RULES OF THE FLORIDA HOUSE OF REPRESENTATIVES

RULE ONE—LEGISLATIVE ORGANIZATION

1.1—Officers of the House

(a) CONSTITUTIONAL OFFICERS. Pursuant to Section 2 of Article III of the State Constitution:

(1) The House shall choose a permanent presiding officer, designated the "Speaker."

(2) The House hereby designates as its clerk the Clerk of the House (hereinafter "Clerk"), to be appointed and serve in accordance with these rules.

(b) HOUSE LEADERSHIP. In addition to the Speaker, the House shall choose a Speaker *pro tempore*, who shall serve in accordance with Rule 2.5. The Speaker shall appoint a Majority Leader from among the members of the Majority Conference to serve at the pleasure of the Speaker. The Minority Conference shall select a Minority Leader from among the members of the Minority Conference.

(c) OTHER OFFICERS. The Speaker shall appoint a Clerk and a Sergeant at Arms, who shall be employees of the House.

1.2—Political Party Conferences

Conference rules shall be interpreted and enforced solely by the respective caucuses.

1.3—Seating Challenges

In the case of a contest for a seat in the House, notice setting forth the specific grounds of such contest and the supporting evidence must have been received by the Clerk not less than 5 days before the organization session of the Legislature. No motion to disqualify a member shall be in order at the organization session until a Speaker has been elected in accordance with the State Constitution. In the case of a special election, notice must have been received by the Clerk not less than 5 days before the next regular or special session convenes. If the election is during a session or less than 5 days before the next session, the notice must have been received on the next legislative day following the receipt of certified election results. A contest setting forth facts sufficient to warrant review shall be referred by the Speaker to an appropriate committee or subcommittee. The committee or subcommittee shall conduct hearings as required and report its findings and recommendations to the House. Upon receipt of the committee or subcommittee report, the House shall convene with all dispatch to determine the contest by a majority vote.

RULE TWO—POWERS, DUTIES, AND RIGHTS OF THE SPEAKER

2.1—Presiding

The Speaker shall take the chair and call the House to order at the hour appointed for meeting and, if a quorum is present, shall proceed with the order of business.

2.2—Interpreting Rules

The Speaker shall interpret, apply, and enforce the Rules of the House.

2.3—Deciding Questions of Order

(a) **DETERMINATION BY THE SPEAKER.** All questions of order shall be presented to the Speaker for determination. The Speaker may require the member raising a point of order to cite the rule or other authority in support of the question. The Speaker may decide the question of order, put such question to the House, or refer such question to the chair of the Rules Committee for a recommendation to the Speaker. Any decision of the Speaker on a point of order is subject to an appeal to the House made timely and separately by any five members.

(b) **QUESTIONS OF ORDER ARISING IN COMMITTEE OR SUBCOMMITTEE.** A question of order may be certified by a committee or subcommittee chair to the Speaker for determination as any other question of order. A question of order decided in committee or subcommittee may be appealed to the Speaker, provided the appeal is announced in the committee or subcommittee meeting, presented in writing, signed by two members of the committee or subcommittee, and delivered to the applicable chair before 4:30 p.m. the next day (excluding Saturdays, Sundays, and official state holidays). The appeal must then be immediately certified by the chair to the Speaker, who shall decide the question as any other question of order. The certification or appeal of a question arising in committee or subcommittee does not constitute an automatic stay of further action on the measure to which the question relates.

(c) **APPEAL TO THE HOUSE.** When a decision of the Speaker on a question of order is appealed, the Speaker shall put the appeal to the House. No member may speak more than once, or for more than 3 minutes, on an appeal unless given leave by the House by majority vote.

(d) **DECISIONS NOT SUBJECT TO APPEAL.** Responses to parliamentary inquiries and decisions of recognition made by the Speaker may not be appealed.

2.4—Execution of Documents

The Speaker shall sign all bills and all writs, warrants, and subpoenas issued by order of the House, all of which shall be attested to by the Clerk. The Speaker may delegate the authority to sign papers authorizing payments or other papers of an administrative nature.

2.5—Appointment of a Temporary Presiding Officer

(a) The Speaker may appoint any member to perform the duties of presiding officer for a temporary period of time not to extend beyond a single legislative day.

(b) If the Speaker is absent and has not appointed a presiding officer pursuant to subsection (a), the Speaker *pro tempore* shall act as presiding officer during the Speaker's absence. However, if the Speaker *pro tempore* is also absent and has not appointed a presiding officer pursuant to subsection (a), the chair of the Rules Committee shall act as presiding officer during the absence of both the Speaker and Speaker *pro tempore*.

(c) Upon the Speaker's incapacity or other inability to serve, the Speaker *pro tempore* shall exercise the duties, powers, and prerogatives of the Speaker during the period of such incapacity or other inability to serve.

(d) The Speaker *pro tempore* shall exercise the duties, powers, and prerogatives of the Speaker in the event of the Speaker's death or resignation until the Speaker's successor is elected.

2.6—Protecting the Interests of the House

The Speaker may initiate, defend, intervene in, or otherwise participate in any suit on behalf of the House, a committee or subcommittee of the House, a member of the House (whether in the legal capacity of member or otherwise), a former member of the House, or an officer, employee, or agent of the House when the Speaker determines that such suit is of significant interest to the House.

2.7—Control of House Facilities

The Speaker shall have administrative control of the Chamber when the House is not in session and of every other room, lobby, and gallery of the House.

RULE THREE—MEMBERS

3.1—Membership

The House shall exercise its right to be the sole judge of the qualifications, elections, and returns of its members.

3.2—Voting Obligation

Except when abstention is required, every member shall have an obligation to vote on all matters that come before the House in session or before any committee or subcommittee to which the member is appointed. A member may not vote by proxy. A member may register an electronic vote in the Chamber for another member at the other member's specific request and direction, provided the requesting member is in the Chamber during the vote.

(a) ABSTENTION ON MATTERS OF SPECIAL PRIVATE GAIN OR LOSS. A member may not vote on any measure that the member knows would inure to the member's special private gain or loss. The member must disclose the nature of the member's interest in the matter from which the member is required to abstain.

(b) DISCLOSURE ON MATTERS OF SPECIAL PRIVATE GAIN OR LOSS TO FAMILY OR PRINCIPALS.

(1) When voting on any measure that the member knows would inure to the special private gain or loss of:

a. Any principal by whom the member or the member's spouse, parent, or child is retained or employed;

b. Any parent organization or subsidiary of a corporate principal by which the member is retained or employed; or

c. A relative or business associate of the member, the member must disclose the nature of the interest of such person in the outcome of the vote.

(2) For the purpose of this rule, the term:

a. "Relative" means any father, mother, son, daughter, husband, wife, brother, sister, father-in-law, mother-in-law, son-in-law, or daughter-in-law.

b. "Business associate" means any person or entity engaged in or carrying on a business enterprise with the member as a partner, joint venturer, corporate shareholder where the shares of such corporation are not listed on any national or regional stock exchange, or co-owner of property.

(c) METHODS OF DISCLOSURE. If the vote is taken on the floor, disclosure under this rule or under any related law shall be accomplished by filing with the Clerk, within 15 days after the vote occurs, a memorandum the substance of which shall be printed in the *Journal*. If the vote is taken in a committee or subcommittee, the memorandum shall be filed, within 15 days after the vote

occurs, with the committee or subcommittee administrative assistant, who shall file such memorandum in the committee or subcommittee files and with the Clerk.

3.3—Attendance Obligation

(a) COMMITTEE AND SUBCOMMITTEE MEETING ATTENDANCE. A member shall attend all meetings of committees and subcommittees to which appointed unless excused by the chair or by the Speaker. Excuse from a House session shall constitute excuse from that day's meetings. Failure to attend two meetings, unless excused, shall constitute automatic removal from the committee or subcommittee and create a vacancy. Upon notification of automatic removal, the Speaker may make an appointment to fill such vacancy.

(b) SESSION ATTENDANCE.

(1) A member may not be absent from the sessions of the House without approval from the Speaker. Upon written request of a member submitted in a timely manner, the Speaker may, by written notice to the Clerk, excuse the member from attendance for any stated period. It shall be the responsibility of the excused member to advise the Clerk when leaving and returning to the Chamber.

(2) Any member who has answered roll call, either orally or by electronic means, at the opening of any daily session, or who enters after the initial quorum call and informs the Clerk of the member's presence, shall thereafter be presumed present unless necessarily prevented or leave of absence is obtained from the Speaker. The Speaker shall make any determination as to whether a member was necessarily prevented.

3.4—Open Meetings

(a) Subject to order and decorum, each member shall provide reasonable access to members of the public to any meeting between such member and more than one other member of the Legislature, if such members of the public have requested admission and such meeting has been prearranged for the purpose of agreeing to take formal legislative action on pending legislation or amendments at such meeting or at a subsequent time.

(b) Subject to order and decorum, a member of the public requesting admission shall have reasonable access to any meeting between the Speaker, the Senate President, or the Governor, if such meeting has been prearranged for the purpose of agreeing to take formal legislative action on pending legislation or amendments at a subsequent time.

(c) No meeting required by these rules to be open to members of the public shall be conducted in the Members' Lounge, at any location that is closed to the public, or at any location that a participating member knows prohibits

admission on the basis of race, religion, gender, national origin, physical disability, or similar classification.

(d) Meetings conducted in the Chamber of either the House or the Senate while such body is in session shall be considered to be held at a location providing reasonable access to, and to be reasonably open to, the public.

(e) When the number of persons attending a meeting subject to this rule must be limited because of space considerations or otherwise for the maintenance of order or decorum, at least one representative each of the print, radio, and television media shall be included among the members of the public admitted, if such persons have requested admission.

(f) For the purpose of this rule, and as used in Section 4 of Article III of the State Constitution, legislation shall be considered pending if filed with the Clerk. An amendment shall be considered pending if it has been delivered to the administrative assistant of a committee or subcommittee in which the legislation is pending or to the Clerk, if the amendment is to a bill that has been reported favorably by each committee or subcommittee of reference. The term "formal legislative action" shall include any vote of the House or Senate, or of a committee or subcommittee of either house, on final passage or on a motion other than a motion to adjourn or recess.

A member may withdraw as a cosponsor or a prime cosponsor by submitting a request to the Clerk.

(c) Bills that propose to amend existing provisions of law shall contain the full text of the section, subsection, or paragraph to be amended. As to those portions of general bills that propose to amend existing provisions of the Florida Statutes, words to be added shall be inserted in the text underlined, and words to be deleted shall be struck through with hyphens. If the change in language is so general that the use of these procedures would hinder, rather than assist, the understanding of the amendment, it is not necessary to use the coded indicators of words added or deleted, but, in lieu thereof, a notation similar to the following shall be inserted immediately preceding the affected section of the bill: "Substantial rewording of section. See s. . . . , F.S., for present text." When such a notation is used, the notation, as well as the substantially reworded text, shall be underlined. The words to be deleted and the above-described indicators of such words and of new material are for information and guidance and do not constitute a part of the bill under consideration. Numerals in the margins of the line-numbered pages do not constitute a part of the bill and are shown on each page only for convenience in identifying lines. Section catchlines of existing text shall not be underlined, nor shall any other portion of a bill covered by this rule other than new material.

The report shall be signed by the Special Master, who shall be available, in person, to explain his or her report to any committee or subcommittee of reference.

(b) Stipulations entered into by the parties are not binding on the Special Master or the House or any of its committees or subcommittees.

5.14—Appropriations Project Bills

(a)(1) For purposes of these rules, the term "appropriations project" means a specific appropriation, proviso, or item on a conference committee spreadsheet agreed to by House and Senate conferees providing funding for:

a. A local government, private entity, or privately-operated program, wherein the specific appropriation, proviso, or item on a conference committee spreadsheet specifically names the local government, private entity, or privately-operated program or the appropriation, proviso, or item is written in such a manner as to describe a particular local government, private entity, or privately-operated program;

b. A specific transportation facility that was not part of the Department of Transportation's 5-year work program submitted pursuant to s. 339.135, Florida Statutes;

c. An education fixed capital outlay project that was not submitted pursuant to s. 1013.60 or s. 1013.64, Florida Statutes, unless funds for the specific project were appropriated by the Legislature in a prior year and additional funds are needed to complete the project as originally proposed;

d. A specified program, research initiative, institute, center, or similar entity at a specific state college or university, unless recommended by the Board of Governors or the State Board of Education in their Legislative Budget Request; or

(b) For purposes of these rules, the term "appropriations project bill" means a bill proposing funding for an appropriations project, which must be filed as a stand-alone bill and must be submitted to the House Bill Drafting Service in the form prescribed by the Speaker. Before an appropriations project bill may be filed, an appropriations project request form must be completed and electronically submitted in the form prescribed by the Speaker. An appropriations project bill may not be amended to include any additional appropriations project. An appropriations project bill may only request nonrecurring funds.

(c) Before an appropriations project bill may be placed on a House committee or subcommittee notice, an attestation from the organization or entity for which the associated appropriations project request form was submitted must be filed with the Public Integrity & Elections Committee in the form prescribed by the Speaker. The attestation must include verification under penalty of perjury that the information in the appropriations project request form is true and accurate, that any inaccuracies will be promptly corrected, and that the organization or entity consents to investigation of such information and any matter relevant thereto.

(d) Except as provided in Joint Rule 2, a House bill is out of order if it funds an appropriations project that was not filed as an appropriations project bill that was reported favorably by a House committee or subcommittee. For the purposes of this rule, an appropriations project bill that is approved as part of a consent agenda is considered to be reported favorably by a House committee or subcommittee.

(e) A House bill is out of order if a recurring appropriation is used to fund an appropriations project.

(f) A House bill is out of order if it funds an appropriations project that is not clearly identified.

(g) A House bill is out of order if it funds an appropriations project in an amount less than 50 percent of the amount of funding proposed in an appropriations project bill as originally filed.

3. A member wishing to vote against a specific bill or bills included on the noticed consent agenda must file with the committee or subcommittee considering the bill a "Nay Vote – Consent Agenda" form before the chair calls for the vote on the consent agenda. The chair shall announce the "nay" votes on specific bills before calling for the vote on the consent agenda.

5.17—Companion Measures

A companion Senate bill must be substantially similar in wording, and identical as to specific intent and purpose, to the House bill for which it is being substituted. Whenever a House bill is reached on the floor for consideration, either on second or third reading, and there is also pending on the Calendar of the House a companion bill already passed by the Senate, it shall be in order to move that the Senate companion bill be substituted and considered in lieu of the House bill. Such motion may be adopted by a majority vote, provided the Senate bill is on the same reading; otherwise, the motion shall be to waive the rules by a two-thirds vote and substitute such Senate bill. At the moment the House substitutes the Senate companion bill or takes up a Senate bill in lieu of a House bill, the House bill so replaced shall be automatically laid on the table.

5.18—Legislative Reapportionment and Congressional Redistricting Bills and Amendments

Bills and amendments proposing any reapportionment or redistricting of the state's legislative or congressional districts shall be submitted to the Redistricting Committee in the form prescribed by the Speaker. (b) If an amendment adopted on the floor of the House affects an appropriation or a tax matter, upon a point of order made by the chair or vice chair of a fiscal committee, the bill may be referred by the Speaker, with the amendment, to an appropriate committee or subcommittee. If the bill, as amended on the floor, is reported favorably without further amendment, it shall be returned to the same reading as when referred. 6.6—Policy Bills; Additional Reference

(b) Any member voting on the prevailing side on passage or defeat of a bill may, as a matter of right, serve notice that the bill be retained through the next committee or subcommittee meeting for the purpose of reconsideration. Such notice by an individual member may be set aside by adoption of a motion to report the bill immediately, which shall require a two-thirds vote. No bill may be retained under this provision after the 40th day of a regular session or during any extended or special session.

(c) A motion to reconsider a collateral matter must be disposed of during the course of consideration of the main subject to which it is related.

New amendments recommended by the conference committee shall accompany the report.

(b) A meeting of the House and Senate conferees is a meeting of the two groups. Conference committee meeting notices shall be published at least 1 hour before the time scheduled for the meeting. Each conference committee may determine its own procedures and select a member to preside if a majority of managers of each house agree.

(c) The receiving of conference committee reports shall always be in order, except when the House is voting on any proposition. When a conference committee report is presented to the House, the procedure shall be:

(1) First to vote on a motion to accept the report in its entirety. The motion shall not be subject to amendment. If this vote fails, the report shall be automatically recommitted to the conference committee.

(2) If the report is accepted, the final vote shall be a roll call on the passage of the bill as amended by the report. The bill as amended by the report is not subject to further amendment.

(d) When House managers report inability of a conference committee to agree, no action of the House taken before such appointment shall preclude further action by the House as the House may determine.

PART FOUR—Oversight Powers and Responsibilities

7.23—Oversight Powers and Responsibilities of Standing Committees and Subcommittees

(a) Each standing committee or subcommittee is authorized to exercise all powers authorized for committees pursuant to s. 11.143, Florida Statutes, to carry out oversight responsibilities within its respective subject matter jurisdiction. For purposes of this rule, the Speaker shall determine the subject matter jurisdiction of each committee or subcommittee.

(b) Select committees shall exercise committee powers authorized by s. 11.143, Florida Statutes, whenever specifically authorized in writing by the Speaker.

(c) Each committee or subcommittee shall exercise other oversight powers and responsibilities vested in the House whenever specifically authorized by the Speaker.

(d) Each committee or subcommittee shall conduct other business as directed by the Speaker.

RULE EIGHT—DEBATE AND CHAMBER PROTOCOL

PART ONE—Privilege of the Floor

8.1—Privilege of the Floor

(a) MEMBERS' ACCESS. Members of the House shall have the exclusive right to enter the Chamber during daily floor sessions, and no other person shall be admitted unless granted privilege of the floor as provided below.

(b) PRIVILEGED GUESTS. Subject to the Speaker's discretion to maintain safety, order, and decorum, the Governor, the Lieutenant Governor, the Chief Financial Officer, the Attorney General, the Commissioner of Agriculture, members of the Senate, Justices of the Supreme Court, former members of the House, the Doctor of the Day, the Guest Chaplain, and the Law Enforcement Officer of the Day are granted the privilege of the floor; however, no registered lobbyist may be so admitted.

(c) EMPLOYEES' ADMISSION. House employees may be admitted to the Chamber as determined by the Speaker.

(d) OTHER GUESTS. Other guests may be granted the privilege of the floor by the Speaker or by the House.

(e) RESTRICTIONS ON NON-MEMBERS. Persons granted the privilege of the floor may not lobby the members while the House is in session, unless granted leave to address the House.

(f) SESSION ATTIRE. When the House is in session, all persons in the Chamber shall be dressed in proper business attire.

PART TWO—Speaking

8.2—Addressing the House; Requirements to Spread Remarks Upon the Journal

(a) When a member desires to speak or deliver any matter to the House, the member shall rise and respectfully address the Speaker as "Mr. (or Madam) Speaker" and shall confine all remarks to the question under debate, avoiding personalities. Once recognized, a member may speak from the member's desk or may, with the Speaker's permission, speak from the well.

(b) Any motion to spread remarks upon the *Journal*, except those of the Governor or the Speaker, shall be referred to the chair of the Rules Committee for recommendation before being put to the House.

8.3—When Two Members Rise at Once

When two or more members rise at once, the Speaker shall name the one who is to speak first. This decision shall be final and not open to debate or appeal.

8.4—Recognition of Members

There shall be no appeal of the Speaker's recognition, but the Speaker shall be governed by the rules and usage in priority of entertaining motions from the floor. When a member seeks recognition, the Speaker may ask, "For what purpose does the member rise?" or "For what purpose does the member seek recognition?"

8.5—Recognition of Visitors and Guests

On written request by a member, on a form approved by the Clerk, the Speaker may recognize or permit the member to recognize any person or persons in the gallery. After granting a request for recognition, the Speaker shall afford that recognition at a convenient place in the order of business, considering the need for order and decorum and the need for continuity of debate. At an appropriate time during proceedings on the floor, the Speaker may recognize the Doctor of the Day and the Law Enforcement Officer of the Day.

PART THREE—Debate

8.6—Decorum

The members shall attend to the debates unless necessarily prevented, and no member shall stand between the Speaker and a member recognized to speak.

8.7—Speaking and Debate; Right to Close

(a) A member may not speak more than once nor occupy more than 15 minutes in debate on any question, except as provided in Rule 10.11(c).

(b) A member who has the floor may not be interrupted by another member for any purpose, save the privilege of the House, unless he or she consents to yield to the other member. A member desiring to interrupt another in debate should first address the Speaker for the permission of the member speaking. The Speaker shall then ask the member who has the floor if he or she wishes to yield and shall then announce the decision of that member. Whether to yield shall be entirely within the speaking member's discretion. This subsection shall not, however, deprive the first-named sponsor or mover of the right to close when the effect of an amendment or motion would be to foreclose favorable action on the bill, amendment, or motion.

8.8—Asking Questions of Members

It is entirely within a speaking member's discretion whether to yield to a question. The proper purpose of a question is for the questioner to obtain information in good faith when the questioner does not know the answer, not for the questioner to supply information to the body. Questions should not be used to editorialize, explicate, pontificate, or provide commentary. Neither a question nor an answer to a question may contain arguments or debate.

8.9—Right to Open and Close Debate

The member presenting a motion shall have the right to open and close the debate and, for this purpose, may speak each time up to 10 minutes, unless otherwise limited by majority vote of the House, notwithstanding the limitation in Rule 8.7.

PART FOUR—Materials and Meals in Chamber

8.10—Distribution of Materials in Chamber; Meals in Chamber

(a) The following constitutes policy regarding material distributed to the general membership through the Sergeant at Arms' Office and pages:

(1) All material must be approved by the chair of the Rules Committee prior to such distribution.

(2) The following official materials are approved: House and Senate bills, resolutions, memorials, and amendments thereto, and official calendars and journals; committee and subcommittee meeting notices; communications from the Speaker and Clerk and official communications from the Senate; and official staff reports of standing or select committees or subcommittees or of the majority or minority party.

(b) While members may consume nonalcoholic beverages on the floor, meals will not be allowed on the floor without concurrence of a majority vote.

PART FIVE—Miscellaneous Papers

8.11—Miscellaneous Papers

Papers of a miscellaneous nature addressed to the House may, at the discretion of the Speaker, be read, noted in the *Journal*, or filed with the appropriate committee or subcommittee. When the reading of a paper other than one upon which the House is called to give a final vote is demanded and such reading is objected to by any member, whether the paper shall be read shall be determined without debate by the House by a majority vote.

RULE NINE—VOTING

9.1—Members Shall Vote

Every member shall be within the Chamber at the time announced for a daily floor session unless excused or necessarily prevented, and shall vote on each question put, unless required to abstain under Rule 3.2.

9.2—Taking the Yeas and Nays

The Speaker shall declare all votes, but if any member rises to doubt a vote, upon a showing of hands by five members, the Speaker shall take the sense of the House by oral or electronic roll call. When taking the yeas and nays on any question, the electronic roll-call system may be used and when so used shall have the force and effect of a roll call taken as provided in these rules. This system likewise may be used to determine the presence of a quorum. When the House is ready to vote upon a question requiring roll call, and the vote is by electronic roll call, the Speaker shall say, "The question now recurs on (designating the matter to be voted upon). The Clerk will unlock the machine and the House will proceed to vote." When sufficient time has elapsed for each member to vote, the Speaker shall ask, "Have all members voted?" After a short pause, the Speaker shall say, "The Clerk will lock the machine and record the vote." When the vote is completely recorded, the Speaker shall announce the result to the House, and the Clerk shall record the action upon the *Journal*.

9.3—Vote of the Speaker or Temporary Presiding Officer

The Speaker or temporary presiding officer is not required to vote in legislative proceedings other than on final passage of a bill, except when the Speaker's or temporary presiding officer's vote would be decisive. In all yea and nay votes, the Speaker's or temporary presiding officer's name shall be called last. With respect to voting, the Speaker or temporary presiding officer is subject to the same disqualification and disclosure requirements as any other member.

9.4—Votes After Roll Call; Finality of a Roll Call Vote

(a) After the result of a roll call has been announced, a member may submit to the Clerk an indication of how the member would have voted or would have voted differently. The Clerk shall provide forms for the recording of these actions. When timely submitted, the vote after roll call shall be shown beneath the roll call in the *Journal*. Otherwise, the vote after roll call shall be shown separately in the *Journal*.

(b) In no instance, other than by reason of an electronic or mechanical malfunction, shall the result of a voting machine roll call on any question be changed.

9.5—No Member to Vote for Another Except by Request and Direction

(a) No member may vote for another member except at the other member's specific request and direction. No member may vote for another member who is absent from the Chamber, nor may any person who is not a member cast a vote for a member.

(b) In no case shall a member vote for another on a quorum call.

(c) Any member who votes or attempts to vote for another member in violation of this rule or who requests another member to vote for the requesting member in violation of this rule may be disciplined in such a manner as the House may deem proper.

(d) Any person who is not a member and who votes in the place of a member shall be subject to such discipline as the House may deem proper.

9.6—Explanation of Vote

A member may not explain his or her vote during a roll call but may reduce his or her explanation to writing in not more than 200 words in an electronic format approved by the Clerk. Upon submission to the Clerk, this explanation shall be spread upon the *Journal*.

RULE TEN—ORDER OF BUSINESS AND CALENDARS

PART ONE—Order of Business

10.1—Daily Sessions

The House shall meet each legislative day as stated in the motion adjourning the House on the prior legislative day on which the House met.

10.2—Daily Order of Business

- (15) Introduction and Reference.

(b) During special sessions, the order of business of Introduction and Reference shall be called for immediately following the order of business of Correction of the *Journal*.

(c) Within each order of business, matters shall be considered in the order in which they appear on the daily printed Calendar of the House.

(d) After the 45th day of a regular session, by a majority vote, the House may, on motion of the chair or vice chair of the Rules Committee, move to Communications, Messages from the Senate, Bills and Joint Resolutions on Third Reading, or Special Orders. The motion may provide which matter on such order of business may be considered.

(e) The following orders may be omitted on any regular session day if there is no relevant business on the desk:

- (1) Communications.
- (2) Messages from the Senate.
- (3) Reports of Committees.
- (4) House Resolutions.
- (5) Unfinished Business.

10.3—Opening Prayer

A chaplain or other person designated by the Speaker shall attend at the beginning of each day's floor session and open the same with prayer.

10.4—Quorum

A majority of the membership of the House shall constitute a quorum to conduct business.

10.5—Consideration of Senate Messages: Generally

Senate messages may be considered by the House at the time and in the order determined by the Speaker.

PART TWO—Readings

10.6—"Reading" Defined

"Reading" means the stage of consideration of a bill, resolution, or memorial after reading of a portion of the title sufficient for identification, as determined by the Speaker.

10.7—Reading of Bills and Joint Resolutions

Each bill and each joint resolution shall be read on 3 separate days prior to a vote upon final passage unless this rule is waived by a two-thirds vote, provided the publication of a bill or joint resolution by its title in the *Journal* shall satisfy the requirements of first reading.

10.8—Reading of Concurrent Resolutions and Memorials

Concurrent resolutions and memorials shall be read on 2 separate days prior to a voice vote upon adoption, except that concurrent resolutions extending a legislative session or involving other procedural legislative matters may be read twice without motion on the same legislative day.

