of incarceration when a reduced period of incarceration followed by intensive substance abuse treatment may have the same effect, rehabilitate the offender, and reduce recidivism.

The bill may have a positive fiscal impact on the Department of Corrections and provides an effective date of October 1, 2011.

## FULL ANALYSIS

### I. SUBSTANTIVE ANALYSIS

#### A. EFFECT OF PROPOSED CHANGES:

##### **The Department of Corrections Re-entry Programming**

Currently, the Department of Corrections (DOC) provides the following re-entry programming to inmates:

- Substance abuse treatment;
- Educational and academic programs;
- Career and technical education; and
- Faith and character-based programs.<sup>1</sup>

Also, DOC is statutorily mandated<sup>2</sup> to provide inmates who are within 12 months of their release with the 100-Hour Transition Training Program. This program offers inmates training in the following:

- Job readiness and life management skills, including goal setting;
- Problem solving and decision making;
- Communication;
- Values clarification;
- Living a healthy lifestyle;
- Family issues;
- Seeking and keeping a job;
- Continuing education;
- Community reentry; and
- Legal responsibilities.<sup>3</sup>

##### **Drug Offender Probation**

DOC is required to develop and administer a drug offender probation program which emphasizes a combination of treatment and intensive community supervision approaches and which provides for supervision of offenders in accordance with a specific treatment plan.<sup>4</sup> This program generally uses graduated sanctions when offenders violate program requirements by actions such as testing positive on drug tests, missing treatment sessions, or failing to report to court.<sup>5</sup> These sanctions can include mandatory community service, extended probation, or jail stays. Probationers in this program are subject to probation revocation if they violate any conditions of their probation. This can result in an imposition of any sentence that may have originally been imposed before the offender was placed on probation.<sup>6</sup> In FY 2009-10, 9,928 offenders were on drug offender probation.<sup>7</sup>

##### **Effect of the Bill**

CS/HB 917 authorizes the Department of Corrections to develop and administer a nonviolent offender re-entry program in a secure area within an institution or adjacent to an adult institution. This program is

<sup>7</sup> Department of Corrections, Community Supervision Admissions, 2008-2009 Agency Statistics, [http://www.dc.state.fl.us/pub/annual/0809/stats/csa\\_prior.html](http://www.dc.state.fl.us/pub/annual/0809/stats/csa_prior.html) (Last accessed on March 18, 2011).

intended to divert nonviolent offenders<sup>8</sup> from long periods of incarceration when a reduced period of incarceration followed by intensive substance abuse treatment may have the same effect, rehabilitate the offender, and reduce recidivism. The program must include:

- Prison-based substance abuse treatment,
- General education development and adult basic education courses,
- Vocational training,
- Training in decisionmaking and personal development, and
- Other rehabilitation programs.

The bill requires that the nonviolent offender serve at least 120 days in the reentry program. Any portion of his or her sentence served before placement in the reentry program does not count as progress toward program completion.

The bill requires DOC to screen potential reentry program participants for eligibility criteria to participate in the program. In order to participate, a nonviolent offender must have:

- Served at least one-half of his or her original sentence, and
- Been identified as having a need for substance abuse treatment.

During the screening process, the bill requires DOC to consider the offender's criminal history and the possible rehabilitative benefits that substance abuse treatment, educational programming, vocational training, and other rehabilitative programming might have on the offender.

If a nonviolent offender is selected to participate in the program and if space is available in the reentry program, DOC must request the sentencing court to approve the offender's participation in the reentry program. The bill provides that no nonviolent offender has the right to placement in the re-entry program or placement or early release under supervision of any type. The bill denies a nonviolent offender a cause of action against the department, a court, or the state attorney related to the re-entry program

DOC must also notify the state attorney that the offender is being considered for placement in the reentry program. The notice must:

- Explain to the state attorney that a proposed reduced period of incarceration, followed by participation in substance abuse treatment and other rehabilitative programming, could produce the same deterrent effect otherwise expected from a lengthy incarceration.
- State that the state attorney may notify the sentencing court in writing of any objection he or she might have if the nonviolent offender is placed in the reentry program.<sup>9</sup>

The bill requires the sentencing court to notify DOC in writing of the court's decision to approve or disapprove the requested placement of the nonviolent offender into the re-entry program no later than 28 days after the court receives DOC's request to place the offender in the reentry program.<sup>10</sup>

The bill requires a nonviolent offender who has been admitted to the re-entry program to:

- Undergo a full substance abuse assessment to determine his or her substance abuse treatment needs.

---

<sup>8</sup> The bill defines nonviolent offenders as an offender who has been convicted of a third-degree felony offense that is not a forcible felony as defined in s. 776.08, F.S., and has not been convicted of any offense that requires a person to register as a sexual offender pursuant to s. 943.0435, F.S.

<sup>9</sup> The bill requires that the state attorney must notify the sentencing court of his or her objections within 14 days after receiving the notice.

<sup>10</sup> The bill states that the court's failure to notify DOC of the decision within the 28-day period constitutes approval to place the offender into the reentry program.

- Have an educational assessment, using the Test of Adult Basic Education or any other testing instrument approved by the Department of Education.
- Obtain a high school diploma if one has not already been obtained.

The bill requires that assessments of the offender's vocational skills and future career education be provided to the offender as needed and that a periodic reevaluation be made in order to assess the progress of each offender.

If a nonviolent offender in the program becomes unmanageable, the bill authorizes DOC to revoke the offender's gain-time and place the offender in disciplinary confinement in accordance with DOC rule. The offender can be readmitted to the reentry program after completing the ordered discipline<sup>11</sup> unless:

- The offender commits or threatens to commit a violent act;
- DOC determines that the offender is unable to participate in the reentry program due to the offender's medical condition;
- The offender's sentence is modified or expires;
- DOC reassigns the offender's classification status; or
- DOC determines that removing the offender from the reentry program is in the best interest of the offender or the security of the institution.

The bill requires DOC to submit a report to the court at least 30 days before the nonviolent offender is scheduled to complete the reentry program. The report must describe the offender's performance in the reentry program. If the performance is satisfactory, the bill requires the court to issue an order modifying the sentence imposed and place the offender on drug offender probation<sup>12</sup> subject to the offender's successful completion of the remainder of the reentry program.<sup>13</sup> If the nonviolent offender violates the conditions of drug offender probation, the bill authorizes the court to revoke probation and impose any sentence that it might have originally imposed.

The bill also authorizes DOC to:

- Implement the reentry program to the fullest extent feasible within available resources.
- Submit an annual report to the Governor, the President of the Senate, and the Speaker of the House of Representatives detailing the extent of implementation of the reentry program and outlining future goals and any recommendation the department has for future legislative action.
- Enter into performance-based contracts with qualified individuals, agencies, or corporations for the provision of any or all of the services for the reentry program.
- Establish a system of incentives within the reentry program which the department may use to promote participation in rehabilitative programs and the orderly operation of institutions and facilities.
- Develop a system for tracking recidivism, including, but not limited to, rearrests and recommitment of nonviolent offenders who successfully complete the reentry program, and shall report the recidivism rate in its annual report of the program.
- Adopt rules pursuant to ss. 120.536(1) and 120.54, F.S., to administer the reentry program.
- Authorizes DOC to establish rules of conduct to which nonviolent offenders in the reentry program would be subject, including sanctions which DOC may impose for noncompliance.

<sup>11</sup> The bill specifies that any period of time during which the offender is unable to participate in the reentry program shall be excluded from the specified time requirements in the reentry program.

<sup>12</sup> The bill provides that if an offender being released intends to reside in a county that has established a postadjudicatory drug court program as described in s. 397.334, F.S., the sentencing court may require the offender to successfully complete the postadjudicatory drug court program as a condition of drug offender probation.

<sup>13</sup> The bill provides that the term of drug offender probation may include placement in a community residential or nonresidential substance abuse treatment facility under the jurisdiction of the department or the Department of Children and Family Services or any public or private entity providing such services.

**B. SECTION DIRECTORY:**

Section 1. Creates the nonviolent reentry program.

Section 2. Provides an effective date of October 1, 2011.

**II. FISCAL ANALYSIS & ECONOMIC IMPACT STATEMENT**

**A. FISCAL IMPACT ON STATE GOVERNMENT:**

**1. Revenues:**

The bill creates a new section of statute to authorize the Department of Corrections to develop and administer a nonviolent offender re-entry program. This program is intended to divert nonviolent offenders from long periods of incarceration when a reduced period of incarceration followed by intensive substance abuse treatment may have the same effect, rehabilitate the offender, and reduce recidivism.

The bill provides that an inmate must serve at least half of his or her original sentence before being eligible for the re-entry program. An inmate who satisfactorily completes the reentry program will then be placed on drug offender probation. Because participation in the program hinges on an offender being eligible, DOC selection, and judicial approval, the precise impact of the bill is unknown. However, the bill will likely result in cost savings to the state.

**2. Expenditures:**

None.

**B. FISCAL IMPACT ON LOCAL GOVERNMENTS:**

**1. Revenues:**

None.

**2. Expenditures:**

None.

**C. DIRECT ECONOMIC IMPACT ON PRIVATE SECTOR:**

None.

**D. FISCAL COMMENTS:**

None.

**III. COMMENTS**

**A. CONSTITUTIONAL ISSUES:**

**1. Applicability of Municipality/County Mandates Provision:**

Not applicable because this bill does not appear to: require the counties or cities to spend funds or take action requiring the expenditure of funds; reduce the authority that cities or counties have to raise revenues in the aggregate; or reduce the percentage of a state tax shared with cities or counties.

2. Other:

None.

#### B. RULE-MAKING AUTHORITY:

The bill authorizes DOC to adopt rules pursuant to ch. 120, F.S., to govern operation of the nonviolent offender re-entry program. A rule is an agency statement of general applicability which interprets, implements, or prescribes law or policy, including the procedure and practice requirements of an agency as well as certain types of forms.<sup>14</sup> Rulemaking authority is delegated by the Legislature<sup>15</sup> through statute and authorizes an agency to "adopt, develop, establish, or otherwise create"<sup>16</sup> a rule. Agencies do not have discretion whether to engage in rulemaking.<sup>17</sup> To adopt a rule an agency must have a general grant of authority to implement a specific law by rulemaking.<sup>18</sup> The grant of rulemaking authority itself need not be detailed.<sup>19</sup> The specific statute being interpreted or implemented through rulemaking must provide specific standards and guidelines to preclude the administrative agency from exercising unbridled discretion in creating policy or applying the law.<sup>20</sup>

The bill makes nonviolent offenders in the reentry program subject to rules of conduct established by DOC. Existing rules govern inmate conduct and sanctions for violations.<sup>21</sup> The bill does not state whether these existing rules are sufficient to govern the conduct of nonviolent inmates in the program or whether DOC is to create additional rules governing the conduct of this subset of inmates. If new rulemaking is contemplated, the current language in the bill could provide more specific guidance for DOC to define personal conduct which complies with the statute.

#### C. DRAFTING ISSUES OR OTHER COMMENTS:

None.

<sup>21</sup> Fla. Admin. Code R. 33-601.314.

1                   A bill to be entitled  
2           An act relating to the sentencing of inmates; defining the  
3           terms "department" and "nonviolent offender"; directing  
4           the Department of Corrections to develop and administer a  
5           reentry program for nonviolent offenders which is intended  
6           to divert nonviolent offenders from long periods of  
7           incarceration; requiring that the program include  
8           intensive substance abuse treatment and rehabilitative  
9           programming; providing for the minimum length of service  
10          in the program; providing that any portion of a sentence  
11          before placement in the program does not count as progress  
12          toward program completion; specifying eligibility criteria  
13          for a nonviolent offender to be placed into the reentry  
14          program; directing the department to notify the nonviolent  
15          offender's sentencing court to obtain approval before the  
16          nonviolent offender is placed into the reentry program;  
17          requiring the department to notify the state attorney;  
18          authorizing the state attorney to file objections to  
19          placing the offender into the reentry program within a  
20          specified period; requiring the sentencing court to notify  
21          the department of the court's decision to approve or  
22          disapprove the requested placement within a specified  
23          period; providing that failure of the court to timely  
24          notify the department of the court's decision constitutes  
25          approval by the requested placement; requiring the  
26          nonviolent offender to undergo an education assessment and  
27          a full substance abuse assessment if admitted into the  
28          reentry program; requiring the offender to be enrolled in

65 | on recidivism in its annual report of the program;  
66 | directing the department to adopt rules; providing an  
67 | effective date.

68 |  
69 | Be It Enacted by the Legislature of the State of Florida:

70 |  
71 | Section 1. Nonviolent offender reentry program.-

72 | (1) As used in this section, the term:

73 | (a) "Department" means the Department of Corrections.

74 | (b) "Nonviolent offender" means an offender who has:

75 | 1. Been convicted of a third-degree felony offense that is  
76 | not a forcible felony as defined in s. 776.08, Florida Statutes;  
77 | and

78 | 2. Not been convicted of any offense that requires a  
79 | person to register as a sexual offender pursuant to s. 943.0435,  
80 | Florida Statutes.

81 | (2) (a) The department shall develop and administer a  
82 | reentry program for nonviolent offenders. The reentry program  
83 | must include prison-based substance abuse treatment, general  
84 | education development and adult basic education courses,

CS/HB 917

2011

85 vocational training, training in decisionmaking and personal  
86 development, and other rehabilitation programs.

87 (b) The reentry program is intended to divert nonviolent  
88 offenders from long periods of incarceration when a reduced  
89 period of incarceration followed by participation in intensive  
90 substance abuse treatment and rehabilitative programming could  
91 produce the same deterrent effect, rehabilitate the offender,  
92 and reduce recidivism.

93 (c) The nonviolent offender shall serve at least 120 days  
94 in the reentry program. The offender may not count any portion  
95 of his or her sentence served before placement in the reentry  
96 program as progress toward program completion.

97 (d) A reentry program may be operated in a secure area in  
98 or adjacent to an adult institution.

99 (3) (a) Upon receiving a potential reentry program  
100 participant, the department shall screen the nonviolent offender  
101 for eligibility criteria to participate in the reentry program.  
102 In order to participate, a nonviolent offender must have served  
103 at least one-half of his or her original sentence and must have  
104 been identified as having a need for substance abuse treatment.  
105 When screening a nonviolent offender, the department shall  
106 consider the offender's criminal history and the possible  
107 rehabilitative benefits that substance abuse treatment,  
108 educational programming, vocational training, and other  
109 rehabilitative programming might have on the offender.

