IV. Closing Remarks/Adjournment

Row #	Bill #	Project Title	House Sponsor	County	Request Total	Recipient	Purpose (As Stated on APR Form – Question #11)
1	4865	Envision at Dre's Haven	Alexander, Ramon	Orange	550,000	Dre's Haven, Inc.	Dre's Haven will convert an existing 60-unit apartment complex into Permanent Supportive Housing for adults with intellectual and developmental disabilities (I/DDs) who are either transitioning out of institutional or other separated settings; at serious risk of institutionalization; homeless; or at risk of becoming homeless. The program will offer safe and stable housing, individualized case management, staff and peer support, and assistance connecting adults with IDD to the community.
2	3127	Chabad of Kendall Fortification/Friendship Circle	Aloupis, Vance	Miami-Dade	384,000	Chabad of Kendall Inc.	The Chabad of Kendall offers religious services and schooling, community services and outreach, and operates Friendship Circle of Miami - a provider of one-of-a-kind, inclusive social and recreational programs for individuals with disabilities. The fortification of the Chabad's facilities will ensure the Jewish community a safe place to exercise their religious beliefs and increase access to programs and the scope of services available for individuals with disabilities.
3	4991	Santiago & Friends North Brevard	Altman, Thad	Brevard	300,000	Latino Leadership, Inc. DBA Santiago & Friends - Family C	Santiago & Friends works to address a gap in service for families touched by autism in a linguistically - and culturally-sensitive manner. Focusing primarily on ABA Therapies, Santiago & Friends Center for Autism empowers parents to be the voice for their child and be a major component of their therapy program. This is achieved through applied behavior analysis, parent trainings, and wrap-around services.
4	4497	FSU College of Law Public Interest Law Center: Veterans Legal Assistance Incubator	Avila, Bryan	Leon	200,000	FSU College of Law Public Interest Law Center	The Veterans Legal Assistance Incubator will provide free legal representation to low-income veterans in various matters such as family law cases, mortgage foreclosures, landlord/tenants disputes, public benefits, drivers license reinstatement, etc., the goal being to help veterans in need overcome obstacles to employment and full participation in their communities. Additionally, the program will be an incubator educating law students and pro bono attorneys in veterans assistance matters.

Row #	Bill #	Project Title	House Sponsor	County	Request Total	Recipient	Purpose (As Stated on APR Form – Question #11)
5	9001	Baker County Council on Aging Inc. - Social Service/Senior Center	Brannan, Chuck	Baker	2,900,000	Baker County Board of County Commission	New Social Service/ Senior Center building ,we will be able to provide better services. With a bigger, updated kitchen we will be able to provide more meals for home delivery and our congregate meal site. Larger, safer parking for the staff and seniors. Seniors will have more access to Case Mangers with privacy not having to climb stairs, having other seniors hear personal information. In this facility we will have areas for activities. Respite center to be able care for clients in house.
6	3937	Special Hearts Farm, Inc. Adult Day Training Program	Brown, Kamia	Orange	3,000,000	Special Hearts Farm, Inc.	The specific goal of this project will be to purchase land and build a "forever home" for the Special Hearts Farm. The funds will include building a facility for the Adult Day Training Program, a barn for our "special animals", pasture fencing, and an eventual residential home for residents. This will provide our clients a meaningful day experience, along with a safe forever home. Our focus will continue to include building community inclusion for our clients and support for their families.
7	2789	One More Child Foster Care Wraparound Program	Buchanan, James	Statewide	950,000	One More Child	The One More Child Foster Care Wraparound- the Foster Crew Network, equips and mobilizes teams to support foster parents, kinship care, and non-relative care families. The program also focuses on recruitment of foster families. The goal is to provide various types of support to caregivers and therefore increase the retention and quality of the home environment thereby preventing disruption of placements while ensuring foster children a safe and stable home.
8	3433	The Choice: Single-Parents Mentoring Initiative	Bush, James	Miami-Dade	675,000	Sanctuary of Moses Ministries	Sanctuary of Moses Ministries believe that it's critical to mentor children but that there's an urgency to mentor single-moms who bear the primary responsibility of raising the children. Single Moms make up the majority of single parents in the United States. According to the Census, 1 in 4 children under the age of 18 (16.4 million children) are being raised by single mothers. These mothers, many of whom live in poverty, don't know where to find help and are in dire need.

