18 2. Prohibit the mining of student data for commercial
19 purposes, including the targeting of advertising based upon such
20 data.

21 3. Require that all student data remain the property of the
22 agency or institution and that such data must be returned upon
23 request or be destroyed using a method designed to ensure
24 confidentiality and permanently deleted from any computer
25 hardware, media or other equipment.

26
27 For purposes of this paragraph student data means information
28 that is collected and maintained at the individual student
29 level.

30 (3) Any contract or agreement entered into after July 1,
31 2015, that is in violation of this section shall be null and
32 void and any data obtained in violation of this section must be
33 returned to the agency or institution or destroyed using a
34 method designed to ensure confidentiality and permanently
35 deleted from any computer hardware, media or other equipment.

36 (4) This section does not:

37 (a) Prohibit any person from using deidentified student
38 data to improve educational products within a website, service,
39 or application or to demonstrate the effectiveness of the
40 products or services, including marketing.

41 (b) Prohibit any person from sharing aggregated,
42 deidentified student data for the development or improvement of
43 educational websites, services, or applications.

Amendment No. 2

44 (c) Prohibit any person from marketing educational
45 products directly to parents if the marketing is not based upon
46 student data obtained through the provision of services under
47 this section.

48 (d) Limit the authority of a law enforcement agency to
49 obtain any information from any person as authorized by law or
50 pursuant to an order of a court of competent jurisdiction.

51 (e) Limit the ability of any person to use student data
52 for adaptive learning or customized student learning purposes.

53 (f) Limit Internet service providers from providing
54 Internet connectivity to schools, students, or parents.

55 (g) Apply to general audience websites, general audience
56 online services, general audience online applications, or
57 general audience mobile applications, even if login credentials
58 created for an operator's website, service, or application may
59 be used to access those general audience websites, services, or
60 applications.

61 (h) Impede the ability of a student to download, export,
62 or otherwise save or maintain his or her own data or documents.

63 (i) Impose a duty upon:

64 1. A provider of an electronic store, gateway,
65 marketplace, or other means of purchasing or downloading
66 software or applications to review or enforce compliance with
67 this section.

Amendment No. 2

68 2. A provider of an interactive computer service, as

18 local benefits and services available to veterans. The veteran
19 may elect to receive requested information through United States
20 mail or by e-mail. The requested information shall be delivered
21 to the veteran by any third-party provider selected by the
22 Department of Veterans' Affairs to act on its behalf.

23 (b) The department shall collaborate with the Department
24 of Veterans' Affairs to administer this subsection. The
25 department shall report monthly to the Department of Veterans'
26 Affairs the name and mailing address or e-mail address of each
27 veteran who requests information as provided in paragraph (a).
28 Following receipt of the monthly report, the Department of
29 Veterans' Affairs shall disseminate the contact information for
30 each such veteran to the third-party provider acting on its
31 behalf. The third-party provider must be a nonprofit
32 organization with sufficient ability to communicate with
33 veterans residing throughout this state. For purposes of this
34 paragraph, the term "nonprofit organization" means an
35 organization exempt from the federal income tax under s. 501 of
36 the Internal Revenue Code of 1986 or any federal, state, or
37 local governmental entity.

38 (c) In addition to the requirements of paragraph (b), the
39 Department of Veterans' Affairs shall disseminate the contact
40 information for a veteran who selects the voluntary checkoff to
41 the appropriate county or city veteran service officer in order
42 to facilitate further outreach to veterans.

43 (d)1. The contact information of a veteran that is

Amendment No. 1

44 obtained by a third-party provider pursuant to this subsection
45 may be used only as authorized by this subsection. The third-
46 party provider may not sell such contact information. Except as
47 otherwise provided, the third-party provider must maintain the
48 confidentiality of the contact information in accordance with
49 chapter 119 and the federal Driver's Privacy Protection Act of
50 1994, 18 U.S.C. ss. 2721 et seq.

51 2. A person who willfully and knowingly violates this
52 paragraph commits a misdemeanor of the first degree, punishable
53 as provided in s. 775.082 or s. 775.083.

54 Section 2. Subsection (7) of section 322.21, Florida
55 Statutes, is amended to read:

56 322.21 License fees; procedure for handling and collecting
57 fees.—

58 (7) Any veteran honorably discharged from the Armed Forces
59 who has been issued a valid identification card by the
60 Department of Veterans' Affairs in accordance with s. 295.17,
61 has been determined by the United States Department of Veterans
62 Affairs or its predecessor to have a 100-percent total and
63 permanent service-connected disability rating for compensation,
64 or has been determined to have a service-connected total and
65 permanent disability rating of 100 percent, is in receipt of
66 disability retirement pay from any branch of the United States
67 Armed Services, or any veteran honorably discharged from the
68 Armed Forces who has served in combat and was disabled during

Amendment No. 1

69 service, and who is qualified to obtain a driver license under
70 this chapter is exempt from all fees required by this section.

