3	2839	The South Florida Behavioral Health Network's Involuntary Outpatient Services Demonstration Project	Aloupis, Vance	Miami-Dade	400,000	South Florida Behavioral Health Network, Inc.	Funding will be used to continue implementation of an Involuntary Outpatient Services (IOS) pilot project demonstrating the impact of changes to the Baker Act subsequent to the passage of SB12 during the 2016 regular legislative session. This legislation expanded authority of criminal county court judges to initiate involuntary examinations under the Baker Act and to order a person who meets the criteria specified in law to participate in outpatient services.
4	2625	Gulf Breeze Hospital- Hurricane Hardening Project	Andrade, Alex	Santa Rosa	6,859,297	Baptist Health Care	This funding will be used to secure Gulf Breeze Hospital, a critically important acute care hospital serving the people of Santa Rosa, Escambia, and Okaloosa Counties, from the effects of tropical storm force winds. This will be accomplished by replacing the original windows with wind-resistant windows and further protecting the building envelope to include outdoor louvers and roofs, to bring the facility to current building code standards.
5	3095	Chrysalis Health Military Member and Family Support Services (MMFSS)	Byrd, Cord	Statewide	850,000	Chrysalis Health	Chrysalis Health (CH) would engage and embrace military members and their families impacted by behavioral health issues where they live. 7	3683	Nassau County Council on Aging - Hilliard Westside Senior Life Center & Adult Day Healthcare	Byrd, Cord	Nassau	600,000	Nassau County Council on Aging	The existing Life Center in its current state is not conducive to the health and well-being of seniors. There are areas in the building which pose a potential hazard. When it rains, water seeps into the the cinder block walls, causing potential problems, and without immediate intervention, this would be unsafe for seniors, including a mold hazard. Seniors will receive services that will empower them to live and lead happy, healthy lives. They will not only survive, but thrive.
8	4195	211 Palm Beach Treasure Coast - South Florida Suicide Prevention and Crisis Intervention Outreach Project	Caruso, Mike	Palm Beach	500,000	211 Palm Beach Treasure Coast, Inc. By not having large overhead costs of breeding and housing dogs, we provide a higher # of veterans served per year, increasing our Return On Investment.