Row #	Bill #	Project Title	House Sponsor	County	Request Total	Recipient	Purpose (As Stated on APR Form – Question #11)
9	3097	Partnership for Child Health Pediatric Integrated Behavioral Health Services	Byrd, Cord	Duval	150,000	Managed Access to Child Health, Inc. dba Partnership for Chi	Pediatric Integrated Behavioral Health Services is a model program through the Partnership for Child Health that provides comprehensive integrated physical and behavioral support to children and youth in Northeast Florida who are living with complex mental health conditions so that they can achieve and maintain mind-body wellness and reduce psychiatric crisis hospitalization.
10	4023	Child Guidance Center Fetal Alcohol Spectrum Disorders (FASD)	Byrd, Cord	Duval	298,463	Child Guidance Center	This program will provide early identification and early intervention creating seamless access, from detection to real-time services, for children who live with Fetal Alcohol Spectrum Disorders (FASD) and their families.
11	2895	The American Association of Caregiving Youth's Florida Caregiving Youth Expansion Project	Caruso, Mike	Palm Beach	250,000	American Association for Caregiving Youth	The initial goal is to determine the most efficacious way to achieve a successful methodology and implementation of caregiving youth support delivery to increase high school graduation rates of caregiving youth such as has been demonstrated in Palm Beach County. We want caregiving youth throughout Florida to learn they are not alone and receive the recognition and support they need for academic and personal success.
12	4613	City of Sunrise - Facilities for Senior, Veteran, and Children's Programs	Daley, Dan	Broward	200,000	City of Sunrise	The City is requesting funding to rehabilitate approximately 3,400 square feet of space to create classrooms for City programs. It is planned to hold senior and veteran programs during the day to support a currently under-served population in Sunrise and programs for children in the late afternoon and evening, which will allow participants to grow emotionally, physically, and socially in a safe, caring environment through classes and programs.
13	3949	Northwest Behavioral Health Services -Treating Trauma Now Crisis Hotline and Mobile Services	Daniels, Kimberly	Duval	200,000	Northwest Behavioral Health Services, Inc.	Northwest Behavioral Health Services Trauma Crisis Hotline and Mobile Specialists will focus on children, teens and young adults (18 to 26 years old) present with a trauma crisis resulting from an event, series of events or set of circumstances that impact physically or emotionally well-being. The goal is to respond to the trauma individual(s) within 60 minutes to stabilize, provide support, intervention, de-escalate, including making appropriate referrals for needed follow up services.

Row #	Bill #	Project Title	House Sponsor	County	Request Total	Recipient	Purpose (As Stated on APR Form – Question #11)
14	2889	Agape Community Health Center, Inc. Mobile Dental Unit	Davis, Tracie	Duval	750,000	Agape Community Health Center, Inc.	In an effort to replace services the community lost from the 2010 closure of UF Community Oral Health Program that provided access to dental services for underserved populations. This funding will allow Agape Community Health Center to establish a Mobile Dental Program in conjunction with the Hospital Emergency Departments. Medicaid & Uninsured patients who need dental care would be referred to Agape, who will schedule them within five (5) days to be seen on the mobile unit. In 2010, 4,395 Duval County Residents sought emergency room treatment for dental condition typically considered avoidable with appropriate preventive and restorative care, incurring total charges of \$6,905,664. Of that total, \$2, 431,617 was paid by Florida Medicaid. This project will create access at the appropriate point and result in a reduction of cost.
15	9161	Disability Achievement Center - Safe Home Access for Seniors	Diamond, Ben	Pasco, Pinellas	200,000	Disability Achievement Center	The elimination of physical barriers and imminent home deficiencies for low-income seniors with disabilities, preventing premature placement in nursing home facilities.
16	4291	Mount Olive Development Corporation - Senior Connection Senior Center Redevelopment	DuBose, Bobby	Broward	500,000	Mount Olive Development Corporation	The funds will be used to remodel an old 12,824ft Church Building that is currently vacant. The building will be totally gutted and transformed to a Senior Center with affordable housing for homeless persons over 65. The Center will have five 650 sq. ft. apartments, two efficiencies, a fitness center, computer lab, library, kitchen and clothing bank.
17	4013	Children of Inmates Babies 'N Brains Family Supports Program	Duran, Nicholas	Statewide	500,000	Children of Inmates, Inc.	Over 300,000 children in the state of Florida have a parent incarcerated. Research states that these children are acutely at-risk for anti-social behaviors, mental illness and cognitive delays stemming from exposure to Adverse Childhood Experiences (ACE). Program will provide supplemental support services for children ages 0-5 with an incarcerated parent, including home safety visits, Ages and Stages Questionnaire Assessment and ongoing caregiver community supports program.