110 (b)1. If a nonviolent offender meets the eligibility  
111 criteria and space is available in the reentry program, the

CS/HB 917

2011

112 department shall request the sentencing court to approve the  
113 offender's participation in the reentry program.

114 2. This section does not create or confer any right to any  
115 nonviolent offender to placement in the reentry program or any  
116 right to placement or early release under supervision of any  
117 type. A nonviolent offender has no cause of action against the  
118 department, a court, or the state attorney related to the  
119 reentry program.

120 (c)1. The department shall notify the state attorney that  
121 the offender is being considered for placement in the reentry  
122 program. The notice must explain to the state attorney that a  
123 proposed reduced period of incarceration, followed by  
124 participation in substance abuse treatment and other  
125 rehabilitative programming, could produce the same deterrent  
126 effect otherwise expected from a lengthy incarceration.

127 2. The notice must also state that the state attorney may  
128 notify the sentencing court in writing of any objection the  
129 state attorney might have if the nonviolent offender is placed  
130 in the reentry program. The state attorney must notify the  
131 sentencing court of his or her objections within 14 days after  
132 receiving the notice.

133 (d) The sentencing court shall notify the department in  
134 writing of the court's decision to approve or disapprove the  
135 requested placement of the nonviolent offender no later than 28  
136 days after the court receives the department's request to place  
137 the offender in the reentry program. Failure to notify the  
138 department of the court's decision within the 28-day period

CS/HB 917

2011

139 constitutes approval to place the offender into the reentry  
140 program.

141 (4) After the nonviolent offender is admitted into the  
142 reentry program, he or she shall undergo a full substance abuse  
143 assessment to determine his or her substance abuse treatment  
144 needs. The offender shall also have an educational assessment,  
145 which shall be accomplished using the Test of Adult Basic  
146 Education or any other testing instrument approved by the  
147 Department of Education. Each offender who has not obtained a  
148 high school diploma shall be enrolled in an adult education  
149 program designed to aid the offender in improving his or her  
150 academic skills and earn a high school diploma. Further  
151 assessments of the offender's vocational skills and future  
152 career education shall be provided to the offender as needed. A  
153 periodic reevaluation shall be made in order to assess the  
154 progress of each offender.

155 (5) (a) If a nonviolent offender in the reentry program  
156 becomes unmanageable, the department may revoke the offender's  
157 gain-time and place the offender in disciplinary confinement in  
158 accordance with department rule. Except as provided in paragraph  
159 (b), the offender shall be readmitted to the reentry program  
160 after completing the ordered discipline. Any period of time  
161 during which the offender is unable to participate in the  
162 reentry program shall be excluded from the specified time  
163 requirements in the reentry program.

164 (b) The department may terminate an offender from the  
165 reentry program if:

CS/HB 917

2011

166 1. The offender commits or threatens to commit a violent  
167 act;

168 2. The department determines that the offender is unable  
169 to participate in the reentry program due to the offender's  
170 medical condition;

171 3. The offender's sentence is modified or expires;

172 4. The department reassigns the offender's classification  
173 status; or

174 5. The department determines that removing the offender  
175 from the reentry program is in the best interest of the offender  
176 or the security of the institution.

177 (6) (a) The department shall submit a report to the court  
178 at least 30 days before the nonviolent offender is scheduled to  
179 complete the reentry program. The report must describe the  
180 offender's performance in the reentry program. If the  
181 performance is satisfactory, the court shall issue an order  
182 modifying the sentence imposed and place the offender on drug  
183 offender probation subject to the offender's successful  
184 completion of the remainder of the reentry program. The term of  
185 drug offender probation may include placement in a community  
186 residential or nonresidential substance abuse treatment facility  
187 under the jurisdiction of the department or the Department of  
188 Children and Family Services or any public or private entity  
189 providing such services. If the nonviolent offender violates the  
190 conditions of drug offender probation, the court may revoke  
191 probation and impose any sentence that it might have originally  
192 imposed.

CS/HB 917

2011

193           (b) If an offender being released pursuant to paragraph  
194 (a) intends to reside in a county that has established a  
195 postadjudicatory drug court program as described in s. 397.334,  
196 Florida Statutes, the sentencing court may require the offender  
197 to successfully complete the postadjudicatory drug court program  
198 as a condition of drug offender probation. The original  
199 sentencing court shall relinquish jurisdiction of the offender's  
200 case to the postadjudicatory drug court program until the  
201 offender is no longer active in the program, the case is  
202 returned to the sentencing court due to the offender's  
203 termination from the program for failure to comply with the  
204 terms thereof, or the offender's sentence is completed. If  
205 transferred to a postadjudicatory drug court program, the  
206 offender shall comply with all conditions and orders of the  
207 program.

208           (7) The department shall implement the reentry program to  
209 the fullest extent feasible within available resources.

210           (8) The department shall submit an annual report to the  
211 Governor, the President of the Senate, and the Speaker of the  
212 House of Representatives detailing the extent of implementation  
213 of the reentry program and outlining future goals and any  
214 recommendation the department has for future legislative action.

215           (9) The department may enter into performance-based  
216 contracts with qualified individuals, agencies, or corporations  
217 for the provision of any or all of the services for the reentry  
218 program.

219           (10) A nonviolent offender in the reentry program is  
220 subject to rules of conduct established by the department and

CS/HB 917

2011

221 may have sanctions imposed, including loss of privileges,  
 222 restrictions, disciplinary confinement, alteration of release  
 223 plans, or other program modifications in keeping with the nature  
 224 and gravity of the program violation. Administrative or  
 225 protective confinement, as necessary, may be imposed.

226 (11) The department may establish a system of incentives  
 227 within the reentry program which the department may use to  
 228 promote participation in rehabilitative programs and the orderly  
 229 operation of institutions and facilities.

230 (12) The department shall develop a system for tracking  
 231 recidivism, including, but not limited to, rearrests and  
 232 recommitment of nonviolent offenders who successfully complete  
 233 the reentry program, and shall report the recidivism rate in its  
 234 annual report of the program.

235 (13) The department shall adopt rules pursuant to ss.  
 236 120.536(1) and 120.54, Florida Statutes, to administer the  
 237 reentry program.

238 Section 2. This act shall take effect October 1, 2011.

5 **Amendment (with title amendment)**

6 Between lines 237 and 238, insert:

7 Section 2. Subsection (6) of section 893.135, Florida  
8 Statutes, is amended to read:

9 893.135 Trafficking; mandatory sentences; suspension or  
10 reduction of sentences; conspiracy to engage in trafficking.-

11 (6) A mixture, as defined in s. 893.02, containing any  
12 controlled substance described in this section includes, but is  
13 not limited to, a solution or a dosage unit, including but not  
14 limited to, a pill or tablet, containing a controlled substance.  
15 For the purpose of clarifying legislative intent regarding the  
16 weighing of a mixture containing a controlled substance  
17 described in this section, the weight of the controlled  
18 substance is the total weight of the mixture, including the  
19 controlled substance and any other substance in the mixture.

COMMITTEE/SUBCOMMITTEE AMENDMENT

Bill No. CS/HB 917 (2011)

Amendment No. 01

20 However, if the mixture is a prescription drug as defined in s.  
21 499.003(43) and the weight of the controlled substance can be  
22 identified using the national drug code, the weight of the  
23 controlled substance may not include any other substance in the  
24 mixture. If there is more than one mixture containing the same  
25 controlled substance, the weight of the controlled substance is  
26 calculated by aggregating the total weight of each mixture.

## HOUSE OF REPRESENTATIVES STAFF ANALYSIS

**BILL #:** PCB RRS 11-02a Administrative Procedures

**SPONSOR(S):** Rulemaking & Regulation Subcommittee

**TIED BILLS:** IDEN./SIM. BILLS:

REFERENCE	ACTION	ANALYST	STAFF DIRECTOR or BUDGET/POLICY CHIEF
Orig. Comm.: Rulemaking & Regulation Subcommittee		Miller 	Rubottom 

### SUMMARY ANALYSIS

The bill creates a one-time process requiring all agencies to undertake a three-year review of the economic impact of all rules effective on or before November 16, 2010. This follows the pattern of the comprehensive review of statutory authority conducted after the 1996 substantive amendments to the Administrative Procedures Act (APA). Additionally, the bill requires each agency to identify all revenue rules and all rules under which the agency requires data reporting from external sources. The report will include the statutes authorizing the data collection, how the data is used by the agency, and the policies advanced by the program.

The bill creates s. 120.74(3), requiring agencies annually to report to the Legislature their intended rulemaking for the next fiscal year, excluding emergency rulemaking, and s. 120.74(4), modifying existing reporting requirements during the comprehensive review period.

New s. 120.745 creates the comprehensive review and reporting for older rules, including preparation of economic analyses to identify all rules that meet the same criteria that, for rules proposed after 11/16/2010, would require legislative ratification.

The bill also creates s. 120.7455, authorizing an internet-based public survey about the impact of rules, laws, ordinance, and regulations on the ability of Floridians to engage in lawful conduct. This new section also provides immunity from prosecution or enforcement actions for participating in the survey as well as protection from retaliatory agency enforcement actions arising out of a person's providing information to the Legislature.

Those local governmental entities or officers included under the APA by special law are excluded from the comprehensive review required under new s. 120.745.

The comprehensive review will continue through the 2014 regular session of the Legislature to provide sufficient time for the agencies to conduct the review and for public participation, legislative consideration of the reports, and any action the Legislature chooses to take. The bill provides that the sections creating the one time review and the public survey and related immunities are automatically repealed unless amended or extended by the Legislature.

### FULL ANALYSIS

#### I. SUBSTANTIVE ANALYSIS

##### A. EFFECT OF PROPOSED CHANGES:

###### ***Present Situation***

###### Rulemaking Authority

Chapter 120, F.S., the Administrative Procedures Act (APA), establishes the process for administrative rulemaking. With the enactment of HB 1565 in November, 2010,<sup>1</sup> the Legislature amended the APA to control more closely the adoption of rules with significant economic impacts.

A rule is an agency statement of general applicability which interprets, implements, or prescribes law or policy, including the procedure and practice requirements of an agency as well as certain types of forms.<sup>2</sup> Rulemaking authority is delegated by the Legislature<sup>3</sup> through statute and authorizes an agency to “adopt, develop, establish, or otherwise create”<sup>4</sup> a rule. Agencies do not have discretion whether to engage in rulemaking.<sup>5</sup> To adopt a rule an agency must have a general grant of authority to implement a specific law by rulemaking.<sup>6</sup> The grant of rulemaking authority itself need not be detailed.<sup>7</sup> The specific statute being interpreted or implemented through rulemaking must provide specific standards and guidelines to preclude the administrative agency from exercising unbridled discretion in creating policy or applying the law.<sup>8</sup>

The rulemaking requirements of the APA apply to “agencies,” defined by s. 120.52(1), F.S. Agencies include executive branch entities acting pursuant to powers other than those derived from the constitution. In addition to the Governor and Cabinet officers, the APA applies to a wide variety of entities with statewide or regional authority, such as all departments and entities specified in s. 20.04, F.S., the Board of Governors of the State University System, and regional water supply authorities, to local entities such as school districts or those specifically made subject to the APA.<sup>9</sup>

The development of the APA parallels the Legislature’s refinement of the strictures regulating the exercise of delegated authority by executive branch agencies. The initial version of the APA in 1974 provided a process for public adoption and adjudication of agency rules.<sup>10</sup> A year later the Legislature first required agencies to provide a statement of estimated economic impact in the notice of initial rulemaking.<sup>11</sup> By the early 1990s the Legislature became increasingly concerned about the economic costs of agency rules and amended the APA to compel preparation of economic impact statements under certain circumstances.<sup>12</sup>

The Legislature also determined greater clarity was required to guide and constrain agencies in exercising delegated authority. A comprehensive revision of the APA became law in 1996<sup>13</sup> expressly limiting rulemaking only to those areas where agencies had both the power to make rules and a substantive statute providing specific guidelines for those rules. To ensure all agency rules conformed to this standard of authority, the Legislature required every agency to review the express legal authority for each rule of the agency and to repeal those which lacked proper authority, over period of three years.<sup>14</sup> Further clarification of the rulemaking authority was enacted in 1999 and the process for reviewing the substantive authority for rules was extended into 2001.<sup>15</sup>

---

<sup>1</sup> HB 1565 was passed during the 2010 regular session but was vetoed by Governor Crist. On November 16, 2010, the Legislature in special session voted to override that veto and the bill became law as Chapter 2010-279, with an effective date of November 17, 2010.

<sup>2</sup> s. 120.52(16), F.S.; *Florida Department of Financial Services v. Capital Collateral Regional Counsel-Middle Region*, 969 So. 2d 527, 530 (Fla. 1<sup>st</sup> DCA 2007).

<sup>3</sup> *Southwest Florida Water Management District v. Save the Manatee Club, Inc.*, 773 So. 2d 594 (Fla. 1<sup>st</sup> DCA 2000).

<sup>4</sup> s. 120.52(17), F.S.

<sup>5</sup> s. 120.54(1)(a), F.S.

<sup>6</sup> s. 120.52(8) & s. 120.536(1), F.S.

<sup>7</sup> *Save the Manatee Club, Inc.*, supra at 599.

<sup>8</sup> *Sloban v. Florida Board of Pharmacy*, 982 So. 2d 26, 29-30 (Fla. 1<sup>st</sup> DCA 2008); *Board of Trustees of the Internal Improvement Trust Fund v. Day Cruise Association, Inc.*, 794 So. 2d 696, 704 (Fla. 1<sup>st</sup> DCA 2001).

<sup>9</sup> The comprehensive list of entities is found in the definition at s. 120.52(1), F.S. There are certain exclusions for municipalities and municipality-created entities.

<sup>10</sup> Ch. 74-310, Laws of Florida.

<sup>11</sup> Ch. 75-191, s. 3, Laws of Florida, amending s. 120.54(1), F.S. (Supp. 1974).

<sup>12</sup> Ch. 92-166, s. 4, Laws of Florida, amending s. 120.54(2)(b), F.S. (1991).