10.9—Reading of House Resolutions

(a) A House resolution shall receive two readings by title only prior to a voice vote upon adoption.

(b) Ceremonial resolutions may be shown as read and adopted by publication in full in the *Journal* in accordance with Rule 10.17.

10.10—Measures on Third Reading

(a) Bills on third reading shall be taken up in the order in which the House concluded action on them on second reading.

(b) Before any bill shall be read the third time, whether amended or not, it shall be referred without motion to the Engrossing Clerk for examination and, if amended, the engrossing of amendments. In the case of any Senate bill amended in the House, the amendment adopted shall be reproduced and attached to the bill amended in such manner that it will not be lost therefrom.

(c) A bill shall be deemed on its third reading when it has been read a second time on a previous day and has no motion pending.

PART THREE—Calendars

10.11—Special Order Calendar

(a) REGULAR SESSION.

(1) The Rules Committee shall periodically submit, as needed, a Special Order Calendar determining the sequence for consideration of legislation. The Special Order Calendar may include bills on second reading, bills on unfinished business, resolutions, and specific sections for local bills, trust fund bills, and bills to be taken up at a time certain. Upon adoption of a Special Order Calendar, no other bills shall be considered for the time period set forth for that Special Order Calendar, except that any bill appearing on that Special Order Calendar may be stricken from it by a majority vote or any bill may be added to it pursuant to Rule 10.13. A previously adopted Special Order Calendar shall expire upon adoption by the House of a new Special Order Calendar.

(2) Any committee, subcommittee, or member may apply in writing to the chair of the Rules Committee to place a bill on the Special Order Calendar. The Rules Committee may grant such requests by a majority vote.

(3) During the first 55 days of a regular session, the Special Order Calendar shall be published in three Calendars of the House, and it may be taken up on the day of the third published Calendar. After the 55th day of a regular session, the Special Order Calendar shall be published in one Calendar of the House and may be taken up on the day the Calendar is published.

(b) EXTENDED OR SPECIAL SESSION.

(1) If the Legislature extends a legislative session, all bills on the Calendar of the House at the time of expiration of the regular session shall be placed in the Rules Committee.

(2) During any extended or special session, all bills upon being reported favorably by the last committee or subcommittee of reference shall be placed in the Rules Committee.

(3) During any extended or special session, the Rules Committee shall establish a Special Order Calendar and only those bills on such Special Order Calendar shall be placed on the Calendar of the House.

(4) During any extended or special session, the Special Order Calendar shall be published in one Calendar of the House and bills thereon may be taken up on the day the Calendar is published.

(c) FLOOR PROCEDURES INCLUDED ON THE SPECIAL ORDER CALENDAR. The Special Order Calendar submitted by the Rules Committee shall include procedures to manage questions and debate regarding every bill listed on the Special Order Calendar. The procedures shall apply to any Senate bill substituted for or taken up in lieu of a House bill and shall include allocations of time for questions and debate on bills and amendments. The time allocated for questions shall include the question and the answer. Neither question nor answer shall be protracted in an attempt to use up the time. Such procedures shall be reasonable to allow for proper consideration and implemented upon adoption of the Special Order Calendar by majority vote in session.

10.12—Special Floor Procedures

The Rules Committee may recommend special floor procedures for the management of amendments and debate on a particular bill, on second and third readings, which procedures may include limitations on amendments and debate. Such procedures may not be implemented unless approved by a majority vote in session.

10.13—Consideration of Bills Not on Special Order Calendar

A bill not included on the Special Order Calendar may be considered by the House upon a two-thirds vote.

10.14—Consent Calendar

The Rules Committee may submit Consent Calendar procedures to expedite the consideration of noncontroversial legislation.

10.15—Requirements for Placement on Special Order Calendar

No measure may be placed on a Special Order Calendar until it has been reported favorably by each committee and subcommittee of reference and is available for consideration on the floor.

10.16—Informal Deferral of Bills

Whenever the member who introduced a bill or the first-named member sponsor of a committee or subcommittee bill is absent from the Chamber when the bill has been reached in the regular order on second or third reading, consideration shall be informally deferred until such member's return, unless another member consents to offer the bill on behalf of the original member. The bill shall retain its position on the Calendar of the House during the same legislative day. The member shall have the responsibility of making the motion for its subsequent consideration.

PART FOUR—Ceremonial Resolutions

10.17—Ceremonial Resolutions Published in Journal

Upon approval of the chair of the Rules Committee, a ceremonial resolution may be shown as read and adopted by publication in full in the *Journal*. The Rules Committee shall distribute a list of such resolutions 1 day (excluding Saturdays, Sundays, and official state holidays) prior to the day of their publication, during which time any member may file with the Rules Committee an objection to any resolution listed. Each resolution for which an objection has been filed shall be removed from the list and placed on the Calendar of the House. All resolutions without objections shall be printed on the next legislative day in the *Journal* and considered adopted by the House.

PART FIVE—Procedural Limitations in Final Week

10.18—Consideration Limits to Bills after Day 55

After the 55th day of a regular session, no House bills on second reading may be taken up and considered by the House.

10.19—Consideration Limits after Day 58

After the 58th day of a regular session, the House may consider only:

- (a) Returning messages.
- (b) Conference reports.
- (c) Concurrent resolutions.

RULE ELEVEN—MOTIONS

11.1—Motions; How Made

Every motion shall be made orally, except when requested by the Speaker to be reduced to writing.

11.2—Precedence of Motions

(a) When a question is under consideration, the Speaker or the chair of a committee or subcommittee shall receive no motion except:

- (1) To adjourn at a time certain.
- (2) To adjourn.
- (3) To recess to a time certain.
- (4) To lay on the table.
- (5) To reconsider.
- (6) For the previous question.
- (7) To limit debate.
- (8) To temporarily postpone.
- (9) To postpone to a time or day certain.
- (10) To refer to or to recommit to committee or subcommittee.
- (11) To amend.
- (12) To amend by removing the enacting or resolving clause.

(b) Such motions shall have precedence in the descending order given.

(c) Notwithstanding paragraph (a)(10) above, the Motion to Withdraw or Refer a Bill pursuant to Rule 11.11 and the Motion to Refer or Recommit pursuant to Rule 11.12 are not available in committee or subcommittee.

11.3—Questions of Order Decided Without Debate

The Speaker shall decide, without debate, all procedural questions of order that arise when a motion is before the House or on appeal.

11.4—Motion to Divide Question

If a question before the House is susceptible of separation into two or more parts, any member may move for a division of the question so that each part may be voted on separately. However, a motion to remove and insert cannot be divided.

11.5—Motion to Recess to a Time Certain

A motion to recess to a time certain shall be treated the same as a motion to adjourn, except that the motion is debatable when no business is before the House

and can be amended as to the time to recess and duration of the recess. It yields only to a motion to adjourn.

11.6—Motion to Lay on the Table

(a) A motion to lay on the table is not debatable and cannot be amended; however, before the motion is put to a vote, the first-named sponsor of a bill or the mover of a debatable motion shall be allowed 5 minutes within which to discuss the same and may divide the time with, or waive this right in favor of, some other member.

(b) A motion to lay an amendment on the table, if adopted, does not carry with it the measure to which it adheres.

11.7—Motion to Reconsider; Immediate Certification of Bills

(a) When a motion or main question has been made and carried or lost, it shall be in order at any time as a matter of right on the same or succeeding legislative day for a member voting with the prevailing side, or for any member in the case of a voice or tie vote, to move for reconsideration thereof.

(b) When a majority of members vote in the affirmative but the proposition is lost because it is one in which the concurrence of a greater number than a majority is necessary for adoption or passage, any member may move for reconsideration.

(c) The motion to reconsider shall require a majority vote for adoption.

(d) If the House refuses to reconsider or upon reconsideration confirms its prior decision, no further motion to reconsider shall be in order except upon unanimous consent of the members present.

(e) Debate shall be allowed on a motion to reconsider only when the question that it is proposing to reconsider is debatable. When debate upon a motion to reconsider is in order, no member shall speak thereon more than once or for more than 5 minutes.

(f) The adoption of a motion to reconsider a vote upon any secondary matter shall not remove the main subject under consideration from consideration of the House.

(g) A motion to reconsider a collateral matter must be disposed of at once during the course of the consideration of the main subject to which it is related, and such motion shall be out of order after the House has passed to other business.

(h) No bill referred or recommitted to a committee or subcommittee by a vote of the House shall be brought back into the House on a motion to reconsider.

(i) The Clerk shall retain possession of all bills and joint resolutions for the period after passage during which reconsideration may be moved, except that

local bills, concurrent resolutions, and memorials shall be transmitted to the Senate without delay.

(j) The adoption of a motion to waive the rules and immediately certify any bill to the Senate shall be construed as releasing the measure from the Clerk's possession for the period of reconsideration.

(k) Unless otherwise directed by the Speaker, during the last 14 days of a regular session or any extension thereof and during any special session, all measures acted on by the House shall be transmitted to the Senate without delay.

11.8—Motion for the Previous Question

(a) The previous question may be asked and ordered upon any debatable single motion, series of motions, or amendment pending and the effect thereof shall be to conclude all action on the same day. If third reading is reached on another day, the order for the previous question must be renewed on that day.

(b) The motion for the previous question shall be decided without debate. If the motion prevails, the sponsor of a bill or debatable motion and an opponent shall be allowed 3 minutes each within which to debate the pending question, and each may divide the time with, or waive this right in favor of, some other member. On second reading, the final available question is the main amendment; on third reading, it is the bill.

(c) When the motion for the previous question is adopted on a main question, the sense of the House shall be taken without delay on pending amendments and such question in the regular order.

(d) The motion for the previous question may not be made by the first-named sponsor or mover.

11.9—Motion to Limit Debate

When there is debate by the House, it shall be in order for a member to move to limit debate and such motion shall be decided without debate, except that the first-named sponsor or mover of the question under debate shall have 5 minutes within which to discuss the motion and may divide the allotted time with, or waive it in favor of, some other member. If, by majority vote, the question is decided in the affirmative, debate shall be limited to 10 minutes for each side, unless a different time is stated in the motion, such time to be apportioned by the Speaker; however, the first-named sponsor or mover shall have an additional 5 minutes within which to close the debate and may divide the allotted time with, or waive it in favor of, some other member.

11.10—Motion to Temporarily Postpone

(a) The motion to temporarily postpone shall be decided without debate and shall cause a measure to be set aside but retained on the desk.

(b) If a main question has been temporarily postponed after having been debated or after motions have been applied and is not brought back before the House on the same legislative day, it shall be placed under the order of unfinished business on the Calendar of the House. If a main question is temporarily postponed before debate has commenced or motions have been applied, its reading shall be considered a nullity and the bill shall retain its original position on the order of business on the same legislative day; otherwise, the bill reverts to the status of bills on second or third reading, as applicable.

(c) The motion to return to consideration of a temporarily postponed main question shall be made under the proper order of business when no other matter is pending.

(d) If applied to a collateral matter, the motion to temporarily postpone shall not cause the main question to be carried with it. After having been temporarily postponed, if a collateral matter is not brought back before the House in the course of consideration of the adhering or main question, it shall be deemed abandoned.

11.11—Motion to Withdraw or Refer a Bill

(a) A motion to withdraw a bill from a committee or subcommittee shall require a two-thirds vote on the floor.

(b) Any member may, no later than under the order of business of Motions Relating to Committee and Subcommittee References on the legislative day following reference of a bill, move for reference from one committee or subcommittee to a different committee or subcommittee, which shall be decided by a majority vote.

(c) A motion to refer a bill from one committee or subcommittee to another committee or subcommittee, other than as provided in subsection (b), may be made during the regular order of business and shall require a two-thirds vote.

(d) A motion to refer a bill to an additional committee or subcommittee may be made during the regular order of business and shall require a two-thirds vote.

(e) A motion to refer shall be debated only as to the propriety of the reference.

(f) A motion to withdraw a bill from further consideration of the House shall require a two-thirds vote.

(1) The chair or vice chair of the Rules Committee, at the request of the first-named member sponsor, may move for the withdrawal of a bill from further consideration.

(2) The first-named member sponsor of a bill may, prior to its introduction and provided no substantive action has been taken on it, withdraw the bill by written notice to the Clerk.

(3) In moving for the withdrawal of a bill from further consideration by floor motion, the introducer shall be required to identify the nature of the bill.

11.12—Motion to Refer or Recommit

(a) Any bill on the Calendar of the House may be referred or recommitted by the House to a committee or subcommittee by a majority vote.

(b) A motion to refer or recommit a bill that is before the House may be made during the regular order of business. The motion shall be debatable only as to the propriety of that reference and shall require an affirmative majority vote.

(c) If a bill on third reading is referred or recommitted to a committee or subcommittee that subsequently reports the bill favorably with a committee or subcommittee substitute or with one or more amendments, the bill shall return to second reading.

(d) Referral or recommitment of a House bill shall automatically carry with it a Senate companion bill then on the Calendar of the House.

11.13—Dilatory Motions

Dilatory or delaying motions shall not be in order.

11.14—Withdrawal of Motion

(a) The mover of a motion may withdraw the motion at any time before it has been amended or a vote on it has commenced.

(b) Notwithstanding subsection (a), once the proposer of an amendment is recognized, the amendment may be withdrawn only with the consent of the body.

RULE TWELVE—AMENDMENTS

12.1—Form

(a) Floor amendments shall be prepared by the House Bill Drafting Service and filed with the Clerk.

(b) A floor amendment filed with the Clerk after the applicable filing deadline is late filed. A late-filed floor amendment may be taken up for consideration only upon motion adopted by a two-thirds vote.

12.2—Filing Deadlines for Floor Amendments

(a) During the first 55 days of a regular session:

(1) Main floor amendments must be submitted to the House Bill Drafting Service by 3 p.m. and approved for filing with the Clerk by 4 p.m. of the first day a bill appears on the Special Order Calendar in the Calendar of the House; and

(2) Amendments to main floor amendments, substitute amendments for main floor amendments, and amendments to substitute amendments must be submitted to the House Bill Drafting Service by 6:30 p.m. and approved for filing by 7 p.m. of the same day.

(b) After the 55th day of a regular session and during any extended or special session:

(1) Main floor amendments must be approved for filing with the Clerk not later than 2 hours before session is scheduled to convene on the day a bill appears on the Special Order Calendar in the Calendar of the House; and

(2) Amendments to main floor amendments, substitute amendments for main floor amendments, and amendments to substitute amendments must be approved for filing not later than 1 hour after the main floor amendment deadline.

(c) Notwithstanding the foregoing, subject to approval by a majority vote of the House, the Rules Committee may establish special amendment deadlines and procedures for appropriations bills, implementing bills, and conforming bills, as well as for bills proposing any reapportionment or redistricting of the state's legislative or congressional districts.

12.3—Presentation and Consideration

(a) Amendments shall be taken up only as sponsors gain recognition from the Speaker, except that the chair of the committee or subcommittee (or any member thereof designated by the chair) reporting the measure under consideration shall have preference for the presentation of committee or subcommittee amendments to Senate bills.

(b) An amendment to a pending main amendment may be received, but until it is disposed of, no other motion to amend will be in order except a

substitute amendment or an amendment to the substitute. Such amendments are to be disposed of in the following order:

- (1) Amendments to the amendment are voted on before the substitute is taken up. Only one amendment to the amendment is in order at a time.
- (2) Amendments to the substitute are next voted on.
- (3) The substitute then is voted on. The adoption of a substitute amendment in lieu of an original amendment shall be treated and considered as an amendment to the bill itself.

(c) The adoption of an amendment to a section shall not preclude further amendment of that section. If a bill is being considered section by section or item by item, only amendments to the section or item under consideration shall be in order.

(d) For the purpose of this rule, an amendment shall be deemed pending only after its proposer has been recognized by the Speaker.

(e) A bill or proposed committee bill designated as a reviser's bill may be amended only by making deletions.

(f) An amendment that is frivolous in its content is not in order.

12.4—Second and Third Reading; Vote Required on Third Reading

(a) A motion to amend is in order during the second or third reading of any bill.

(b) Amendments proposed on third reading shall require a two-thirds vote for adoption, except that technical amendments introduced in the name of the chair of the Rules Committee shall require a majority vote for adoption. Amendments on third reading, other than technical amendments introduced in the name of the chair of the Rules Committee, must be submitted to the House Bill Drafting Service no later than 1 hour before the applicable filing deadline and approved for filing not later than the earlier of the following deadlines:

(1) Nine a.m. on the day session is scheduled to convene on the day the bill is reached on third reading; or

(2) One hour before session is scheduled to convene on the day the bill is reached on third reading.

(c) A motion for reconsideration of an amendment on third reading requires a two-thirds vote for adoption.

(b) A member suspended under the provisions of this rule may, within 10 days after such suspension, file a written request for a hearing, setting forth specific reasons contesting the member's suspension. Upon receipt of a written request for a hearing, the Speaker shall appoint a select committee, which shall commence a hearing on the member's suspension within 30 days and issue a report to the House within 10 days after the conclusion of the hearing. The report of the select committee shall be final unless the member, within 10 days after the issuance of the report, requests in writing that the Speaker convene the full House to consider the report of the select committee. Upon receipt of a request for such consideration, the Speaker shall timely convene the House for such purpose.

(c) If the final appellate decision is to sustain the conviction, then the member's suspension shall continue to the end of the member's term. If the final appellate decision is to vacate the conviction and there is a rehearing, the member shall be subject to Rule 15.10. The House shall provide ethics training as directed by the Speaker.

(b) Each standing or select committee, whenever required, may also compel by subpoena *duces tecum* the production of any books, letters, or other documentary evidence it may need to examine in reference to any matter before it.

(c) The chair of the standing or select committee shall issue such process on behalf of such committee after a majority of the committee votes to approve issuance and the Speaker has provided written approval. The chair or any other member of such committee may administer all oaths and affirmations in the manner prescribed by law to witnesses who shall appear before such committee for the purpose of testifying in any matter about which such committee may require evidence.

16.2—Contempt Proceedings

(a) The House may punish, by fine or imprisonment, any person who is not a member and who is guilty of disorderly or contemptuous conduct in its presence or of a refusal to obey its lawful summons.

(b) A person shall be deemed in contempt if the person:

(1) Fails or refuses to appear in compliance with a subpoena or, having appeared, fails or refuses to testify under oath or affirmation;

(2) Fails or refuses to answer any relevant question or fails or refuses to furnish any relevant book, paper, or other document subpoenaed on behalf of such committee; or

(3) Commits any other act or offense against such committee that, if committed against the Legislature or either house thereof, would constitute contempt.

(c) During a legislative session, a standing or select committee may, by majority vote of all of its members, apply to the House for contempt citation. The application shall be considered as though the alleged contempt had been committed in or against the House itself. If such committee is meeting during the interim, its application shall be made to the circuit court pursuant to Rule 16.6.

(d) A person guilty of contempt under this rule may be punished in accordance with the provisions of Section 5 of Article 3 of the State Constitution, or may be subject to such other punishment as the House may, in the exercise of

its inherent powers, impose prior to and in lieu of the imposition of the aforementioned penalty.

16.3—False Swearing

Whoever willfully affirms or swears falsely in regard to any material matter or thing before any standing or select committee is guilty of false swearing in an official proceeding, which is a felony of the second degree and shall be punished as provided in s. 775.082, s. 775.083, or s. 775.084, Florida Statutes.

16.4—Rights of Witnesses

(a) All witnesses summoned before any standing or select committee shall receive reimbursement for travel expenses and per diem at the rates provided in s. 112.061, Florida Statutes. However, the fact that such reimbursement is not tendered at the time that the subpoena is served shall not excuse the witness from appearing as directed therein.

(b) Service of a subpoena requiring the attendance of a person at a meeting of a standing or select committee shall be made in the manner provided by law for the service of subpoenas in a civil action at least 7 days prior to the date of the meeting unless a shorter period of time is authorized by majority vote of all the members of such committee. If a shorter period of time is authorized, the persons subpoenaed shall be given reasonable notice of the meeting, consistent with the particular circumstances involved.

(c) Any person who is served with a subpoena to attend a meeting of any standing or select committee also shall be served with a general statement informing the person of the subject matter of such committee's investigation or inquiry and a notice that the person may be accompanied at the meeting by private counsel.

(d) Upon the request of any party and the approval of a majority of the standing or select committee, the chair shall instruct all witnesses to leave the meeting room and retire to a designated place. The witness shall be instructed by the chair not to discuss the testimony of the witness or the testimony of any other person with anyone until the meeting has been adjourned and the witness has been discharged by the chair. The witness shall be further instructed that if any person discusses or attempts to discuss the matter under investigation with the witness after receiving such instructions, the witness shall bring such matter to the attention of such committee. No member of such committee or representative thereof may discuss any matter or matters pertinent to the subject matter under investigation with any witness to be called before such committee from the time that these instructions are given until the meeting has been adjourned and the

witness has been discharged by the chair. Any person violating this subsection shall be in contempt of the House.

(e) Any standing or select committee taking sworn testimony from witnesses as provided in these rules shall cause a record to be made of all proceedings in which testimony or other evidence is demanded or adduced, which record shall include rulings of the chair, questions of such committee and its staff, the testimony or responses of witnesses, sworn written statements submitted to the committee, and such other matters as the committee or its chair may direct.

(f) A witness at a meeting, upon advance request and at the witness's own expense, shall be furnished a certified transcript of the witness's testimony at the meeting.

16.5—Right of Other Persons to be Heard

(a) Any person who, in the opinion of the committee, is adversely affected as a result of being mentioned or otherwise identified during a meeting being conducted for the purpose of taking sworn testimony from witnesses of any standing or select committee may, upon the request of the person or upon the request of any member of such committee, appear personally before such committee and testify on the person's own behalf, or, with such committee's consent, file a sworn written statement of facts or other documentary evidence for incorporation into the record of the meeting. Any such witness, however, shall, before filing such statement, consent to answer questions from such committee regarding the contents of the statement.

(b) Upon the consent of a majority of the members present, a quorum having been established, any standing or select committee may permit any other person to appear and testify at a meeting or submit a sworn written statement of facts or other documentary evidence for incorporation into the record. No request to appear, appearance, or submission shall limit in any way the committee's power of subpoena. Any such witness, however, shall, before filing such statement, consent to answer questions from any standing or select committee regarding the contents of the statement.

16.6—Enforcement of Subpoena Out of Session

If any witness fails to respond to the lawful subpoena of any standing or select committee at a time when the Legislature is not in session or, having responded, fails to answer all lawful inquiries or to turn over evidence that has been subpoenaed, such committee may file a complaint before any circuit court of the state setting up such failure on the part of the witness. On the filing of such

complaint, the court shall take jurisdiction of the witness and the subject matter of the complaint and shall direct the witness to respond to all lawful questions and to produce all documentary evidence in the possession of the witness that is lawfully demanded. The failure of any witness to comply with such order of the court shall constitute a direct and criminal contempt of court, and the court shall punish such witness accordingly.

16.7—Definition

Pursuant to Rule 7.1(b) and for purposes of Rule 16, the term "committee" includes the House and any subcommittee thereof.

RULE SEVENTEEN—ETHICS AND CONDUCT OF LOBBYISTS

17.1—Obligations of a Lobbyist

(a) A lobbyist shall supply facts, information, and opinions of principals to legislators from the point of view that the lobbyist openly declares. A lobbyist shall not offer or propose anything that may reasonably be construed to improperly influence the official act, decision, or vote of a legislator, nor shall a lobbyist attempt to improperly influence the selection of officers or employees of the House. A lobbyist, by personal example and admonition to colleagues, shall maintain the honor of the legislative process, including faithful adherence to the rules of the House, by the integrity of the lobbyist's relationship with legislators as well as with the principals whom the lobbyist represents. Each lobbyist shall conduct himself or herself at all times in a manner that promotes a professional environment in the House, exemplifies proper conduct in public meetings, promotes lawful conduct by all involved in the legislative process, and contributes to an environment free from harassment and discrimination. Each lobbyist shall respect and support the honorable conduct of the members of the House and discourage unlawful conduct.

(b) A lobbyist shall not knowingly and willfully falsify, conceal, or cover up, by any trick, scheme, or device, a material fact; make any false, fictitious, or fraudulent statement or representation; or make or use any writing or document knowing the same to contain any false, fictitious, or fraudulent statement or entry.

(c) During a regular session or any extended or special session, a lobbyist may not contribute to a member's campaign.

(d) A lobbyist may not make any expenditure prohibited by s. 11.045(4)(a), Florida Statutes.

(e) No registered lobbyist shall be permitted upon the floor of the House while it is in session.

(f) A member shall not be directly or indirectly lobbied via electronic communication while the House is in daily session or during any meeting of a committee or subcommittee to which the House member has been appointed. The term "electronic communication" includes, but is not limited to, e-mail, text messaging, social media messaging, and image sharing.

(g) A lobbyist who was a member of the Legislature at any time after November 8, 2016, may not lobby the House for a period of 6 years following vacation of office as a member of the Legislature. This rule does not apply to a public officer who is carrying out the duties of his or her public office.

(h) A lobbyist may not lobby the House for any purpose with respect to any issue, amendment, bill, or appropriation unless the lobbyist has filed a House appearance record with the Public Integrity & Elections Committee

identifying the specific matter and each principal represented thereon. The record shall be filed in the manner directed by the Speaker in advance of lobbying on the matter. On matters other than specific bills or amendments identified by bill or amendment number, an issue or appropriation must be identified with specificity sufficient to give notice of each particular legislative subject or proposal that is a subject of any communication that constitutes lobbying.

(i) A lobbyist or lobbying firm shall file with the Public Integrity & Elections Committee a true and correct copy of the lobbying contract and any addendum thereto, including accurate information regarding fees to be paid under such contract, when the lobbyist or lobbying firm registers to lobby the Legislature or the Executive Branch on behalf of any officer of this state; any executive or judicial department of this state; any political subdivision, special district, public authority, public hospital, council, commission, unit of local government, or public education entity in this state; or any authority, council, commission, direct-support organization, institution, foundation, or similar entity that is created by law or ordinance to pursue a public purpose, entitled by law or ordinance to any distribution of tax or fee revenues, or organized for the sole purpose of supporting one of the public entities listed in this subsection. This subsection does not apply if the lobbyist is an employee of such principal, the lobbyist's salary is published on the Internet, and the lobbyist does not engage in lobbying on behalf of any other principal.