Row #	Bill #	Project Title	House Sponsor	County	Request Total	Recipient	Purpose (As Stated on APR Form – Question #11)
18	4233	The Camillus House Human Trafficking Recovery (Phoenix) Program	Duran, Nicholas	Miami-Dade	500,000	Camillus House, Inc.	The Camillus House Phoenix Program is designed to concentrate behavioral health and treatment services for adult-aged women who are victims of human trafficking. These individuals are identified and referred by Miami-Dade State Attorney Katherine Fernandez Rundle's Office (SAO), Homeland Security, police departments and other providers for clients who meet the criteria as victims of domestic and commercial sexual exploitation, labor and other forms of human trafficking.
19	4655	Thelma Gibson Health Initiative - Intergenerational Senior Apartments	Duran, Nicholas	Miami-Dade	2,400,000	Thelma Gibson Health Initiative, Inc. (TGHI)	TGHI's West Coconut Grove residents are finding fewer affordable housing options as land values rise. More affordable housing is needed in good condition, located near healthcare/transportation. This community has a proud heritage of Bahamian & African-American immigrants who populated and helped build the Coconut Grove of the early 1900's. Our agency has acquired 15,900 square feet of property in the heart of the community & we seek to build 8 intergenerational senior apartments there.
20	9019	Family Initiative SWFL Autism Project for Community and Clinical Support	Eagle, Dane	Charlotte, Collier, Lee	401,660	Family Initiative	The project will expand access for both children and adolescents on the autism spectrum to community-based support programs and clinical services. Clinical services will include autism-related therapies, including occupational and applied behavior analysis services. As part of the appropriation, Family Initiative will provide data showing its program is making measurable improvements in skills such as communication, behavior reduction, and social interaction.
21	9137	DNA Comprehensive Therapy Care Model	Eagle, Dane	Collier, Lee	1,667,000	DNA Comprehensive Therapy Services	Participants will acquire many necessary and valuable skills (e.g.. eye contact, communication, self regulation) that will provide immediate job opportunities that would otherwise be unavailable to them.