<sup>13</sup> Ch. 96-159, Laws of Florida.

<sup>14</sup> Ch. 96-159, s. 9, Laws of Florida.

<sup>15</sup> Ch. 99-379, s. 3, Laws of Florida.

These initial review requirements were fulfilled and the reporting requirement was modified into an ongoing requirement. Agencies now are required to review their rules and perform the following:

- Identify and correct deficiencies;
- Clarify and simplify rules;
- Delete obsolete or unnecessary rules;
- Delete rules that are redundant of statutes;
- Improve efficiency, reduce paperwork, decrease costs to government and the private sector;
- Confer with agencies having concurrent jurisdiction and determine whether their rules can be coordinated; and
- Determine whether rules should be amended or repealed to reduce the impact on small business while meeting the stated objectives of the proposed rule.<sup>16</sup>

By October 1 of each odd-numbered year, each agency must file a report with the Speaker, the President, the Joint Administrative Procedures Committee (JAPC), and each substantive committee of the Legislature, certifying compliance with the statute and providing the following information:

- Changes made to the agency's rules as a result of the review;
- Recommended statutory changes to promote efficiency, reduce paperwork, or decrease costs to government and the private sector;
- The economic impact of the rules on small business;
- The types of cases or disputes in which the agency is involved which should be conducted under the summary hearing process described in s. 120.574, F.S.<sup>17</sup>

### Economic Review

With the development of stricter standards for exercising rulemaking authority the Legislature also imposed more comprehensive requirements for agencies to address the economic effect of their rules. By 1992 the Legislature had imposed specific elements for inclusion in economic impact statements, developed criteria for agencies to follow in considering the impact of a rule on small businesses, and required agencies to tier their rules in order to lessen economic impacts on small business.<sup>18</sup> The 1996 act expanded the criteria both for considering the impact on small business as well as preparing a more comprehensive statement of estimated regulatory costs.<sup>19</sup> Agencies also were required to consider lower cost alternatives to the proposed rule.<sup>20</sup> Preparation of a statement of estimated regulatory costs (SERC) was mandatory only in response to the filing of a lower cost alternative by a substantially affected party.<sup>21</sup>

Statutory amendments in 2008 mandated preparation of a SERC if the agency's rule would affect small businesses.<sup>22</sup> In the same act the Legislature created the Small Business Regulatory Advisory Council<sup>23</sup> (SBRAC). The primary role of SBRAC is to review existing and proposed agency rules and to advocate for minimizing adverse impacts and economic hardship on small businesses.<sup>24</sup>

The enactment of HB 1565 further increased legislative oversight of agency rulemaking by creating specific economic thresholds for stricter accountability. For all rulemaking initiated on or after November 17, 2010, s. 120.54(3)(b)1. and s. 120.541(1)(b), F.S., require agencies to prepare a SERC if the proposed rule either will have an adverse impact on small businesses or if the rule is likely to directly or indirectly increase regulatory costs in excess of \$200,000 in the aggregate in the first year

---

<sup>16</sup> s. 120.74(1), F.S.

<sup>17</sup> s. 120.74(2), F.S. Section 120.574, F.S., provides a summary procedure for administrative hearings if the parties agree.

<sup>18</sup> s. 120.54(2), F.S. (Supp. 1992).

<sup>19</sup> Ch. 96-159, s. 10, Laws of Florida.

<sup>20</sup> s. 120.54(3)(b)2.b., F.S. (Supp. 1996).

<sup>21</sup> Ch. 96-159, s. 11, Laws of Florida, creating s. 120.541, F.S.

<sup>22</sup> Ch. 2008-149, s. 7, Laws of Florida, amending s. 120.54(3)(b)1., F.S.

<sup>23</sup> s. 288.7001, F.S.

<sup>24</sup> s. 288.7001(3)(c), F.S.

after the rule is implemented. Section 120.541(2)(a), F.S., now requires a complete SERC to include an economic analysis addressing whether the rule is likely to have one of three specific impacts, directly or indirectly, in excess of \$1 million within 5 years of going into effect:

- An adverse impact on economic growth, private sector job creation or employment, or private sector employment;
- An adverse impact on business competitiveness, including competition with interstate firms, productivity, or innovation; or
- An increase in regulatory costs, including transactional costs.

The criteria under s. 120.541(2)(a), F.S., creates the threshold for required legislative ratification under s. 120.541(3), F.S. If the economic analysis required for the SERC finds the rule is likely to have one of the foregoing impacts, the rule cannot become effective unless submitted to the Speaker and the President and ratified by the Legislature.

The requirements of HB 1565 apply only to rules which had not become effective as of November 17, 2010, or are proposed for adoption after that date.<sup>25</sup> Rules which went into effect between July 1, 2008 and November 16, 2010, were subject to greater scrutiny about their potential costs to small businesses and Florida's economy due to the increased criteria for statutory review and the participation of SBRAC. For rules which went into effect before July 1, 2008, agencies only had to prepare a SERC if a party offered a lower cost alternative or the rule impacted small businesses.

Governor Scott's first executive order<sup>26</sup> created the Office of Fiscal Accountability and Regulatory Reform (OFARR) and mandated each agency under the Governor's authority to conduct a comprehensive review of all that agency's rules. To date the Governor's agencies have identified over 750 rules which may be repealed.<sup>27</sup> While certain economic factors are included in this review, Executive Order 11-01 does not compel the same level of analysis required for a SERC under s. 120.54(3)(b) and s. 120.541(2), F.S.<sup>28</sup>

### ***Effect of Bill***

The bill improves legislative oversight of administrative rulemaking with three general modifications of the APA:

- The bill adds subsection 120.74(3), requiring agencies annually to prepare a regulatory plan of projected rulemaking, excluding emergency rulemaking, and to report these plans to the Legislature.
- The bill creates s. 120.745, requiring all agencies to conduct a comprehensive review of their rules, identify those rules in effect on or before November 16, 2010 (the day before the ratification requirement went into effect) which have one of the significant economic impacts of over \$1 million as stated in s. 120.541(2)(a), F.S., complete modified economic reviews of all such rules over a two year period, and provide annual reports to the Legislature. Agencies must also identify and justify rules requiring data submissions from third parties. This provision will expire on July 2, 2014 without further Legislative action.
- The bill creates s. 120.7455, creating the format for a Legislative project to gather information on burdensome administrative rules and providing protections from agency retaliation to those

---

<sup>25</sup> The APA distinguishes between a rule being "adopted" and being enforceable or "effective." s. 120.54(3)(e)6, F.S. Before a rule becomes "effective" the agency first must complete the rulemaking process and file the rule for adoption with the Department of State.

<sup>26</sup> EO 11-01.

<sup>27</sup> Presentation of Patricia Nelson, Deputy Director of OFARR, at March 23, 2011 meeting of Rulemaking & Regulation Subcommittee.

<sup>28</sup> Id.

parties who participate in the survey. The period to conduct the survey ends on July 2, 2014, but this provision will continue in effect to preserve the provided immunity and protections.

#### S. 120.74(3): Annual Regulatory Plan and Report

Section 120.74, F.S., requires agencies to conduct a biennial review of their rules and report on specific topics to the Speaker, President, and JAPC. Section 5 of EO 11-01 requires each agency under the authority of the Governor to prepare by July 1 of each year regulatory plan identifying rulemaking the agency expects to pursue in the next fiscal year. The bill codifies this reporting planning requirement for all agencies and provides for annual reporting to the Speaker, President, and JAPC.

#### S. 120.74(4): Modification of Biennial Reporting Requirement During Effective Period of s. 120.745

The comprehensive review provided in new s. 120.745 coincides with the biennial reviews and reports required under s. 120.74, F.S. This new subsection (4) avoids duplication of effort on the part of the agencies by integrating elements of the report due in 2011 with the more comprehensive report due under s. 120.745(4) and by suspending the biennial report in 2013 due to the detailed reports due in 2012 and 2013 under s. 120.745(6).

#### S. 120.745: Comprehensive Rule Review with Emphasis on Economic Effects

After the 1996 substantive amendments to the APA, the Legislature adopted a one-time review process for all existing rules. Agencies were given a specific time in which to review their rules for compliance with the substantive law authorizing the rule. Similarly, the bill requires a review of existing rules to ensure conformity with the Legislature's expressed intent to minimize the adverse impacts of agency rulemaking on Florida's economy.

The review and reporting process begins in 2011 and ends in 2013. All agencies will be required to review and categorize their rules and provide a comprehensive report to the Speaker, President, and JAPC by December 1, 2011. For rules in effect on or before November 16, 2010, which the agency wants to retain without amendment, and which have or are projected to have one of the \$1 million fiscal impacts delineated in s. 120.541(2)(a), F.S., the agencies are required to divide such rules into two reporting groups: one group to be analyzed and reported by December 1, 2012 (Group 1), and the other by December 1, 2013 (Group 2). For each rule in these Groups the agency shall prepare a compliance economic review incorporating specific information required by the new statute. The bill provides for periods of public comment on the rules to be listed in Group 1 or Group 2 and on the resulting economic reviews, including opportunities to suggest lower cost regulatory alternatives to the existing rule. Comprehensive reports of these economic reviews will be due to the Speaker, President, and JAPC by the above dates. The Legislature thus will receive updated economic evaluations of older rules and may decide what action to take, if any.

The APA definition of "agency" includes most state governmental entities, including constitutionally-created bodies such as the Fish and Wildlife Conservation Commission and regional bodies such as water management districts. Most local governments are exempt but some may be included by special law.<sup>29</sup> Section 120.745(1)(a) will exclude local governments made subject to the APA only by special law<sup>30</sup> from the comprehensive review process. This recognizes the disparity in resources available to these local governmental units as opposed to entities receiving state funding and which enact rules having a regional or statewide impact.

Rules identified for repeal or amendment will not require the economic reviews created under the bill because either action requires compliance with the current economic analysis procedures in the APA.<sup>31</sup>

---

<sup>29</sup> s. 120.52(1), F.S.

<sup>30</sup> s. 120.52(1)(c), F.S. The statute excludes from the APA officers and governmental entities with jurisdiction over one county or less unless the officer or entity is expressly made subject to the APA by general law, special law, or existing judicial decision. The full definition of "agency" also excludes a number of specific entities, principally municipalities.

<sup>31</sup> s. 120.54(3)(d)5., Fla. Stat.

In addition to the review and identification of rules by December 1, 2011 based on economic effects, agencies must identify those rules defined as having an impact on state revenues. Agencies must also identify and support defined “data collection rules” which they intend to retain. A number of agency rules require non-governmental entities such as service providers or workers compensation insurance carriers to report certain data to the agency. Because of the economic impact on Florida businesses of these various data reporting requirements, the bill requires each agency to report all rules mandating such data reporting. The December 1, 2011 report will include the statutes authorizing the data collection, how the data is used by the agency, and the policies supporting continuation of the program.

The bill requires public notice of completing reports, listing of rules in Group 1 or Group 2, completing compliance economic reviews, and resolving public objections. Proposed s. 120.745(3) provides exclusive publication requirements, relying primarily on electronic postings on the websites of the agencies. Publication required under s. 120.745 will be deemed complete as of the date the required notice, determination or report is published on the agency’s website. Agencies must post the full text of documents required under s. 120.745(4), (5), or (6) using links on their respective websites. Copies of the required notices also must be provided to the Department of State for publication in the Florida Administrative Weekly.

To avoid unnecessary duplication of effort, the bill authorizes OFARR to designate as exempt those rules which have been through the review process implemented under EO 11-01. Agencies will be allowed to indicate these rules in the 2011 report as exempt and will only conduct further economic analysis if the agency’s report to OFARR did not contain the information required in the bill. Further, an agency’s certification of its biennial review under s. 120.74, F.S., may omit any information included in the reports provided under s. 120.745, the reporting date is extended to December, 2011, and the biennial reporting requirement is excluded for 2013. To further assist agencies in preparing the report required in 2011, the bill provides a model reporting chart. These provisions are intended to streamline the review and reporting process for agencies.

The review proceeds through the 2014 regular session of the Legislature to provide sufficient time for the agencies to conduct the comprehensive review and for public participation, legislative consideration of the reports, and any action the Legislature chooses to take. The bill excludes agency proceedings to repeal rules identified in s. 120.745(4) or s. 120.745(6) from the requirement to prepare a statement of estimated regulatory costs under s. 120.54 and s. 120.541.<sup>32</sup> Every rule listed for repeal in one of the required reports will stand automatically repealed as of July 1 following submission of the report unless the agency completes repeal proceedings earlier.

### Timeline for Review and Reporting

The following summarizes the timeline of required reporting under s. 120.745.

<b>Completion Date</b>	<b>GROUP 1 RULES</b>	<b>GROUP 2 RULES</b>
12/1/2011	Report of biennial s. 120.74 review & report of review under s. 120.745(4)(b). <ul style="list-style-type: none"> <li>• Report includes:               <ul style="list-style-type: none"> <li>○ All rules defined in s. 120.745 as “revenue rules.”</li> <li>○ All “data collection rules,” together with authorizing statute(s), uses of date reported, and policies supporting continuation of reporting program.</li> <li>○ Rules to be repealed.</li> <li>○ Rules to be amended.</li> </ul> </li> </ul>	Publish list of Group 2 Rules.

<sup>32</sup> Under s. 120.54(3)(d)e, F.S., agencies must use the same procedure to repeal rules as to adopt them, including the potential for mandatory preparation of a statement of estimated regulatory costs under s. 120.54 and s. 120.541, F.S.

#### S. 120.7455: Legislative survey of Regulatory Impacts

The bill creates s. 120.7455, providing notice that from the effective date of the act to July 2, 2014, the Legislature may implement an internet-based public survey about the impact of regulatory rules in Florida, including the number and nature of regulations and permitting requirements affecting Floridians. Types of information which may be requested include the name of the business as registered in Florida, the number and identification of the agencies regulating the respondent's lawful activities, the number of permits, licenses, or registrations required for the respondent to engage in a lawful activity, and laws, rules, ordinances, or regulations the respondent alleges to be unreasonably burdensome. To encourage participation and candor in any such survey, the new section provides immunity from prosecution based on either the act of responding or the information provided. This section also protects survey respondents from retaliatory acts of an agency based on providing or withholding information in the survey by allowing evidence of retaliatory conduct in mitigation of any proposed sanction, resulting in the presiding judge awarding the minimum of sanctions authorized by the Legislature.

