Re: House Bill 155

Dear Chairman Rooney:

House Bill 155 has been referred to the Transportation and Ports Subcommittee. HB 155 aims to overhaul the Central Florida Regional Transportation Authority in effort to make it more efficient and provide a better service to those who rely on public transportation in their everyday lives. This bill seeks to accomplish these goals by revising the members of the governing board of the authority and directing the authority to contract for the management of its system pursuant to a request for proposal. This bill also calls for OPPAGA to review and evaluate the organizational management and operational effectiveness of the authority.

I respectfully request that you place HB 155 on your subcommittee agenda at the earliest opportunity. I am available to speak with you at your convenience if you have any questions about the bill. Thank you for your consideration.

Respectfully,