17.2—Advisory Opinions; Compilation Thereof

A lobbyist, when in doubt about the applicability and interpretation of Rule 17.1 in a particular context related to that lobbyist's conduct, or any person when in doubt about the applicability and interpretation of s. 11.045, s. 112.3148, or s. 112.3149, Florida Statutes, as such statute or statutes may apply to that person, may request an advisory opinion under this rule. Such request shall be in writing, addressed to the Speaker, and shall contain the relevant facts. The Speaker shall either refer the issue to the House general counsel for review and drafting of an advisory opinion of the Speaker or refer the issue to a committee designated by the Speaker to have responsibility for the ethical conduct of lobbyists, and the person requesting the advisory opinion may appear in person before such committee. The Speaker or this committee shall render advisory opinions to the person who seeks advice as to whether the facts as described in the request and any supplemental communication would constitute a violation of such rule or statute by that person. Such opinion, until amended or revoked, shall be binding upon the House in any proceeding upon a subsequent complaint concerning the person who sought the opinion and acted on it in good faith, unless material facts were omitted or misstated in the request for the advisory opinion. Upon request of the person who requested the advisory opinion or any member, the committee designated by the Speaker to have responsibility for the ethical conduct of lobbyists may revise any advisory opinion issued by the Speaker or may revise

any advisory opinion issued by the general counsel of the Office of Legislative Services under Joint Rule 1.8. The House general counsel or this committee shall make sufficient deletions to prevent disclosing the identity of persons in the decisions or opinions. All advisory opinions of the Speaker or this committee shall be numbered, dated, and published in an annual publication of the House. The Clerk shall keep a compilation of all advisory opinions.

17.3—Penalties for Violations

Such determination shall be made by a majority of the House, upon recommendation of the Public Integrity & Elections Committee pursuant to Rule 18. Any prohibition or other limitation imposed by the House may be continued for up to a total of 2 years by a determination made by a majority of the House at or following the organization session following the biennium during which such prohibition or other limitation was imposed.

**RULE EIGHTEEN—COMPLAINTS AGAINST MEMBERS AND
OFFICERS OF THE HOUSE, LOBBYISTS,
AND OTHER PERSONS**

18.1—Complaints Against Members and Officers of the House, Lobbyists, and Other Persons; Procedure

Rule 18 governs proceedings on all complaints under the jurisdiction of the House. Such complaints include, but are not limited to:

- (a) Those alleging violation of law, violation of the House Code of Conduct, or improper conduct of a member or officer that may reflect upon the House; or
- (b) Violations of House Rule 17.1, Joint Rule One, or s. 11.045, s. 112.3148, or s. 112.3149, Florida Statutes, by any lobbyist or person other than a member of the House. For purposes of this rule, receipt of audit information indicating a possible violation of Joint Rule One shall be treated as a complaint.

18.2—Violations; Investigations

(a) Any person may file a sworn complaint with the chair of the Public Integrity & Elections Committee alleging a violation as provided in Rule 18.1. The complaint shall contain the name and legal address of the person filing the complaint ("complainant"), be based on the complainant's personal knowledge, state detailed facts, specify the actions of the named respondent which form the basis for the complaint, and identify each specific rule or law alleged by the complainant to have been violated.

(b) Upon a determination by the chair of the Public Integrity & Elections Committee that the complaint states facts supporting a finding of probable cause, the Speaker shall refer the complaint to a special master or to a select committee. Upon a determination by the chair of the Public Integrity & Elections Committee that the complaint fails to state facts supporting a finding of probable cause, the complaint shall be dismissed.

(c) Upon referral by the Speaker of a complaint under subsection (b), the special master or select committee shall conduct an investigation, shall give reasonable notice to the respondent, and shall grant the respondent an opportunity to be heard unless the investigation fails to reveal facts supporting a finding of probable cause. A special master's or select committee's report and recommendation is advisory only and shall be presented to the chair of the Public Integrity & Elections Committee as soon as practicable after the close of the investigation. If the report and recommendation conclude that the facts do not support a finding of probable cause, the complaint shall be dismissed by the chair of the Public Integrity & Elections Committee.

(d) If the report and recommendation of the special master or the select committee conclude that the facts support a finding of probable cause, the Public

Integrity & Elections Committee shall consider the report and recommendation, may make further inquiry, shall grant the respondent an opportunity to be heard, and shall develop its own recommendation. If the complaint is against the chair of the Public Integrity & Elections Committee, the chair is excused and the vice chair shall preside over the deliberation. If the Public Integrity & Elections Committee votes to dismiss the complaint, the chair of the Public Integrity & Elections Committee or vice chair shall dismiss the complaint. Otherwise, the special master's or select committee's report and recommendation and the recommendation of the Public Integrity & Elections Committee shall be presented to the Speaker.

(e) The Speaker shall present the committee's recommendation, along with the report and recommendation of the special master or the select committee, to the House for final action.

(f) Nothing in this rule prohibits the chair of the Public Integrity & Elections Committee from correcting or preventing the alleged violation by informal means if the chair determines that a violation is inadvertent, technical, or otherwise *de minimis*.

(g) Nothing in this rule prohibits the respondent and the chair of the Public Integrity & Elections Committee, the special master, or a select committee from agreeing to a consent decree, which shall state findings of fact, and such penalty as may be appropriate. If the House accepts the consent decree, the complaint pursuant to these rules shall be resolved.

(h) The House may move forward with disciplinary proceedings without waiting for the outcome of a criminal case.

18.3—Confidentiality

Any material provided to the House in response to a complaint filed under Rule 18 that is confidential under applicable law shall remain confidential and shall not be disclosed except as authorized by applicable law. Except as otherwise provided in this rule, a complaint and the records relating to a complaint shall be available for public inspection upon the dismissal of a complaint, a determination as to probable cause, informal resolution of a complaint, or the receipt by the Speaker of a request in writing from the respondent that the complaint and other records relating to the complaint be made public records.

18.4—Conflict

If a complaint is filed against the chair of the Public Integrity & Elections Committee, the initial review of the complaint shall be managed by the Speaker or, if designated by the Speaker, the Speaker *pro tempore*. If a complaint is filed against the Speaker, the duties of the Speaker pursuant to Rule 18 shall be transferred to the Speaker *pro tempore*.

18.5—Time Limitations

(a) A complaint must be filed with the chair of the Public Integrity & Elections Committee within 2 years after the alleged violation.

(b) A violation of the House Code of Conduct is committed when every element necessary to establish a violation of the rule has occurred, and time starts to run on the day after the violation occurred.

(c) The applicable period of limitation is tolled on the day a sworn complaint is filed with the chair of the Public Integrity & Elections Committee.

JOINT RULES

The Ninetieth Florida Legislature
Enacted through SCR 2-Org. (2020O), November 17, 2020

Joint Rule One—Lobbyist Registration and Compensation Reporting

1.1—Those Required to Register; Exemptions; Committee Appearance Records

(1) All lobbyists before the Florida Legislature must register with the Lobbyist Registration Office in the Office of Legislative Services. Registration is required for each principal represented.

(2) As used in Joint Rule One, unless the context otherwise requires, the term:

(a) "Compensation" means payment, distribution, loan, advance, reimbursement, deposit, salary, fee, retainer, or anything of value provided or owed to a lobbying firm, directly or indirectly, by a principal for any lobbying activity.

(b) "Legislative action" means introduction, sponsorship, testimony, debate, voting, or any other official action on any measure, resolution, amendment, nomination, appointment, or report of, or any matter that may be the subject of action by, either house of the Legislature or any committee thereof.

(c) "Lobby" or "lobbying" means influencing or attempting to influence legislative action or nonaction through oral or written communication or through an attempt to obtain the goodwill of a member or employee of the Legislature.

(d) "Lobbying firm" means any business entity, including an individual contract lobbyist, that receives or becomes entitled to receive any compensation for the purpose of lobbying and where any partner, owner, officer, or employee of the business entity is a lobbyist. "Lobbying firm" does not include an entity that has employees who are lobbyists if the entity does not derive compensation from principals for lobbying or if such compensation is received exclusively from a subsidiary or affiliate corporation of the employer. As used in this paragraph, an affiliate corporation is a corporation that directly or indirectly shares the same ultimate parent corporation as the employer and does not receive compensation for lobbying from any unaffiliated entity.

(e) "Lobbyist" means a person who is employed and receives payment, or who contracts for economic consideration, for the purpose of lobbying or a person who is principally employed for governmental affairs by another person or governmental entity to lobby on behalf of that other person or governmental entity. An employee of the principal is not a lobbyist unless the employee is principally employed for governmental affairs. The term "principally employed

for governmental affairs" means that one of the principal or most significant responsibilities of the employee to the employer is overseeing the employer's various relationships with government or representing the employer in its contacts with government. Any person employed by the Governor, the Executive Office of the Governor, or any executive or judicial department of the state or any community college of the state who seeks to encourage the passage, defeat, or modification of any legislation by personal appearance or attendance before the House of Representatives or the Senate, or any member or committee thereof, is a lobbyist.

(f) "Lobbyist Registration and Compensation Reporting System (LRCRS)" means the online application that serves as the system of record for the Lobbyist Registration Office in the Office of Legislative Services and consists of the electronic registration system and the electronic filing system.

(g) "LRO" means the Lobbyist Registration Office in the Office of Legislative Services.

(h) "Office" means the Office of Legislative Services.

(i) "Payment" or "salary" means wages or any other consideration provided in exchange for services but does not include reimbursement for expenses.

(j) "Principal" means the person, firm, corporation, or other entity that has employed or retained a lobbyist. When an association has employed or retained a lobbyist, the association is the principal; the individual members of the association are not principals merely because of their membership in the association.

(k) "Unusual circumstances," with respect to any failure of a person to satisfy a filing requirement, means uncommon, rare, or sudden events over which the person has no control and which directly result in the failure to satisfy the filing requirement.

(3) For purposes of Joint Rule One, the terms "lobby" and "lobbying" do not include any of the following:

(a) A response to an inquiry for information made by any member, committee, or staff of the Legislature.

(b) An appearance in response to a legislative subpoena.

(c) Advice or services that arise out of a contractual obligation with the Legislature, a member, a committee, any staff, or any legislative entity to render the advice or services where such obligation is fulfilled through the use of public funds.

(d) Representation of a client before the House of Representatives or the Senate, or any member or committee thereof, when the client is subject to disciplinary action by the House of Representatives or the Senate, or any member or committee thereof.

(4) For purposes of registration and reporting, the term "lobbyist" does not include any of the following:

- (a) A member of the Legislature.
 - (b) A person who is employed by the Legislature.
 - (c) A judge who is acting in that judge's official capacity.
 - (d) A person who is a state officer holding elective office or an officer of a political subdivision of the state holding elective office and who is acting in that officer's official capacity.
 - (e) A person who appears as a witness or for the purpose of providing information at the written request of the chair of a committee, subcommittee, or legislative delegation.
 - (f) A person employed by any executive or judicial department of the state or any community college of the state who makes a personal appearance or attendance before the House of Representatives or the Senate, or any member or committee thereof, while that person is on approved leave or outside normal working hours and who does not otherwise meet the definition of a lobbyist.
- (5) When a person, regardless of whether the person is registered as a lobbyist, appears before a committee of the Legislature, that person must submit a Committee Appearance Record as required by the respective house.
- (6) The responsibilities of the Office and of the LRO under Joint Rule One may be assigned to another entity by agreement of the President of the Senate and the Speaker of the House of Representatives for a contract period not to extend beyond December 1 following the Organization Session of the next biennium, provided that the powers and duties of the President, the Speaker, the General Counsel of the Office of Legislative Services, and any legislative committee referenced in Joint Rule One may not be delegated.

1.2—Method of Registration

(1) Each person required to register with the LRO must register through the LRCRS and attest to that person's full legal name, business address, e-mail address, and telephone number; the name, business address, e-mail address, and telephone number of each principal that person represents; and the extent of any direct business association or partnership that person has with any member of the Legislature. If the lobbyist is, or belongs to, a lobbying firm, the lobbyist must state the name, address, and telephone number of the lobbying firm and the e-mail address of the person responsible for the submission of compensation reports. All lobbyists associated with the same firm must register using the identical name, address, and e-mail address of the firm in the LRCRS. Registration is not complete until the LRCRS receives authorization from the principal's representative and the registration fee. Lobbyists may not authorize themselves on behalf of the principal representative. Any changes to the information existing in the LRCRS must be updated online in the LRCRS within 15 days from the effective date of the change.

(2) Any person required to register must do so with respect to each principal prior to commencement of lobbying on behalf of that principal. The LRCRS will request authorization from the principal with the principal's name, business address, e-mail address, and telephone number to confirm that the registrant is authorized to represent the principal. The principal or principal's representative shall also identify and designate the principal's main business pursuant to a classification system approved by the Office, which shall be the North American Industry Classification System (NAICS) six-digit numerical code that most accurately describes the principal's main business.

(3) Any person required to register must renew the registration annually for each calendar year through the LRCRS.

(4) A lobbyist shall promptly cancel the registration for a principal upon termination of the lobbyist's representation of that principal. A cancellation takes effect the day it is received by the LRCRS. Notwithstanding this requirement, the LRO may remove the name of a lobbyist from the list of registered lobbyists if the principal notifies the LRO in writing that the lobbyist is no longer authorized to represent that principal.

(5) Should a registered lobbyist identify a scrivener's error in their own registration in the LRCRS after submission, they may make a written request to the LRO to correct such error. The request must clearly identify and describe the error. Each request will be reviewed by the Office before any changes will be made.

(6) The LRO shall retain registration information submitted under this rule.

(7) A person required to register under Joint Rule One shall be considered a lobbyist of the Legislature for the purposes of ss. 11.045, 112.3148, and 112.3149, Florida Statutes.

1.3—Registration Costs; Exemptions

(1) To cover the costs incurred for the administration of Joint Rule One, each person who registers under Joint Rule 1.1 must pay an annual registration fee to the LRO. The annual period runs from January 1 to December 31. These fees must be paid at the time of registration.

(2) The following persons are exempt from paying the fee, provided they are designated in writing by the agency head or person designated in this subsection:

(a) Two employees of each department of the executive branch created under chapter 20, Florida Statutes.

(b) Two employees of the Fish and Wildlife Conservation Commission.

(c) Two employees of the Executive Office of the Governor.

(d) Two employees of the Commission on Ethics.

(e) Two employees of the Florida Public Service Commission.

(f) Two employees of the judicial branch designated in writing by the Chief Justice of the Florida Supreme Court.

(3) The annual fee is up to \$50 per legislative entity for a person to register to represent one principal and up to an additional \$10 per legislative entity for each additional principal that the person registers to represent. The amount of each fee shall be established annually by the President of the Senate and the Speaker of the House of Representatives. The fees set must be adequate to ensure operation of the lobbyists' registration, compensation, and reporting functions. The fees collected by the LRO under this rule shall be deposited into the State Treasury and credited to the Legislative Lobbyist Registration Trust Fund specifically to cover the costs incurred in administering Joint Rule One.

1.4—Reporting of Lobbying Firm Compensation

(1)(a) Each lobbying firm shall file a compensation report with the LRO through the LRCRS for each calendar quarter during any portion of which one or more of the firm's lobbyists were registered to represent a principal. The report must include the:

1. Full name, business address, and telephone number of the lobbying firm;
2. Registration name of each of the firm's lobbyists; and
3. Total compensation provided or owed to the lobbying firm from all principals for the reporting period, reported in one of the following categories: \$0; \$1 to \$49,999; \$50,000 to \$99,999; \$100,000 to \$249,999; \$250,000 to \$499,999; \$500,000 to \$999,999; or \$1 million or more.

(b) For each principal represented by one or more of the firm's lobbyists, the lobbying firm's compensation report must also include the:

1. Full name, business address, and telephone number of the principal; and
2. Total compensation provided or owed to the lobbying firm for the reporting period, reported in one of the following categories: \$0; \$1 to \$9,999; \$10,000 to \$19,999; \$20,000 to \$29,999; \$30,000 to \$39,999; \$40,000 to \$49,999; or \$50,000 or more. If the category "\$50,000 or more" is selected, the specific dollar amount of compensation must be reported, rounded up or down to the nearest \$1,000.

(c) Compensation shall be reported using the accrual basis of accounting.

(d) Compensation reports should reflect compensation received for lobbying the legislative branch only.

(e) If the lobbying firm subcontracts work from another lobbying firm and not from the original principal:

1. The lobbying firm providing the work to be subcontracted shall be treated as the reporting lobbying firm's principal for reporting purposes under this paragraph; and

2. The reporting lobbying firm shall, for each lobbying firm identified as the reporting lobbying firm's principal under paragraph (b), identify the name, business address, and telephone number of the principal originating the lobbying work.

(f) The senior partner, officer, or owner of the lobbying firm shall certify to the veracity and completeness of the information submitted pursuant to this rule; certify that no compensation has been omitted from this report by deeming such compensation as "consulting services," "media services," "professional services," or anything other than compensation; and certify that no officer or employee of the firm has made an expenditure in violation of s. 11.045, Florida Statutes.

(2) For each principal represented by more than one lobbying firm, the Office shall aggregate the reporting-period and calendar-year compensation reported as provided or owed by the principal. Compensation reported within a category shall be aggregated as follows:

Category (dollars)	Dollar amount to use aggregating
0	0
1–9,999	5,000
10,000–19,999	15,000
20,000–29,999	25,000
30,000–39,999	35,000
40,000–49,999	45,000
50,000 or more	Actual amount reported

(3) The compensation reports shall be filed no later than 45 days after the end of each reporting period. The four reporting periods are from January 1 through March 31, April 1 through June 30, July 1 through September 30, and October 1 through December 31, respectively. The reports shall be rendered in the identical form provided by the respective houses and shall be open to public inspection.

(4) A report filed pursuant to this rule must be completed and filed through the LRCRS not later than 11:59 p.m. of the day designated in subsection (3). A report not filed by 11:59 p.m. of the day designated is a late-filed report and is subject to the penalties under Joint Rule 1.5(1).

(5) Each person given secure sign-on credentials in the LRCRS is responsible for protecting the credentials from disclosure and is responsible for all filings made by use of such credentials, unless and until the Office is notified that the person's credentials have been compromised. Each report filed by electronic means pursuant to this rule shall be deemed certified in accordance with paragraph (1)(f) by the person given the secure sign-on credentials and, as such, subjects the person and the lobbying firm to the provisions of s. 11.045(8), Florida Statutes, as well as any discipline provided under the rules of the Senate or House of Representatives.

(6) If the President of the Senate and the Speaker of the House of Representatives jointly declare that the electronic system is not operable, the reports shall be filed in accordance with instructions on the LRCRS website which will be posted for a reasonable period of time.

1.5—Failure to File Timely Compensation Report; Notice and Assessment of Fines; Appeals

(1) Upon determining that the report is late, the LRCRS shall immediately notify the lobbying firm by e-mail as to the failure to timely file the report and that a fine is being assessed for each late day. The fine shall be \$50 per day per report for each late day, not to exceed \$5,000 per report.

(2) Upon submittal of the late-filed report by the lobbying firm, the LRCRS shall determine the amount of the fine based on the submittal date shown in the electronic receipt issued by the LRCRS.

(3) Such fine shall be paid within 30 days after the notice of payment due is transmitted by the LRCRS, unless an appeal is made to the LRO. The moneys shall be deposited into the Legislative Lobbyist Registration Trust Fund.

(4) A fine may not be assessed against a lobbying firm the first time the report for which the lobbying firm is responsible is not timely filed. However, to receive the one-time fine waiver, the report for which the lobbying firm is responsible must be filed within 30 days after the notice of failure to file is transmitted by the LRCRS. A fine shall be assessed for all subsequent late-filed reports.

(5) Any lobbying firm may appeal or dispute a fine, based upon unusual circumstances surrounding the failure to file on the designated due date, and may request and shall be entitled to a hearing before the General Counsel of the Office of Legislative Services, who shall recommend to the President of the Senate and the Speaker of the House of Representatives, or their respective designees, that the fine be waived in whole or in part for good cause shown. The President of the Senate and the Speaker of the House of Representatives, or their respective designees, may, by joint agreement, concur in the recommendation and waive the fine in whole or in part. Any such request shall be made within 30 days after the notice of payment due is transmitted by the LRCRS. In such case, the

lobbying firm shall, within the 30-day period, notify the LRO in writing of the firm's intention to request a hearing.

(6) A lobbying firm may request that the filing of a report be waived upon good cause shown, based on unusual circumstances. The request must be filed with the General Counsel of the Office of Legislative Services, who shall make a recommendation concerning the waiver request to the President of the Senate and the Speaker of the House of Representatives. The President of the Senate and the Speaker of the House of Representatives may, by joint agreement, grant or deny the request.

(7)(a) All lobbyist registrations for lobbyists who are partners, owners, officers, or employees of a lobbying firm that fails to timely pay a fine are automatically suspended until the fine is paid or waived and all late reports have been filed or waived. The LRO shall promptly notify all affected principals, the President of the Senate, and the Speaker of the House of Representatives of any suspension or reinstatement. All lobbyists who are partners, owners, officers, or employees of a lobbying firm are jointly and severally liable for any outstanding fine owed by a lobbying firm.

(b) Such lobbyist may not be reinstated in any capacity representing any principal until the fine is paid and all late reports have been filed or waived or until the fine is waived as to that lobbyist and all late reports for that lobbyist have been filed or waived. A suspended lobbyist may request a waiver upon good cause shown, based on unusual circumstances. The request must be filed with the General Counsel of the Office of Legislative Services who shall, as soon as practicable, make a recommendation concerning the waiver request to the President of the Senate and the Speaker of the House of Representatives. The President of the Senate and the Speaker of the House of Representatives may, by joint agreement, grant or deny the request.

(8) The LRO shall notify the coordinator of the Office of the failure of a lobbying firm to file a report after notice or of the failure of a lobbying firm to pay the fine imposed.

1.6—Open Records; Internet Publication of Registrations and Compensation Reports

(1) All of the lobbyist registration forms and compensation reports received by the LRO shall be available for public inspection and for duplication at reasonable cost.

(2) The LRO shall make information filed pursuant to Joint Rules 1.2 and 1.4 reasonably available on the Internet in an easily understandable and accessible format through the LRCRS. The LRCRS must include, but not be limited to including, the names and business addresses of lobbyists, lobbying firms, and principals; the affiliations between lobbyists and principals; and the

classification system designated and identified with respect to principals pursuant to Joint Rule 1.2.

1.7—Records Retention and Inspection and Complaint Procedure

(1) Each lobbying firm and each principal shall preserve for a period of 4 years all accounts, bills, receipts, computer records, books, papers, and other documents and records necessary to substantiate compensation reports and registration documentation.

(2) Upon receipt of a complaint based on the personal knowledge of the complainant made pursuant to the Senate Rules or the Rules of the House of Representatives, any such documents and records may be inspected when authorized by the President of the Senate or the Speaker of the House of Representatives, as applicable. The person authorized to perform the inspection shall be designated in writing and shall be a member of The Florida Bar or a certified public accountant licensed in Florida. Any information obtained by such an inspection may only be used for purposes authorized by law, Joint Rule One, the Senate Rules, or the Rules of the House of Representatives, which purposes may include the imposition of sanctions against a person subject to Joint Rule One, the Senate Rules, or the Rules of the House of Representatives. Any employee who uses that information for an unauthorized purpose is subject to discipline. Any member who uses that information for an unauthorized purpose is subject to discipline under the applicable rules of each house.

(3) The right of inspection may be enforced by appropriate writ issued by any court of competent jurisdiction.

1.8—Questions Regarding Interpretation of Joint Rule One

(1) A person may request in writing an informal opinion from the General Counsel of the Office of Legislative Services as to the application of Joint Rule One to a specific situation involving that person's conduct. The General Counsel shall issue the opinion within 10 days after receiving the request. The informal opinion may be relied upon by the person who requested the informal opinion. A copy of each informal opinion that is issued shall be provided to the presiding officer of each house. A committee of either house designated pursuant to section 11.045(5), Florida Statutes, may revise any informal opinion rendered by the General Counsel through an advisory opinion to the person who requested the informal opinion. The advisory opinion shall supersede the informal opinion as of the date the advisory opinion is issued.

(2) A person in doubt about the applicability or interpretation of Joint Rule One with respect to that person's conduct may submit in writing the facts for an advisory opinion to the committee of either house designated pursuant to s. 11.045(5), Florida Statutes, and may appear in person before the committee in accordance with s. 11.045(5), Florida Statutes.

1.9—Effect of Readoption and Revision

All obligations existing under Joint Rule One as of the last day of the previous legislative biennium are hereby ratified, preserved, and reimposed pursuant to the terms thereof as of that date. The provisions of Joint Rule One are imposed retroactively to the first day of the present legislative biennium except that provisions new to this revision are effective on the date of adoption or as otherwise expressly provided herein.

Joint Rule Two—General Appropriations Review Period and Budget Conference Committee Rules

2.1—General Appropriations and Related Bills; Review Periods

(1) A general appropriations bill shall be subject to a 72-hour public review period before a vote is taken on final passage of the bill in the form that will be presented to the Governor.

(2) If a bill is returned to the house in which the bill originated and the originating house does not concur in all the amendments or adds additional amendments, no further action shall be taken on the bill by the nonoriginating house, and a conference committee shall be established by operation of this rule to consider the bill.

(3) If a bill is referred to a conference committee by operation of this rule, a 72-hour public review period shall be provided prior to a vote being taken on the conference committee report by either house.

(4) A copy of the bill, a copy of the bill with amendments adopted by the nonoriginating house, or the conference committee report shall be furnished to each member of the Legislature, the Governor, the Chief Justice of the Supreme Court, and each member of the Cabinet. Copies for the Governor, Chief Justice, and members of the Cabinet shall be furnished to the official's office in the Capitol or Supreme Court Building.

(5)(a) Copies required to be furnished under subsection (4) shall be furnished to members of the Legislature as follows:

1. A printed copy may be placed on each member's desk in the appropriate chamber; or

2. An electronic copy may be furnished to each member. The Legislature hereby deems and determines that a copy shall have been furnished to the members of the Legislature when an electronic copy is made available to every member of the Legislature. (1) The President of the Senate and the Speaker of the House of Representatives, by joint proclamation duly filed with the Department of State, may convene the Legislature in special session pursuant to the authority of s. 3, Art. III of the State Constitution.

(2) The Legislature may also be convened in special session in the following manner: When 20 percent of the members of the Legislature shall execute in writing and file with the Department of State their certificates that conditions warrant the convening of the Legislature into special session, the Department of State shall, within 7 days after receiving the requisite number of such certificates, poll the members of the Legislature, and upon the affirmative vote of three-fifths of the members of both houses, shall forthwith fix the day and hour for the convening of such special session. Notice thereof shall be given each member by registered mail within 7 days after receiving the requisite number of said certificates. The time for convening of said session shall not be less than 14 days nor more than 21 days from the date of mailing said notices. In pursuance of said certificates, affirmative vote of the membership, and notice, the Legislature shall convene in special session. Should the Department of State fail to receive the requisite number of said certificates requesting the convening of a special session of the Legislature within a period of 60 days after receipt of the first of said certificates, all certificates previously filed shall be rendered null and void and no special session shall be called, and said certificates shall not be used at any future time for the convening of the Legislature.

(3) During any special session convened pursuant to this section, only such legislative business may be transacted as is within the purview of the purpose or purposes stated in the proclamation, the certificates filed with the Secretary of State, or in a communication from the Governor or as is introduced by consent of two-thirds of the membership of each house.

11.02 Notice of special or local legislation or certain relief acts.—The notice required to obtain special or local legislation or any relief act specified in s. 11.065 shall be by publishing the identical notice in each county involved in some newspaper as defined in chapter 50 published in or circulated throughout the county or counties where the matter or thing to be affected by such legislation shall be situated one time at least 30 days before introduction of the proposed law into the Legislature or, there being no newspaper circulated throughout or published in the county, by posting for at least 30 days at not less than three public places in the county or each of the counties, one of which places shall be at the courthouse in the county or counties where the matter or thing to be affected by such legislation shall be situated. Notice of special or local legislation shall state the substance of the contemplated law, as required by s. 10, Art. III of the State Constitution. Notice of any relief act specified in s. 11.065 shall state the name of the claimant, the nature of the injury or loss for

which the claim is made, and the amount of the claim against the affected municipality's revenue-sharing trust fund.