#### Self-Repeal

Under s. 5 of the bill, s. 120.745 will stand repealed as of June 30, 2014.

#### B. SECTION DIRECTORY:

**Section 1:** Creates new s. 120.74(3), requiring all agencies to adopt an annual regulatory plan and file the plan with the Speaker, President, and JAPC, and new s. 120.74(4), modifying the biennial review and reporting requirements of s. 120.74, F.S., for the years 2011 and 2013.

**Section 2:** Creates new s. 120.745, requiring all agencies to review all their rules in effect on or before November 17, 2010, and submit such rules meeting the \$1 million over 5 years criteria in s. 120.541(2)(a), F.S., for legislative consideration.

**120.745(1):** Creates specific definitions for review process. Excludes certain local governmental entities from the comprehensive review requirement.

**120.745(2):** Mandates review of all rules in effect on or before 11/16/2010 by all defined agencies. Requires reporting of review. Requires further economic analysis for rules probably exceeding the thresholds in current statute s. 120.541(2)(a), F.S.

**120.745(3):** Creates specific provisions for notice and publication under the act.

**120.745(4):** Creates the initial review and reporting requirements due by 12/1/2011.

**120.745(5):** Creates process for public objection of agency decision on whether rule should be included for economic review.

**120.745(6):** Creates review and reporting process for rules in effect on or before 11/16/2010. Group 1 report due 12/1/2012. Group 2 report due 12/1/2013. Exempts agencies from filing a report under s. 120.74, F.S., in 2013.

**120.745(7):** References authority of Legislature to choose whether to act on information reported.

**120.745(8):** Exempts agency proceedings to repeal rules identified in reports filed under this section from the requirement to prepare a statement of estimated regulatory costs. Provides rules listed for repeal in a report due in 12/2011, 12/2012, or 12/2013, are automatically repealed as of July 1 in the year following the report unless repealed earlier by the agency.

**Section 3:** Creates s. 120.7455, providing for internet-based public survey to collect information on rules, laws, ordinances, and regulations which impact the lawful activities of respondents, including unreasonably burdensome rules. Creates immunity, protection from retaliatory agency conduct for survey participants.

**Section 4:** Leaves unchanged the legal status of any rule determined to be invalid. This prevents any agency from using the process of review and submission to the Legislature to override a legal decision invalidating a rule.

**Section 5:** Section 2 of the act creating s. 120.745 will stand repealed on July 2, 2014.

**Section 6:** Effective date of law is July 1, 2011.

## II. FISCAL ANALYSIS & ECONOMIC IMPACT STATEMENT

### A. FISCAL IMPACT ON STATE GOVERNMENT:

1. Revenues: No new revenue sources are created in the bill.
2. Expenditures:

Costs of review to agencies are indeterminate. By reducing duplication of activities for the agencies in allowing OFARR to designate rules already reviewed as a result of EO 11-01, and integrating the 2011 report with the review already required under s. 120.74, F.S., the costs for the comprehensive review in 2011 should be reduced. The agencies will experience increased costs in completing a

compliance economic analysis required for each rule being retained without amendment and which are likely to meet the criteria of s. 120.541(2)(a), F.S. An estimate of any significant compliance review costs should be available for consideration in the 2012 Regular Session and ought to be included in agency budgets for FY-2013 and FY-2014. The cost of reporting will be reduced in 2013 by eliminating the rules review and report under s. 120.74, F.S., for that year.

**B. FISCAL IMPACT ON LOCAL GOVERNMENTS:**

1. Revenues: No new revenues are generated under this bill.
2. Expenditures:

Those local governments subject to the APA will incur costs for the comprehensive review and report, subsequent economic analysis and reports, and costs to repeal rules. The bill excludes local governments made subject to the APA only by special law from s. 120.745 and these local governments will not incur such costs.

**C. DIRECT ECONOMIC IMPACT ON PRIVATE SECTOR:**

The bill creates no direct economic impact on private sector interests. The bill is intended to help identify existing significant private and public economic impacts imposed by agency rules, enabling the public and the Legislature to better evaluate the benefits of programs administered by such rules.

**D. FISCAL COMMENTS: No additional comments.**

**III. COMMENTS**

**A. CONSTITUTIONAL ISSUES:**

1. Applicability of Municipality/County Mandates Provision:

The bill does not appear to require counties or municipalities to take an action requiring the expenditure of funds, reduce the authority that counties or municipalities have to raise revenue in the aggregate, nor reduce the percentage of state tax shared with counties or municipalities. Local governments subject to the APA are under the economic review requirements for rulemaking in s. 120.54 and 120.541, F.S., the ratification requirement of s. 120.541(3), F.S., and the biennial review and reporting requirement of s. 120.74, F.S. The required comprehensive review in s. 120.745 is an extension of the regulatory oversight to which these entities already are subject. Excluding smaller governmental entities, with jurisdiction over one county or less and made subject to the APA only by a special law, prevents the imposition of a statewide comprehensive process solely due to the ancillary effect of a special law.

2. Other: No other constitutional issues appear.

**B. RULE-MAKING AUTHORITY: The bill does not grant rulemaking authority because none is needed. The bill provides the procedure to be followed by agencies.**

**C. DRAFTING ISSUES OR OTHER COMMENTS:**

**IV. AMENDMENTS/ COMMITTEE SUBSTITUTE CHANGES**

A bill to be entitled

An act relating to administrative procedure; amending s. 120.74, F.S.; providing for agency reporting of annual regulatory plans; creating s. 120.745, F.S., providing for legislative review of agency rules; providing definitions; requiring each dagency to review rules in effect on or before November 16, 2010; providing for publication of notices; specifying information to be provided by agencies; authorizing the Office of Fiscal Accountability and Regulatory Reform to designate rules exempt from particular review; providing for public input and objections; directing the manner of addressing objections; providing for economic review of certain rules over two years; creating s. 120.7455, F.S., authorizing a legislative survey of regulatory impacts; providing immunities for those providing information to the Legislature; providing protections from retaliatory enforcement actions; providing that the validity of a rule is not affected, providing for repeal of section 2 of the act as of July 2, 2014; providing an effective date.

Be It Enacted by the Legislature of the State of Florida:

Section 1. Subsections (3) and (4) are added to section 120.74, Florida Statutes, to read:

120.74 Agency review, revision, and report.—

(3) No later than July 1 of each year, each agency shall

29 file with the President of the Senate, the Speaker of the House,  
 30 and the committee a regulatory plan identifying and describing  
 31 each rule the agency proposes to adopt for the 12 month period  
 32 beginning on the July 1 reporting date and ending on the  
 33 subsequent June 30, excluding emergency rules.

34 (4) For the year 2011, the certification required in  
 35 subsection (2) may omit any information included in the reports  
 36 provided under s. 120.745. Reporting under subsections (1) and  
 37 (2) shall be suspended for the year 2013, but required reporting  
 38 under those subsections shall resume in 2015 and biennially  
 39 thereafter.

41 Section 2. Section 120.745, Florida Statutes, is created  
 42 to read:

43 120.745 .- Legislative review of agency rules in effect on  
 44 or before November 16, 2010.

45 (1) DEFINITIONS. The following definitions shall apply  
 46 exclusively to this act:

47 (a) "Agency" shall have the same meaning and application as  
 48 provided in s. 120.52(1), F.S., but for purposes of this section  
 49 shall exclude each officer and governmental entity in the state  
 50 having jurisdiction in one county or less than one county, to  
 51 the extent they are expressly made subject to Ch. 120, F.S., by  
 52 special law.

53 (b) "Compliance economic review" shall mean a good faith  
 54 economic analysis which includes and presents the following  
 55 information pertaining to a particular rule:

56 1. All information specified in s. 120.54(3)(b)2.a.;

- 57        2. All information specified in s. 120.541(2);  
 58        3. The impact on a person's entry into a lawful profession  
 59 or occupation;  
 60        4. The impact on the availability to the public of lawful  
 61 professional or occupational services;  
 62        5. The impact on the creation or retention of lawful  
 63 employment positions;  
 64        6. Whether the rule restricts individuals in seeking lawful  
 65 employment;  
 66        7. The imposition of any additional costs on lawful  
 67 businesses not described in the analyses under sub-paragraphs 1  
 68 or 2; and  
 69        8. A justification for the rule summarizing the benefits of  
 70 the rule.  
 71        (c) "Data Collection Rules" shall mean those rules  
 72 requiring the submission of data to the agency from external  
 73 sources, including but not limited to local governments, service  
 74 providers, clients, licensees, other constituents and market  
 75 participants.  
 76        (d) "Revenue Rules" shall mean those rules fixing amounts  
 77 or providing for the collection of money.  
 78        (2) As provided in this section, each agency shall review  
 79 all rules of that agency in effect on or before November 16,  
 80 2010, and which remain in effect on the effective date of this  
 81 act, to determine whether the economic impact of each rule  
 82 exceeds any of the criteria established in s. 120.541(2) (a).  
 83        (3) PUBLICATION OF NOTICES, DETERMINATIONS AND REPORTS.  
 84 Agencies shall publish notices, determinations and reports

85 required under subsections (4), (5), or (6) of this section  
 86 exclusively in the following manner:

87 (a) The agency shall publish each notice, determination and  
 88 complete report on its Internet website.

89 1. Reports required under subsection (4), including any  
 90 corrections to reports as a result of a determination under  
 91 subsection (5), shall be accessible through one or more Internet  
 92 links using the following URL format:

93 [Agency's home page internet  
 94 address]/2011 Rule review/[Florida Administrative Code  
 95 (F.A.C.) title and subtitle (if applicable) designation for  
 96 the rules included].

97 (Example: http://www.dos.state.fl.us/Rule\_review/1S).

98 2. The lists of Group 1 Rules and Group 2 Rules, required  
 99 under subsection (4), shall be accessible through an Internet  
 100 link in the following URL format:

101 [Agency's home page internet  
 102 address]/2011 Rule review/Economic Review/Schedule.

103 (Example:

104 http://www.dos.state.fl.us/Rule\_review/Economic Review/Sche  
 105 dule)

106 3. Determinations under subsection (5) shall be accessible  
 107 through an Internet link in the following URL format:

108 [Agency's home page internet  
 109 address]/2011 Rule review/Objection Determination/[F.A.C.  
 110 Rule number].

111 (Example:

112 http://www.dos.state.fl.us/Rule\_review/Objection Determinat

113 ion/1S-1.001).

114 4. Completed compliance economic reviews shall be  
 115 accessible through an Internet link in the following URL format:

116 [Agency's home page internet  
 117 address]/2011 Rule review/Economic Review/[F.A.C.Rule  
 118 number].

119 (Example:

120 http://www.dos.state.fl.us/Rule review/Economic Review/1S-  
 121 1.001)

122 (b)

123 1. Each notice shall be accessible through an Internet link  
 124 using the following URL format:

125 [Agency's home page internet  
 126 address]/2011 Rule review/Notices.

127 (Example: http://www.dos.state.fl.us/Rule review/Notices).

128 2. A copy of each notice shall be promptly delivered to the  
 129 Department of State for publication in the next available issue  
 130 of the Florida Administrative Weekly.

131 3. Each notice shall identify the publication for which  
 132 notice is being given, and include:

133 1. The name of the agency;

134 2. The name, physical address, telefacsimile number, and  
 135 electronic mailing address for the person designated to receive  
 136 all inquiries, public comments, and objections pertaining to the  
 137 w publication identified in the notice;

138 3. The particular URL address for the Internet web page  
 139 through which the publication is accessible; and

140 4. The date the notice and publication is first published

141 on the agency's Internet website.

142 \_\_\_\_\_

143 \_\_\_\_\_

144 (c) Publication pursuant to this section is deemed to be  
 145 complete as of the date the notice, determination or report is  
 146 posted on the agency's internet website.

147 (4) INITIAL REVIEW AND REPORTING. By December 1, 2011, each  
 148 agency shall complete the following:

149 (a) Notwithstanding s. 120.74(2), each agency's biennial  
 150 report under s. 120.74 for the year 2011, shall be filed by  
 151 December 1, 2011.

152 (b) In addition to the certification required by s.  
 153 120.74(2), each agency shall report the following information  
 154 respecting each rule of the agency in effect as of the reporting  
 155 date:

156 1. Whether the rule is a Revenue Rule, identifying the fund  
 157 or account into which collections are deposited; and for each  
 158 Revenue Rule, whether the rule authorizes, imposes or  
 159 implements:

160 a. Registration, license, or inspection fees;

161 b. Transportation service tolls, whether for road, bridge,  
 162 rail, air, waterway, port;

163 c. Fees for a specific service or purpose not included in  
 164 a. or b.;

165 d. Fines, penalties, costs, or attorneys fees;

166 e. Any tax;

167 f. Any other amounts collected which are not in the  
 168 foregoing categories.

169 2. Whether the rule is a Data Collection Rule and include  
 170 the following information for each Data Collection Rule:

171 a. The statute(s) authorizing the collection of such data;

172 b. The purposes for which the agency uses the data and any  
 173 purpose for which the data is used by others;

174 c. The policies supporting reporting and retention of the  
 175 data;

176 d. Whether and to what extent the data is exempt from  
 177 public inspection under ch. 119.

178 3. Whether the agency plans to repeal the rule and the  
 179 estimated timetable for repeal, subject to subsection (8).

180 4. Whether the agency plans to amend the rule and the  
 181 estimated timetable for amendment.

182  
 183 If the agency does not plan to amend or repeal the Rule on or  
 184 before December 31, 2012, the following additional information  
 185 shall be provided:

186 5. Whether the rule became effective after November 16,  
 187 2010, and if so, whether the rule was required to be ratified by  
 188 the Legislature pursuant to s. 120.541(3).

189 6. Whether the rule was effective on or before November 16,  
 190 2010, and if so, whether the rule probably will have, for the  
 191 five year period of time beginning January 1, 2011, any of the  
 192 economic impacts described in s. 120.541(2)(a).

193 7. Whether the rule is designated as Group 1 or Group 2  
 194 based on the following:

195 Rules effective on or before November 16, 2010, identified  
 196 under subparagraph (4)(b)6. as probably having one of the

197 economic impacts listed in s. 120.541(2)(a), shall be  
 198 divided by the agency into two approximately equal groups  
 199 designated as Group 1 and Group 2.