Row #	Bill #	Project Title	House Sponsor	County	Request Total	Recipient	Purpose (As Stated on APR Form – Question #11)
22	3415	Primrose Center Visiting Registered Nurse to Serve Intellectually and Developmentally Disabled (I/DD) Adults	Eskamani, Anna	Orange	80,000	Primrose Center, Inc.	The appropriation will fund a visiting Registered Nurse to serve the medical needs of Primrose’s residential adult I/DD population. The goal is to create an environment that promotes preventative health care regimens that result in positive health outcomes. The Nurse will provide supervisory oversight, compliance training for residential home Support Assistants, transportation for individuals to medical appointments, and act as a patient advocate and provide transcriptions for each visit.
23	9087	Circles of Care - Baker Act CSU Beds	Fine, Randy	Brevard	735,000	Circles of Care, Inc.	Purchase 5.4 Baker Act mental health crisis stabilization unit (CSU) beds for the indigent population that represent an imminent danger to themselves or others.
24	4803	Jewish Family and Community Services - Holocaust Survivor Support Services	Fischer, Jason	Duval, Flagler, St. Johns	325,000	Jewish Family & Community Services, Inc.	JFCS will provide culturally-sensitive, individualized support services to approximately 100 aging Holocaust Survivors in Duval, St. Johns and Flagler Counties. Services (financial assistance, medication assistance, care management and relaxation exercises) will help meet the basic needs of aging Holocaust Survivors living in poverty, improve their physical and mental health and wellness, thereby helping them maintain their ability to live independently and avoid premature institutionalization.
25	4731	University of Florida Health Center for Psychiatry and Addiction	Grall, Erin	Indian River	500,000	University of Florida	To provide mental health and addiction services to residents of Indian River and surrounding counties. This is also an education site where training is provided to medical students, residents (doctors who are in their first three years of practice, supervised by senior level medical faculty) and fellows (doctors who have completed three years of residency training and are pursuing an optional additional year of specialized training) for community psychiatry, psychology, and addiction specialties
26	4861	Johns Hopkins All Children's Hospital - Pediatric Alternative to Opioid Treatment	Grant, James	Pinellas	850,000	Johns Hopkins All Children’s Hospital	The curriculum educates foster parents about trauma-related mental health symptoms, provides them with trauma-informed parenting strategies, and equips them with skills to advocate for their children’s needs within various child-serving systems.

Row #	Bill #	Project Title	House Sponsor	County	Request Total	Recipient	Purpose (As Stated on APR Form – Question #11)
27	2687	Teen Court of Sarasota High-Risk Student Behavior Education and Counseling	Gregory, Tommy	Sarasota	350,000	Teen Court of Sarasota, Inc.	The goal is to educate youth and their families about using vapor products, such as e-cigs and pods, and the effects on health, wellbeing and future. Additionally, we would provide guidance/tools on how to address the challenges youth may be struggling with at home that may have led to this poor choice. Goals will include preventing youth addiction to vaping and other harmful substances and educating parents.
28	4661	Easterseals Vocational Training and Education for Adults with Disabilities	Gregory, Tommy	Manatee	983,888	Easterseals Southwest Florida	Through different custom interactive virtual reality and appropriate training, individuals with unique abilities will benefit from job coaching and training instruction in a non-traditional environment which prepares and teaches by mimicking a work environment through VR, reducing stress and anxiety levels of a real environment. Training that occurs prior to employment eliminates the possibility of an individual's termination of employment due to that person's sensitivities.
29	9007	Flagler Health - Central Receiving System of St Johns and Flagler Counties	Gregory, Tommy	St. Johns	2,500,000	Flagler Health+	Establish a "Central Receiving System" to provide crisis assessment, intervention, and referral services (CAIR) with transitional care beds for St. Johns and Flagler Counties for our youth & adults. This is an effort by Flagler Hospital+, EPIC Behavioral, and SMA Healthcare. The goal is to provide centralized access to both mental health and substance abuse services to the community. There is currently no central receiving system for our youth in Flagler or St. Johns Counties.
30	2641	Sabrina Cohen Foundation - South Florida Center for Adaptive Therapy & Recreation	Grieco, Michael	Miami-Dade	1,000,000	Sabrina Cohen Foundation	This innovative project will create South Florida's first permanent Center for Adaptive Therapy and Recreation, a three-story wheelchair accessible building designed to benefit people of all ages (12+) with varying disabilities. This unique oceanfront facility will be open to the public six days a week, offering indoor and outdoor therapeutic activities under the supervision of highly trained personnel in a safe and comfortable environment; providing complete access from landside to oceanside.