11.021 Evidence of publication of notice.—The evidence that such notice has been published shall be established in the Legislature before such bill shall be passed, and such evidence shall be filed or preserved with the bill in the Department of State in such manner as the Legislature shall provide.

(2) No special county or district census shall be effective for any purposes other than to ascertain the population for the purpose of interpreting an existing law relating to additional judges of the circuit court and additional county court judges, but no existing population or apportionment act shall be affected by a special census.

(3) The last federal decennial statewide census shall not be effective for the purpose of affecting acts of the Legislature enacted prior thereto which apply only to counties of the state within a stated population bracket until July 1 of the year following the taking of such census.

11.0431 Legislative records; intent of legislation; exemption from public disclosure.—

(1) It is the policy of the Legislature that every person has the right to inspect and copy records of the Senate and the House of Representatives received in connection with the official business of the Legislature as provided for by the constitution of this state. To that end, public records shall be open to personal inspection and copying at reasonable times except when specific public necessity justifies that public records be exempt from such inspection and copying.

(2) The following public records are exempt from inspection and copying:

(a) Records, or information contained therein, held by the legislative branch of government which, if held by an agency as defined in s. 119.011, or any other unit of government, would be confidential or exempt from the provisions of s. 119.07(1), or otherwise exempt from public disclosure, and records or information of the same type held by the Legislature.

(b) A formal complaint about a member or officer of the Legislature or about a lobbyist and the records relating to the complaint, until the complaint is dismissed, a determination as to probable cause has been made, a determination that there are sufficient grounds for review has been made and no probable cause panel is to be appointed, or the respondent has requested in writing that the President of the Senate or the Speaker of the House of Representatives make public the complaint or other records relating to the complaint, whichever occurs first.

(c) A legislatively produced draft, and a legislative request for a draft, of a bill, resolution, memorial, or legislative rule, and an amendment thereto,

(d) A draft of a bill analysis or fiscal note until the bill analysis or fiscal note is provided to a person other than an employee of the Legislature, a contract employee or consultant retained by the Legislature, or an officer of the Legislature.

(e) A draft, and a request for a draft, of a reapportionment plan or redistricting plan and an amendment thereto. Any supporting documents associated with such plan or amendment until a bill implementing the plan, or the amendment, is filed.

(f) Records prepared for or used in executive sessions of the Senate until 10 years after the date on which the executive session was held.

(g) Portions of records of former legislative investigating committees whose records are sealed or confidential as of June 30, 1993, which may reveal the identity of any witness, any person who was a subject of the inquiry, or any person referred to in testimony, documents, or evidence retained in the committee's records; however, this exemption does not apply to a member of the committee, its staff, or any public official who was not a subject of the inquiry.

(h) Requests by members for an advisory opinion concerning the application of the rules of either house pertaining to ethics, unless the member requesting the opinion authorizes in writing the release of such information. All advisory opinions shall be open to inspection except that the identity of the member shall not be disclosed in the opinion unless the member requesting the opinion authorizes in writing the release of such information.

(i) Portions of correspondence held by the legislative branch which, if disclosed, would reveal: information otherwise exempt from disclosure by law; an individual's medical treatment, history, or condition; the identity or location of an individual if there is a substantial likelihood that releasing such information would jeopardize the health or safety of that individual; or information regarding physical abuse, child abuse, spouse abuse, or abuse of the elderly.

(3) Any record created prior to July 1, 1993, which was not available to the public from the house, commission, committee, or office of the legislative branch that created the record, is exempt from inspection and copying until July 1, 1993. Prior to July 1, 1993, the presiding officer of each house shall determine which records held by that house should remain exempt from inspection and copying. The presiding officers of both houses shall jointly determine which records held by joint committees should remain exempt from inspection and copying. No later than July 1, 1993, the presiding officers shall publish a list of records that remain exempt from inspection and copying.

(4) For purposes of this section, "public record" means all documents, papers, letters, maps, books, tapes, photographs, films, sound recordings, or other material, regardless of physical form or characteristics, made or received pursuant to law or ordinance or in connection with the transaction of official business by the legislative branch.

(5) Nothing herein shall be construed to limit the authority of each house of the Legislature to adopt rules pursuant to Art. I, s. 24 of the State Constitution.

11.065 Claims against state; limitations; notice.—

(1) No claims against the state shall be presented to the Legislature more than 4 years after the cause for relief accrued. Any claim presented after this time of limitation shall be void and unenforceable.

(2) All relief acts of the Legislature shall be for payment in full. No further claims for relief shall be submitted to the Legislature in the future.

(3) Notice shall be given as provided in s. 11.02 prior to the introduction of any relief act which provides for the payment of the claim from funds scheduled for distribution to a municipality from the revenue-sharing trust fund for municipalities.

11.07 Method of enrolling bills, etc.—

(1) All bills and joint resolutions passed by the Senate and House of Representatives shall be duly enrolled, on paper, by the Secretary of the Senate or the Clerk of the House of Representatives, accordingly as the bills or joint resolutions may have originated in the Senate or House of Representatives, before they shall be presented to the Governor or filed in the Department of State.

(2) Coded indicators of words to be added or deleted from existing sections of the Florida Statutes or the State Constitution, as authorized by the rules of the Senate and House of Representatives, shall not be deleted upon enrolling of the act. However, such indicators are solely for the convenience of those using the pamphlet and session laws and shall not be considered to constitute a part of the act as passed.

(3) The size, style and quality of the paper to be used shall be prescribed by the Department of State and furnished by it, in sufficient quantities, to the Secretary of the Senate and the Clerk of the House of Representatives. The cost of said enrolling paper shall be paid for by the Legislature from the appropriation for legislative expense.

11.111 Continuance of certain causes for term of Legislature and period of time prior and subsequent thereto and committee workdays.—Any proceeding before any court, municipality, or agency of government of this state shall stand continued, without the continuance being charged against any party, during any session of the Legislature and for a period of time 15 days prior to any session of the Legislature and 15 days subsequent to the conclusion of any session of the Legislature, and during any period of required committee work

and for a period of time 1 day prior and 1 day subsequent thereto, when either attorney representing the litigants is a legislator or when a member of the Legislature is a party or witness or is scheduled to appear before any municipal government, administrative board, or agency, when notice to that effect is given to the convening authority by such member. The time period for determining the right to a speedy trial shall be tolled during the period of the continuance, but the providing of such a continuance shall not act as a waiver to the right to a speedy trial. The immunity herein granted shall, upon the filing of a notice by the witness, extend to any member not an attorney who is engaged in any proceeding before any court or any state, county, or municipal agency or board in a representative capacity for any individual or group or as a witness in any proceeding. After said notice has been filed by a member of the Legislature called as a witness, the proceeding may proceed notwithstanding such notice if the party calling such member as a witness shall agree.

11.12 Salary, subsistence, and mileage of members and employees; expenses authorized by resolution; appropriation; preaudit.—

(1) The Chief Financial Officer is authorized to pay the salary, subsistence, and mileage of the members of the Legislature as the same shall be authorized by law. The Chief Financial Officer may pay the compensation of employees of the Legislature, together with reimbursement for their authorized travel as provided in s. 112.061, and such expense of the Legislature as shall be authorized by law, a concurrent resolution, a resolution of either house, or rules adopted by the respective houses, provided the total amount appropriated to the legislative branch shall not be altered, upon receipt of such warrant therefor. The number, duties, and compensation of the employees of the respective houses and of their committees shall be determined as provided by the rules of the respective house or in this chapter. Each legislator may designate no more than two employees to attend sessions of the Legislature, and those employees who change their places of residence in order to attend the session shall be paid subsistence at a rate to be established by the President of the Senate for Senate employees and the Speaker of the House of Representatives for House employees. Such employees, in addition to subsistence, shall be paid transportation expenses in accordance with s. 112.061(7) and (8) for actual transportation between their homes and the seat of government in order to attend the legislative session and return home, as well as for two round trips during the course of any regular session of the Legislature.

(2) All vouchers covering legislative expenses shall be preaudited by the Chief Financial Officer, and, if found to be correct, state warrants shall be issued therefor.

11.13 Compensation of members.—

(1)(a) The annual salaries of members of the Senate and House of Representatives, payable in 12 equal monthly installments, shall be:

1. The President of the Senate and Speaker of the House of Representatives, \$25,000 each.

2. All other members of the Senate and House of Representatives, \$18,000 each.

(b) Effective July 1, 1986, and each July 1 thereafter, the annual salaries of members of the Senate and House of Representatives shall be adjusted by the average percentage increase in the salaries of state career service employees for the fiscal year just concluded. The Appropriations Committee of each house shall certify to the Office of Legislative Services the average percentage increase in the salaries of state career service employees before July 1 of each year. The Office of Legislative Services shall, as of July 1 of each year, determine the adjusted annual salaries as provided herein.

(2) During the time the Legislature is in session, each legislator shall be paid subsistence at a rate to be established by the President of the Senate for members of the Senate and the Speaker of the House of Representatives for members of the House. Each legislator, in addition to subsistence, shall be paid travel expenses in accordance with s. 112.061(7) and (8) for actual travel between the legislator's home and the seat of government for not more than one round trip per week or fraction of a week during any regular, special, or extraordinary session of the Legislature or for the convening of either the House or Senate for official business.

(3) Members of any standing or select committee or subcommittee thereof shall receive per diem and travel expenses as provided in s. 112.061 from the appropriation for legislative expenses.

(4) Each member of the Legislature shall be entitled to receive a monthly allowance for intradistrict expenses in an amount set annually by the President of the Senate for members of the Senate and the Speaker of the House of Representatives for members of the House. In setting the amount, the costs of maintaining a legislative district office or offices that provide an appropriate level of constituent services shall be considered. The procedure for disbursement of the monthly intradistrict expense allowed shall be set from time to time by the Office of Legislative Services, with the approval of the President of the Senate and the Speaker of the House of Representatives or their respective designees. Such expenses shall be a proper expense of the Legislature and shall be disbursed from the appropriation for legislative expense. The expenses provided under this subsection shall not include any travel and per diem reimbursed under subsections (2) and (3) or the rules of either house.

(5)(a) All expenditures of the Senate, House of Representatives, and offices, committees, and divisions of the Legislature shall be made pursuant to and, unless changed as provided below, within the limits of budgetary estimates of expenditure for each fiscal year prepared and submitted prior to June 15 by the administrative head of each such house, office, committee, or division and approved by the President of the Senate as to Senate budgets, by the Speaker of the House of Representatives as to House budgets, and by the President of the Senate and the Speaker of the House of Representatives acting jointly as to joint committees and other units of the Legislature. Amounts in the approved

estimates of expenditure may be transferred between budgetary units within the Senate, House of Representatives, and joint activities by the original approving authority. Funds may be transferred between items of appropriation to the Legislature when approved by the President of the Senate and the Speaker of the House of Representatives, provided the total amount appropriated to the legislative branch shall not be altered. The Office of Legislative Services shall formulate and present to each house and office thereof recommendations concerning the form and preparation of such budgets and procedures for their adoption and transmission.

(b) Thirty days prior to the date established by s. 216.023 for submission of legislative budgets by all state agencies to the Governor, all budgetary units required to submit estimates of expenditures as provided by paragraph (a) shall annually submit tentative estimates of their financial needs for the next fiscal year beginning July 1 to the authorities required by that paragraph so that the financial needs of the Legislature for the ensuing fiscal year may be reported to the Governor by the President of the Senate and the Speaker of the House of Representatives as required by s. 216.081.

(c) The Office of Legislative Services shall submit on forms prescribed by the Chief Financial Officer requested allotments of appropriations for the fiscal year. It shall be the duty of the Chief Financial Officer to release the funds and authorize the expenditures for the legislative branch to be made from the appropriations on the basis of the requested allotments. However, the aggregate of such allotments shall not exceed the total appropriations available for the fiscal year.

(6) The pay of members of the Senate and House of Representatives shall be only as set by law.

11.131 Monetary supplements prohibited.—All laws or parts of laws, both general or local, which provide a monetary supplement to state legislators from county funds, either as a direct salary supplement or as an expense allowance or as reimbursement for expenses, are hereby repealed. This act shall not be construed to repeal any laws or parts of laws which provide for salaries or expenses to legislative aides or assistants or for the maintenance of a legislative delegation office.

11.135 Legislative committees, units, and offices; expenditures.—The Legislature hereby declares and determines that its standing and select committees and all units and offices of the legislative branch of government are not agencies of government as expressed in chapter 216; and no power shall rest in the Executive Office of the Governor or its successor to release or withhold funds appropriated to them, nor to affect the lawful expenditure of such appropriated funds as provided by law and the rules or decisions of the Legislature. Agencies of the executive branch shall have no power to determine the number or fix the compensation of the employees of any standing or select committee or any unit or office of the Legislature or to exercise any manner of control over them.

11.143 Standing or select committees; powers.—

(1) Each standing or select committee, or subcommittee thereof, is authorized to invite public officials and employees and private individuals to appear before the committee for the purpose of submitting information to it. Each such committee is authorized to maintain a continuous review of the work of the state agencies concerned with its subject area and the performance of the functions of government within each such subject area and for this purpose to request reports from time to time, in such form as the committee designates, concerning the operation of any state agency and presenting any proposal or recommendation such agency may have with regard to existing laws or proposed legislation in its subject area.

(2) In order to carry out its duties, each such committee is empowered with the right and authority to inspect and investigate the books, records, papers, documents, data, operation, and physical plant of any public agency in this state, including any confidential information.

(3)(a) In order to carry out its duties, each such committee, whenever required, may issue subpoena and other necessary process to compel the attendance of witnesses before such committee, and the chair thereof shall issue the process on behalf of the committee, in accordance with the rules of the respective house. The chair or any other member of such committee may administer all oaths and affirmations in the manner prescribed by law to witnesses who appear before the committee for the purpose of testifying in any matter concerning which the committee desires evidence.

(b) Each such committee, whenever required, may also compel by subpoena duces tecum the production of any books, letters, or other documentary evidence, including any confidential information, it desires to examine in reference to any matter before it.

(c) Either house during the session may punish by fine or imprisonment any person not a member who has been guilty of disorderly or contemptuous conduct in its presence or of a refusal to obey its lawful summons, but such imprisonment must not extend beyond the final adjournment of the session.

(d) The sheriffs in the several counties or a duly constituted agent of a Florida legislative committee 18 years of age or older shall make such service and execute all process or orders when required by such committees. Sheriffs shall be paid as provided for in s. 30.231.

(4)(a) Whoever willfully affirms or swears falsely in regard to any material matter or thing before any such committee is guilty of false swearing, which constitutes a felony of the second degree, punishable as provided in s. 775.082, s. 775.083, or s. 775.084.

(b) If a witness fails to respond to the lawful subpoena of any such committee at a time when the Legislature is not in session or, having responded, fails to answer all lawful inquiries or to turn over evidence that has been

subpoenaed, such committee may file a complaint before any circuit court of the state setting up such failure on the part of the witness. On the filing of such complaint, the court shall take jurisdiction of the witness and the subject matter of the complaint and shall direct the witness to respond to all lawful questions and to produce all documentary evidence in the possession of the witness which is lawfully demanded. The failure of a witness to comply with such order of the court constitutes a direct and criminal contempt of court, and the court shall punish the witness accordingly.

(5) All witnesses summoned before any such committee shall receive reimbursement for travel expenses and per diem at the rates provided in s. 112.061. However, the fact that such reimbursement is not tendered at the time the subpoena is served does not excuse the witness from appearing as directed therein.

11.25 Salaries and expenditures not subject to control of executive agencies.—

(1) The Legislature hereby declares and determines that the employees of the several offices, committees, and other divisions of the Legislature are and shall continue to be groups of employees employed by the Legislature to perform such services as may be provided by law, by rule of the respective house, or directed by the joint committee, whichever is applicable. Such offices, committees and divisions are not agencies of government within the intent of the Legislature as expressed in chapters 216 and 287.

(2) Agencies of the executive branch shall have no power to determine the number or fix the compensation of legislative employees or exercise any manner of control over them. The selection of such employees, the determination of their qualifications and compensation, and the establishment of policies relating to their work, including hours of work, leave, and other matters, shall be the sole prerogative of the Legislature.

11.26 Legislative employees; employment restrictions.—No employee of the Legislature shall:

(1) Subject to the provisions of s. 11.0431, reveal to any person outside the area of the employee's direct responsibility the contents or nature of any request for services made by any member of the Legislature, except with the consent of the member making such request.

(2) Give legal advice on any subject to any person, firm, or corporation, except members or staff of the Legislature.

(3) No full-time legislative employee shall be otherwise employed, except with the written permission of the presiding officer of the house by which he or she is employed. Employees of joint committees must have the permission of the presiding officers of both houses.

11.40 Legislative Auditing Committee.—

(1) The Legislative Auditing Committee may take under investigation any matter within the scope of an audit, review, or examination either completed

or then being conducted by the Auditor General or the Office of Program Policy Analysis and Government Accountability, and, in connection with such investigation, may exercise the powers of subpoena by law vested in a standing committee of the Legislature.

(2) Following notification by the Auditor General, the Department of Financial Services, the Division of Bond Finance of the State Board of Administration, the Governor or his or her designee, or the Commissioner of Education or his or her designee of the failure of a local governmental entity, district school board, charter school, or charter technical career center to comply with the applicable provisions within s. 11.45(5)-(7), s. 218.32(1), s. 218.38, or s. 218.503(3), the Legislative Auditing Committee may schedule a hearing to determine if the entity should be subject to further state action. If the committee determines that the entity should be subject to further state action, the committee shall:

(a) In the case of a local governmental entity or district school board, direct the Department of Revenue and the Department of Financial Services to withhold any funds not pledged for bond debt service satisfaction which are payable to such entity until the entity complies with the law. The committee shall specify the date that such action must begin, and the directive must be received by the Department of Revenue and the Department of Financial Services 30 days before the date of the distribution mandated by law. The Department of Revenue and the Department of Financial Services may implement this paragraph.

(b) In the case of a special district created by:

1. A special act, notify the President of the Senate, the Speaker of the House of Representatives, the standing committees of the Senate and the House of Representatives charged with special district oversight as determined by the presiding officers of each respective chamber, the legislators who represent a portion of the geographical jurisdiction of the special district, and the Department of Economic Opportunity that the special district has failed to comply with the law. Upon receipt of notification, the Department of Economic Opportunity shall proceed pursuant to s. 189.062 or s. 189.067. If the special district remains in noncompliance after the process set forth in s. 189.0651, or if a public hearing is not held, the Legislative Auditing Committee may request the department to proceed pursuant to s. 189.067(3).

2. A local ordinance, notify the chair or equivalent of the local general-purpose government pursuant to s. 189.0652 and the Department of Economic Opportunity that the special district has failed to comply with the law. Upon receipt of notification, the department shall proceed pursuant to s. 189.062 or s. 189.067. If the special district remains in noncompliance after the process set forth in s. 189.0652, or if a public hearing is not held, the Legislative Auditing Committee may request the department to proceed pursuant to s. 189.067(3).

3. Any manner other than a special act or local ordinance, notify the Department of Economic Opportunity that the special district has failed to comply with the law. Upon receipt of notification, the department shall proceed pursuant to s. 189.062 or s. 189.067(3).

(c) In the case of a charter school or charter technical career center, notify the appropriate sponsoring entity, which may terminate the charter pursuant to ss. 1002.33 and 1002.34.

(3)(a) As used in this subsection, “independent contract auditor” means a state-licensed certified public accountant or firm with which a state-licensed certified public accountant is currently employed or associated who is actively engaged in the accounting profession.

(b) Audits specified in this subsection cover the quarterly compensation reports for the previous calendar year for a random sample of 3 percent of all legislative branch lobbying firms and a random sample of 3 percent of all executive branch lobbying firms calculated using as the total number of such lobbying firms those filing a compensation report for the preceding calendar year. The committee shall provide for a system of random selection of the lobbying firms to be audited.

(c) The committee shall create and maintain a list of not less than 10 independent contract auditors approved to conduct the required audits. Each lobbying firm selected for audit in the random audit process may designate one of the independent contract auditors from the committee’s approved list. Upon failure for any reason of a lobbying firm selected in the random selection process to designate an independent contract auditor from the committee’s list within 30 calendar days after being notified by the committee of its selection, the committee shall assign one of the available independent contract auditors from the approved list to perform the required audit. No independent contract auditor, whether designated by the lobbying firm or by the committee, may perform the audit of a lobbying firm where the auditor and lobbying firm have ever had a direct personal relationship or any professional accounting, auditing, tax advisory, or tax preparing relationship with each other. The committee shall obtain a written, sworn certification subject to s. 837.06, both from the randomly selected lobbying firm and from the proposed independent contract auditor, that no such relationship has ever existed.

(d) Each independent contract auditor shall be engaged by and compensated solely by the state for the work performed in accomplishing an audit under this subsection.

(e) Any violations of law, deficiencies, or material misstatements discovered and noted in an audit report shall be clearly identified in the audit report and be determined under the rules of either house of the Legislature or under the joint rules, as applicable.

(f) If any lobbying firm fails to give full, frank, and prompt cooperation and access to books, records, and associated backup documents as

requested in writing by the auditor, that failure shall be clearly noted by the independent contract auditor in the report of audit.

(g) The committee shall establish procedures for the selection of independent contract auditors desiring to enter into audit contracts pursuant to this subsection. Such procedures shall include, but not be limited to, a rating system that takes into account pertinent information, including the independent contract auditor's fee proposals for participating in the process. All contracts under this subsection between an independent contract auditor and the Speaker of the House of Representatives and the President of the Senate shall be terminable by either party at any time upon written notice to the other, and such contracts may contain such other terms and conditions as the Speaker of the House of Representatives and the President of the Senate deem appropriate under the circumstances.

(h) The committee shall adopt guidelines that govern random audits and field investigations conducted pursuant to this subsection. The guidelines shall ensure that similarly situated compensation reports are audited in a uniform manner. The guidelines shall also be formulated to encourage compliance and detect violations of the legislative and executive lobbying compensation reporting requirements in ss. 11.045 and 112.3215 and to ensure that each audit is conducted with maximum efficiency in a cost-effective manner. In adopting the guidelines, the committee shall consider relevant guidelines and standards of the American Institute of Certified Public Accountants to the extent that such guidelines and standards are applicable and consistent with the purposes set forth in this subsection.

(i) All audit reports of legislative lobbying firms shall, upon completion by an independent contract auditor, be delivered to the President of the Senate and the Speaker of the House of Representatives for their respective review and handling. All audit reports of executive branch lobbyists, upon completion by an independent contract auditor, shall be delivered by the auditor to the Commission on Ethics.

11.42 The Auditor General.—

(1) The Auditor General appointed in this section is the auditor that is required by s. 2, Art. III of the State Constitution.

(2) The Auditor General shall be appointed to office to serve at the pleasure of the Legislature, by a majority vote of the members of the Legislative Auditing Committee, subject to confirmation by both houses of the Legislature. At the time of her or his appointment, the Auditor General shall have been certified under the Public Accountancy Law in this state for a period of at least 10 years and shall have had not less than 10 years' experience in an accounting or auditing related field. Vacancies in the office shall be filled in the same manner as the original appointment.

(3)(a) To carry out her or his duties the Auditor General shall make all spending decisions within the annual operating budget approved by the

President of the Senate and the Speaker of the House of Representatives. The Auditor General shall employ qualified persons necessary for the efficient operation of the Auditor General's office and shall fix their duties and compensation and, with the approval of the President of the Senate and the Speaker of the House of Representatives, shall adopt and administer a uniform personnel, job classification, and pay plan for such employees.

(b) No person shall be employed as a financial auditor who does not possess the qualifications to take the examination for a certificate as certified public accountant under the laws of this state, and no person shall be employed or retained as legal adviser, on either a full-time or a part-time basis, who is not a member of The Florida Bar.

(4) The Auditor General, before entering upon the duties of the office, shall take and subscribe the oath of office required of state officers by the State Constitution.

(5) The appointment of the Auditor General may be terminated at any time by a majority vote of both houses of the Legislature.

(6)(a) The headquarters of the Auditor General shall be at the state capital, but to facilitate auditing and to eliminate unnecessary traveling the Auditor General may establish field offices located outside the state capital. The Auditor General shall be provided with adequate quarters to carry out the position's functions in the state capital and in other areas of the state.

(b) All payrolls and vouchers for the operations of the Auditor General's office shall be submitted to the Chief Financial Officer and, if found to be correct, payments shall be issued therefor.

(7) The Auditor General may make and enforce reasonable rules and regulations necessary to facilitate audits which she or he is authorized to perform.

(8) No officer or salaried employee of the Office of the Auditor General shall serve as the representative of any political party or on any executive committee or other governing body thereof; serve as an executive, officer, or employee of any political party committee, organization, or association; or be engaged on behalf of any candidate for public office in the solicitation of votes or other activities in behalf of such candidacy. Neither the Auditor General nor any employee of the Auditor General may become a candidate for election to public office unless she or he first resigns from office or employment. No officer or salaried employee of the Auditor General shall actively engage in any other business or profession or be otherwise employed without the prior written permission of the Auditor General.

(9) Sections 11.25(1) and 11.26 shall not apply to the Auditor General.

11.51 Office of Program Policy Analysis and Government Accountability.—

(1) The Office of Program Policy Analysis and Government Accountability is authorized to examine all entities and records listed in s. 11.45(3).

(2) At the conclusion of an examination, the designated representative of the Office of Program Policy Analysis and Government Accountability shall discuss the examination with the official whose office is examined and submit to that official the Office of Program Policy Analysis and Government Accountability's preliminary findings. If the official is not available for receipt of the preliminary findings, clearly designated as such, delivery thereof is presumed to be made when it is delivered to his or her office. Whenever necessary, the Office of Program Policy Analysis and Government Accountability may request the official to submit his or her written statement of explanation or rebuttal within 15 days after the receipt of the findings. If the response time is not requested to be within 15 days, the official shall submit his or her response within 30 days after receipt of the preliminary findings.

(3) No later than 18 months after the release of a report of the Office of Program Policy Analysis and Government Accountability, the agencies that are the subject of that report shall provide data and other information that describes with specificity what the agencies have done to respond to the recommendations contained in the report. The Office of Program Policy Analysis and Government Accountability may verify the data and information provided by the agencies. If the data and information provided by the agencies are deemed sufficient and accurate, the Office of Program Policy Analysis and Government Accountability shall report to the Legislative Auditing Committee and to the legislative standing committees concerned with the subject areas of the audit. The report shall include a summary of the agencies' responses, the evaluation of those responses, and any recommendations deemed to be appropriate.

(4) Work papers held by the Office of Program Policy Analysis and Government Accountability which relate to an authorized project or a research product are exempt from s. 24(a), Art. I of the State Constitution. The exemption applies to work papers held by the Office of Program Policy Analysis and Government Accountability before, on, or after the effective date of the exemption.