71 Section 3. Military and Overseas Voting Assistance Task
72 Force.—The Military and Overseas Voting Assistance Task Force, a
73 task force as defined in s. 20.03, Florida Statutes, is created
74 within the Department of State. The task force is created for
75 the express purpose of studying issues involving the development
76 and implementation of an online voting system that allows absent
77 uniformed services voters to electronically submit voted
78 ballots.

79 (1) The task force is composed of 20 members, as follows:

80 (a) The Secretary of State or his or her designee, who
81 shall serve as chair of the task force.

82 (b) The Adjutant General or his or her designee.

83 (c) The executive director of the Department of Veterans'
84 Affairs or his or her designee.

85 (d) The executive director of the Agency for State
86 Technology or his or her designee.

87 (e) One member of the Senate appointed by the President of
88 the Senate.

89 (f) One member of the House of Representatives appointed
90 by the Speaker of the House of Representatives.

91 (g) One member of the Senate appointed by the Minority
92 Leader of the Senate.

93 (h) One member of the House of Representatives appointed
94 by the Minority Leader of the House of Representatives.

Amendment No. 1

95 (i) One member appointed by the Governor.

96 (j) Six supervisors of elections appointed by the
97 Secretary of State.

98 (k) Five individuals appointed by the Secretary of State,
99 with relevant expertise in computers, the Internet, or other
100 associated technologies.

101 (2) Members of the task force shall serve without
102 compensation but are entitled to reimbursement for per diem and
103 travel expenses pursuant to s. 112.061, Florida Statutes.

104 (3) The task force, at a minimum, shall study and report
105 on the following issues:

106 (a) Any factor that limits the ability of absent uniformed
107 services voters to request, receive, and return absentee ballots
108 within the current statutory time period for casting absentee
109 ballots.

110 (b) The costs associated with the development and
111 implementation of an online voting system.

112 (c) The feasibility of absent uniformed services voters
113 using an online voting system to electronically submit a voted
114 ballot.

115 (d) The security of electronically submitting a voted
116 ballot through an online voting system.

117 (e) Procedures adopted by other states to facilitate
118 greater electoral participation among absent uniformed services
119 voters.

120 (4) The Secretary of State shall submit a report to the

Amendment No. 1

121 Governor, the President of the Senate, and the Speaker of the
122 House of Representatives by July 1, 2016, containing the task
123 force's recommendation concerning whether the state should
124 pursue the development and implementation of an online voting
125 system that allows absent uniformed services voters to
126 electronically submit voted ballots. If the task force favorably
127 recommends an online voting system, the report must include
128 recommended steps for developing and implementing such a system.
129 Upon submission of the report, the task force shall expire.

130 (5) The Division of Elections of the Department of State
131 shall provide support staff for the task force. The Agency for
132 State Technology shall assist the task force upon request.

133 Section 4. The Legislature finds that many veterans of the
134 United States Armed Forces in this state have completed training
135 and coursework during their military service, including overseas
136 deployments, resulting in tangible and quantifiable strides in
137 their pursuit of a postsecondary degree. The Legislature further
138 finds that the State Board of Education and the Board of
139 Governors of the State University System must work together to
140 ensure that military training and coursework are granted
141 academic credit in order to assist veterans in continuing their
142 education. Therefore, it is the intent of the Legislature that
143 the State Board of Education and the Board of Governors work
144 collaboratively to:

145 (1) Align existing degree programs, including, but not
146 limited to, vocational and technical degrees, at each state

Amendment No. 1

147 university and Florida College System institution with
148 applicable military training and experience to maximize academic
149 credit award for such training and experience.

150 (2) Appoint and train specific faculty within each degree
151 program at each state university and Florida College System
152 institution as liaisons and contacts for veterans.

153 (3) Incorporate outreach services tailored to disabled
154 veterans into existing disability services on the campus of each
155 state university and Florida College System institution to make
156 available to such veterans information on disability services
157 provided by the United States Department of Veterans Affairs,
158 other federal and state agencies, and private entities.

159 (4) Facilitate statewide meetings for personnel at state
160 universities and Florida College System institutions who provide
161 student services for veterans to discuss and develop best
162 practices, exchange ideas and experiences, and attend
163 presentations by individuals with expertise in the unique needs
164 of veterans.

165 (5) Make every effort to provide veterans with sufficient
166 courses required for graduation, including, but not limited to,
167 giving priority registration to veterans.