Row #	Bill #	Project Title	House Sponsor	County	Request Total	Recipient	Purpose (As Stated on APR Form – Question #11)
31	2701	South Florida Seniors in Action	Grieco, Michael	Miami-Dade	589,120	South Florida Seniors in Action	Funds are for low income and underprivileged seniors in order to provide food pantries, senior socials, social services, physical and mental stimulation by low impact exercises, arts & crafts, including basic information technology.
32	4515	The Dress for Success Tampa Bay Moving Forward Program	Hattersley, Adam	Hillsborough	24,900	Dress for Success Tampa Bay	The purpose of the Appropriation Funding is to support five Dress for Success Tampa Bay (DFSTB) Moving Forward Program Cohorts. The goal of the DFSTB Moving Forward Program is to help unemployed and under-employed women accelerate their job search, gain professional skills, and build confidence through weekly training sessions, one-on-one career coaching, and networking in a supportive environment.
33	3189	City of Coral Springs Mobile Integrated Health Care Program	Jacobs, Kristin	Broward	120,000	City of Coral Springs	An ALS-equipped (advance life support) vehicle, staffed by Coral Springs Fire Department paramedics and a nurse practitioner or physician's assistant will provide treatment of low severity medical issues to patients at locations that are most convenient for them.
34	2613	Broward Behavioral Health Coalition's Zero Suicide Initiative	Jenne, Evan	Broward	500,000	United Way of Broward County	The funding requested will be utilized to support a coordinated system of suicide prevention through specifically identified evidence based practices that will be outlined in the Psychological Autopsy of Broward County. The Broward Behavioral Health Coalition (BBHC) will conduct the Psychological Autopsy of Broward County in partnership with key community stakeholders and build a Community-wide Suicide Prevention Action Plan with specific recommendations to reduce suicide rates in Broward County
35	3869	Broward Community and Family Health Centers Cervical Cancer Prevention and Detection	Jones, Shevrin	Broward	246,732	Broward Community and Family Health Centers	To reduce incidence of cervical cancer by increasing access to routine screenings, improve compliance through early detection, and reduce the overall cost of treating women diagnosed with cervical cancer. With this funding, 400 women ages 21 to 49 will receive education and care coordination. For high risk and/or positive results, a colposcopy will be provided.

Row #	Bill #	Project Title	House Sponsor	County	Request Total	Recipient	Purpose (As Stated on APR Form – Question #11)
36	4403	City of West Park - Senior Programming	Jones, Shevrin	Broward	250,000	City of West Park	In keeping with the nation’s desire to enhance the quality of life for our senior residents, the Senior Program will support high quality, low-cost activities and nutrition for seniors. The program will provide weekly activities through shuttle bus transportation, credentialed and courteous staff services, social interaction, recreational outings, health fairs, exercise and nutrition. This program will minimize service gaps for our senior population who may suffer from depression, anxiety, and loneliness.
37	4431	Sundari Foundation - The Lotus House Women's Shelter	Joseph, Dotie	Miami-Dade	466,807	Sundari Foundation, Inc. dba Lotus House Women's Shelter	Since October 2016, when this data was tracked through April 2019, Safe Space turned away 2179 people seeking shelter. Domestic violence is a lead cause of homelessness for women and children nationally. At Lotus House, an estimated 98% of shelter women are fleeing domestic violence, have domestic violence histories and/or are victims of violence and other serious traumas. We will shelter gaps for victims and provide intensive, evidence-based and trauma focused counseling.
38	4297	Change Everything Initiative - The Florida Opioid Crisis Pilot Project	La Rosa, Mike	Orange	389,400	Change Everything Initiative dba Project Opioid, Inc.	Project Opioid intends to curb opioid misuse, dependency and overdoses and save lives by creating a comprehensive roadway system to ending the opioid crisis that closes the gaps between prevention, response, and recovery. We will achieve this by launching a comprehensive advocacy campaign, implementing our Corporate Engagement on Opioids (C.E.O.) HR programs in businesses and developing our Community Resource Centers (CRCs) across the state of Florida.
39	4299	Park Place Behavioral Health - Pilot Emergency Department Diversion Project	La Rosa, Mike	Osceola	300,000	Osceola Mental Health, Inc. d.b.a. Park Place Behavioral Health	The Park Place Pilot Emergency Department Diversion Project will focus on patient-centered care coordination and make available certain substance use services in an effort to address the needs of persons identified at risk for or experiencing a substance use disorder, or surviving an opioid or other drug poisoning (overdose).