200 (c) The Office of Fiscal Accountability and Regulatory  
 201 Reform (OFARR) may designate any rule for which information  
 202 required in this subsection was previously provided to OFARR as  
 203 exempt from full review under the provisions of this subsection.  
 204 Each agency shall include in its report any rule so designated,  
 205 identifying it as exempt. For each rule so designated, if the  
 206 agency plans to retain the rule without amendment the agency  
 207 shall report:

208 1. The information required in subparagraphs (4)(b)1. and  
 209 2., and

210 2. The information required in subparagraphs (4)(b)6. and  
 211 7., but only with respect to each rule that OFARR determines to:

- 212 a. Adversely affect the availability of business services;
- 213 b. Adversely affect job creation or retention;
- 214 c. Place unreasonable restrictions on access to employment;
- 215 or
- 216 d. Impose a significant regulatory related cost.

217 (d) The report required in this subsection shall be  
 218 published incorporating a table consistent with the following  
 219 example:

Agency	F.A.C. Rule Number		OFFAR Exempt <sup>1</sup>	REVENUE RULE/Fund or Account <sup>4</sup>						Data Collecti on Rule <sup>2</sup>	Repeal <sup>3</sup>	Amend <sup>3</sup>	Effectiv e after 11/16/2010	Effective on or before 11/16/2010	
	Titl e	Number		Licensur e fee	Transpor t. Tolls	Other Fees	Fines	Tax	Other Revenue					Probable 120.541(2)(a) impact Group 1 or 2	Not probable impact
Possible answers			Exempt or blank	Y (G.R.) or N	Y or N	Y or N	Y or N	Y or N	Y or N	Y or N	Y or N	Y or N	Y or N	1 or 2 or blank	N

249 political subdivision;

250 c. A lobbyist or principal as defined by s. 11.045(1),  
 251 F.S., or s. 112.3215, F.S.; or

252 d. A person, or agent of such person, required to submit a  
 253 Florida Income Tax return for any year after calendar year 2005.

254 2. Any person not included in subparagraph (5)(b)1. may  
 255 submit objections no later than June 1, 2012.

256 (c) The agency shall determine whether or not to sustain an  
 257 objection based upon the information provided with the  
 258 objection, treating allegations of fact as if they are true, and  
 259 any further review of information available to the agency to  
 260 correct its report.

261 1. An objection by a person included in subparagraph  
 262 (5)(b)2., objecting to the failure to designate a rule as Group  
 263 1 or Group 2 pursuant to subparagraph (4)(a)7., shall be  
 264 determined based upon the standard that there is a reasonable  
 265 likelihood that the rule will have an economic impact described  
 266 in s. 120.541(2)(a).

267 2. No objection may be sustained to information provided  
 268 under subparagraphs (4)(b)3., 4. or 7.

269 (d) No later than 20 days from the date an objection is  
 270 submitted the agency shall publish its determination of the  
 271 objection in the manner provided in subsection (3).

272 1. The agency's determination with respect to an objection  
 273 is final and not subject to further proceedings, hearing, or  
 274 judicial review.

275 2. If the agency sustains an objection, it shall correct  
 276 its report within 10 days of such determination and shall

277 publish notice of the correction in the manner provided in  
278 subsection (3). The corrected report shall indicate that  
279 corrections have been made and identify corrected portions.

280 3. If the agency overrules the objection of a person  
281 included in subparagraph (5)(b)2., no later than 10 days from  
282 the date of publishing the determination the agency shall file  
283 with the committee a report consisting of the determination, the  
284 rule, the objection and all supporting documentation, and a  
285 written explanation of the agency's determination.

286 (6) ECONOMIC REVIEW OF RULES AND REQUIRED REPORT. Each  
287 agency shall review and report with respect to all Group 1 and  
288 Group 2 rules, the applicable year being 2012 for Group 1 Rules  
289 and 2013 for Group 2 rules.

290 (a) No later than May 1, each agency shall complete the  
291 following:

292 1. For each rule the agency shall prepare a compliance  
293 economic review.

294 2. The agency shall publish notice of completing the  
295 compliance economic review for each rule in the manner provided  
296 in subsection (3).

297 3. The agency shall publish a copy of the compliance  
298 economic review, directions on how and when interested parties  
299 may submit lower cost regulatory alternatives to the agency, and  
300 the date the notice is published, in the manner provided in  
301 subsection (3).

302 4. The agency shall submit each compliance economic review  
303 to the Small Business Regulatory Advisory Council for their  
304 review.

305 (b) The Small Business Regulatory Advisory Council may  
 306 submit lower cost regulatory alternatives to any rule no later  
 307 than August 1, to the agency that adopted the rule. All other  
 308 submittals of lower cost regulatory alternatives to any rule  
 309 shall be filed with the applicable agency no later than June 1.

310 (c) No later than December 1, each agency shall file with  
 311 the President of the Senate, the Speaker of the House, and the  
 312 committee a final report of the agency's review. For each rule  
 313 the report shall include:

314 1. The text of the rule;  
 315 2. The compliance economic review for the rule;  
 316 3. All lower regulatory cost alternatives received by the  
 317 agency;

318 4. The agency's written explanation for rejecting submitted  
 319 lower regulatory cost alternatives;

320 5. The agency's justification to repeal, amend, or retain  
 321 without amendment the rule.

322 (d) Notice of the report shall be published the manner  
 323 provided in subsection (3).

324 (e) No later than December 1, each agency shall begin  
 325 proceedings under s. 120.54, F.S., to amend or repeal those  
 326 rules so designated in the report. Proceedings to repeal rules  
 327 so designated in the report are subject to subsection (8).

328 (7) With respect to Group 1 Rules or Group 2 Rules  
 329 identified for retention without amendment, the Legislature may  
 330 consider specific legislation nullifying any such rule, or  
 331 altering the statutory authority any such rule.

332 (8) SUMMARY PROCESS FOR REPEALING LISTED RULES. The

333 requirements for the preparation, consideration, or use of a  
 334 statement of estimated regulatory costs under s. 120.54, F.S.,  
 335 and the provisions of s. 120.541, F.S., shall not apply in  
 336 proceedings to repeal rules in accordance with subparagraph  
 337 (4)(b)3. or paragraph (6)(e) of this section. Each rule listed  
 338 for repeal in a report filed under subsections (4) or (6) shall  
 339 stand repealed as of July 1 of the year following the filing of  
 340 the report unless a repeal of the rule is effective prior to  
 341 that date.

342 Section 3. Section 120.7455, Florida Statutes, is created  
 343 to read:

344 120.7455 .-Legislative survey of regulatory impacts.

345 (1) From the effective date of this act, until July 2,  
 346 2014, the Legislature may establish and maintain an internet-  
 347 based public survey of regulatory impact soliciting information  
 348 from Floridians and other persons regarding the kind and degree  
 349 of regulation affecting private activities in the state. Such  
 350 input may include, but need not be limited to:

351 (a) The registered business name or other name of each  
 352 reporting person;

353 (b) The number and identity of agencies licensing,  
 354 registering or permitting lawful activities of the reporting  
 355 person;

356 (c) The types, numbers and nature of licenses, permits and  
 357 registrations required for various lawful activities of the  
 358 reporting person;

359 (d) The identity of local, state and federal agencies, and  
 360 other entities acting under color of law, regulating the lawful

2011

361 activities of the reporting person or otherwise exercising power  
362 to enforce laws applicable to such activities; and,

363 (e) The identification and nature of each ordinance, law  
364 or administrative rule or regulation deemed unreasonably  
365 burdensome by the reporting person.

366 (2) The President of the Senate and the Speaker of the  
367 House may certify in writing to the chair of the committee and  
368 to the Attorney General the establishment and identity of any  
369 internet-based public survey established under this section.

370 (3) Any person reporting or otherwise providing information  
371 solicited by the Legislature in conformity with this section  
372 shall be immune from any enforcement action or prosecution that  
373 is

374 (a) Instituted or relies upon the fact of reporting or  
375 non-reporting of information, or

376 (b) Uses information provided,  
377 in response to the Legislature's solicitation of information  
378 pursuant to this section.

379 (4) Any alleged violator against whom an enforcement  
380 action is brought may object to any proposed penalty in excess  
381 of the minimum provided by law or rule on the basis that the  
382 action is in retaliation for providing or withholding  
383 information in response to the Legislature's solicitation of  
384 information pursuant to this section. If the presiding judge  
385 determines the enforcement action was motivated in whole or in  
386 part by such retaliation, any penalty imposed shall be limited  
387 to the minimum penalties provided by law for each separate  
388 violation adjudicated.

389           Section 4. Nothing in this act shall be construed to  
 390 change the legal status of a rule that has otherwise been  
 391 judicially or administratively determined to be invalid.

392           Section 5. Section 2 of this act shall stand repealed as  
 393 of July 2, 2014, unless amended or extended by subsequent act of  
 394 the Legislature.

395           Section 6. This act shall take effect July 1, 2011.

#### **64E-9.005 Construction Plan or Modification Plan Approval.**

It is unlawful for any person(s) to begin construction or modification of any public pool without first having received written approval from the department. Unapproved pools and proposed modifications to previously approved aspects of pools shall satisfy the requirements of the rules in effect at the time of project plans submittal. The department shall allow flow velocities through the main drain and surface overflow system piping which exceed those specified in subsection 64E-9.007(8), F.A.C., when retrofitting the pool recirculation system with a collector tank. However, the design engineer must provide appropriate calculations justifying the design. The flow rate through the main drain grating shall not exceed 1.5 feet per second.

(1) Construction Plan Approval – In counties where the county health department is delegated authority to review and approve plans, projects shall be submitted by the design engineer directly to these county health departments. Projects in all other counties shall be submitted either to the Bureau of Water Programs, 4052 Bald Cypress Way, BIN C-22, Tallahassee, FL 32399-1742 or to the Bureau of Water Programs, 400 West Robinson Street, Suite S-532, Orlando, FL 32801-1752 as appropriate.

(a) The following shall be submitted for each pool with a separate filter system. Except that when several pools are to be constructed at the same site, at the same time, those pools can be submitted on the same set of plans. Each submittal shall include six sets of original applications and drawings or the number required by the reviewing entity:

1. Form DH 914.

2. Construction drawings of the project which contain sufficient detail to clearly apprise the department of the work to be undertaken which includes a site map with nearest cross streets and major thoroughfares, all views of the pool including dimensions, equipment area or enclosure, project layout and location, sanitary facility detail and location, a scaled site plan, a property survey (if available), a pool equipment list including the manufacturer or distributor names, model numbers, and catalog numbers or equipment description. All prints shall be drawn to a standard scale and shall be a minimum size of 18 × 24 inches and a maximum size of 36 × 42 inches. The details on the drawings shall be satisfactory for photographic reproduction. Color coded drawings are not acceptable. A four by six inch blank space shall be left vacant on the lower right hand corner or directly above the title block on each sheet.

3. Fees for each pool as required by Rule 64E-9.015, F.A.C.

4. If available, an electronic copy of the plans in PDF, TIF, DWG, or JPEG format.

(b) All drawings and applications shall be prepared, signed and sealed by a professional engineer, licensed in the State of Florida under provisions of Chapter 471, F.S., and shall fulfill the requirements of Section 471.025, F.S.

(c) If the initial application is not complete, the reviewing engineer shall request the information needed to complete the application.

(d) If the engineering plans are substantially in compliance with these rules, provisional approval shall be granted and the approval shall state all necessary corrective action to be completed prior to issuance of the operating permit. Provisional approvals require that a copy of the provisos be attached to each set of approved plans and the plans shall be marked provisional.

(e) Upon approval, the plans and applications not required for use by the department shall be delivered to the design engineer for distribution to the owner and pool contractor. There shall be one complete set of approved plans and documents on the pool construction site at all times during construction.

(f) Revision of approved plans prior to construction must have written approval from the department. Revision of plans after construction commencement shall be considered a modification.

(g) Individual pieces of equipment which are equivalent to equipment specified on the approved plans may be substituted during construction provided the engineer justifies the equivalency to the department along with the authorization application. Equipment packages, piping, and filters do not qualify for substitution without prior written plans approval from the department.

(h) If construction of the pool shell has not commenced within one year from the date of plans approval, the approval shall expire. After plans approval expires, and there have been no changes to Chapter 64E-9, F.A.C., that affect the proposed plans, the applicant may submit the same plans to the department for re-approval, along with the fee established in paragraph 64E-9.015(1)(b), F.A.C. If there have been changes to Chapter 64E-9, F.A.C., that affect the proposed plans, or if the plans differ from the original submission, then the applicant must submit the fee established in paragraph 64E-9.015(1)(a), F.A.C.

(i) Upon completion of the project the following shall be submitted for each pool to the reviewing entity:

1. Form DH 916, incorporated by reference at paragraph 64E-9.003(2)(d), F.A.C., bearing original signatures of all required signatories and the seal of the professional engineer and three copies.

2. Fees for each pool as required by Rule 64E-9.015, F.A.C.

3. When night swimming is proposed, an engineer licensed in Florida shall provide certification that the deck and surface

lighting requirements of paragraph 64E-9.006(2)(c), F.A.C., have been met.

(j) After satisfactory and timely correction of any deficiencies following the final construction inspection conducted by the department, the initial operating permit will be issued.

(2) Modifications – Modifications include non-equivalent changes or additions to the recirculation system, treatment equipment, physical structure, or appurtenances. Replacement of the pool or spa shell is considered to be construction of a new facility and shall be processed as such. The installation of new decking is not considered a modification if it is installed in conformance with paragraph 64E-9.006(2)(a), F.A.C., and deck markings are upgraded per subparagraph 64E-9.006(1)(c)3., F.A.C. Resurfacing the pool interior to original non-toxic slip-resistant and smooth specifications or equivalent replacement of equipment are not considered modifications. However, the following items shall be addressed during resurfacing projects:

(a) The lip of the gutter must be leveled to within 1/4 inch between the highest and lowest point and the downward slope from the lip to the drain must be maintained as originally designed or increased, but shall not exceed new construction standards.

(b) Tile step markings must be installed meeting the requirements of subparagraph 64E-9.006(1)(d)3., F.A.C.