11.62 Legislative review of proposed regulation of unregulated functions.—

(1) This section may be cited as the "Sunrise Act."

(2) It is the intent of the Legislature:

(a) That no profession or occupation be subject to regulation by the state unless the regulation is necessary to protect the public health, safety, or welfare from significant and discernible harm or damage and that the police power of the state be exercised only to the extent necessary for that purpose; and

(b) That no profession or occupation be regulated by the state in a manner that unnecessarily restricts entry into the practice of the profession or occupation or adversely affects the availability of the professional or occupational services to the public.

(3) In determining whether to regulate a profession or occupation, the Legislature shall consider the following factors:

(a) Whether the unregulated practice of the profession or occupation will substantially harm or endanger the public health, safety, or welfare, and whether the potential for harm is recognizable and not remote;

(b) Whether the practice of the profession or occupation requires specialized skill or training, and whether that skill or training is readily measurable or quantifiable so that examination or training requirements would reasonably assure initial and continuing professional or occupational ability;

(c) Whether the regulation will have an unreasonable effect on job creation or job retention in the state or will place unreasonable restrictions on the ability of individuals who seek to practice or who are practicing a given profession or occupation to find employment;

(d) Whether the public is or can be effectively protected by other means; and

(e) Whether the overall cost-effectiveness and economic impact of the proposed regulation, including the indirect costs to consumers, will be favorable.

(4) The proponents of legislation that provides for the regulation of a profession or occupation not already expressly subject to state regulation shall provide, upon request, the following information in writing to the state agency that is proposed to have jurisdiction over the regulation and to the legislative committees to which the legislation is referred:

(a) The number of individuals or businesses that would be subject to the regulation;

(b) The name of each association that represents members of the profession or occupation, together with a copy of its codes of ethics or conduct;

(c) Documentation of the nature and extent of the harm to the public caused by the unregulated practice of the profession or occupation, including a description of any complaints that have been lodged against persons who have practiced the profession or occupation in this state during the preceding 3 years;

(d) A list of states that regulate the profession or occupation, and the dates of enactment of each law providing for such regulation and a copy of each law;

(e) A list and description of state and federal laws that have been enacted to protect the public with respect to the profession or occupation and a statement of the reasons why these laws have not proven adequate to protect the public;

(f) A description of the voluntary efforts made by members of the profession or occupation to protect the public and a statement of the reasons why these efforts are not adequate to protect the public;

(g) A copy of any federal legislation mandating regulation;

(h) An explanation of the reasons why other types of less restrictive regulation would not effectively protect the public;

(i) The cost, availability, and appropriateness of training and examination requirements;

(j) The cost of regulation, including the indirect cost to consumers, and the method proposed to finance the regulation;

(k) The cost imposed on applicants or practitioners or on employers of applicants or practitioners as a result of the regulation;

(l) The details of any previous efforts in this state to implement regulation of the profession or occupation; and

(m) Any other information the agency or the committee considers relevant to the analysis of the proposed legislation.

(5) The agency shall provide the Legislature with information concerning the effect of proposed legislation that provides for new regulation of a profession or occupation regarding:

(a) The departmental resources necessary to implement and enforce the proposed regulation;

(b) The technical sufficiency of the proposal for regulation, including its consistency with the regulation of other professions and occupations under existing law; and

(c) If applicable, any alternatives to the proposed regulation which may result in a less restrictive or more cost-effective regulatory scheme.

(6) When making a recommendation concerning proposed legislation providing for new regulation of a profession or occupation, a legislative committee shall determine:

(a) Whether the regulation is justified based on the criteria specified in subsection (3), the information submitted pursuant to request under subsection (4), and the information provided under subsection (5);

(b) The least restrictive and most cost-effective regulatory scheme that will adequately protect the public; and

(c) The technical sufficiency of the proposed legislation, including its consistency with the regulation of other professions and occupations under existing law.

11.90 Legislative Budget Commission.—

(1) There is created the Legislative Budget Commission, which is the joint Legislative Budget Commission created in s. 19, Art. III of the State Constitution, composed of seven members of the Senate appointed by the

President of the Senate and seven members of the House of Representatives appointed by the Speaker of the House of Representatives. Each member shall serve at the pleasure of the officer who appointed the member. A vacancy on the commission shall be filled in the same manner as the original appointment. From November of each odd-numbered year through October of each even-numbered year, the chairperson of the commission shall be appointed by the President of the Senate and the vice chairperson of the commission shall be appointed by the Speaker of the House of Representatives. From November of each even-numbered year through October of each odd-numbered year, the chairperson of the commission shall be appointed by the Speaker of the House of Representatives and the vice chairperson of the commission shall be appointed by the President of the Senate. The terms of members shall be for 2 years and shall run from the organization of one Legislature to the organization of the next Legislature.

(2) The Legislative Budget Commission shall be governed by joint rules of the Senate and the House of Representatives which shall remain in effect until repealed or amended by concurrent resolution.

(3) The commission shall convene at the call of the President of the Senate and the Speaker of the House of Representatives at least quarterly. A majority of the commission members of each house plus one additional member from either house constitutes a quorum. Venue for prosecution of crimes committed beyond the boundaries of the state shall be fixed by law.

(b) To preserve and protect the right of crime victims to achieve justice, ensure a meaningful role throughout the criminal and juvenile justice systems for crime victims, and ensure that crime victims' rights and interests are respected and protected by law in a manner no less vigorous than protections afforded to criminal defendants and juvenile delinquents, every victim is entitled to the following rights, beginning at the time of his or her victimization:

(1) The right to due process and to be treated with fairness and respect for the victim's dignity.

(2) The right to be free from intimidation, harassment, and abuse.

(3) The right, within the judicial process, to be reasonably protected from the accused and any person acting on behalf of the accused. However, nothing contained herein is intended to create a special relationship between the crime victim and any law enforcement agency or office absent a special relationship or duty as defined by Florida law.

(4) The right to have the safety and welfare of the victim and the victim's family considered when setting bail, including setting pretrial release conditions that protect the safety and welfare of the victim and the victim's family.

(5) The right to prevent the disclosure of information or records that could be used to locate or harass the victim or the victim's family, or which could disclose confidential or privileged information of the victim.

(6) A victim shall have the following specific rights upon request:

a. The right to reasonable, accurate, and timely notice of, and to be present at, all public proceedings involving the criminal conduct, including, but not limited to, trial, plea, sentencing, or adjudication, even if the victim will be a witness at the proceeding, notwithstanding any rule to the contrary. A victim shall also be provided reasonable, accurate, and timely notice of any release or escape of the defendant or delinquent, and any proceeding during which a right of the victim is implicated.

b. The right to be heard in any public proceeding involving pretrial or other release from any form of legal constraint, plea, sentencing, adjudication, or parole, and any proceeding during which a right of the victim is implicated.

c. The right to confer with the prosecuting attorney concerning any plea agreements, participation in pretrial diversion programs, release, restitution, sentencing, or any other disposition of the case.

d. The right to provide information regarding the impact of the offender's conduct on the victim and the victim's family to the individual responsible for conducting any presentence investigation or compiling any presentence investigation report, and to have any such information considered in

any sentencing recommendations submitted to the court.

e. The right to receive a copy of any presentence report, and any other report or record relevant to the exercise of a victim's right, except for such portions made confidential or exempt by law.

f. The right to be informed of the conviction, sentence, adjudication, place and time of incarceration, or other disposition of the convicted offender, any scheduled release date of the offender, and the release of or the escape of the offender from custody.

g. The right to be informed of all postconviction processes and procedures, to participate in such processes and procedures, to provide information to the release authority to be considered before any release decision is made, and to be notified of any release decision regarding the offender. The parole or early release authority shall extend the right to be heard to any person harmed by the offender.

h. The right to be informed of clemency and expungement procedures, to provide information to the governor, the court, any clemency board, and other authority in these procedures, and to have that information considered before a clemency or expungement decision is made; and to be notified of such decision in advance of any release of the offender.

(7) The rights of the victim, as provided in subparagraph (6)a., subparagraph (6)b., or subparagraph (6)c., that apply to any first appearance proceeding are satisfied by a reasonable attempt by the appropriate agency to notify the victim and convey the victim's views to the court.

(8) The right to the prompt return of the victim's property when no longer needed as evidence in the case.

(9) The right to full and timely restitution in every case and from each convicted offender for all losses suffered, both directly and indirectly, by the victim as a result of the criminal conduct.

(10) The right to proceedings free from unreasonable delay, and to a prompt and final conclusion of the case and any related postjudgment proceedings.

a. The state attorney may file a good faith demand for a speedy trial and the trial court shall hold a calendar call, with notice,

within fifteen days of the filing demand, to schedule a trial to commence on a date at least five days but no more than sixty days after the date of the calendar call unless the trial judge enters an order with specific findings of fact justifying a trial date more than sixty days after the calendar call.

b. All state-level appeals and collateral attacks on any judgment must be complete within two years from the date of appeal in non-capital cases and within five years from the date of appeal in capital cases, unless a court enters an order with specific findings as to why the court was unable to comply with this subparagraph and the circumstances causing the delay. Each year, the chief judge of any district court of appeal or the chief justice of the supreme court shall report on a case-by-case basis to the speaker of the house of representatives and the president of the senate all cases where the court entered an order regarding inability to comply with this subparagraph. The legislature may enact legislation to implement this subparagraph.

(11) The right to be informed of these rights, and to be informed that victims can seek the advice of an attorney with respect to their rights. This information shall be made available to the general public and provided to all crime victims in the form of a card or by other means intended to effectively advise the victim of their rights under this section.

(c) The victim, the retained attorney of the victim, a lawful representative of the victim, or the office of the state attorney upon request of the victim, may assert and seek enforcement of the rights enumerated in this section and any other right afforded to a victim by law in any trial or appellate court, or before any other authority with jurisdiction over the case, as a matter of right. The court or other authority with jurisdiction shall act promptly on such a request, affording a remedy by due course of law for the violation of any right. The reasons for any decision regarding the disposition of a victim's right shall be clearly stated on the record.

(d) The granting of the rights enumerated in this section to victims may not be construed to deny or impair any other rights possessed by victims. The provisions of this section apply throughout criminal and juvenile justice processes, are self-executing,

and do not require implementing legislation. This section may not be construed to create any cause of action for damages against the state or a political subdivision of the state, or any officer, employee, or agent of the state or its political subdivisions.

(e) As used in this section, a “victim” is a person who suffers direct or threatened physical, psychological, or financial harm as a result of the commission or attempted commission of a crime or delinquent act or against whom the crime or delinquent act is committed. The term “victim” includes the victim’s lawful representative, the parent or guardian of a minor, or the next of kin of a homicide victim, except upon a showing that the interest of such individual would be in actual or potential conflict with the interests of the victim. Any method of execution shall be allowed, unless prohibited by the United States Constitution. Methods of execution may be designated by the legislature, and a change in any method of execution may be applied retroactively. A sentence of death shall not be reduced on the basis that a method of execution is invalid. In any case in which an execution method is declared invalid, the death sentence shall remain in force until the sentence can be

lawfully executed by any valid method. This section shall apply retroactively.

(b) Sessions of each house shall be public; except sessions of the senate when considering appointment to or removal from public office may be closed.

(c) Each house shall keep and publish a journal of its proceedings; and upon the request of five members present, the vote of

each member voting on any question shall be entered on the journal. In any legislative committee or subcommittee, the vote of each member voting on the final passage of any legislation pending before the committee, and upon the request of any two members of the committee or subcommittee, the vote of each member on any other question, shall be recorded.

(d) Each house may punish a member for contempt or disorderly conduct and, by a two-thirds vote of its membership, may expel a member.

(e) The rules of procedure of each house shall provide that all legislative committee and subcommittee meetings of each house, and joint conference committee meetings, shall be open and noticed to the public. The rules of procedure of each house shall further provide that all prearranged gatherings, between more than two members of the legislature, or between the governor, the president of the senate, or the speaker of the house of representatives, the purpose of which is to agree upon formal legislative action that will be taken at a subsequent time, or at which formal legislative action is taken, regarding pending legislation or amendments, shall be reasonably open to the public. All open meetings shall be subject to order and decorum. This section shall be implemented and defined by the rules of each house, and such rules shall control admission to the floor of each legislative chamber and may, where reasonably necessary for security purposes or to protect a witness appearing before a committee, provide for the closure of committee meetings. Each house shall be the sole judge for the interpretation, implementation, and enforcement of this section.

If during that period or on the seventh day the legislature adjourns sine die or takes a recess of more than thirty days, the governor shall have fifteen consecutive days from the date of presentation to act on the bill. In all cases except general

appropriation bills, the veto shall extend to the entire bill. The governor may veto any specific appropriation in a general appropriation bill, but may not veto any qualification or restriction without also vetoing the appropriation to which it relates.

(b) When a bill or any specific appropriation of a general appropriation bill has been vetoed, the governor shall transmit signed objections thereto to the house in which the bill originated if in session. If that house is not in session, the governor shall file them with the custodian of state records, who shall lay them before that house at its next regular or special session, whichever occurs first, and they shall be entered on its journal. If the originating house votes to re-enact a vetoed measure, whether in a regular or special session, and the other house does not consider or fails to re-enact the vetoed measure, no further consideration by either house at any subsequent session may be taken. If a vetoed measure is presented at a special session and the originating house does not consider it, the measure will be available for consideration at any intervening special session and until the end of the next regular session.

(c) If each house shall, by a two-thirds vote, re-enact the bill or reinstate the vetoed specific appropriation of a general appropriation bill, the vote of each member voting shall be entered on the respective journals, and the bill shall become law or the specific appropriation reinstated, the veto notwithstanding.

SECTION 1. Taxation; appropriations; state expenses; state revenue limitation.—

(a) No tax shall be levied except in pursuance of law. No state ad valorem taxes shall be levied upon real estate or tangible personal property. All other forms of taxation shall be preempted to the state except as provided by general law.

(b) Motor vehicles, boats, airplanes, trailers, trailer coaches and mobile homes, as defined by law, shall be subject to a license tax for their operation in the amounts and for the purposes prescribed by law, but shall not be subject to ad valorem taxes.

(c) No money shall be drawn from the treasury except in pursuance of appropriation made by law.

(d) Provision shall be made by law for raising sufficient revenue to defray the expenses of the state for each fiscal period.

(e) Except as provided herein, state revenues collected for any fiscal year shall be limited to state revenues allowed under this subsection for the prior fiscal year plus an adjustment for growth. As used in this subsection, "growth" means an amount equal to the average annual rate of growth in Florida personal income over the most recent twenty quarters times the state revenues allowed under this subsection for the prior fiscal year. For the 1995-1996 fiscal year, the state revenues allowed under this subsection for the prior fiscal year shall equal the state revenues collected for the 1994-1995 fiscal year. Florida personal income shall be determined by the legislature, from information available from the United States Department of Commerce or its

successor on the first day of February prior to the beginning of the fiscal year. State revenues collected for any fiscal year in excess of this limitation shall be transferred to the budget stabilization fund until the fund reaches the maximum balance specified in Section 19(g) of Article III, and thereafter shall be refunded to taxpayers as provided by general law. State revenues allowed under this subsection for any fiscal year may be increased by a two-thirds vote of the membership of each house of the legislature in a separate bill that contains no other subject and that sets forth the dollar amount by which the state revenues allowed will be increased. The vote may not be taken less than seventy-two hours after the third reading of the bill. For purposes of this subsection, "state revenues" means taxes, fees, licenses, and charges for services imposed by the legislature on individuals, businesses, or agencies outside state government. However, "state revenues" does not include: revenues that are necessary to meet the requirements set forth in documents authorizing the issuance of bonds by the state; revenues that are used to provide matching funds for the federal Medicaid program with the exception of the revenues used to support the Public Medical Assistance Trust Fund or its successor program and with the exception of state matching funds used to fund elective expansions made after July 1, 1994; proceeds from the state lottery returned as prizes; receipts of the Florida Hurricane Catastrophe Fund; balances carried forward from prior fiscal years; taxes, licenses, fees, and charges for services imposed by local, regional, or school district governing bodies; or revenue from taxes, licenses, fees, and charges for services required to be imposed by any amendment or revision to this constitution after July 1, 1994. An adjustment to the revenue limitation shall be made by general law to reflect the fiscal impact of transfers of responsibility for the funding of governmental functions between the state and other levels of government. The legislature shall, by general law, prescribe procedures necessary to administer this subsection.

History.—Am. H.J.R. 2053, 1994; adopted 1994.

SECTION 2. Taxes; rate.—All ad valorem taxation shall be at a uniform rate within

each taxing unit, except the taxes on intangible personal property may be at different rates but shall never exceed two mills on the dollar of assessed value; provided, as to any obligations secured by mortgage, deed of trust, or other lien on real estate wherever located, an intangible tax of not more than two mills on the dollar may be levied by law to be in lieu of all other intangible assessments on such obligations.

SECTION 3. Taxes; exemptions.—

(a) All property owned by a municipality and used exclusively by it for municipal or public purposes shall be exempt from taxation. A municipality, owning property outside the municipality, may be required by general law to make payment to the taxing unit in which the property is located. Such portions of property as are used predominantly for educational, literary, scientific, religious or charitable purposes may be exempted by general law from taxation.

(b) There shall be exempt from taxation, cumulatively, to every head of a family residing in this state, household goods and personal effects to the value fixed by general law, not less than one thousand dollars, and to every widow or widower or person who is blind or totally and permanently disabled, property to the value fixed by general law not less than five hundred dollars.

(c) Any county or municipality may, for the purpose of its respective tax levy and subject to the provisions of this subsection and general law, grant community and economic development ad valorem tax exemptions to new businesses and expansions of existing businesses, as defined by general law. Such an exemption may be granted only by ordinance of the county or municipality, and only after the electors of the county or municipality voting on such question in a referendum authorize the county or municipality to adopt such ordinances. An exemption so granted shall apply to improvements to real property made by or for the use of a new business and improvements to real property related to the expansion of an existing business and shall also apply to tangible personal property of such new business and tangible personal property related to the expansion of an existing business. The amount or limits of the amount of such exemption shall be

specified by general law. The period of time for which such exemption may be granted to a new business or expansion of an existing business shall be determined by general law. The authority to grant such exemption shall expire ten years from the date of approval by the electors of the county or municipality, and may be renewable by referendum as provided by general law.

(d) Any county or municipality may, for the purpose of its respective tax levy and subject to the provisions of this subsection and general law, grant historic preservation ad valorem tax exemptions to owners of historic properties. This exemption may be granted only by ordinance of the county or municipality. The amount or limits of the amount of this exemption and the requirements for eligible properties must be specified by general law. The period of time for which this exemption may be granted to a property owner shall be determined by general law.

¹(e) By general law and subject to conditions specified therein:

(1) Twenty-five thousand dollars of the assessed value of property subject to tangible personal property tax shall be exempt from ad valorem taxation.

(2) The assessed value of solar devices or renewable energy source devices subject to tangible personal property tax may be exempt from ad valorem taxation, subject to limitations provided by general law.

²(f) There shall be granted an ad valorem tax exemption for real property dedicated in perpetuity for conservation purposes, including real property encumbered by perpetual conservation easements or by other perpetual conservation protections, as defined by general law.

(g) By general law and subject to the conditions specified therein, each person who receives a homestead exemption as provided in section 6 of this article; who was a member of the United States military or military reserves, the United States Coast Guard or its reserves, or the Florida National Guard; and who was deployed during the preceding calendar year on active duty outside the continental United States, Alaska, or Hawaii in support of military operations designated by the legislature shall receive an additional exemption equal to a percentage of the taxable value of his or her

homestead property. The applicable percentage shall be calculated as the number of days during the preceding calendar year the person was deployed on active duty outside the continental United States, Alaska, or Hawaii in support of military operations designated by the legislature divided by the number of days in that year.

Upon expiration, this section shall be repealed and the text of subsection (e) of Section 3 of Article VII . . . shall revert to that in existence on December 31, 2017, except that any amendments to such text otherwise adopted shall be preserved and continue to operate to the extent that such amendments are not dependent upon the portions of text which expire pursuant to this section." Effective December 31, 2037, s. 3(e), Art. VII, State Constitution, will read:

(e) By general law and subject to conditions specified therein, twenty-five thousand dollars of the assessed value of property subject to tangible personal property tax shall be exempt from ad valorem taxation.

Note.—This subsection, originally designated (g) by Revision No. 4 of the Taxation and Budget Reform Commission, 2008, was redesignated (f) by the editors to conform to the redesignation of subsections by Revision No. 3 of the Taxation and Budget Reform Commission, 2008.

SECTION 4. Taxation; assessments.

By general law regulations shall be prescribed which shall secure a just valuation of all property for ad valorem taxation, provided:

(a) Agricultural land, land producing high water recharge to Florida's aquifers, or land used exclusively for noncommercial recreational purposes may be classified by general law and assessed solely on the basis of character or use.

(b) As provided by general law and subject to conditions, limitations, and reasonable definitions specified therein, land used for conservation purposes shall be classified by general law and assessed solely on the basis of character or use.

(c) Pursuant to general law tangible personal property held for sale as stock in trade and livestock may be valued for

taxation at a specified percentage of its value, may be classified for tax purposes, or may be exempted from taxation.

(d) All persons entitled to a homestead exemption under Section 6 of this Article shall have their homestead assessed at just value as of January 1 of the year following the effective date of this amendment. This assessment shall change only as provided in this subsection.

(1) Assessments subject to this subsection shall be changed annually on January 1st of each year; but those changes in assessments shall not exceed the lower of the following:

a. Three percent (3%) of the assessment for the prior year.

b. The percent change in the Consumer Price Index for all urban consumers, U.S. City Average, all items 1967=100, or successor reports for the preceding calendar year as initially reported by the United States Department of Labor, Bureau of Labor Statistics.

(2) No assessment shall exceed just value.

(3) After any change of ownership, as provided by general law, homestead property shall be assessed at just value as of January 1 of the following year, unless the provisions of paragraph (8) apply. Thereafter, the homestead shall be assessed as provided in this subsection.

(4) New homestead property shall be assessed at just value as of January 1st of the year following the establishment of the homestead, unless the provisions of paragraph (8) apply. That assessment shall only change as provided in this subsection.

(5) Changes, additions, reductions, or improvements to homestead property shall be assessed as provided for by general law; provided, however, after the adjustment for any change, addition, reduction, or improvement, the property shall be assessed as provided in this subsection.

(6) In the event of a termination of homestead status, the property shall be assessed as provided by general law.

(7) The provisions of this amendment are severable. If any of the provisions of this amendment shall be held unconstitutional by any court of competent jurisdiction, the decision of such court shall not affect or

impair any remaining provisions of this amendment.

(8)a. A person who establishes a new homestead as of January 1 and who has received a homestead exemption pursuant to Section 6 of this Article as of January 1 of any of the three years immediately preceding the establishment of the new homestead is entitled to have the new homestead assessed at less than just value. The assessed value of the newly established homestead shall be determined as follows:

1. If the just value of the new homestead is greater than or equal to the just value of the prior homestead as of January 1 of the year in which the prior homestead was abandoned, the assessed value of the new homestead shall be the just value of the new homestead minus an amount equal to the lesser of \$500,000 or the difference between the just value and the assessed value of the prior homestead as of January 1 of the year in which the prior homestead was abandoned. Thereafter, the homestead shall be assessed as provided in this subsection.

2. If the just value of the new homestead is less than the just value of the prior homestead as of January 1 of the year in which the prior homestead was abandoned, the assessed value of the new homestead shall be equal to the just value of the new homestead divided by the just value of the prior homestead and multiplied by the assessed value of the prior homestead. However, if the difference between the just value of the new homestead and the assessed value of the new homestead calculated pursuant to this sub-subparagraph is greater than \$500,000, the assessed value of the new homestead shall be increased so that the difference between the just value and the assessed value equals \$500,000. Thereafter, the homestead shall be assessed as provided in this subsection.

b. By general law and subject to conditions specified therein, the legislature shall provide for application of this paragraph to property owned by more than one person.

(e) The legislature may, by general law, for assessment purposes and subject to the provisions of this subsection, allow counties and municipalities to authorize by ordinance that historic property may be assessed solely on the basis of character or use. Such character or use assessment shall

apply only to the jurisdiction adopting the ordinance. The requirements for eligible properties must be specified by general law.

(f) A county may, in the manner prescribed by general law, provide for a reduction in the assessed value of homestead property to the extent of any increase in the assessed value of that property which results from the construction or reconstruction of the property for the purpose of providing living quarters for one or more natural or adoptive grandparents or parents of the owner of the property or of the owner's spouse if at least one of the grandparents or parents for whom the living quarters are provided is 62 years of age or older. Such a reduction may not exceed the lesser of the following:

(1) The increase in assessed value resulting from construction or reconstruction of the property.

(2) Twenty percent of the total assessed value of the property as improved.

(g) For all levies other than school district levies, assessments of residential real property, as defined by general law, which contains nine units or fewer and which is not subject to the assessment limitations set forth in subsections (a) through (d) shall change only as provided in this subsection.

(1) Assessments subject to this subsection shall be changed annually on the date of assessment provided by law; but those changes in assessments shall not exceed ten percent (10%) of the assessment for the prior year.

(2) No assessment shall exceed just value.

(3) After a change of ownership or control, as defined by general law, including any change of ownership of a legal entity that owns the property, such property shall be assessed at just value as of the next assessment date. Thereafter, such property shall be assessed as provided in this subsection.

(4) Changes, additions, reductions, or improvements to such property shall be assessed as provided for by general law; however, after the adjustment for any change, addition, reduction, or improvement, the property shall be assessed as provided in this subsection.

(h) For all levies other than school district levies, assessments of real property

that is not subject to the assessment limitations set forth in subsections (a) through (d) and (g) shall change only as provided in this subsection.

(1) Assessments subject to this subsection shall be changed annually on the date of assessment provided by law; but those changes in assessments shall not exceed ten percent (10%) of the assessment for the prior year.

(2) No assessment shall exceed just value.

(3) The legislature must provide that such property shall be assessed at just value as of the next assessment date after a qualifying improvement, as defined by general law, is made to such property. Thereafter, such property shall be assessed as provided in this subsection.

(4) The legislature may provide that such property shall be assessed at just value as of the next assessment date after a change of ownership or control, as defined by general law, including any change of ownership of the legal entity that owns the property. Thereafter, such property shall be assessed as provided in this subsection.

(5) Changes, additions, reductions, or improvements to such property shall be assessed as provided for by general law; however, after the adjustment for any change, addition, reduction, or improvement, the property shall be assessed as provided in this subsection.

¹(i) The legislature, by general law and subject to conditions specified therein, may prohibit the consideration of the following in the determination of the assessed value of real property:

(1) Any change or improvement to real property used for residential purposes made to improve the property's resistance to wind damage.

(2) The installation of a solar or renewable energy source device.

²(j)(1) The assessment of the following working waterfront properties shall be based upon the current use of the property:

a. Land used predominantly for commercial fishing purposes.

b. Land that is accessible to the public and used for vessel launches into waters that are navigable.

c. Marinas and drystackes that are open to the public.

d. Water-dependent marine manufacturing facilities, commercial fishing facilities, and marine vessel construction and repair facilities and their support activities.