Row #	Bill #	Project Title	House Sponsor	County	Request Total	Recipient	Purpose (As Stated on APR Form – Question #11)
40	4301	The Transition House - Homeless Veterans Program	La Rosa, Mike	Osceola	500,000	The Transition House of St. Cloud	To provide substance abuse and mental health services to those clients that are unable to afford these services otherwise. Specifically, Veterans that are homeless and chronically homeless, as well as those that have been released from incarceration. Our program provides treatment including individual and group therapy, psycho-educational classes and groups, vocational skills training, case management, life skills building, access to opportunities for housing and employment.
41	2643	Exchange Club Parent Education and Child Abuse Prevention Services for Palm Beach and Broward Counties	LaMarca, Chip	Broward, Palm Beach	277,840	Exchange Club Dick Webber Center DBA: The Children's Healing	The requested funds will be used to expand an evidenced based, nationally recognized parent education program for parents who are at risk of or have abused or neglected their children. Funds would provide for prevention services to an estimated 216 children/180 adults. The program would build parenting skills and reduce the likelihood of child abuse , DCF involvement, and child removal from the home. Cost of building parenting skills is \$1280 per child vs \$50,000 per child in foster care .
42	3909	Ability Tree Florida R.E.S.T. and Recreation Center	Massullo, Ralph	Hernando	220,200	Ability Tree of Florida, Inc.	The R.E.S.T. program serves families impacted by disability through recreation, education, support and training. This includes respite services for parents and caregivers of children with special needs, and family-friendly community events they are be a part of without worry or limitations. Because the needs of this population are complex, many of the families we serve have very limited access to care.
43	4597	NAMI Hernando - The Beautiful Mind Center	Massullo, Ralph	Hernando	1,000,000	NAMI Hernando	In April 2016, Governor Scott signed a bill into law (SB12), which, among other reforms, explicitly added language stating that the legislature expects the state’s behavioral health services to be based on recovery oriented systems of care (ROSC) that link individuals to resources that support their successful community-based recovery. Momentum for ROSC is building statewide and NAMI Hernando would like to build a community based recovery center.

44	9003	Inmar Government Services - Disaster Supplemental Nutrition Assistance Program Mobile Technology Pilot	McClure, Lawrence	Bay, Walton	250,000	Inmar Government Services, LLC	Pilot program authorizes the implementation and use of mobile technology for the Florida Disaster Supplemental and Nutrition Assistance Program, and to draw down a 200% match of Federal Funds. This program will work in combination with outcomes as described in attachment titled "Inmar Budget Request Question 18 Outcomes".
45	9135	University Area Community Development - STEPS for Success Program Expansion	McClure, Lawrence	Hillsborough	250,000	University Area Community Development Corporation, Inc.	Funds will pilot the expansion of the STEPS for Success program throughout West Central Florida to serve 40 additional families/140 individuals, in addition to the current 84 families/294 individuals, through the expansion in Plant City for the general population. STEPS is a self-sustainability program that serves families in Hillsborough County, and it saves the County \$30,000 per family served.
46	9101	City of Homestead: Breast Cancer Screening	McGhee, Kionne	Miami-Dade	500,000	City of Homestead	The funds for this project will be used for a mammography program for uninsured women under the age of 40 in an effort to increase early detection of breast cancer and reduce the number of women who die from the disease. This is especially important given that a 2010 Health Report by the University of Miami's Health Foundation of South Florida, findings show that Homestead holds a higher percentage rate of breast cancer cases diagnosed at late stages than Miami-Dade County as a whole.
47	3473	The Kind Mouse Productions Kids Feeding Kids Program	Newton, Wengay	Pinellas	84,225	The Kind Mouse Productions, Inc.	The goal is to alleviate child hunger and provide a safety net for families during times of economic transition. Chronic child hunger and food insecurity is a clear and present danger in Pinellas County. It is not always visible, but it exists - and it is heartbreaking. Services include a weekend pack sack program, an emergency food program, a 90-day family transition program and a youth outreach program.