(c) Where applicable the slope break marking must be installed meeting the requirements of sub-subparagraph 64E-9.006(1)(c)2.b., F.A.C., and the safety line must be installed two feet before the marking.

(d) Depth markers and NO DIVING markers must be installed in accordance with subparagraph 64E-9.006(1)(c)3., F.A.C.

(e) The pool ladder must have a three to six inch clearance from the pool wall. New cross braced ladder(s) shall be installed in place of non-cross braced ladder(s) in conformance with subparagraph 64E-9.006(1)(d)1., F.A.C., during a pool re-surfacing.

(f) Should resurfacing works affect the step riser heights, no riser shall exceed 12 inches and the intermediate risers shall be made uniform.

(g) When fiberglass is used to resurface a pool any existing tile shall not be covered by the fiberglass finish.

(h) The County Health Department shall be notified in writing of any proposed pool resurfacing or upgrades to decking at least 10 days prior to commencement. The notification shall include an itemized list of all proposed work that is to be performed, the license number of the contractor selected and shall indicate that all work will meet the requirements of paragraphs 64E-9.005(2)(a) through (g), F.A.C.

(i) Upon completion of the work the licensed contractor shall provide the County Health Department a letter bearing their license number which certifies that the work was completed in accordance with paragraphs 64E-9.005(2)(a) through (g), F.A.C.

(j) Recessed treads that protrude from the pool wall shall be removed and replaced with a cross braced ladder or reconstructed to meet the requirements of subparagraph 64E-9.006(1)(d)2., F.A.C.

(3) Approval for pool modifications shall be obtained in the same manner as a construction approval as outlined in subsection 64E-9.005(1), F.A.C., above.

(4) Upon completion of an approved modification, written certification signed by the pool contractor, electrical contractor or inspector and signed and sealed by the engineer shall be provided to the department. This shall read as follows: "I certify that to the best of my knowledge and belief, the modification construction and equipment installation has been completed in conformance with the approved plans and documents."

(5) Upon completion of a modification, the pool shall not be reopened without authorization from the department.

(6) The painting of pools shall not be considered a modification provided the following conditions are met:

(a) Only paints designated by the manufacturer as pool paints are used.

(b) All step stripes, slope break markers and safety line, and depth and NO DIVING markings shall be provided to comply with the applicable subsection 64E-9.005(2), F.A.C.

(7) The installation of copper or copper/silver ionization units and ozone generators capable of producing less than a pool water ozone contact concentration of 0.1 milligrams per liter (mg/L) shall not be considered a pool modification provided compliance with the following is met:

(a) The ionization or ozone generator unit complies with paragraph 64E-9.007(16)(e), F.A.C.

(b) The manufacturer provides one set of signed and sealed engineering drawings indicating the following:

1. The unit does not interfere with the design flow rate.

2. The unit and the typical installation meet the requirements of the National Electrical Code.

3. A copper test kit and information regarding the maximum allowed copper and silver level and the minimum required chlorine level shall be available to the pool owner.

4. The unit shall meet the requirements of the NSF/ANSI standard 50-2007.

(c) At least 7 days before the time of installation, the installer will provide a photocopy of the above drawings and a letter of intent identifying the pool on which the unit is to be installed.

(d) Upon completion of the installation, a professional engineer or electrician licensed in the State of Florida shall provide a letter, to the county health department, indicating the unit was properly installed in accordance with the typical drawings, the National Electrical Code and with local codes.

#### **64E-9.007 Recirculation and Treatment System Requirements.**

(1) Recirculation and treatment equipment such as filters, recessed automatic surface skimmers, ionizers, ozone generators, disinfection feeders and chlorine generators must be tested and approved using the NSF/ANSI Standard 50-2007, Circulation System Components and Related Materials for Swimming Pool, Spas/Hot Tubs, dated April 2007, which is incorporated by reference in these rules. The standard and a list of approved devices is available from [www.NSF.org](http://www.NSF.org). If standards do not exist for a specific product, the manufacturer must work with NSF or other American National Standards Institute (ANSI) approved agency to develop such standards.

(2) The recirculation system shall be designed to provide a minimum of four turnovers of the pool volume per day. Pools that are less than 1000 square feet at health clubs shall be required to provide eight turnovers per day.

(3) The design pattern of recirculation flow shall be 100 percent through the main drain piping and 100 percent through the perimeter overflow system or 60 percent through the skimmer system.

(a) Perimeter overflow gutters – The lip of the gutter shall be uniformly level with a maximum tolerance of one-fourth inch between the high and low areas. The bottom of the gutter shall be level or slope to the drains. The spacing between drains shall not exceed 10 feet for two inch drains or 15 feet for two and one-half inch drains, unless hydraulically justified by the design engineer. Gutters may be eliminated along pool edges for no more than fifteen feet and this shall not exceed 10% of the perimeter (at least 90% of the perimeter shall be guttered). In areas where gutters are eliminated, handholds shall be provided within nine inches of the water surface. Handhold design shall be approved by the department prior to construction. The gutter lip shall be tiled with a minimum of 2 inch tile on the pool wall, each a minimum size of one inch on all sides, except that stainless steel gutters are exempt from this requirement.

1. Either recessed type or open type gutters shall be used. Special designs can be approved provided they are within limits of sound engineering practice. Recessed type gutters shall be at least four inches deep and four inches wide, and no part of the recessed gutter shall be visible from a position directly above the gutter sighting vertically down the edge of the deck or curb. Open type gutters shall be at least six inches deep and 12 inches wide. The back vertical wall of the gutter shall be tiled with glazed tile, each a minimum size of one inch on all sides. This tile shall be smooth and easily cleanable. The gutter shall slope downward 2 inches, plus or minus 1/4 inch, from the lip to the drains. When open type gutters are located at pool steps and the gutter is used as a step tread, the gutter slope may be reduced to 1 inch in the area of the steps, and this tread shall be tiled with slip resistant tile. The back of the gutter drains shall be located within 3/4 inch of the back vertical wall of the gutter, where the gutter is deepest and shall be flush with the surrounding area or be recessed no more than 3/8 inch.

2. All gutter systems shall discharge into a collector tank.

3. The department shall waive the requirements of tile on stainless steel gutter systems when it can be shown that the surfaces at the waterline and back of the gutter are smooth and easily cleanable.

(b) Recessed Automatic Surface Skimmers – Recessed automatic surface skimmers may be utilized when the pool water surface area is 1,000 square feet or less excluding offset stairs and swimouts and the width of the pool is not over 20 feet.

1. The recessed automatic surface skimmer piping system shall be designed to carry 60 percent of the pool total design flow rate with each skimmer carrying a minimum 30 gallons per minute. One skimmer for every 400 square feet or fraction thereof of pool water surface area shall be provided.

2. Prevailing wind direction and the pool outline shall be considered by the designer in the selection of skimmer locations and the location of skimmers shall be such that the interference of adjacent inlets and skimmers is minimized. Recessed automatic surface skimmers shall be installed so that there is no protrusion into the pool water area. The deck or curb shall provide for a handhold around the entire pool perimeter and shall not be located more than nine inches above the mid point of the opening of the skimmer.

3. Recessed automatic surface skimmers may be installed with an equalizer valve and an equalizer line when the skimmer piping system is connected directly to pump suction. If installed, the equalizer valve shall be a spring loaded vertical check valve which will not allow direct suction on the equalizer line. Float valves are prohibited. The equalizer line inlet shall be installed at least one foot below the normal pool water level and the equalizer line inlet shall be protected by an ASME/ANSI A112.19.8-2007 compliant cover/grate. The equalizer line shall be sized to handle the expected flow with a two inch minimum line size. For existing pools, within 180 days of effective date of this rule, skimmer equalizer lines shall be permanently plugged or ASME/ANSI A112.19.8-2007 compliant covers/grates shall be installed at the inlet.

4. A wall inlet fitting shall be provided directly across from each skimmer.

5. A minimum 6-inch water line tile shall be provided on all pools with automatic skimmer systems, each a minimum size of one inch on all sides. Glazed tile that is smooth and easily cleanable shall be utilized.

(4) Pumps – If the pump or suction piping is located above the water level of the pool, the pump shall be self-priming. Pumps that take suction prior to filtration shall be equipped with a hair and lint strainer. The recirculation pump shall be selected to provide the required recirculation flow against a minimum total dynamic head of 60 feet unless hydraulically justified by the design engineer. Vacuum filter systems pumps shall provide at least 50 feet of total dynamic head. Should the total dynamic head required not be appropriate for a given project, the design engineer shall provide an alternative.

(5) Filters – Filters sized to handle the required recirculation flow shall be provided.

(a) Filter capacities – The maximum filtration rate in gallons per minute per square foot of filter area shall be: fifteen (twenty if so approved utilizing the procedure stated in subsection 64E-9.007(1), F.A.C.) for high rate sand filters, three for rapid sand filters, three-hundred-seventy-five thousandths for pleated cartridge filters and two for Diatomaceous Earth (D.E.) type filters.

(b) Filter Appurtenances.

1. Pressure filter systems shall be equipped with an air relief valve, influent and effluent pressure gauges with minimum face size of two inches reading 0-60 pounds per square inch (psi), and a sight glass when a backwash line is required.

2. Vacuum filter systems shall be equipped with a vacuum gauge which has a two inch face and reads from 0-30 inches of mercury.

3. Precoat – A precoat pot or collector tank shall be provided for D.E. type systems.

(c) Filter tanks and elements – The filter area shall be determined on the basis of effective filtering surfaces with no allowance given for areas of impaired filtration, such as broad supports, folds, or portions which may bridge. D.E. filter elements shall have a minimum one inch clear spacing between elements up to a four square foot effective area. The spacing between filter elements shall increase one-eighth inch for each additional square foot of filter area or fraction thereof above an effective filter area of four square feet. All cartridges used in public pool filters shall be permanently marked with the manufacturer's name, pore size and area in square feet of filter material. All cartridges with end caps shall have the permanent markings on one end cap. Vacuum filter tanks shall have cover intersections between the wall and the floor and the tank floor shall slope to the filter tank drain. The D.E. filter tank and elements shall be installed such that the recirculation flow draw down does not expose the elements to the atmosphere whenever only the main drain valve is open or only the surface overflow gutter system valve is open.

(6) Piping – All plastic pipe used in the recirculation system shall be imprinted with the manufacturer's name and the NSF-pw logo for potable water applications. Size, schedule, and type of pipe shall be included on the drawings.

(7) Valves – Return lines, main drain lines, and surface overflow system lines, shall each have proportioning valves.

(8) Flow Velocity – Pressure piping shall not exceed 10 feet per second, except that precoat lines with higher velocities may be used when necessary for agitation purposes. The flow velocity in suction piping shall not exceed six feet per second except that flow velocities up to 10 feet per second in filter assembly headers will be acceptable. Main drain systems and surface overflow systems which discharge to collector tanks shall be sized with a maximum flow velocity of three feet per second. The filter and vacuuming system shall have the necessary valves and piping to allow filtering to pool, vacuuming to waste, vacuuming to filter, complete drainage of the filter tank, backwashing for sand and pressure D.E. type filters and precoat recirculation for D.E. type filters.

(9) Inlets – All inlets shall be adjustable with wall type inlets being directionally adjustable and floor type inlets having a means of flow adjustment. Floor inlets shall be designed and installed such that they do not protrude above the pool floor and all inlets shall be designed and installed so as not to constitute sharp edges or protrusions hazardous to pool bathers. Floor inlets for vinyl liner and fiberglass pools, shall be smooth with no sharp edges, and shall not extend more than 3/8 inches above the pool floor. Wall inlets shall be installed a minimum of 12 inches below the normal operating water level unless precluded by the pool depth or intended for a specific acceptable purpose.

(a) Pools 30 feet in width or less, with wall inlets only shall have enough inlets such that the inlet spacing does not exceed 20 feet based on the pool water perimeter.

(b) Pools 30 feet in width or less with floor inlets only shall have a number of inlets provided such that the spacing between adjacent inlets does not exceed 20 feet and the spacing between inlets and adjacent walls does not exceed 10 feet.

(c) A combination of wall and floor inlets may be used in pools 30 feet in width or less only if requirements of paragraph (a) or (b) are fully met.

(d) Pools greater than 30 feet in width shall have either floor inlets only, or a combination of floor inlets and wall inlets. Pools with floor inlets only shall have a number of floor inlets provided such that the spacing between adjacent inlets does not exceed 20

feet and the spacing between inlets and an adjacent wall does not exceed 10 feet.

(e) Pools greater than 30 feet in width with a combination of wall and floor inlets shall have the number of wall inlets such that the maximum spacing between the wall inlets is 20 feet and floor inlets are provided for the pool water area beyond a 15 feet perpendicular distance from all walls. The number of floor inlets shall be such that the spacing between adjacent inlets does not exceed 20 feet and the distance from a floor inlet and an adjacent wall does not exceed 25 feet.

(f) The flow rate through each inlet shall not exceed 20 gpm.

(10) Main Drain Outlets – All pools shall be provided with an outlet at the deepest point.

(a) The depth at the outlet must not deviate more than three inches from the side wall depth marking unless designed and approved as such and dual depth markings are used.

(b) Outlets must be covered by a secured grating which requires the use of a tool to remove and whose open area is such that the maximum velocity of water passing through the openings does not exceed one and one-half feet per second at 100 percent of the design recirculation flow.

(c) Multiple outlets, equally spaced from the pool side walls and from each other, shall be installed in pools where the deep portion of the pool is greater than 30 feet in width.

(d) If the area is subject to high ground water, the pool shall be designed to withstand hydraulic uplift or shall be provided with hydrostatic relief devices.

(e) The main drain outlet shall be connected to a collector tank. The capacity of the collector tank shall be at least one minute of the recirculated flow unless justified by the design engineer. Vacuum filter tanks are considered collector tanks.

(f) All pools built without a main drain collector tank must be retrofitted with a properly sized and piped collector tank as described in the collector tank definition, the first paragraph of Rule 64E-9.005, subsections 64E-9.007(8) and 64E-9.007(10), F.A.C., on or before the following dates to eliminate direct suction through the main drain.

1. For all pools, including wading pools, except spa type pools, with a main drain grate water depth of 4 feet or less, construction shall be completed on or before one year from the effective date of this rule;

For all spa type pools built before 1977, retrofit by July 1, 2010,

For all spa type pools built between 1977 and 1986, retrofit by July 1, 2011,

For all spa type pools built between 1986 and 1995, retrofit by July 1, 2012,

And for all other pools, retrofit by July 1, 2013.