XII, State Constitution, provides in part that “the amendment to subsection (i) of Section 4 of Article VII authorizing the legislature, by general law, to prohibit the consideration of the installation of a solar device or a renewable energy source device in determining the assessed value of real property for the purpose of ad valorem taxation shall take effect on January 1, 2018, and shall expire on December 31, 2037. (i) The legislature, by general law and subject to conditions specified therein, may prohibit the consideration of the following in the determination of the assessed value of real property used for residential purposes:

(1) Any change or improvement made for the purpose of improving the property’s resistance to wind damage.

Note.—This subsection, originally designated (h) by Revision No. 6 of the Taxation and Budget Reform Commission, 2008, was redesignated (j) by the editors to conform to the redesignation of subsections by Revision No. 4 of the Taxation and Budget Reform Commission, 2008, and the creation of a new (h) by Revision No. 3 of the Taxation and Budget Reform Commission, 2008.

SECTION 5. Estate, inheritance and income taxes.—

(a) **NATURAL PERSONS.** No tax upon estates or inheritances or upon the income of natural persons who are residents or citizens of the state shall be levied by the state, or under its authority, in excess of the aggregate of amounts which may be allowed

to be credited upon or deducted from any similar tax levied by the United States or any state.

(b) **OTHERS.** No tax upon the income of residents and citizens other than natural persons shall be levied by the state, or under its authority, in excess of 5% of net income, as defined by law, or at such greater rate as is authorized by a three-fifths (⅔) vote of the membership of each house of the legislature or as will provide for the state the maximum amount which may be allowed to be credited against income taxes levied by the United States and other states. There shall be exempt from taxation not less than five thousand dollars (\$5,000) of the excess of net income subject to tax over the maximum amount allowed to be credited against income taxes levied by the United States and other states.

(c) **EFFECTIVE DATE.** This section shall become effective immediately upon approval by the electors of Florida.

History.—Am. H.J.R. 7-B, 1971; adopted 1971.

SECTION 6. Homestead exemptions.

(a) Every person who has the legal or equitable title to real estate and maintains thereon the permanent residence of the owner, or another legally or naturally dependent upon the owner, shall be exempt from taxation thereon, except assessments for special benefits, up to the assessed valuation of twenty-five thousand dollars and, for all levies other than school district levies, on the assessed valuation greater than fifty thousand dollars and up to seventy-five thousand dollars, upon establishment of right thereto in the manner prescribed by law. The real estate may be held by legal or equitable title, by the entireties, jointly, in common, as a condominium, or indirectly by stock ownership or membership representing the owner’s or member’s proprietary interest in a corporation owning a fee or a leasehold initially in excess of ninety-eight years. The exemption shall not apply with respect to any assessment roll until such roll is first determined to be in compliance with the provisions of section 4 by a state agency designated by general law. This exemption is repealed on the effective date of any amendment to this Article which provides for the assessment of homestead property at less than just value.

(b) Not more than one exemption shall be allowed any individual or family unit or with respect to any residential unit. No exemption shall exceed the value of the real estate assessable to the owner or, in case of ownership through stock or membership in a corporation, the value of the proportion which the interest in the corporation bears to the assessed value of the property.

(c) By general law and subject to conditions specified therein, the Legislature may provide to renters, who are permanent residents, ad valorem tax relief on all ad valorem tax levies. Such ad valorem tax relief shall be in the form and amount established by general law.

¹(d) The legislature may, by general law, allow counties or municipalities, for the purpose of their respective tax levies and subject to the provisions of general law, to grant either or both of the following additional homestead tax exemptions:

(1) An exemption not exceeding fifty thousand dollars to a person who has the legal or equitable title to real estate and maintains thereon the permanent residence of the owner, who has attained age sixty-five, and whose household income, as defined by general law, does not exceed twenty thousand dollars; or

(2) An exemption equal to the assessed value of the property to a person who has the legal or equitable title to real estate with a just value less than two hundred and fifty thousand dollars, as determined in the first tax year that the owner applies and is eligible for the exemption, and who has maintained thereon the permanent residence of the owner for not less than twenty-five years, who has attained age sixty-five, and whose household income does not exceed the income limitation prescribed in paragraph (1).

The general law must allow counties and municipalities to grant these additional exemptions, within the limits prescribed in this subsection, by ordinance adopted in the manner prescribed by general law, and must provide for the periodic adjustment of the income limitation prescribed in this subsection for changes in the cost of living.

(e)(1) Each veteran who is age 65 or older who is partially or totally permanently

disabled shall receive a discount from the amount of the ad valorem tax otherwise owed on homestead property the veteran owns and resides in if the disability was combat related and the veteran was honorably discharged upon separation from military service. The discount shall be in a percentage equal to the percentage of the veteran's permanent, service-connected disability as determined by the United States Department of Veterans Affairs. To qualify for the discount granted by this paragraph, an applicant must submit to the county property appraiser, by March 1, an official letter from the United States Department of Veterans Affairs stating the percentage of the veteran's service-connected disability and such evidence that reasonably identifies the disability as combat related and a copy of the veteran's honorable discharge. If the property appraiser denies the request for a discount, the appraiser must notify the applicant in writing of the reasons for the denial, and the veteran may reapply. The Legislature may, by general law, waive the annual application requirement in subsequent years.

(2) If a veteran who receives the discount described in paragraph (1) predeceases his or her spouse, and if, upon the death of the veteran, the surviving spouse holds the legal or beneficial title to the homestead property and permanently resides thereon, the discount carries over to the surviving spouse until he or she remarries or sells or otherwise disposes of the homestead property. If the surviving spouse sells or otherwise disposes of the property, a discount not to exceed the dollar amount granted from the most recent ad valorem tax roll may be transferred to the surviving spouse's new homestead property, if used as his or her permanent residence and he or she has not remarried.

(3) This subsection is self-executing and does not require implementing legislation.

(f) By general law and subject to conditions and limitations specified therein, the Legislature may provide ad valorem tax relief equal to the total amount or a portion of the ad valorem tax otherwise owed on homestead property to:

(1) The surviving spouse of a veteran who died from service-connected causes

while on active duty as a member of the United States Armed Forces.

(2) The surviving spouse of a first responder who died in the line of duty.

(3) A first responder who is totally and permanently disabled as a result of an injury or injuries sustained in the line of duty. Causal connection between a disability and service in the line of duty shall not be presumed but must be determined as provided by general law. For purposes of this paragraph, the term "disability" does not include a chronic condition or chronic disease, unless the injury sustained in the line of duty was the sole cause of the chronic condition or chronic disease.

As used in this subsection and as further defined by general law, the term "first responder" means a law enforcement officer, a correctional officer, a firefighter, an emergency medical technician, or a paramedic, and the term "in the line of duty" means arising out of and in the actual performance of duty required by employment as a first responder.

Note.—Section 36, Art. XII, State Constitution, provides in part that "the amendment to Section 6 of Article VII revising the just value determination for the additional ad valorem tax exemption for persons age sixty-five or older shall take effect January 1, 2017, . . . and shall operate retroactively to January 1, 2013, for any person who received the exemption under paragraph (2) of Section 6(d) of Article VII before January 1, 2017."

SECTION 7. Allocation of pari-mutuel taxes.—Taxes upon the operation of pari-mutuel pools may be preempted to the state or allocated in whole or in part to the counties. When allocated to the counties, the distribution shall be in equal amounts to the several counties.

SECTION 8. Aid to local governments.—State funds may be appropriated to the several counties, school districts, municipalities or special districts upon such conditions as may be provided by general law. These conditions may include the use of

SECTION 9. Local taxes.—

(a) Counties, school districts, and municipalities shall, and special districts may, be authorized by law to levy ad valorem taxes and may be authorized by general law to levy other taxes, for their respective purposes, except ad valorem taxes on intangible personal property and taxes prohibited by this constitution.

(b) Ad valorem taxes, exclusive of taxes levied for the payment of bonds and taxes levied for periods not longer than two years when authorized by vote of the electors who are the owners of freeholds therein not wholly exempt from taxation, shall not be levied in excess of the following millages upon the assessed value of real estate and tangible personal property: for all county purposes, ten mills; for all municipal purposes, ten mills; for all school purposes, ten mills; for water management purposes for the northwest portion of the state lying west of the line between ranges two and three east, 0.05 mill; for water management purposes for the remaining portions of the state, 1.0 mill; and for all other special districts a millage authorized by law approved by vote of the electors who are owners of freeholds therein not wholly exempt from taxation. A county furnishing municipal services may, to the extent authorized by law, levy additional taxes within the limits fixed for municipal purposes.

History.—Am. S.J.R. 1061, 1975; adopted 1976.

SECTION 10. Pledging credit.—

Neither the state nor any county, school district, municipality, special district, or agency of any of them, shall become a joint owner with, or stockholder of, or give, lend or use its taxing power or credit to aid any corporation, association, partnership or person; but this shall not prohibit laws authorizing:

(a) the investment of public trust funds;

(b) the investment of other public funds in obligations of, or insured by, the United States or any of its instrumentalities;

(c) the issuance and sale by any county, municipality, special district or other local

If any project so financed, or any part thereof, is occupied or operated by any private corporation, association, partnership or person pursuant to contract or lease with the issuing body, the property interest created by such contract or lease shall be subject to taxation to the same extent as other privately owned property.

(d) a municipality, county, special district, or agency of any of them, being a joint owner of, giving, or lending or using its taxing power or credit for the joint ownership, construction and operation of electrical energy generating or transmission facilities with any corporation, association, partnership or person.

History.—Am. H.J.R. 1424, 1973; adopted 1974.

SECTION 11. State bonds; revenue bonds.—

(a) State bonds pledging the full faith and credit of the state may be issued only to finance or refinance the cost of state fixed capital outlay projects authorized by law, and purposes incidental thereto, upon approval by a vote of the electors; provided state bonds issued pursuant to this subsection may be refunded without a vote of the electors at a lower net average interest cost rate. The total outstanding principal of state bonds issued pursuant to this subsection shall never exceed fifty percent of the total tax revenues of the state for the two preceding fiscal years, excluding any tax revenues held in trust under the provisions of this constitution.

(b) Moneys sufficient to pay debt service on state bonds as the same becomes due shall be appropriated by law.

(c) Any state bonds pledging the full faith and credit of the state issued under this section or any other section of this constitution may be combined for the purposes of sale.

(d) Revenue bonds may be issued by the state or its agencies without a vote of the electors to finance or refinance the cost of state fixed capital outlay projects authorized by law, and purposes incidental thereto, and shall be payable solely from funds derived directly from sources other than state tax revenues.

(e) Bonds pledging all or part of a dedicated state tax revenue may be issued by the state in the manner provided by general law to finance or refinance the acquisition and improvement of land, water areas, and related property interests and resources for the purposes of conservation, outdoor recreation, water resource development, restoration of natural systems, and historic preservation.

(f) Each project, building, or facility to be financed or refinanced with revenue bonds issued under this section shall first be approved by the Legislature by an act relating to appropriations or by general law.

History.—Am. C.S. for C.S. for S.J.R. 612, 1984; adopted 1984; Am. proposed by Constitution Revision Commission, Revision No. 5, 1998, filed with the Secretary of State May 5, 1998; adopted 1998.

SECTION 12. Local bonds.—Counties, school districts, municipalities, special districts and local governmental bodies with taxing powers may issue bonds, certificates of indebtedness or any form of tax anticipation certificates, payable from ad valorem taxation and maturing more than twelve months after issuance only:

(a) to finance or refinance capital projects authorized by law and only when approved by vote of the electors who are owners of freeholds therein not wholly exempt from taxation; or

(b) to refund outstanding bonds and interest and redemption premium thereon at a lower net average interest cost rate.

SECTION 13. Relief from illegal taxes.

Until payment of all taxes which have been legally assessed upon the property of the same owner, no court shall grant relief from the payment of any tax that may be illegal or illegally assessed.

SECTION 14. Bonds for pollution control and abatement and other water facilities.—

(a) When authorized by law, state bonds pledging the full faith and credit of the state may be issued without an election to finance the construction of air and water pollution control and abatement and solid waste disposal facilities and other water facilities authorized by general law (herein referred to as "facilities") to be operated by any municipality, county, district or authority, or any agency thereof (herein referred to as "local governmental agencies"), or by any agency of the State of Florida. Such bonds shall be secured by a pledge of and shall be payable primarily from all or any part of revenues to be derived from operation of such facilities, special assessments, rentals to be received under lease-purchase agreements herein provided for, any other revenues that may be legally available for such purpose, including revenues from other facilities, or any combination thereof (herein collectively referred to as "pledged revenues"), and shall be additionally secured by the full faith and credit of the State of Florida.

(b) No such bonds shall be issued unless a state fiscal agency, created by law, has made a determination that in no state fiscal year will the debt service requirements of the bonds proposed to be issued and all other bonds secured by the pledged revenues exceed seventy-five per cent of the pledged revenues.

(c) The state may lease any of such facilities to any local governmental agency, under lease-purchase agreements for such periods and under such other terms and conditions as may be mutually agreed upon. The local governmental agencies may pledge the revenues derived from such leased facilities or any other available funds for the payment of rentals thereunder; and, in addition, the full faith and credit and taxing power of such local governmental agencies may be pledged for the payment of such rentals without any election of freeholder electors or qualified electors.

(d) The state may also issue such bonds for the purpose of loaning money to local governmental agencies, for the construction of such facilities to be owned or operated by any of such local governmental agencies. Such loans shall bear interest at not more than one-half of one per cent per annum greater than the last preceding issue of state bonds pursuant to this section, shall

be secured by the pledged revenues, and may be additionally secured by the full faith and credit of the local governmental agencies.

(e) The total outstanding principal of state bonds issued pursuant to this section 14 shall never exceed fifty per cent of the total tax revenues of the state for the two preceding fiscal years.

Revenue bonds issued pursuant to this section shall be secured by a pledge of and shall be payable primarily from payments of interest, principal, and handling charges to such fund from the recipients of the loans and, if authorized by law, may be additionally secured by student fees and by any other moneys in such fund. There shall be established from the proceeds of each issue of revenue bonds a reserve account in an amount equal to and sufficient to pay the greatest amount of principal, interest, and handling charges to become due on such issue in any ensuing state fiscal year.

(b) Interest moneys in the fund established pursuant to this section, not required in any fiscal year for payment of debt service on then outstanding revenue bonds or for maintenance of the reserve account, may be used for educational loans to students determined to be eligible therefor in the manner provided by law, or for such other related purposes as may be provided by law.

History.—Added, H.J.R. 46-D, 1971; adopted 1972.

facilities in Florida, herein referred to as "facilities."

(b) The bonds shall be secured by a pledge of and shall be payable primarily from all or any part of revenues to be derived from the financing, operation or sale of such facilities, mortgage or loan payments, and any other revenues or assets that may be legally available for such purposes derived from sources other than ad valorem taxation, including revenues from other facilities, or any combination thereof, herein collectively referred to as "pledged revenues," provided that in no event shall the full faith and credit of the state be pledged to secure such revenue bonds.

(c) No bonds shall be issued unless a state fiscal agency, created by law, has made a determination that in no state fiscal year will the debt service requirements of the bonds proposed to be issued and all other bonds secured by the same pledged revenues exceed the pledged revenues available for payment of such debt service requirements, as defined by law.

History.—Added, S.J.R. 6-E, 1980; adopted 1980.

SECTION 17. Bonds for acquiring transportation right-of-way or for constructing bridges.—

(a) When authorized by law, state bonds pledging the full faith and credit of the state may be issued, without a vote of the electors, to finance or refinance the cost of acquiring real property or the rights to real property for state roads as defined by law, or to finance or refinance the cost of state bridge construction, and purposes incidental to such property acquisition or state bridge construction.

(b) Bonds issued under this section shall be secured by a pledge of and shall be payable primarily from motor fuel or special fuel taxes, except those defined in Section 9(c) of Article XII, as provided by law, and shall additionally be secured by the full faith and credit of the state.

(c) No bonds shall be issued under this section unless a state fiscal agency, created by law, has made a determination that in no state fiscal year will the debt service requirements of the bonds proposed to be issued and all other bonds secured by the same pledged revenues exceed ninety percent of the pledged revenues available for payment

of such debt service requirements, as defined by law. For the purposes of this subsection, the term "pledged revenues" means all revenues pledged to the payment of debt service, excluding any pledge of the full faith and credit of the state.

History.—Added, C.S. for C.S. for S.J.R. 391, 1988; adopted 1988.

SECTION 18. Laws requiring counties or municipalities to spend funds or limiting their ability to raise revenue or receive state tax revenue.—

(a) No county or municipality shall be bound by any general law requiring such county or municipality to spend funds or to take an action requiring the expenditure of funds unless the legislature has determined that such law fulfills an important state interest and unless: funds have been appropriated that have been estimated at the time of enactment to be sufficient to fund such expenditure; the legislature authorizes or has authorized a county or municipality to enact a funding source not available for such county or municipality on February 1, 1989, that can be used to generate the amount of funds estimated to be sufficient to fund such expenditure by a simple majority vote of the governing body of such county or municipality; the law requiring such expenditure is approved by two-thirds of the membership in each house of the legislature; the expenditure is required to comply with a law that applies to all persons similarly situated, including the state and local governments; or the law is either required to comply with a federal requirement or required for eligibility for a federal entitlement, which federal requirement specifically contemplates actions by counties or municipalities for compliance.

(b) Except upon approval of each house of the legislature by two-thirds of the membership, the legislature may not enact, amend, or repeal any general law if the anticipated effect of doing so would be to reduce the authority that municipalities or counties have to raise revenues in the aggregate, as such authority exists on February 1, 1989.

(c) Except upon approval of each house of the legislature by two-thirds of the membership, the legislature may not enact, amend, or repeal any general law if the

anticipated effect of doing so would be to reduce the percentage of a state tax shared with counties and municipalities as an aggregate on February 1, 1989. The provisions of this subsection shall not apply to enhancements enacted after February 1, 1989, to state tax sources, or during a fiscal emergency declared in a written joint proclamation issued by the president of the senate and the speaker of the house of representatives, or where the legislature provides additional state-shared revenues which are anticipated to be sufficient to replace the anticipated aggregate loss of state-shared revenues resulting from the reduction of the percentage of the state tax shared with counties and municipalities, which source of replacement revenues shall be subject to the same requirements for repeal or modification as provided herein for a state-shared tax source existing on February 1, 1989.

(d) Laws adopted to require funding of pension benefits existing on the effective date of this section, criminal laws, election laws, the general appropriations act, special appropriations acts, laws reauthorizing but not expanding then-existing statutory authority, laws having insignificant fiscal impact, and laws creating, modifying, or repealing noncriminal infractions, are exempt from the requirements of this section.

(e) The legislature may enact laws to assist in the implementation and enforcement of this section.

History.—Added, C.S. for C.S. for C.S. for C.S. for H.J.R.'s 139, 40, 1989; adopted 1990.

SECTION 19. Supermajority vote required to impose, authorize, or raise state taxes or fees.—

(a) SUPERMAJORITY VOTE REQUIRED TO IMPOSE OR AUTHORIZE NEW STATE TAX OR FEE. No new state tax or fee may be imposed or authorized by the legislature except through legislation approved by two-thirds of the membership of each house of the legislature and presented to the Governor for approval pursuant to Article III, Section 8.

(b) SUPERMAJORITY VOTE REQUIRED TO RAISE STATE TAXES OR FEES. No state tax or fee may be raised by the legislature except through legislation approved by two-thirds of the membership of

each house of the legislature and presented to the Governor for approval pursuant to Article III, Section 8.

(c) APPLICABILITY. This section does not authorize the imposition of any state tax or fee otherwise prohibited by this Constitution, and does not apply to any tax or fee imposed by, or authorized to be imposed by, a county, municipality, school board, or special district.

(d) DEFINITIONS. As used in this section, the following terms shall have the following meanings:

(1) "Fee" means any charge or payment required by law, including any fee for service, fee or cost for licenses, and charge for service.

(2) "Raise" means:

a. To increase or authorize an increase in the rate of a state tax or fee imposed on a percentage or per mill basis;

b. To increase or authorize an increase in the amount of a state tax or fee imposed on a flat or fixed amount basis; or

c. To decrease or eliminate a state tax or fee exemption or credit.

(e) SINGLE-SUBJECT. A state tax or fee imposed, authorized, or raised under this section must be contained in a separate bill that contains no other subject.

(e) **COMMISSIONERS.** Except when otherwise provided by county charter, the governing body of each county shall be a board of county commissioners composed of five or seven members serving staggered terms of four years. After each decennial census the board of county commissioners shall divide the county into districts of contiguous territory as nearly equal in population as practicable. One commissioner residing in each district shall be elected as provided by law.

¹**Note.**—Section 6(g), Art. VIII, State Constitution, provides that:

(g) **SELECTION AND DUTIES OF COUNTY OFFICERS.**

(1) Except as provided in this subsection, the amendment to Section 1 of this article, relating to the selection and duties of county officers, shall take effect January 5, 2021, but shall govern with respect to the qualifying for and the holding of the primary and general elections for county constitutional officers in 2020.

(2) For Miami-Dade County and Broward County, the amendment to Section 1 of this article, relating to the selection and duties of county officers, shall take effect January 7, 2025, but shall govern with respect to the

Prior to the amendment of s. 1, Art. VIII, State Constitution, by Constitution Revision Commission, Revision No. 5 (2018), s. 1(d), Art. VIII, read:

(d) **COUNTY OFFICERS.** There shall be elected by the electors of each county, for terms of four years, a sheriff, a tax collector, a property appraiser, a supervisor of elections, and a clerk of the circuit court; except, when provided by county charter or special law approved by vote of the electors of the county, any county officer may be chosen in another manner therein specified, or any county office may be abolished when all the duties of the office prescribed by general law are transferred to another office. When not otherwise provided by county charter or special law approved by vote of the electors, the clerk of the circuit court shall be ex officio clerk of the board of county commissioners, auditor, recorder and custodian of all county funds.

SECTION 3. Consolidation.—The government of a county and the government of one or more municipalities located therein may be consolidated into a single government which may exercise any and all powers of the county and the several municipalities. The consolidation plan may be proposed only by special law, which shall become effective if approved by vote of the electors of the county, or of the county and municipalities affected, as may be provided in the plan. Consolidation shall not extend the territorial scope of taxation for the payment of pre-existing debt except to areas whose residents receive a benefit from the facility or service for which the indebtedness was incurred.

SECTION 4. Transfer of powers.—By law or by resolution of the governing bodies of each of the governments affected, any function or power of a county, municipality or special district may be transferred to or contracted to be performed by another county, municipality or special district, after approval by vote of the electors of the transferor and approval by vote of the electors of the transferee, or as otherwise provided by law.

SECTION 5. Local option.—

(a) Local option on the legality or prohibition of the sale of intoxicating liquors, wines or beers shall be preserved to each county. The status of a county with respect thereto shall be changed only by vote of the electors in a special election called upon the petition of twenty-five per cent of the electors of the county, and not sooner than two years after an earlier election on the same question. Where legal, the sale of intoxicating liquors, wines and beers shall be regulated by law.

(b) Each county shall have the authority to require a criminal history records check and a 3 to 5-day waiting period, excluding weekends and legal holidays, in connection with the sale of any firearm occurring within such county. For purposes of this subsection, the term "sale" means the transfer of money or other valuable consideration for any firearm when any part of the transaction is conducted on property to which the public has the right of access. Holders of a concealed weapons permit as prescribed by general law shall not be subject to the provisions of this subsection when purchasing a firearm.

History.—Am. proposed by Constitution Revision Commission, Revision No. 12, 1998, filed with the Secretary of State May 5, 1998; adopted 1998.

If the office is abolished the incumbent shall be paid adequate compensation, to be fixed by law, for the loss of emoluments for the remainder of the term.

(d) ORDINANCES. Local laws relating only to unincorporated areas of a county on the effective date of this article may be amended or repealed by county ordinance.

(e) CONSOLIDATION AND HOME RULE. Article VIII, Sections 19, 210, 311 and 424, of the Constitution of 1885, as amended, shall remain in full force and effect as to each county affected, as if this article had not been adopted, until that county shall expressly adopt a charter or home rule plan pursuant to this article. All provisions of the Metropolitan Dade County Home Rule Charter, heretofore or hereafter adopted by the electors of Dade County pursuant to Article VIII, Section 11, of the Constitution of 1885, as amended, shall be valid, and any amendments to such charter shall be valid; provided that the said provisions of such charter and the said amendments thereto are authorized under said Article VIII, Section 11, of the Constitution of 1885, as amended.

(f) DADE COUNTY; POWERS CONFERRED UPON MUNICIPALITIES. To the extent not inconsistent with the powers of existing municipalities or general law, the Metropolitan Government of Dade County may exercise all the powers conferred now or hereafter by general law upon municipalities.

(g) SELECTION AND DUTIES OF COUNTY OFFICERS.—

(1) Except as provided in this subsection, the amendment to Section 1 of this article, relating to the selection and duties of county officers, shall take effect January 5, 2021, but shall govern with respect to the qualifying for and the holding of the primary

SECTION 9. Legislative power over city of Jacksonville and Duval County.—The Legislature shall have power to establish, alter or abolish, a Municipal corporation to be known as the City of Jacksonville, extending territorially throughout the present limits of Duval County, in the place of any or all county, district, municipal and local governments, boards, bodies and officers, constitutional or statutory, legislative, executive, judicial, or administrative, and shall prescribe the jurisdiction, powers, duties and functions of such municipal corporation, its legislative, executive, judicial and administrative departments and its boards, bodies and officers; to divide the territory included in such municipality into subordinate districts, and to prescribe a just and reasonable system of taxation for such municipality and districts; and to fix the liability of such municipality and districts. Bonded and other indebtedness, existing at the time of the establishment of such municipality, shall be enforceable only against property theretofore taxable therefor. The Legislature shall, from time to time, determine what portion of said municipality is a rural area, and a homestead in such rural area shall not be limited as if in a city or town. Such municipality may exercise all the powers of a municipal corporation and shall also be recognized as one of the legal political divisions of the State with the duties and obligations of a county and shall be entitled to all the powers, rights and privileges, including representation in the State Legislature, which would accrue to it if it were a county. All property of Duval County and of the municipalities in said county shall vest in such municipal corporation when established as herein provided. The offices of Clerk of the Circuit Court and Sheriff shall not be abolished but the Legislature may prescribe the time when, and the method by which, such offices shall be filled and the compensation to be paid to such officers and may vest in them additional powers and duties. No county office shall be abolished or consolidated with another office without making provision for the performance of all State duties now or hereafter prescribed by law to be performed by such county officer. No law authorizing the establishing or abolishing of such Municipal corporation pursuant to this Section, shall become operative or effective until approved by a majority of the qualified electors participating in an election held in said County, but so long as such Municipal corporation exists under this Section the Legislature may amend or extend the law authorizing the same without referendum to the qualified voters unless the Legislative act providing for such amendment or extension shall provide for such referendum.

Bonded and other indebtedness, existing at the time of the establishment of such municipality, shall be enforceable only against property theretofore taxable therefor. No law authorizing the establishing or abolishing of such Municipal corporation pursuant to this Section shall become operative or effective until approved by a majority of the qualified electors participating in an election held in said County, but so long as such Municipal corporation exists under this Section the Legislature may amend or extend the law authorizing the same without referendum to the qualified voters unless the Legislative Act providing for such

amendment or extension shall provide for such referendum.

