**PROPOSED EXPEDITED LOCAL BILL PROCEDURES
TO BE ADOPTED BY THE
HOUSE OF REPRESENTATIVES
THURSDAY, MARCH 3, 2016**

March 2, 2016

The following report is submitted for the purpose of outlining a procedure for the Expedited Local Bill Calendar, Section 1 of the Special Order Letter for Friday, March 4, 2016. For purposes of these procedures, "Expedited Local Bill Calendar" refers to the section of the Special Order Calendar reserved for the expedited consideration of local bills.

1. The Speaker will take up each bill in the order it appears on the Expedited Local Bill Calendar. Bill numbers will not appear on the board, since House action moves too fast.
2. Removal of a specific bill from the Expedited Local Bill Calendar requires notice by five members received during consideration of the bill. The notice may be presented by a raising of hands during the reading of the bill, or in written form delivered to the Chair of the Rules, Calendar, & Ethics Committee prior to the reading of the bill. Any bill removed from the Expedited Local Bill Calendar will be placed at the end of the next section of the Special Order Calendar for that day.
3. Without separate motions, each local bill will be read a second and third time by title, and the Speaker will announce, "Pass the bill on the motion of (bill sponsor)."
4. Floor amendments to a local bill must be timely filed in accordance with Rule 12.2. A Local Bill Amendment Form signed by the delegation chair explaining the necessity for the substantive amendment must also be delivered to the Local Government Affairs Subcommittee at the same time. If the substantive amendment alters the economic impact of the bill, a revised and signed Economic Impact Statement Form must be submitted to the Local Government Affairs Subcommittee along with the Local Bill Amendment Form. **Any bill with a properly filed amendment accompanied by a signed Local Bill Amendment Form and, if necessary, a revised Economic Impact Statement Form, will be removed from the Expedited Local Bill Calendar, and the bill and the amendment will be placed at the end of the next section of the Special Order Calendar.**
5. Without objection, a single roll call vote will be taken at the conclusion of the reading of all of the local bills on the Expedited Local Bill Calendar.
 - Because a "no" vote would be cast for every bill on the local roll call, a Member wishing to vote against a specific bill or bills should do so by filing a "Nay Vote – Local Bills" form with the Clerk. The forms may be obtained at the Clerk's desk.
6. Adoption of this procedure constitutes consent on the part of the House to a blanket motion to waive the Rules and allow each bill to be read twice by title on the same day.

Adoption of this procedure requires a 2/3 vote of the members present and voting.