2. All existing public pools with direct suction main drains shall install as soon as possible, but in no case later than 180 days after the effective date of this rule, a main drain cover/grate that meets both the ASME/ANSI A112.19.8-2007 standard for drain covers/grates and the main drain cover/grate 1.5 feet per second water velocity requirement of this rule.

3. A modification permit shall be obtained prior to installation of the collector tank.

4. Pools that cannot be retrofitted by these dates shall be closed on or before these dates.

(g) Main drain covers/grates installed after the effective date of this rule shall comply with the requirements of ASME/ANSI A112.19.8-2007 and the water velocity requirement of this rule.

(11) An automatic and manual water makeup control must be provided to maintain the water level at the lip of the overflow gutter or at the mouth of the recessed automatic surface skimmers and must discharge through an air gap into a fill pipe or collector tank. Over the rim fill spouts are prohibited.

(12) Cleaning system – A portable or plumbed in vacuum cleaning system shall be provided. All vacuum pumps shall be equipped with hair and lint strainers. Recirculation or separate vacuum pumps shall not be used for vacuuming purposes when in excess of 3 horsepower. When the system is plumbed in, the vacuum fittings shall be located to allow cleaning the pool with a 50 foot maximum length of hose. Vacuum fittings shall be mounted no more than 15 inches below the water level, flush with the pool walls, and shall be provided with a spring loaded safety cover which shall be in place at all times. Bag type cleaners which operate as ejectors on potable water supply pressure must be protected by a vacuum breaker. Cleaning devices shall not be used while the pool is open to bathers.

(13) Rate of flow indicators – A rate of flow indicator, reading in gpm, shall be installed on the return line. The rate of flow indicator shall be properly sized for the design flow rate and shall be capable of measuring from one-half to at least one and one-half times the design flow rate. The clearances upstream and downstream from the rate of flow indicator shall comply with manufacturer's installation specifications.

(14) Heaters – Pool heaters shall comply with nationally recognized standards acceptable to the department and to the design

engineer. Pools equipped with heaters shall have a fixed thermometer mounted in the pool recirculation line downstream from the heater outlet. Thermometers mounted on heater outlets do not meet this requirement. A sketch of any proposed heater installation including valves, thermometer, pipe sizes, and material specifications shall be submitted to the department and authorization obtained prior to installation. Piping and influent, effluent and bypass valves which allow isolation or removal of the heater from the system shall be provided. Materials used in solar and other heaters shall be non-toxic and acceptable for use with potable water. Heaters shall not prevent the attainment of the required turnover rate. Heaters shall comply with applicable heating codes. Heater replacement or addition meeting the provisions of this section does not constitute a modification.

(15) Pool waste water disposal – Pool waste water shall be discharged through an air gap; disposal shall be to sanitary sewers, storm sewers, drain fields, or by other means, in accordance with local municipal and building official requirements including obtaining all necessary permits. Each waste line shall have a unique air gap. Waste lines from different sources (e.g., pool, spa, overflow, sump pump) shall not be tied together, but may discharge into a common sump or receptacle after the air gap. Disposal of water from pools using D.E. powder shall be accomplished through separation tanks which are equipped with air bleed valves, bottom drain lines, and isolation valves, or through a settling tank with final disposal being acceptable to local authorities. D.E. separator tanks shall have a capacity as rated by the manufacturer, equal to the square footage of the filter system. All lines shall be sized to handle the expected flow. There shall not be a direct physical connection between any waste or drain line from a pool or recirculation system and any sewer line. Waste D.E. powder shall be collected and disposed of in a manner acceptable to local authorities and solid waste collectors.

(16) Disinfection and pH adjustment shall be added to the pool recirculation flow using automatic feeders meeting the requirement of NSF/ANSI Standard 50-2007. All chemicals shall be fed into the return line after the pump, heater and filters unless the feeder was designed by the manufacturer and approved by the NSF to feed to the collector tank or to the suction side of the pump. Feeding chlorinated isocyanurates disinfectant is prohibited in spas, wading pools and interactive water features, and these existing feeders shall be replaced with non-isocyanurate chlorinators, or equivalent, with a pH adjustment feeder on or before June 1, 2011. Dual or multiuse feeders can be used if approved for and feeding an acceptable rate of alternate disinfectant.

(a) Gas chlorination – When gas chlorination is utilized, the chlorinator shall be capable of continuously feeding a chlorine dosage of six mg/L to the recirculated flow of the filtration system. The application point for chlorine shall be located in the return line downstream of the filter, recirculation pump, heater, and flow meter, and as far as possible from the pool.

1. Gas chlorinators shall be located in above grade rooms and in areas which are inaccessible to unauthorized persons.

a. Chlorine rooms shall have: continuous forced draft ventilation capable of a minimum of one air change per minute with an exhaust at floor level to the outside, a minimum of 30 foot candles of illumination with the switch located outside and the door shall open out and shall not be located adjacent to the filter room entrance or the pool deck. A shatter-proof gas tight inspection window shall be provided.

b. Chlorine areas shall have a roof and shall be enclosed by a chain-link type fence at least six feet high to allow ventilation and prevent vandalism.

2. A gas mask, or a self-contained breathing apparatus, approved for use in chlorine gas contaminated air, shall be provided and shall be located out of the area of possible contamination.

3. When booster pumps are used with the chlorinator, the pump shall use recirculated pool water supplied via the recirculation filtration system. The booster pump shall be electrically interlocked with the recirculation pump to prevent the feeding of chlorine when the recirculation pump is not operating.

4. A means of weighing chlorine containers shall be provided. When 150 pound cylinders are used, platform type scales shall be provided and shall be capable of weighing a minimum of two full cylinders at one time. The elevation of the scale platform shall be within two inches of the adjacent floor level, and the facilities shall be constructed to allow easy placement of full cylinders on the scales.

5. Each cylinder shall be secured at all times, with 150 pound cylinders maintained in an upright position. A protective cap shall be in place at all times when the cylinder is not connected to the chlorinator.

(b) Hypohalogenation and Electrolytic chlorine generators – The hypohalogenation type feeder and electrolytic chlorine generators shall be adjustable from zero to full range. A rate of flow indicator is required on erosion type feeders. The feeders shall be capable of continuously feeding a dosage of 6 mg/L to the minimum required turnover flow rate of the filtration systems. Solution feeders shall be capable of feeding the above dosage using a ten percent sodium hypochlorite solution, or five percent calcium hypochlorite solution, whichever disinfectant is to be utilized at this facility. To prevent the disinfectant from siphoning or feeding

directly into the pool or pool piping under any type failure of the recirculation equipment, an electrical interlock with the recirculation pump shall be incorporated into the system for electrically operated feeders. A flow sensor controller can also be used to turn off the feeders when flow is not sensed. The minimum size of the solution reservoirs shall be at least 50 percent of the maximum daily capacity of the feeder. The solution reservoirs shall be marked to indicate contents.

(c) Feeders for pH adjustment – Feeders for pH adjustment shall be provided on all pools. pH adjustment feeders shall be positive displacement type, shall be adjustable from zero to full range, and shall have an electrical interlock with the circulation pump to prevent discharge when the recirculation pump is not operating. When soda ash is used for pH adjustment, the maximum concentration of soda ash solution to be fed shall not exceed one-half pound soda ash per gallon of water. Feeders for soda ash shall be capable of feeding a minimum of three gallons of the above soda ash solution per pound of gas chlorination capacity. The minimum size of the solution reservoirs shall not be less than 50 percent of the maximum daily capacity of the feeder. The solution reservoirs shall be marked to indicate the contents.

(d) Ozone generating equipment may be used for supplemental water treatment on public swimming pools subject to the conditions of this section.

1. Ozone generating equipment electrical components and wiring shall comply with the requirements of the National Electrical Code and the manufacturer shall provide a certificate of conformance. The process equipment shall be provided with an effective means to alert the user when a component of this equipment is not operating.

2. Ozone generating equipment shall meet the NSF/ANSI Standard 50-2007.

3. The concentration of ozone in the return line to the pool shall not exceed 0.1 mg/L.

4. The injection point for ozone generating equipment shall be located in the pool return line after the filtration and heating equipment, prior to the halogen injection point, and as far as possible from the nearest pool return inlet with a minimum distance of four feet. Injection methods shall include a mixer, contact chamber, or other means of efficiently mixing the ozone with the recirculated water. The injection and mixing equipment shall not prevent the attainment of the required turnover rate of the recirculation system. Ozone generating equipment shall be equipped with a check valve between the generator and the injection point. Ozone generating equipment shall be equipped with an air flow meter and a means to control the flow. The generator shall be electrically interlocked with the recirculation pump to prevent the feeding of ozone when the recirculation pump is not operating. A flow sensor controller can also be used to turn off the feeder when flow is not sensed.

5. Ventilation requirements – Ozone generating equipment shall be installed in equipment rooms with either forced draft or cross draft ventilation. Below grade equipment rooms with ozone generators shall have forced draft ventilation and all equipment rooms with forced draft ventilation shall have the fan control switch located outside the equipment room door. The exhaust fan intake for forced draft ventilation and at least one vent grille for cross draft ventilation shall be located at floor level.

6. A self-contained breathing apparatus designed and rated by its manufacturer for use in ozone contaminated air shall be provided when ozone generator installations are capable of exceeding the maximum pool water ozone contact concentration of 0.1 milligrams per liter (mg/L). The self-contained breathing apparatus shall be available at all times and shall be used at times when the maintenance or service personnel have determined that the equipment room ozone concentration exceeds 10 mg/L. Ozone generator installations which require the self-contained breathing apparatus shall also be provided with Draeger type detector tube equipment which is capable of detecting ozone levels of 10 mg/L and greater.

7. In lieu of the above self contained breathing apparatus an ozone detector capable of detecting 1 mg/L may be used. Said detector must be capable of stopping the production of ozone, venting the room and sounding an alarm once ozone is detected.

(e) Ionization units may be used as supplemental water treatment on public pools subject to the condition of this paragraph.

1. Ionization equipment and electrical components and wiring shall comply with the requirements of the National Electrical Code and the manufacturer shall provide a certification of conformance.

2. Ionization equipment shall meet the NSF/ANSI Standard 50-2007, Circulation System Components and Related Materials for Swimming Pools, Spas/Hot Tubs, or equivalent, shall meet UL standards and shall be electrically interlocked with recirculation pump.

(f) Ultraviolet (UV) light disinfectant equipment may be used as supplemental water treatment on public pools (and additional treatment on IWFs) subject to the conditions of this paragraph and manufacturer's specifications. UV is encouraged to be used to eliminate or reduce chlorine resistant pathogens, especially the protozoan *Cryptosporidium*.

1. UV equipment and electrical components and wiring shall comply with the requirements of the National Electrical Code and the manufacturer shall provide a certification of conformance to the department.

2. UV equipment shall meet UL standards and shall be electrically interlocked with recirculation pump(s) on all pools and with feature pump(s) on an IWF such that when the UV equipment fails to produce the required dosage as measured by an automated sensor, the feature pump(s) are disabled so the water features do not operate.

3. UV equipment shall be validated by a capable party that it delivers the required and predicted UV dose at the validated flow, lamp power and water UV transmittance conditions, and has complied with all professional practices summarized in the USEPA Ultraviolet Disinfectant Guidance Manual dated November, 2006, which is publication number EPA 815-R-06-007 available from the department at <http://www.floridashealth.org/Environment/water/swim/index.html> or at [http://www.epa.gov/safewater/disinfection/lt2/pdfs/guide\\_lt2\\_uvguidance.pdf](http://www.epa.gov/safewater/disinfection/lt2/pdfs/guide_lt2_uvguidance.pdf).

4. UV equipment shall constantly produce a validated dosage of at least 40 mJ/cm<sup>2</sup> (milliJoules per square centimeter) at the end of lamp life.

5. The UV equipment shall not be located in a side stream flow and shall be located to treat all water returning to the pool or water features.

(17) Water features such as waterfalls or fountains in pools may use up to 20% of the return water from the filter system, however all waters used in the feature shall not be counted toward attaining the designed turnover rate. Return piping system shall be designed and capable of handling the additional feature flow when the feature is turned off. Features that require more than 20% of the flow rate shall be supplied by an additional pump that drafts from a suitable collector tank. All water features that utilize water from the pool shall be designed to return the water to the pool. Spray features mounted in the pool deck shall be flush with the pool deck and shall be designed with the safety of the pool patron in mind.

*Rulemaking Authority 381.006, 514.021 FS. Law Implemented 381.006, 514.021, 514.03, 514.031, 514.05, 514.06 FS. History—New 10-5-93, Formerly 10D-5.136, Amended 12-27-98, 5-27-04, 5-24-09.*

# **RULEMAKING & REGULATION SUBCOMMITTEE**

## **ADDENDUM**

### **MEETING BOOKLET**

Dean Cannon  
Speaker

Chris Dorworth  
Chair

Amendment No.01

19 provided under s. 120.745. Reporting under subsections (1) and  
20 (2) shall be suspended for the year 2013, but required reporting  
21 under those subsections shall resume in 2015 and biennially  
22 thereafter.

23  
24 Section 2. Section 120.745, Florida Statutes, is created  
25 to read:

26 120.745 .- Legislative review of agency rules in effect on  
27 or before November 16, 2010.

28 (1) DEFINITIONS. The following definitions shall apply  
29 exclusively to this act:

30 (a) "Agency" shall have the same meaning and application as  
31 provided in s. 120.52(1), F.S., but for purposes of this section  
32 shall exclude each officer and governmental entity in the state  
33 having jurisdiction in one county or less than one county, to  
34 the extent they are expressly made subject to Ch. 120, F.S., by  
35 special law.

36 (b) "Compliance economic review" shall mean a good faith  
37 economic analysis which includes and presents the following  
38 information pertaining to a particular rule:

39 1. A justification for the rule summarizing the benefits of  
40 the rule; and

41 2. A statement of estimated regulatory costs as described  
42 in s. 120.541(2), provided that:

43 a. the period for which impacts described in s.  
44 120.541(2) (a) are estimated shall be 5 years from January 1,  
45 2010, or a later effective date of the rule; and

Amendment No.01

46 b. for the analysis required in s. 120.541(2)(a)3., the  
47 estimated regulatory costs over such five year period shall be  
48 used instead of the likely increase in regulatory costs  
49 following implementation.