On September 30th of 2027 and on each following September 30th, the state Agency for Workforce Innovation shall calculate an adjusted Minimum Wage rate by increasing the current Minimum Wage rate by the rate of inflation during the twelve months prior to each September 1st using the consumer price index for urban wage earners and clerical workers, CPI-W, or a successor index as calculated by the United States Department of Labor. Each adjusted Minimum Wage rate calculated shall be published and take effect on the following January 1st. The state legislature may by statute establish additional remedies or fines for violations of this amendment, raise the applicable Minimum Wage rate, reduce the tip credit, or extend coverage of the Minimum Wage to employers or employees not covered by this amendment. The state legislature may by statute or the state Agency for Workforce

Innovation may by regulation adopt any measures appropriate for the implementation of this amendment. This amendment provides for payment of a minimum wage and shall not be construed to preempt or otherwise limit the authority of the state legislature or any other public body to adopt or enforce any other law, regulation, requirement, policy or standard that provides for payment of higher or supplemental wages or benefits, or that extends such protections to employers or employees not covered by this amendment. It is intended that case law, administrative interpretations, and other guiding standards developed under the federal FLSA shall guide the construction of this amendment and any implementing statutes or regulations.

(g) SEVERABILITY. If any part of this amendment, or the application of this amendment to any person or circumstance, is held invalid, the remainder of this amendment, including the application of such part to other persons or circumstances, shall not be affected by such a holding and shall continue in full force and effect. To this end, the parts of this amendment are severable.

(8) Nothing in this section shall affect or repeal laws relating to negligence or professional malpractice on the part of a qualified patient, caregiver, physician, MMTC, or its agents or employees.

(d) **DUTIES OF THE DEPARTMENT.**

The Department shall issue reasonable regulations necessary for the implementation and enforcement of this section. The purpose of the regulations is to ensure the availability and safe use of medical marijuana by qualifying patients. It is the duty of the Department to promulgate regulations in a timely fashion.

(1) **Implementing Regulations.** In order to allow the Department sufficient time after passage of this section, the following regulations shall be promulgated no later than six (6) months after the effective date of this section:

a. Procedures for the issuance and annual renewal of qualifying patient identification cards to people with physician certifications and standards for renewal of such identification cards. Before issuing an identification card to a minor, the Department must receive written consent from the minor's parent or legal guardian, in addition to the physician certification.

b. Procedures establishing qualifications and standards for caregivers, including conducting appropriate background checks, and procedures for the issuance and annual renewal of caregiver identification cards.

c. Procedures for the registration of MMTCs that include procedures for the issuance, renewal, suspension and revocation of registration, and standards to ensure proper security, record keeping, testing, labeling, inspection, and safety.

d. A regulation that defines the amount of marijuana that could reasonably be presumed to be an adequate supply for qualifying patients' medical use, based on the best available evidence. This presumption as to quantity may be overcome with evidence of a particular qualifying patient's appropriate medical use.

(2) Identification cards and registrations. The Department shall begin issuing qualifying patient and caregiver identification cards, and registering MMTCs no later than nine (9) months after the effective date of this section.

(3) If the Department does not issue regulations, or if the Department does not begin issuing identification cards and registering MMTCs within the time limits set in this section, any Florida citizen shall have standing to seek judicial relief to compel compliance with the Department's constitutional duties.

(4) The Department shall protect the confidentiality of all qualifying patients. All records containing the identity of qualifying patients shall be confidential and kept from public disclosure other than for valid medical or law enforcement purposes.

(e) **LEGISLATION.** Nothing in this section shall limit the legislature from enacting laws consistent with this section.

(f) **SEVERABILITY.** The provisions of this section are severable and if any clause, sentence, paragraph or section of this measure, or an application thereof, is adjudged invalid by a court of competent jurisdiction other provisions shall continue to be in effect to the fullest extent possible.

SECTION 30. Voter control of gambling in Florida.—

(a) This amendment ensures that Florida voters shall have the exclusive right to decide whether to authorize casino gambling in the State of Florida. This amendment requires a vote by citizens' initiative pursuant to Article XI, section 3, in order for casino gambling to be authorized under Florida law. This section amends this Article; and also affects Article XI, by making citizens' initiatives the exclusive method of authorizing casino gambling.

(b) As used in this section, “casino gambling” means any of the types of games typically found in casinos and that are within the definition of Class III gaming in the Federal Indian Gaming Regulatory Act, 25 U.S.C. ss. 2701 et seq. (“IGRA”), and in 25 C.F.R. s. 502.4, upon adoption of this amendment, and any that are added to such definition of Class III gaming in the future. This includes, but is not limited to, any house banking game, including but not limited to card games such as baccarat, chemin de fer, blackjack (21), and pai gow (if played as house banking games); any player-banked game that simulates a house banking game, such as California black jack; casino games such as roulette, craps, and keno; any slot machines as defined in 15 U.S.C. s. 1171(a)(1); and any other game not authorized by Article X, section 15, whether or not defined as a slot machine, in which outcomes are determined by random number generator or are similarly assigned randomly, such as instant or historical racing. As used herein, “casino gambling” includes any electronic gambling devices, simulated gambling devices, video lottery devices, internet sweepstakes devices, and any other form of electronic or electromechanical facsimiles of any game of chance, slot machine, or casino-style game, regardless of how such devices are defined under IGRA. As used herein, “casino gambling” does not include pari-mutuel wagering on horse racing, dog racing, or jai alai exhibitions. For purposes of this section, “gambling” and “gaming” are synonymous.

(c) Nothing herein shall be deemed to limit the right of the Legislature to exercise its authority through general law to restrict, regulate, or tax any gaming or gambling activities. In addition, nothing herein shall be construed to limit the ability of the state or Native American tribes to negotiate gaming compacts pursuant to the Federal Indian Gaming Regulatory Act for the conduct of casino gambling on tribal lands, or to affect any existing gambling on tribal lands pursuant to compacts executed by the state and Native American tribes pursuant to IGRA.

(d) This section is effective upon approval by the voters, is self-executing, and no Legislative implementation is required.

(e) If any part of this section is held invalid for any reason, the remaining portion

or portions shall be severed from the invalid portion and given the fullest possible force and effect.

SECTION 31. Death benefits for survivors of first responders and military members.—

(a) A death benefit shall be paid by the employing agency when a firefighter; a paramedic; an emergency medical technician; a law enforcement, correctional, or correctional probation officer; or a member of the Florida National Guard, while engaged in the performance of their official duties, is:

(1) Accidentally killed or receives accidental bodily injury which results in the loss of the individual’s life, provided that such killing is not the result of suicide and that such bodily injury is not intentionally self-inflicted; or

(2) Unlawfully and intentionally killed or dies as a result of such unlawful and intentional act or is killed during active duty.

(b) A death benefit shall be paid by funds from general revenue when an active duty member of the United States Armed Forces is:

(1) Accidentally killed or receives accidental bodily injury which results in the loss of the individual’s life, provided that such killing is not the result of suicide and that such bodily injury is not intentionally self-inflicted; or

(2) Unlawfully and intentionally killed or dies as a result of such unlawful and intentional act or is killed during active duty.

(c) If a firefighter; a paramedic; an emergency medical technician; a law enforcement, correctional, or correctional probation officer; or an active duty member of the Florida National Guard or United States Armed Forces is accidentally killed as specified in paragraphs (a)(1) and (b)(1), or unlawfully and intentionally killed as specified in paragraphs (a)(2) and (b)(2), the state shall waive certain educational expenses that the child or spouse of the deceased first responder or military member incurs while obtaining a career certificate, an undergraduate education, or a postgraduate education.

(d) An eligible first responder must have been working for the State of Florida or any

of its political subdivisions or agencies at the time of death. An eligible military member must have been a resident of this state or his or her duty post must have been within this state at the time of death.

(e) The legislature shall implement this section by general law.

History.—Proposed by Constitution Revision Commission, Revision No. 2, 2018, filed with the Secretary of State May 9, 2018; adopted 2018.

SECTION 32. Prohibition on racing of and wagering on greyhounds or other dogs.—The humane treatment of animals is a fundamental value of the people of the State of Florida. After December 31, 2020, a person authorized to conduct gaming or pari-mutuel operations may not race greyhounds or any member of the *Canis Familiaris* subspecies in connection with any wager for money or any other thing of value in this state, and persons in this state may not wager money or any other thing of value on the outcome of a live dog race occurring in this state. The failure to conduct greyhound racing or wagering on greyhound racing after December 31, 2018, does not constitute grounds to revoke or deny renewal of other related gaming licenses held by a person who is a licensed greyhound permitholder on January 1, 2018, and does not affect the eligibility of such permitholder, or such permitholder's facility, to conduct other pari-mutuel activities authorized by general law. By general law, the legislature shall specify civil or criminal penalties for violations of this section and for activities that aid or abet violations of this section.

SECTION 9. Bonds.—

(a) ADDITIONAL SECURITIES.

(1) ¹Article IX, Section 17, of the Constitution of 1885, as amended, as it existed immediately before this Constitution, as revised in 1968, became effective, is adopted by this reference as a part of this revision as completely as though incorporated herein verbatim, except revenue bonds, revenue certificates or other evidences of indebtedness hereafter issued thereunder may be issued by the agency of the state so authorized by law.

(2) That portion of ²Article XII, Section 9, Subsection (a) of this Constitution, as amended, which by reference adopted ³Article XII, Section 19 of the Constitution of 1885, as amended, as the same existed immediately before the effective date of this amendment is adopted by this reference as part of this revision as completely as though incorporated herein verbatim, for the purpose of providing that after the effective date of this amendment all of the proceeds of the revenues derived from the gross receipts taxes, as therein defined, collected in each year shall be applied as provided therein to the extent necessary to comply with all obligations to or for the benefit of holders of bonds or certificates issued before the effective date of this amendment or any refundings thereof which are secured by

such gross receipts taxes. No bonds or other obligations may be issued pursuant to the provisions of ³Article XII, Section 19, of the Constitution of 1885, as amended, but this provision shall not be construed to prevent the refunding of any such outstanding bonds or obligations pursuant to the provisions of this subsection (a)(2).

Subject to the requirements of the first paragraph of this subsection (a)(2), beginning July 1, 1975, all of the proceeds of the revenues derived from the gross receipts taxes collected from every person, including municipalities, as provided and levied pursuant to the provisions of chapter 203, Florida Statutes, as such chapter is amended from time to time, shall, as collected, be placed in a trust fund to be known as the "public education capital outlay and debt service trust fund" in the state treasury (hereinafter referred to as "capital outlay fund"), and used only as provided herein.

The capital outlay fund shall be administered by the state board of education as created and constituted by Section 2 of Article IX of the Constitution of Florida as revised in 1968 (hereinafter referred to as "state board"), or by such other instrumentality of the state which shall hereafter succeed by law to the powers, duties and functions of the state board, including the powers, duties and functions of the state board provided in this subsection (a)(2). The state board shall be a body corporate and shall have all the powers provided herein in addition to all other constitutional and statutory powers related to the purposes of this subsection (a)(2) heretofore or hereafter conferred by law upon the state board, or its predecessor created by the Constitution of 1885, as amended.

State bonds pledging the full faith and credit of the state may be issued, without a vote of the electors, by the state board pursuant to law to finance or refinance capital projects theretofore authorized by the legislature, and any purposes appurtenant or incidental thereto, for the state system of public education provided for in Section 1 of Article IX of this Constitution (hereinafter referred to as "state system"), including but not limited to institutions of higher learning, community colleges, vocational technical schools, or public schools, as now defined or as may hereafter be

defined by law. All such bonds shall mature not later than thirty years after the date of issuance thereof. All other details of such bonds shall be as provided by law or by the proceedings authorizing such bonds; provided, however, that no bonds, except refunding bonds, shall be issued, and no proceeds shall be expended for the cost of any capital project, unless such project has been authorized by the legislature.

Bonds issued pursuant to this subsection (a)(2) shall be primarily payable from such revenues derived from gross receipts taxes, and shall be additionally secured by the full faith and credit of the state. No such bonds shall ever be issued in an amount exceeding ninety percent of the amount which the state board determines can be serviced by the revenues derived from the gross receipts taxes accruing thereafter under the provisions of this subsection (a)(2), and such determination shall be conclusive.

The moneys in the capital outlay fund in each fiscal year shall be used only for the following purposes and in the following order of priority:

- a. For the payment of the principal of and interest on any bonds due in such fiscal year;
- b. For the deposit into any reserve funds provided for in the proceedings authorizing the issuance of bonds of any amounts required to be deposited in such reserve funds in such fiscal year;
- c. For direct payment of the cost or any part of the cost of any capital project for the state system theretofore authorized by the legislature, or for the purchase or redemption of outstanding bonds in accordance with the provisions of the proceedings which authorized the issuance of such bonds, or for the purpose of maintaining, restoring, or repairing existing public educational facilities.

(b) REFUNDING BONDS. Revenue bonds to finance the cost of state capital projects issued prior to the date this revision becomes effective, including projects of the Florida state turnpike authority or its successor but excluding all portions of the state highway system, may be refunded as provided by law without vote of the electors at a lower net average interest cost rate by the issuance of bonds maturing not later than

the obligations refunded, secured by the same revenues only.

(c) MOTOR VEHICLE FUEL TAXES.

(1) A state tax, designated "second gas tax," of two cents per gallon upon gasoline and other like products of petroleum and an equivalent tax upon other sources of energy used to propel motor vehicles as levied by ⁴Article IX, Section 16, of the Constitution of 1885, as amended, is hereby continued. The proceeds of said tax shall be placed monthly in the state roads distribution fund in the state treasury.

(2) ⁴Article IX, Section 16, of the Constitution of 1885, as amended, is adopted by this reference as a part of this revision as completely as though incorporated herein verbatim for the purpose of providing that after the effective date of this revision the proceeds of the "second gas tax" as referred to therein shall be allocated among the several counties in accordance with the formula stated therein to the extent necessary to comply with all obligations to or for the benefit of holders of bonds, revenue certificates and tax anticipation certificates or any refundings thereof secured by any portion of the "second gas tax."

(3) No funds anticipated to be allocated under the formula stated in ⁴Article IX, Section 16, of the Constitution of 1885, as amended, shall be pledged as security for any obligation hereafter issued or entered into, except that any outstanding obligations previously issued pledging revenues allocated under said ⁴Article IX, Section 16, may be refunded at a lower average net interest cost rate by the issuance of refunding bonds, maturing not later than the obligations refunded, secured by the same revenues and any other security authorized in paragraph (5) of this subsection.

(4) Subject to the requirements of paragraph (2) of this subsection and after payment of administrative expenses, the "second gas tax" shall be allocated to the account of each of the several counties in the amounts to be determined as follows: There shall be an initial allocation of one-fourth in the ratio of county area to state area, one-fourth in the ratio of the total county population to the total population of the state in accordance with the latest available federal census, and one-half in the ratio of the total "second gas tax"

collected on retail sales or use in each county to the total collected in all counties of the state during the previous fiscal year. If the annual debt service requirements of any obligations issued for any county, including any deficiencies for prior years, secured under paragraph (2) of this subsection, exceeds the amount which would be allocated to that county under the formula set out in this paragraph, the amounts allocated to other counties shall be reduced proportionately.

(5) Funds allocated under paragraphs (2) and (4) of this subsection shall be administered by the state board of administration created under Article IV, Section 4. The board shall remit the proceeds of the "second gas tax" in each county account for use in said county as follows: eighty per cent to the state agency supervising the state road system and twenty per cent to the governing body of the county. The percentage allocated to the county may be increased by general law. The proceeds of the "second gas tax" subject to allocation to the several counties under this paragraph (5) shall be used first, for the payment of obligations pledging revenues allocated pursuant to ⁴Article IX, Section 16, of the Constitution of 1885, as amended, and any refundings thereof; second, for the payment of debt service on bonds issued as provided by this paragraph (5) to finance the acquisition and construction of roads as defined by law; and third, for the acquisition and construction of roads and for road maintenance as authorized by law. When authorized by law, state bonds pledging the full faith and credit of the state may be issued without any election: (i) to refund obligations secured by any portion of the "second gas tax" allocated to a county under ⁴Article IX, Section 16, of the Constitution of 1885, as amended; (ii) to finance the acquisition and construction of roads in a county when approved by the governing body of the county and the state agency supervising the state road system; and (iii) to refund obligations secured by any portion of the "second gas tax" allocated under paragraph 9(c)(4). No such bonds shall be issued unless a state fiscal agency created by law has made a determination that in no state fiscal year will the debt service requirements of the bonds and all other bonds secured by the pledged portion

of the "second gas tax" allocated to the county exceed seventy-five per cent of the pledged portion of the "second gas tax" allocated to that county for the preceding state fiscal year, of the pledged net tolls from existing facilities collected in the preceding state fiscal year, and of the annual average net tolls anticipated during the first five state fiscal years of operation of new projects to be financed, and of any other legally available pledged revenues collected in the preceding state fiscal year. Bonds issued pursuant to this subsection shall be payable primarily from the pledged tolls, the pledged portions of the "second gas tax" allocated to that county, and any other pledged revenue, and shall mature not later than forty years from the date of issuance.

(d) SCHOOL BONDS.

(1) ⁵Article XII, Section 9, Subsection (d) of this constitution, as amended, (which, by reference, adopted ⁶Article XII, Section 18, of the Constitution of 1885, as amended) as the same existed immediately before the effective date of this amendment is adopted by this reference as part of this amendment as completely as though incorporated herein verbatim, for the purpose of providing that after the effective date of this amendment the first proceeds of the revenues derived from the licensing of motor vehicles as referred to therein shall be distributed annually among the several counties in the ratio of the number of instruction units in each county, the same being coterminous with the school district of each county as provided in Article IX, Section 4, Subsection (a) of this constitution, in each year computed as provided therein to the extent necessary to comply with all obligations to or for the benefit of holders of bonds or motor vehicle tax anticipation certificates issued before the effective date of this amendment or any refundings thereof which are secured by any portion of such revenues derived from the licensing of motor vehicles.

(2) No funds anticipated to be distributed annually among the several counties under the formula stated in ⁵Article XII, Section 9, Subsection (d) of this constitution, as amended, as the same existed immediately before the effective date of this amendment shall be pledged as security for any obligations hereafter issued or entered into, except that any outstanding obligations

previously issued pledging such funds may be refunded by the issuance of refunding bonds.

(3) Subject to the requirements of paragraph (1) of this subsection (d) beginning July 1, 1973, the first proceeds of the revenues derived from the licensing of motor vehicles (hereinafter called "motor vehicle license revenues") to the extent necessary to comply with the provisions of this amendment, shall, as collected, be placed monthly in the school district and community college district capital outlay and debt service fund in the state treasury and used only as provided in this amendment. Such revenue shall be distributed annually among the several school districts and community college districts in the ratio of the number of instruction units in each school district or community college district in each year computed as provided herein. The amount of the first motor vehicle license revenues to be so set aside in each year and distributed as provided herein shall be an amount equal in the aggregate to the product of six hundred dollars (\$600) multiplied by the total number of instruction units in all the school districts of Florida for the school fiscal year 1967-68, plus an amount equal in the aggregate to the product of eight hundred dollars (\$800) multiplied by the total number of instruction units in all the school districts of Florida for the school fiscal year 1972-73 and for each school fiscal year thereafter which is in excess of the total number of such instruction units in all the school districts of Florida for the school fiscal year 1967-68, such excess units being designated "growth units." The amount of the first motor vehicle license revenues to be so set aside in each year and distributed as provided herein shall additionally be an amount equal in the aggregate to the product of four hundred dollars (\$400) multiplied by the total number of instruction units in all community college districts of Florida. The number of instruction units in each school district or community college district in each year for the purposes of this amendment shall be the greater of (1) the number of instruction units in each school district for the school fiscal year 1967-68 or community college district for the school fiscal year 1968-69 computed in the manner heretofore provided by general law, or (2)

the number of instruction units in such school district, including growth units, or community college district for the school fiscal year computed in the manner heretofore or hereafter provided by general law and approved by the state board of education (hereinafter called the state board), or (3) the number of instruction units in each school district, including growth units, or community college district on behalf of which the state board has issued bonds or motor vehicle license revenue anticipation certificates under this amendment which will produce sufficient revenues under this amendment to equal one and twelve-hundredths (1.12) times the aggregate amount of principal of and interest on all bonds or motor vehicle license revenue anticipation certificates issued under this amendment which will mature and become due in such year, computed in the manner heretofore or hereafter provided by general law and approved by the state board.

(4) Such funds so distributed shall be administered by the state board as now created and constituted by Section 2 of Article IX of the State Constitution as revised in 1968, or by such other instrumentality of the state which shall hereafter succeed by law to the powers, duties and functions of the state board, including the powers, duties and functions of the state board provided in this amendment. For the purposes of this amendment, said state board shall be a body corporate and shall have all the powers provided in this amendment in addition to all other constitutional and statutory powers related to the purposes of this amendment heretofore or hereafter conferred upon said state board.

(5) The state board shall, in addition to its other constitutional and statutory powers, have the management, control and supervision of the proceeds of the first motor vehicle license revenues provided for in this subsection (d). The state board shall also have power, for the purpose of obtaining funds for the use of any school board of any school district or board of trustees of any community college district in acquiring, building, constructing, altering, remodeling, improving, enlarging, furnishing, equipping, maintaining, renovating, or repairing of capital outlay projects for school purposes to issue bonds or motor vehicle license

revenue anticipation certificates, and also to issue such bonds or motor vehicle license revenue anticipation certificates to pay, fund or refund any bonds or motor vehicle license revenue anticipation certificates theretofore issued by said state board. All such bonds or motor vehicle license revenue anticipation certificates shall bear interest at not exceeding the rate provided by general law and shall mature not later than thirty years after the date of issuance thereof. The state board shall have power to determine all other details of the bonds or motor vehicle license revenue anticipation certificates and to sell in the manner provided by general law, or exchange the bonds or motor vehicle license revenue anticipation certificates, upon such terms and conditions as the state board shall provide.

(6) The state board shall also have power to pledge for the payment of the principal of and interest on such bonds or motor vehicle license revenue anticipation certificates, including refunding bonds or refunding motor vehicle license revenue anticipation certificates, all or any part from the motor vehicle license revenues provided for in this amendment and to enter into any covenants and other agreements with the holders of such bonds or motor vehicle license revenue anticipation certificates at the time of the issuance thereof concerning the security thereof and the rights of the holders thereof, all of which covenants and agreements shall constitute legally binding and irrevocable contracts with such holders and shall be fully enforceable by such holders in any court of competent jurisdiction.

(7) No such bonds or motor vehicle license revenue anticipation certificates shall ever be issued by the state board, except to refund outstanding bonds or motor vehicle license revenue anticipation certificates, until after the adoption of a resolution requesting the issuance thereof by the school board of the school district or board of trustees of the community college district on behalf of which the obligations are to be issued. The state board of education shall limit the amount of such bonds or motor vehicle license revenue anticipation certificates which can be issued on behalf of any school district or community college district to ninety percent (90%) of the amount which

it determines can be serviced by the revenue accruing to the school district or community college district under the provisions of this amendment, and shall determine the reasonable allocation of the interest savings from the issuance of refunding bonds or motor vehicle license revenue anticipation certificates, and such determinations shall be conclusive. All such bonds or motor vehicle license revenue anticipation certificates shall be issued in the name of the state board of education but shall be issued for and on behalf of the school board of the school district or board of trustees of the community college district requesting the issuance thereof, and no election or approval of qualified electors shall be required for the issuance thereof.

(8) The state board shall in each year use the funds distributable pursuant to this amendment to the credit of each school district or community college district only in the following manner and in order of priority:

a. To comply with the requirements of paragraph (1) of this subsection (d).

b. To pay all amounts of principal and interest due in such year on any bonds or motor vehicle license revenue anticipation certificates issued under the authority hereof, including refunding bonds or motor vehicle license revenue anticipation certificates, issued on behalf of the school board of such school district or board of trustees of such community college district; subject, however, to any covenants or agreements made by the state board concerning the rights between holders of different issues of such bonds or motor vehicle license revenue anticipation certificates, as herein authorized.

c. To establish and maintain a sinking fund or funds to meet future requirements for debt service or reserves therefor, on bonds or motor vehicle license revenue anticipation certificates issued on behalf of the school board of such school district or board of trustees of such community college district under the authority hereof, whenever the state board shall deem it necessary or advisable, and in such amounts and under such terms and conditions as the state board shall in its discretion determine.

d. To distribute annually to the several school boards of the school districts or the boards of trustees of the community college

districts for use in payment of debt service on bonds heretofore or hereafter issued by any such school boards of the school districts or boards of trustees of the community college districts where the proceeds of the bonds were used, or are to be used, in the acquiring, building, constructing, altering, remodeling, improving, enlarging, furnishing, equipping, maintaining, renovating, or repairing of capital outlay projects in such school districts or community college districts and which capital outlay projects have been approved by the school board of the school district or board of trustees of the community college district, pursuant to the most recent survey or surveys conducted under regulations prescribed by the state board to determine the capital outlay needs of the school district or community college district. The state board shall have power at the time of issuance of any bonds by any school board of any school district or board of trustees of any community college district to covenant and agree with such school board or board of trustees as to the rank and priority of payments to be made for different issues of bonds under this subparagraph d., and may further agree that any amounts to be distributed under this subparagraph d. may be pledged for the debt service on bonds issued by any school board of any school district or board of trustees of any community college district and for the rank and priority of such pledge. Any such covenants or agreements of the state board may be enforced by any holders of such bonds in any court of competent jurisdiction.

e. To pay the expenses of the state board in administering this subsection (d), which shall be prorated among the various school districts and community college districts and paid out of the proceeds of the bonds or motor vehicle license revenue anticipation certificates or from the funds distributable to each school district and community college district on the same basis as such motor vehicle license revenues are distributable to the various school districts and community college districts.

f. To distribute annually to the several school boards of the school districts or boards of trustees of the community college districts for the payment of the cost of acquiring, building, constructing, altering,

remodeling, improving, enlarging, furnishing, equipping, maintaining, renovating, or repairing of capital outlay projects for school purposes in such school district or community college district as shall be requested by resolution of the school board of the school district or board of trustees of the community college district.

g. When all major capital outlay needs of a school district or community college district have been met as determined by the state board, on the basis of a survey made pursuant to regulations of the state board and approved by the state board, all such funds remaining shall be distributed annually and used for such school purposes in such school district or community college district as the school board of the school district or board of trustees of the community college district shall determine, or as may be provided by general law.

(9) Capital outlay projects of a school district or community college district shall be eligible to participate in the funds accruing under this amendment and derived from the proceeds of bonds and motor vehicle license revenue anticipation certificates and from the motor vehicle license revenues, only in the order of priority of needs, as shown by a survey or surveys conducted in the school district or community college district under regulations prescribed by the state board, to determine the capital outlay needs of the school district or community college district and approved by the state board; provided that the priority of such projects may be changed from time to time upon the request of the school board of the school district or board of trustees of the community college district and with the approval of the state board; and provided, further, that this paragraph (9) shall not in any manner affect any covenant, agreement or pledge made by the state board in the issuance by said state board of any bonds or motor vehicle license revenue anticipation certificates, or in connection with the issuance of any bonds of any school board of any school district or board of trustees of any community college district.