Row #	Bill #	Project Title	House Sponsor	County	Request Total	Recipient	Purpose (As Stated on APR Form – Question #11)
48	3693	City of Lauderdale Lakes Alzheimer's Care Center - Alzheimer Care Services Expansion	Omphroy, Anika	Broward	249,999	City of Lauderdale Lakes	The City of Lauderdale Lakes is seeking a continuation of funding to expand services at the Lauderdale Lakes Alzheimer's Care Center and to serve the increasing supply of average income seniors that are in need of Services within Broward County. Continuation of funding for the program would respond to the critical need to serve people with early onset Alzheimer's disease and their caregivers. The methodology to measure the outcome is the increase in respite care, and caregiver support.
49	4909	The Transition House of Starke - Substance Abuse and Homeless Relief Program	Payne, Bobby	Bradford	500,000	The Transition House, Inc.	The purpose of this program is to provide substance abuse and mental health services to those clients that are unable to afford these services otherwise. Specifically, individual that are homeless and chronically homeless, those that have been released from incarceration. Our program provides treatment including individual and group therapy, psycho-educational classes and groups, vocational skills training, case management, life skills building, access to opportunities for housing and Employment
50	4911	City of Green Cove Springs - Augusta Savage Social Services Complex	Payne, Bobby	Clay	350,000	City of Green Cove Springs	Centralizing additional Social Services to provide for better services and availability for clients. We have received letters of interest from the Way Free Medical Clinic and Clay Behavioral Health Center.
51	4915	Clay Behavioral Health - Crisis Prevention Team	Payne, Bobby	Clay	500,000	Clay Behavioral Health Center, Inc.	Project provides increased access to services to priority populations as defined in F.S. 394.674, and fits with the statewide effort to keep individuals with severe mental illnesses in the community as the Olmstead Act requires. Services are cost effective and efficient. Early access to care in a mental health crisis reduces the need for more costly and intensive services. Providing services to substance abusing parents helps maintain families and keeps children safe.

Row #	Bill #	Project Title	House Sponsor	County	Request Total	Recipient	Purpose (As Stated on APR Form – Question #11)
52	4545	Miami-Dade County Homeless Trust - Bridge Housing for Specialized Outreach	Perez, Daniel	Miami-Dade	562,000	Victoria Mallette	The goal of the bridge housing model is to prioritize severely mentally ill, unsheltered clients, for immediate permanent placement and ultimately, into other supportive units. As clients stabilize, acquire benefits and required documentation, they would be moved from the bridge units into other permanent destinations, including but not limited to Assisted Living Facilities, skilled nursing facilities, reunification with family or friends, CoC PSH, VASH or other permanent housing.
53	4547	Miami Bridge Youth and Family Services - Host Homes for Homeless Youth Program	Perez, Daniel	Miami-Dade	200,500	Miami Bridge Youth and Family Services, Inc.	In accordance with the mandate to end homelessness by 2020, funds will be used to seek permanency housing and services for the most vulnerable, difficult to place youth, ages 16-21. Youth who are waiting for permanent housing will receive mental health counseling (as needed) and services to prepare them for independent living ie case management, job readiness, academic advisement and placement, and wraparound services.
54	4737	Transitional Crisis Services - Mental Health & Substance Abuse	Plasencia, Rene	Brevard, Lake, Orange, Osceola, Seminole	800,000	Aspire Health Partners	Aspire Health Partners will provide safe, sober, transitional services, supportive housing, assessment, case mgt, outpatient, assisted outpatient and overlay behavioral health services for individuals stepping-down from acute care mental health and substance abuse services. Benefit is to provide safe, sober, stabilizing services to promote recovery, reduce relapse, acute care readmissions and increase functionality among individuals with mental health and substance use disorders.
55	4743	Nemours Children's Hospital - Specialty Children's Hospital Reimbursement Rate	Plasencia, Rene	Orange	4,178,520	Nemours Children's Hospital	Provides the funding needed to correct the inequity in the calculation of the inpatient and outpatient reimbursement rate for this specialty children's hospital; making it consistent with that received by the other specialty children's hospitals. The inequity has been identified by the findings of the Florida Medicaid Specialty Children's Hospital Reimbursement Review completed by Navigant which was directed by the SFY 2019/20 General Appropriations Act, Specific Appropriation 203.