50 (c) "Data Collection Rules" shall mean those rules  
51 requiring the submission of data to the agency from external  
52 sources, including but not limited to local governments, service  
53 providers, clients, licensees, regulated entities, other  
54 constituents and market participants.

55 (d) "Revenue Rules" shall mean those rules fixing amounts  
56 or providing for the collection of money.

57 (2) ENHANCED BIENNIAL REVIEW. By December 1, 2011, each  
58 agency shall complete an enhanced biennial review of the  
59 agency's existing rules including:

60 (a) The review and report required by s. 120.74, F.S.,  
61 including an explanation of how the agency has accomplished the  
62 requirements of s. 120.74(1). This provision extends the October  
63 1 deadline provided in s. 120.74(2) for the year 2011.

64 (b) Whether the rule is a Revenue Rule, identifying the  
65 fund or account into which collections are deposited; and for  
66 each Revenue Rule, whether the rule authorizes, imposes or  
67 implements:

- 68 1. Registration, license, or inspection fees;  
69 2. Transportation service tolls, whether for road, bridge,  
70 rail, air, waterway, port;  
71 3. Fees for a specific service or purpose not included in  
72 1. or 2.;

Amendment No.01

73 4. Fines, penalties, costs, or attorneys fees;

74 5. Any tax;

75 6. Any other amounts collected which are not in the  
76 foregoing categories.

77 (c) Whether the rule is a Data Collection Rule and include  
78 the following information for each Data Collection Rule:

79 1. The statute(s) authorizing the collection of such data;

80 2. The purposes for which the agency uses the data and any  
81 purpose for which the data is used by others;

82 3. The policies supporting reporting and retention of the  
83 data; and

84 4. Whether and to what extent the data is exempt from  
85 public inspection under ch. 119.

86 (d) Whether the agency plans to repeal the rule and the  
87 estimated timetable for repeal, subject to subsection (8).

88 (e) Whether the agency plans to amend the rule and the  
89 estimated timetable for amendment.

90 (f) A division and identification of certain rules for  
91 further review, divided at the agency's discretion into two  
92 approximately equal groups, identified as Group 1 and Group 2,  
93 to include all rules that:

94 1. the agency does not plan to amend or repeal on or before  
95 December 31, 2012, and

96 2. were effective on or before November 16, 2010, and

97 3. probably will have, for the five year period of time  
98 beginning January 1, 2010, any of the economic impacts  
99 described in s. 120.541(2)(a).

COMMITTEE/SUBCOMMITTEE AMENDMENT

PCB Name: PCB RRS 11-02a (2011)

Amendment No.01

100 (3) Upon completion of the enhanced biennial review  
 101 pursuant to subsection(2), each agency shall publish, in the  
 102 manner provided in subsection(7), a report of the entire  
 103 enhanced biennial review including the results of the review; a  
 104 complete list of all rules the agency has placed in Group 1 and  
 105 Group 2; and the name, physical address, telefacsimile number,  
 106 and email address for the person the agency has designated to  
 107 receive all inquiries, public comments, and objections  
 108 pertaining to the report. The report of results shall  
 109 incorporate a table consistent with the following example:  
 110

Agency	F.A.C. Rule Number		OFFAR Exempt <sup>1</sup>	REVENUE RULE/Fund or Account <sup>4</sup>						Data Collection Rule <sup>2</sup>	Repeal <sup>3</sup>	Amend <sup>3</sup>	Effective after 11/16/2010	Effective on or before 11/16/2010	
	Title	Number		Licensure fee	Transport. Tolls	Other Fees	Fines	Tax	Other Revenue					Probable 120.541(2) (a) impact Group 1 or 2	Not probable impact
Possible answers			Exempt or blank	Y (G.R.) or N	Y or N	Y or N	Y or N	Y or N	Y or N	Y or N	Y or N	Y or N	Y or N	1 or 2 or blank	N

111  
 112 Footnotes:  
 113 1- If Exempt, use "Exempt" for the following columns: Repeal, Amend, and  
 114 Effective after 11/16/2010.  
 115 2- Provide notes indicating the statutory authority for data collection,  
 116 purpose for which agency uses data, purposes used by others, policies reporting  
 117 data collection and retention.  
 118 3-Provide estimated timetable for repeal or amendment.  
 119 4-For Revenue Rules, include fund or account name in which collections are  
 120 deposited. G.R. may be used for General Revenue  
 121

Amendment No.01

122 (4) OBJECTION TO ENHANCED BIENNIAL REVIEW AND REPORT.

123 Public input on reports required in subsection (3) may be  
124 provided by stating an objection to the information required in  
125 Paragraphs (b), (c), and (f) of subsection (2), identifying the  
126 rule or rules to which the objection relates, submitted in  
127 writing or electronically to the person designated in the  
128 report.

129 (a) An objection under this subsection to information  
130 provided in response to subparagraph (2)(f)3. must include  
131 allegations of fact upon which the objection is based.  
132 Allegations of fact related to other objections may be included.

133 (b) Objections may be submitted by any interested person no  
134 later than June 1, 2012.

135 (c) The agency shall determine whether or not to sustain an  
136 objection based upon the information provided with the  
137 objection, treating allegations of fact as if they are true, and  
138 any further review of information available to the agency to  
139 correct its report.

140 (d) No later than 20 days from the date an objection is  
141 submitted the agency shall publish its determination of the  
142 objection in the manner provided in subsection (7).

143 1. The agency's determination with respect to an objection  
144 is final but not agency action subject to further proceedings,  
145 hearing, or judicial review.

146 2. If the agency sustains an objection, it shall amend its  
147 report within 10 days of such determination and shall publish  
148 notice of the amendment in the manner provided in subsection

Amendment No.01

149 (7). The amended report shall indicate that changes have been  
150 made, the date of last change, and identify amended portions.

151 (5) COMPLIANCE ECONOMIC REVIEW OF RULES AND REQUIRED  
152 REPORT. Each agency shall perform a compliance economic review  
153 and report with respect to all Group 1 and Group 2 rules, the  
154 applicable year being 2012 for Group 1 Rules and 2013 for Group  
155 2 rules.

156 (a) No later than May 1, each agency shall complete the  
157 following:

158 1. For each rule the agency shall prepare a compliance  
159 economic review.

160 2. The agency shall publish notice of completing the  
161 compliance economic review for each rule in the manner provided  
162 in subsection (7).

163 3. The agency shall publish a copy of the compliance  
164 economic review, directions on how and when interested parties  
165 may submit lower cost regulatory alternatives to the agency, and  
166 the date the notice is published, in the manner provided in  
167 subsection (7).

168 4. The agency shall submit each compliance economic review  
169 to the Small Business Regulatory Advisory Council for their  
170 review.

171 (b) Any agency rules reviewed pursuant to Executive Order  
172 11-01, are exempt from the compliance economic review if the  
173 review found that the rules do not:

174 a. Adversely affect the availability of business services,

175 b. Adversely affect job creation or retention,

Amendment No.01

176 c. Place unreasonable restrictions on access to employment,

177 or

178 d. Impose a significant regulatory related cost.

179 (c)The Small Business Regulatory Advisory Council may  
180 submit lower cost regulatory alternatives to any rule no later  
181 than August 1, to the agency that adopted the rule. Other lower  
182 cost regulatory alternatives to any rule may be submitted to the  
183 applicable agency no later than June 15.

184 (d) No later than December 1, each agency shall publish in  
185 the manner provided in subsection (7), a final report of the  
186 agency's review under this subsection. For each rule the report  
187 shall include:

188 1. The text of the rule;

189 2. The compliance economic review for the rule;

190 3. All lower regulatory cost alternatives received by the  
191 agency;

192 4. The agency's written explanation for rejecting submitted  
193 lower regulatory cost alternatives;

194 5. The agency's justification to repeal, amend, or retain  
195 without amendment the rule.

196 (e) Notice of the report shall be published the manner  
197 provided in subsection (7).

198 (f) No later than December 1, each agency shall begin  
199 proceedings under s. 120.54, F.S., to amend or repeal those  
200 rules so designated in the report under this subsection.

201 Proceedings to repeal rules so designated are exempt from the  
202 requirements for the preparation, consideration, or use of a

Amendment No.01

203 statement of estimated regulatory costs under s. 120.54, F.S.,  
204 and the provisions of s. 120.541, F.S.

205 (6) With respect to rules identified for retention without  
206 amendment in the report under subsection (5), the Legislature  
207 may consider specific legislation nullifying any such rule, or  
208 altering the statutory authority for any such rule.

209 (7) PUBLICATION OF NOTICES, DETERMINATIONS AND REPORTS.

210 Agencies shall publish notices, determinations and reports  
211 required under this section exclusively in the following manner:

212 (a) The agency shall publish each notice, determination and  
213 complete report on its Internet website. (If the agency does not  
214 have an Internet website, the information shall be published on  
215 the committee's Internet website using  
216 www.japc.state.fl.us/[agency name]/ in place of the address of  
217 the agency's Internet website.) The following URL formats shall  
218 be used:

219 1. Reports required under subsection (3), including any  
220 reports amended as a result of a determination under subsection  
221 (4):

222 [Address of agency's Internet website]/2011 Rule review/  
223 [Florida Administrative Code (F.A.C.) title and subtitle  
224 (if applicable) designation for the rules included].  
225 (Example: http://www.dos.state.fl.us/2011 Rule review/1S).

226 2. The lists of Group 1 Rules and Group 2 Rules, required  
227 under subsection (3):

228 [Address of agency's Internet website]/2011 Rule review/  
229 Economic Review/Schedule.

## Amendment No.01

230 (Example: http://www.dos.state.fl.us/2011 Rule review/  
231 Economic Review/Schedule)

232 3. Determinations under subsection (4):

233 [Address of agency's Internet website]/2011 Rule review/  
234 Objection Determination/[F.A.C. Rule number].

235 (Example: http://www.dos.state.fl.us/2011 Rule review/  
236 Objection Determination/1S-1.001).

237 4. Completed compliance economic reviews reported under  
238 subsection (5):

239 [Address of agency's Internet website]/2011 Rule review/  
240 Economic Review/[F.A.C. Rule number].

241 (Example: http://www.dos.state.fl.us/2011 Rule review/  
242 Economic Review/1S-1.001).

243 5. Final reports under (5) (d), with the appropriate year:

244 [Address of agency's Internet website]/2011 Rule review/  
245 Economic Review/[YYYY Final Report].

246 (Example: http://www.dos.state.fl.us/2011 Rule review/  
247 Economic Review/2012 Final Report).

248 (b) 1. Each notice shall be published using the following  
249 URL format:

250 [Address of agency's Internet website]/  
251 2011 Rule review/Notices.

252 (Example:

253 http://www.dos.state.fl.us/2011 Rule review/Notices).

254 2. Once weekly, a copy of all notices published on the  
255 Internet under this subparagraph in the previous week shall be  
256 delivered to the Department of State for publication in the next

Amendment No.01

257 available issue of the Florida Administrative Weekly. A copy  
258 shall also be delivered by electronic mail to the committee.

259 3. Each notice shall identify the publication for which  
260 notice is being given, and include:

261 a. The name of the agency;

262 b. The name, physical address, telefacsimile number, and  
263 electronic mailing address for the person designated to receive  
264 all inquiries, public comments, and objections pertaining to the  
265 publication identified in the notice;

266 c. The particular Internet address through which the  
267 publication may be accessed; and

268 d. The date the notice and publication is first published  
269 on the agency's Internet website.

270 (c) Publication pursuant to this section is deemed to be  
271 complete as of the date the notice, determination or report is  
272 posted on the agency's internet website.

273

274 Section 3. Section 120.7455, Florida Statutes, is created  
275 to read:

276 120.7455 .-Legislative survey of regulatory impacts.

277 (1) From the effective date of this act, until July 2,  
278 2014, the Legislature may establish and maintain an internet-  
279 based public survey of regulatory impact soliciting information  
280 from Floridians and other persons regarding the kind and degree  
281 of regulation affecting private activities in the state. Such  
282 input may include, but need not be limited to:

Amendment No.01

283 (a) The registered business name or other name of each  
284 reporting person;

285 (b) The number and identity of agencies licensing,  
286 registering or permitting lawful activities of the reporting  
287 person;

288 (c) The types, numbers and nature of licenses, permits and  
289 registrations required for various lawful activities of the  
290 reporting person;

291 (d) The identity of local, state and federal agencies, and  
292 other entities acting under color of law, regulating the lawful  
293 activities of the reporting person or otherwise exercising power  
294 to enforce laws applicable to such activities; and,

295 (e) The identification and nature of each ordinance, law  
296 or administrative rule or regulation deemed unreasonably  
297 burdensome by the reporting person.

298 (2) The President of the Senate and the Speaker of the  
299 House may certify in writing to the chair of the committee and  
300 to the Attorney General the establishment and identity of any  
301 internet-based public survey established under this section.

302 (3) Any person reporting or otherwise providing information  
303 solicited by the Legislature in conformity with this section  
304 shall be immune from any enforcement action or prosecution that:

305 (a) Is instituted on account of, or in reliance upon the  
306 fact of reporting or non-reporting of information, or

307 (b) Uses information provided,  
308 in response to the Legislature's solicitation of information  
309 pursuant to this section.

Amendment No.01

310       (4) Any alleged violator against whom an enforcement  
311 action is brought may object to any proposed penalty in excess  
312 of the minimum provided by law or rule on the basis that the  
313 action is in retaliation for providing or withholding  
314 information in response to the Legislature's solicitation of  
315 information pursuant to this section. If the presiding judge  
316 determines the enforcement action was motivated in whole or in  
317 part by such retaliation, any penalty imposed shall be limited  
318 to the minimum penalties provided by law for each separate  
319 violation adjudicated.

320

321       Section 4. Nothing in this act shall be construed to  
322 change the legal status of a rule that has otherwise been  
323 judicially or administratively determined to be invalid.

324

325       Section 5. Section 2 of this act shall stand repealed as  
326 of July 2, 2014, unless amended or extended by subsequent act of  
327 the Legislature.

328

329       Section 6. This act shall take effect July 1, 2011.