Row #	Bill #	Project Title	House Sponsor	County	Request Total	Recipient	Purpose (As Stated on APR Form – Question #11)
56	4745	Nemours Children's Hospital - Improving Access to Pediatric Residency & Fellowship GME	Plasencia, Rene	Orange	1,200,000	The Nemours Foundation	The State of Florida investing in a residency program at Nemours Children's Hospital allows Nemours the ability to have a fellowship. The fellowship would help address the shortage of pediatric subspecialty medical providers in Florida. By 2025, the State estimates there will be a shortage of 7,000 medical specialties. The ultimate goal is to serve Florida's growing pediatric population, and ensure their families do not leave Florida because the unique care their child needed was not offered.
57	4751	Palm Beach County - Glades Homeless Resource Center	Polsky, Tina	Palm Beach	1,000,000	Palm Beach County Board of County Commissioners	Homeless individuals referred to the Glades Homeless Resource center will receive high-quality services which are necessary to return to a self-sufficient and productive lifestyle. This 24-hour, 365 day facility will also sleep 60 people who can stay a maximum of 90 days while receiving needed services. This will be accomplished by utilizing a current county structure, and renovating it to effectively house this center and all of its functions.
58	2737	University of Miami- HIV/AIDS Research at Centers for AIDS Research (CFAR)	Raschein, Holly	Miami-Dade	1,000,000	University of Miami	The objective of the state funding initiative is to support and enhance high quality HIV/AIDS research through pilot grant funds leading to a cure for HIV/AIDS and AIDS vaccine-developments in response to the health needs of Florida's citizens. Two of our State Pilot Awardees published with Dr. Ronald C. Desrosiers; one publication on a strategy that leads to an AIDS cure and another publication on significant advance in developing a potential HIV vaccine .
59	2739	Florida Keys Healthy Start Coalition - Healthy and Growing from the Start: A Continuum of Care Model	Raschein, Holly	Monroe	350,000	Florida Keys Healthy Start Coalition, Inc.	To address gaps in prenatal and postpartum services for families in Monroe County caused/exacerbated by the drastically changing economy in the Keys, extremely high cost of living, lack of healthcare facilities and providers, and limited learning opportunities for families with children ages 0-5.

Row #	Bill #	Project Title	House Sponsor	County	Request Total	Recipient	Purpose (As Stated on APR Form – Question #11)
60	2741	Florida Keys Area Health Education Center	Raschein, Holly	Monroe	500,000	Florida Keys Area Health Education Center, Inc.	The goal of the program is to provide full time comprehensive direct primary care medical services for medically vulnerable school aged children through 8 clinical sites. Having primary, oral and mental health care services available in the school during school hours will improve the health of identified medically underserved families through direct care and early identification/treatment of disease. Results of the program are that children will have ongoing access to quality medical care.
61	4429	Extended-Release Injectable Naltrexone Program	Raschein, Holly	Statewide	1,021,726	Department of Children and Families/Florida Alcohol and Drug	Program will assist individuals with alcohol and/or opioid abuse and dependence problems recover through medication-assisted treatment for their addictions.
62	4889	Ft. Myers Salvation Army Co-Occurring Residential Treatment Program	Roach, Spencer	Lee	300,000	The Salvation Army	The purpose of requesting the funds is to increase the immediate access to mental health services and substance abuse treatment. By increasing the successful turn around time for services in-house we will effectively save 3-6 weeks of wait time for local mental health services in the community. With decreasing the wait time for services a more positive outcome is likely to occur for offenders.
63	4477	MCR Health Hospital Diversion	Robinson, Will	DeSoto, Manatee, Sarasota	2,000,000	MCR Health, Inc.	Provide same day and walk in access to primary care locations to reduce the high cost of hospital ER visits, inpatient stays and inpatient stays as a result of re-admissions.
64	4707	Easterseals Southwest Florida Mental Wellness for Persons with Developmental Disabilities	Robinson, Will	Sarasota	1,728,000	Easterseals Southwest Florida	Mental Wellness support programs including education, therapy, social work, case management, and behavioral services for children and adults with autism spectrum disorder and other developmental disabilities. Provide training and technical support to Easterseals staff and other providers that serve persons with developmental disabilities across the state to increase access to mental health services.