(10) The state board shall have power to make and enforce all rules and regulations necessary to the full exercise of the powers herein granted and no legislation shall be required to render this amendment of full

force and operating effect. The legislature shall not reduce the levies of said motor vehicle license revenues during the life of this amendment to any degree which will fail to provide the full amount necessary to comply with the provisions of this amendment and pay the necessary expenses of administering the laws relating to the licensing of motor vehicles, and shall not enact any law having the effect of withdrawing the proceeds of such motor vehicle license revenues from the operation of this amendment and shall not enact any law impairing or materially altering the rights of the holders of any bonds or motor vehicle license revenue anticipation certificates issued pursuant to this amendment or impairing or altering any covenant or agreement of the state board, as provided in such bonds or motor vehicle license revenue anticipation certificates.

(11) Bonds issued by the state board pursuant to this subsection (d) shall be payable primarily from said motor vehicle license revenues as provided herein, and if heretofore or hereafter authorized by law, may be additionally secured by pledging the full faith and credit of the state without an election. When heretofore or hereafter authorized by law, bonds issued pursuant to Article XII, Section 18 of the Constitution of 1885, as amended prior to 1968, and bonds issued pursuant to Article XII, Section 9, subsection (d) of the Constitution as revised in 1968, and bonds issued pursuant to this subsection (d), may be refunded by the issuance of bonds additionally secured by the full faith and credit of the state.

(e) DEBT LIMITATION. Bonds issued pursuant to this Section 9 of Article XII which are payable primarily from revenues pledged pursuant to this section shall not be included in applying the limits upon the amount of state bonds contained in Section 11, Article VII, of this revision.

²**Note.**—Prior to its amendment by C.S. for H.J.R.'s 2289, 2984, 1974, subsection (a) read as follows:

(a) ADDITIONAL SECURITIES. Article IX, Section 17, of the Constitution of 1885, as amended, as it existed immediately before this Constitution, as revised in 1968, became effective, is adopted by this reference as a part of this revision as completely as though incorporated herein verbatim, except revenue bonds, revenue certificates or other evidences of indebtedness hereafter issued thereunder may be issued by the agency of the state so authorized by law.

Article XII, Section 19, of the Constitution of 1885, as amended, as it existed immediately before this revision becomes effective, is adopted by this reference as a part of this revision as completely as though incorporated herein verbatim, except bonds or tax anticipation certificates hereafter issued thereunder may bear interest not in excess of five percent (5%) per annum or such higher interest as may be authorized by statute passed by a three-fifths (3/5) vote of each house of the legislature. No revenue bonds or tax anticipation certificates shall be issued pursuant thereto after June 30, 1975.

³**Note.**—Section 19 of Art. XII of the Constitution of 1885, as amended, reads as follows:

SECTION 19. Institutions of higher learning and junior college capital outlay trust fund bonds.—(a) That beginning January 1, 1964, and for fifty years thereafter, all of the proceeds of the revenues derived from the gross receipts taxes collected from every person, including municipalities, receiving payment for electricity for light, heat or power, for natural or manufactured gas for light, heat or power, for use of telephones and for the sending of telegrams and telegraph messages, as now provided and levied as of the time of adoption of this amendment in Chapter 203, Florida Statutes (hereinafter called "Gross Receipts Taxes"), shall, as collected be placed in a trust fund to be known as the "Institutions of Higher Learning and Junior Colleges Capital Outlay and Debt Service Trust Fund" in the State Treasury (hereinafter referred to as "Capital

Outlay Fund"), and used only as provided in this Amendment.

Said fund shall be administered by the State Board of Education, as now created and constituted by Section 3 of Article XII [now s. 2, Article IX] of the Constitution of Florida (hereinafter referred to as "State Board"). For the purpose of this Amendment, said State Board, as now constituted, shall continue as a body corporate during the life of this Amendment and shall have all the powers provided in this Amendment in addition to all other constitutional and statutory powers related to the purposes of this Amendment heretofore or hereafter conferred by law upon said State Board.

(b) The State Board shall have power, for the purpose of obtaining funds for acquiring, building, constructing, altering, improving, enlarging, furnishing or equipping capital outlay projects theretofore authorized by the legislature and any purposes appurtenant or incidental thereto, for Institutions of Higher Learning or Junior Colleges, as now defined or as may be hereafter defined by law, and for the purpose of constructing buildings and other permanent facilities for vocational technical schools as provided in chapter 230 Florida Statutes, to issue bonds or certificates, including refunding bonds or certificates to fund or refund any bonds or certificates theretofore issued. All such bonds or certificates shall bear interest at not exceeding four and one-half per centum per annum, and shall mature at such time or times as the State Board shall determine not exceeding, in any event, however, thirty years from the date of issuance thereof. The State Board shall have power to determine all other details of such bonds or certificates and to sell at public sale, after public advertisement, such bonds or certificates, provided, however, that no bonds or certificates shall ever be issued hereunder to finance, or the proceeds thereof expended for, any part of the cost of any capital outlay project unless the construction or acquisition of such capital outlay project has been theretofore authorized by the Legislature of Florida. None of said bonds or certificates shall be sold at less than ninety-eight per centum of the par value thereof, plus accrued interest, and said bonds or certificates shall be awarded at the public sale thereof to the bidder offering the lowest net interest cost for such bonds or certificates in the manner to be determined by the State Board.

The State Board shall also have power to pledge for the payment of the principal of and interest on such bonds or certificates, and reserves therefor, including refunding bonds or certificates, all or any part of the revenue to be derived from the said Gross Receipts Taxes provided for in this Amendment, and to enter into any covenants and other agreements with the holders of such bonds or certificates concerning the security thereof and the rights of the holders thereof, all of which covenants and agreements shall constitute legally binding and irrevocable contracts with such holders and shall be fully enforceable by such holders in any court of competent jurisdiction.

No such bonds or certificates shall ever be issued by the State Board in an amount exceeding seventy-five per centum of the amount which it determines, based upon the average annual amount of the revenues derived from said Gross Receipts Taxes during the immediately preceding two fiscal years, or the amount of the revenues derived from said Gross Receipts Taxes during the immediately preceding fiscal year, as shown in a certificate filed by the State Comptroller with the State Board prior to the issuance of such bonds or certificates, whichever is the lesser, can be serviced by the revenues accruing thereafter under the provisions of this Amendment; nor shall the State Board, during the first year following the ratification of this amendment, issue bonds or certificates in excess of seven times the anticipated revenue from said Gross Receipts Taxes during said year, nor during each succeeding year, more than four times the anticipated revenue from said Gross Receipts Taxes during such year. No election or

approval of qualified electors or freeholder electors shall be required for the issuance of bonds or certificates hereunder.

After the initial issuance of any bonds or certificates pursuant to this Amendment, the State Board may thereafter issue additional bonds or certificates which will rank equally and on a parity, as to lien on and source of security for payment from said Gross Receipts Taxes, with any bonds or certificates theretofore issued pursuant to this Amendment, but such additional parity bonds or certificates shall not be issued unless the average annual amount of the revenues derived from said Gross Receipts Taxes during the immediately preceding two fiscal years, or the amount of the revenues derived from said Gross Receipts Taxes during the immediately preceding fiscal year, as shown in a certificate filed by the State Comptroller with the State Board prior to the issuance of such bonds or certificates, whichever is the lesser, shall have been equal to one and one-third times the aggregate amount of principal and interest which will become due in any succeeding fiscal year on all bonds or certificates theretofore issued pursuant to this Amendment and then outstanding, and the additional parity bonds or certificates then proposed to be issued. No bonds, certificates or other obligations whatsoever shall at any time be issued under the provisions of this Amendment, except such bonds or certificates initially issued hereunder, and such additional parity bonds or certificates as provided in this paragraph. Notwithstanding any other provision herein no such bonds or certificates shall be authorized or validated during any biennium in excess of fifty million dollars, except by two-thirds vote of the members elected to each house of the legislature; provided further that during the biennium 1963-1965 seventy-five million dollars may be authorized and validated pursuant hereto.

(c) Capital outlay projects theretofore authorized by the legislature for any Institution of Higher Learning or Junior College shall be eligible to participate in the funds accruing under this Amendment derived from the proceeds of bonds or certificates and said Gross Receipts Taxes under such regulations and in such manner as shall be determined by the State Board, and the State Board shall use or transmit to the State Board of Control or to the Board of Public Instruction of any County authorized by law to construct or acquire such capital outlay projects, the amount of the proceeds of such bonds or certificates or Gross Receipts Taxes to be applied to or used for such capital outlay projects. If for any reason any of the proceeds of any bonds or certificates issued for any capital outlay project shall not be expended for such capital outlay project, the State Board may use such unexpended proceeds for any other capital outlay project for Institutions of Higher Learning or Junior Colleges and vocational technical schools, as defined herein, as now defined or as may be hereafter defined by law, theretofore authorized by the State Legislature. The holders of bonds or certificates issued hereunder shall not have any responsibility whatsoever for the application or use of any of the proceeds derived from the sale of said bonds or certificates, and the rights and remedies of the holders of such bonds or certificates and their right to payment from said Gross Receipts Taxes in the manner provided herein shall not be affected or impaired by the application or use of such proceeds.

The State Board shall use the moneys in said Capital Outlay Fund in each fiscal year only for the following purposes and in the following order of priority:

(1) For the payment of the principal of and interest on any bonds or certificates maturing in such fiscal year.

(2) For the deposit into any reserve funds provided for in the proceedings authorizing the issuance of said bonds

or certificates, of any amounts required to be deposited in such reserve funds in such fiscal year.

(3) After all payments required in such fiscal year for the purposes provided for in (1) and (2) above, including any deficiencies for required payments in prior fiscal years, any moneys remaining in said Capital Outlay Fund at the end of such fiscal year may be used by the State Board for direct payment of the cost or any part of the cost of any capital outlay project theretofore authorized by the legislature or for the purchase of any bonds or certificates issued hereunder then outstanding upon such terms and conditions as the State Board shall deem proper, or for the prior redemption of outstanding bonds or certificates in accordance with the provisions of the proceedings which authorized the issuance of such bonds or certificates.

The State Board may invest the moneys in said Capital Outlay Fund or in any sinking fund or other funds created for any issue of bonds or certificates, in direct obligations of the United States of America or in the other securities referred to in Section 344.27, Florida Statutes.

(d) The State Board shall have the power to make and enforce all rules and regulations necessary to the full exercise of the powers herein granted and no legislation shall be required to render this Amendment of full force and operating effect on and after January 1, 1964. The Legislature, during the period this Amendment is in effect, shall not reduce the rate of said Gross Receipts Taxes now provided in said Chapter 203, Florida Statutes, or eliminate, exempt or remove any of the persons, firms or corporations, including municipal corporations, or any of the utilities, businesses or services now or hereafter subject to said Gross Receipts Taxes, from the levy and collection of said Gross Receipts Taxes as now provided in said Chapter 203, Florida Statutes, and shall not enact any law impairing or materially altering the rights of the holders of any bonds or certificates issued pursuant to this Amendment or impairing or altering any covenants or agreements of the State Board made hereunder, or having the effect of withdrawing the proceeds of said Gross Receipts Taxes from the operation of this Amendment.

The State Board of Administration shall be and is hereby constituted as the Fiscal Agent of the State Board to perform such duties and assume such responsibilities under this Amendment as shall be agreed upon between the State Board and such State Board of Administration. The State Board shall also have power to appoint such other persons and fix their compensation for the administration of the provisions of this Amendment as it shall deem necessary, and the expenses of the State Board in administering the provisions of this Amendment shall be paid out of the proceeds of bonds or certificates issued hereunder or from said Gross Receipts Taxes deposited in said Capital Outlay Fund.

(e) No capital outlay project or any part thereof shall be financed hereunder unless the bill authorizing such project shall specify it is financed hereunder and shall be approved by a vote of three-fifths of the elected members of each house.

History.—S.J.R. 264, 1963; adopted 1963.

Note.—Section 16 of Art. IX of the Constitution of 1885, as amended, reads as follows:

SECTION 16. Board of administration; gasoline and like taxes, distribution and use; etc.—(a) That beginning January 1st, 1943, and for fifty (50) years thereafter, the proceeds of two (2c) cents per gallon of the total tax levied by state law upon gasoline and other like products of petroleum, now known as the Second Gas Tax, and upon other fuels used to propel motor vehicles, shall as collected be placed monthly in the 'State Roads Distribution Fund' in the State Treasury and divided into three (3) equal parts which shall be distributed monthly among the several counties as follows: one part according to area, one part according to population, and one part according to the counties' contributions to the cost of state road construction

in the ratio of distribution as provided in Chapter 15659, Laws of Florida, Acts of 1931, and for the purposes of the apportionment based on the counties' contributions for the cost of state road construction, the amount of the contributions established by the certificates made in 1931 pursuant to said Chapter 15659, shall be taken and deemed conclusive in computing the monthly amounts distributable according to said contributions. Such funds so distributed shall be administered by the State Board of Administration as hereinafter provided.

(b) The Governor as chairman, the State Treasurer, and the State Comptroller shall constitute a body corporate to be known as the 'State Board of Administration,' which board shall succeed to all the power, control and authority of the statutory Board of Administration. Said Board shall have, in addition to such powers as may be conferred upon it by law, the management, control and supervision of the proceeds of said two (2c) cents of said taxes and all moneys and other assets which on the effective date of this amendment are applicable or may become applicable to the bonds of the several counties of this state, or any special road and bridge district, or other special taxing district thereof, issued prior to July 1st, 1931, for road and bridge purposes. The word 'bonds' as used herein shall include bonds, time warrants, notes and other forms of indebtedness issued for road and bridge purposes by any county or special road and bridge district or other special taxing district, outstanding on July 1st, 1931, or any refunding issues thereof. Said Board shall have the statutory powers of Boards of County Commissioners and Bond Trustees and of any other authority of special road and bridge districts, and other special taxing districts thereof with regard to said bonds, (except that the power to levy ad valorem taxes is expressly withheld from said Board), and shall take over all papers, documents and records concerning the same. Said Board shall have the power from time to time to issue refunding bonds to mature within the said fifty (50) year period, for any of said outstanding bonds or interest thereon, and to secure them by a pledge of anticipated receipts from such gasoline or other fuel taxes to be distributed to such county as herein provided, but not at a greater rate of interest than said bonds now bear; and to issue, sell or exchange on behalf of any county or unit for the sole purpose of retiring said bonds issued by such county, or special road and bridge district, or other special taxing district thereof, gasoline or other fuel tax anticipation certificates bearing interest at not more than three (3) per cent per annum in such denominations and maturing at such time within the fifty (50) year period as the board may determine. In addition to exercising the powers now provided by statute for the investment of sinking funds, said Board may use the sinking funds created for said bonds of any county or special road and bridge district, or other unit hereunder, to purchase the matured or maturing bonds participating herein of any other county or any other special road and bridge district, or other special taxing district thereof, provided that as to said matured bonds, the value thereof as an investment shall be the price paid therefor, which shall not exceed the par value plus accrued interest, and that said investment shall bear interest at the rate of three (3) per cent per annum.

(c) The said board shall annually use said funds in each county account, first, to pay current principal and interest maturing, if any, of said bonds and gasoline or other fuel tax anticipation certificates of such county or special road and bridge district, or other special taxing district thereof; second, to establish a sinking fund account to meet future requirements of said bonds and gasoline or other fuel tax anticipation certificates where it appears the anticipated income for any year or years will not equal scheduled payments thereon; and third, any remaining balance out of the proceeds of said two (2c) cents of said taxes shall monthly during the year be remitted by said board as follows: Eighty (80%) per cent to the State Road

Department for the construction or reconstruction of state roads and bridges within the county, or for the lease or purchase of bridges connecting state highways within the county, and twenty (20%) per cent to the Board of County Commissioners of such county for use on roads and bridges therein.

(d) Said board shall have the power to make and enforce all rules and regulations necessary to the full exercise of the powers hereby granted and no legislation shall be required to render this amendment of full force and operating effect from and after January 1st, 1943. The Legislature shall continue the levies of said taxes during the life of this Amendment, and shall not enact any law having the effect of withdrawing the proceeds of said two (2c) cents of said taxes from the operation of this amendment. (d) SCHOOL BONDS. Article XII, Section 18, of the Constitution of 1885, as amended, as it existed immediately before this revision becomes effective is adopted by this reference as part of this revision as completely as though incorporated herein verbatim, except bonds or tax anticipation certificates hereafter issued thereunder may bear interest not in excess of five per cent per annum or such higher interest as may be authorized by statute passed by a three-fifths vote of each house of the legislature. Bonds issued pursuant to this subsection (d) shall be payable primarily from revenues as provided in Article XII, Section 18, of the Constitution of 1885, as amended, and if authorized by law, may be additionally secured by pledging the full faith and credit of the state without an election. When authorized by law, bonds issued pursuant to Article XII, Section 18, of the Constitution of 1885, as amended, and bonds issued pursuant to this subsection (d), may be refunded by the issuance of bonds additionally secured by the full faith and credit of the state only at a lower net average interest cost rate.

⁶**Note.**—Section 18, Art. XII of the Constitution of 1885, as amended, reads as follows:

SECTION 18. School bonds for capital outlay, issuance.—

(a) Beginning January 1, 1965 and for thirty-five years thereafter, the first proceeds of the revenues derived from the licensing of motor vehicles to the extent necessary to comply with the provisions of this amendment, shall, as collected, be placed monthly in the county capital outlay and debt service school fund in the state treasury, and used only as provided in this amendment. Such revenue shall be distributed annually among the several counties in the ratio of the number of instruction units in each county in each year computed as provided herein. The amount of the first revenues derived from the licensing of motor vehicles to be so set aside in each year and distributed as provided herein shall be an amount equal in the aggregate to the product of four hundred dollars multiplied by the total number of instruction units in all the counties of Florida. The number of instruction units in each county in each year for the purposes of this amendment shall be the greater of (1) the number of instruction units in each county for the school fiscal year 1951-52 computed in the manner heretofore provided by general law, or (2) the number of instruction units in such county for the school fiscal year computed in the manner heretofore or hereafter provided by general law

and approved by the state board of education (hereinafter called the state board), or (3) the number of instruction units in each county on behalf of which the state board of education has issued bonds or motor vehicle tax anticipation certificates under this amendment which will produce sufficient revenues under this amendment to equal one and one-third times the aggregate amount of principal and interest on such bonds or motor vehicle tax anticipation certificates which will mature and become due in such year, computed in the manner heretofore or hereafter provided by general law and approved by the state board.

Such funds so distributed shall be administered by the state board as now created and constituted by Section 3 of Article XII [now s. 2, Article IX] of the Constitution of Florida. For the purposes of this amendment, said state board, as now constituted, shall continue as a body corporate during the life of this amendment and shall have all the powers provided in this amendment in addition to all other constitutional and statutory powers related to the purposes of this amendment heretofore or hereafter conferred upon said board.

(b) The state board shall, in addition to its other constitutional and statutory powers, have the management, control and supervision of the proceeds of the first part of the revenues derived from the licensing of motor vehicles provided for in subsection (a). The state board shall also have power, for the purpose of obtaining funds for the use of any county board of public instruction in acquiring, building, constructing, altering, improving, enlarging, furnishing, or equipping capital outlay projects for school purposes, to issue bonds or motor vehicle tax anticipation certificates, and also to issue such bonds or motor vehicle tax anticipation certificates to pay, fund or refund any bonds or motor vehicle tax anticipation certificates theretofore issued by said state board. All such bonds shall bear interest at not exceeding four and one-half per centum per annum and shall mature serially in annual installments commencing not more than three years from the date of issuance thereof and ending not later than thirty years from the date of issuance or January 1, 2000, A.D., whichever is earlier. All such motor vehicle tax anticipation certificates shall bear interest at not exceeding four and one-half per centum per annum and shall mature prior to January 1, 2000, A.D. The state board shall have power to determine all other details of said bonds or motor vehicle tax anticipation certificates and to sell at public sale after public advertisement, or exchange said bonds or motor vehicle tax anticipation certificates, upon such terms and conditions as the state board shall provide.

The state board shall also have power to pledge for the payment of the principal and interest on such bonds or motor vehicle tax anticipation certificates, including refunding bonds or refunding motor vehicle tax anticipation certificates, all or any part from the anticipated revenues to be derived from the licensing of motor vehicles provided for in this amendment and to enter into any covenants and other agreements with the holders of such bonds or motor vehicle tax anticipation certificates at the time of the issuance thereof concerning the security thereof and the rights of the holders thereof, all of which covenants and agreements shall constitute legally binding and irrevocable contracts with such holders and shall be fully enforceable by such holders in any court of competent jurisdiction.

No such bonds or motor vehicle tax anticipation certificates shall ever be issued by the state board until after the adoption of a resolution requesting the issuance thereof by the county board of public instruction of the county on behalf of which such obligations are to be issued. The state board of education shall limit the amount of such bonds or motor vehicle tax anticipation certificates which can be issued on behalf of any county to seventy-five per cent of the amount which it determines can be serviced by the revenue accruing to the county under the provisions of this amendment, and such determination shall be

conclusive. All such bonds or motor vehicle tax anticipation certificates shall be issued in the name of the state board of education but shall be issued for and on behalf of the county board of public instruction requesting the issuance thereof, and no election or approval of qualified electors or freeholders shall be required for the issuance thereof.

(c) The State Board shall in each year use the funds distributable pursuant to this Amendment to the credit of each county only in the following manner and order of priority:

(1) To pay all amounts of principal and interest maturing in such year on any bonds or motor vehicle tax anticipation certificates issued under the authority hereof, including refunding bonds or motor vehicle tax anticipation certificates, issued on behalf of the Board of Public Instruction of such county; subject, however, to any covenants or agreements made by the State Board concerning the rights between holders of different issues of such bonds or motor vehicle tax anticipation certificates, as herein authorized.

(2) To establish and maintain a sinking fund or funds to meet future requirements for debt service, or reserves therefor, on bonds or motor vehicle tax anticipation certificates issued on behalf of the Board of Public Instruction of such county, under the authority hereof, whenever the State Board shall deem it necessary or advisable, and in such amounts and under such terms and conditions as the State Board shall in its discretion determine.

(3) To distribute annually to the several Boards of Public Instruction of the counties for use in payment of debt service on bonds heretofore or hereafter issued by any such Board where the proceeds of the bonds were used, or are to be used, in the construction, acquisition, improvement, enlargement, furnishing, or equipping of capital outlay projects in such county, and which capital outlay projects have been approved by the Board of Public Instruction of the county, pursuant to a survey or surveys conducted subsequent to July 1, 1947 in the county, under regulations prescribed by the State Board to determine the capital outlay needs of the county.

The State Board shall have power at the time of issuance of any bonds by any Board of Public Instruction to covenant and agree with such Board as to the rank and priority of payments to be made for different issues of bonds under this Subsection (3), and may further agree that any amounts to be distributed under this Subsection (3) may be pledged for the debt service on bonds issued by any Board of Public Instruction and for the rank and priority of such pledge. Any such covenants or agreements of the State Board may be enforced by any holders of such bonds in any court of competent jurisdiction.

(4) To distribute annually to the several Boards of Public Instruction of the counties for the payment of the cost of the construction, acquisition, improvement, enlargement, furnishing, or equipping of capital outlay projects for school purposes in such county as shall be requested by resolution of the County Board of Public Instruction of such county.

(5) When all major capital outlay needs of a county have been met as determined by the State Board, on the basis of a survey made pursuant to regulations of the State Board and approved by the State Board, all such funds remaining shall be distributed annually and used for such school purposes in such county as the Board of Public Instruction of the county shall determine, or as may be provided by general law.

(d) Capital outlay projects of a county shall be eligible to participate in the funds accruing under this Amendment and derived from the proceeds of bonds and motor vehicle tax anticipation certificates and from the motor vehicle license taxes, only in the order of priority of needs, as shown by a survey or surveys conducted in the county under regulations prescribed by the State Board, to

determine the capital outlay needs of the county and approved by the State Board; provided, that the priority of such projects may be changed from time to time upon the request of the Board of Public Instruction of the county and with the approval of the State Board; and provided further, that this Subsection (d) shall not in any manner affect any covenant, agreement, or pledge made by the State Board in the issuance by said State Board of any bonds or motor vehicle tax anticipation certificates, or in connection with the issuance of any bonds of any Board of Public Instruction of any county.

(e) The State Board may invest any sinking fund or funds created pursuant to this Amendment in direct obligations of the United States of America or in the bonds or motor vehicle tax anticipation certificates, matured or to mature, issued by the State Board on behalf of the Board of Public Instruction of any county.

(f) The State Board shall have power to make and enforce all rules and regulations necessary to the full exercise of the powers herein granted and no legislation shall be required to render this Amendment of full force and operating effect from and after January 1, 1953. The Legislature shall not reduce the levies of said motor vehicle license taxes during the life of this Amendment to any degree which will fail to provide the full amount necessary to comply with the provisions of this Amendment and pay the necessary expenses of administering the laws relating to the licensing of motor vehicles, and shall not enact any law having the effect of withdrawing the proceeds of such motor vehicle license taxes from the operation of this Amendment and shall not enact any law impairing or materially altering the rights of the holders of any bonds or motor vehicle tax anticipation certificates issued pursuant to this Amendment or impairing or altering any covenant or agreement of the State Board, as provided in such bonds or motor vehicle tax anticipation certificates.

The State Board shall have power to appoint such persons and fix their compensation for the administration of the provisions of this Amendment as it shall deem necessary, and the expenses of the State Board in administering the provisions of this Amendment shall be prorated among the various counties and paid out of the proceeds of the bonds or motor vehicle tax anticipation certificates or from the funds distributable to each county on the same basis as such motor vehicle license taxes are distributable to the various counties under the provisions of this Amendment. Interest or profit on sinking fund investments shall accrue to the counties in proportion to their respective equities in the sinking fund or funds.

CONSTITUTION OF THE UNITED STATES

We the People of the United States, in Order to form a more perfect Union, establish Justice, insure domestic Tranquility, provide for the common defence, promote the general Welfare, and secure the Blessings of Liberty to ourselves and our posterity, do ordain and establish this Constitution for the United States of America.

ARTICLE I.

SECTION 1. All legislative Powers herein granted shall be vested in a Congress of the United States, which shall consist of a Senate and House of Representatives.

SECTION 2. The House of Representatives shall be composed of Members chosen every second Year by the People of the several States, and the Electors in each State shall have the Qualifications requisite for Electors of the most numerous Branch of the State Legislature.

No person shall be a Representative who shall not have attained to the Age of twenty five Years, and been seven Years a Citizen of the United States, and who shall not, when elected, be an Inhabitant of that State in which he shall be chosen.

¹Representatives and direct Taxes shall be apportioned among the several States which may be included within this Union, according to their respective Numbers, which shall be determined by adding to the whole Number of free Persons, including those bound to Service for a Term of Years, and excluding Indians not taxed, three fifths of all other Persons. The actual Enumeration shall be made within three Years after the first Meeting of the Congress of the United States, and within every subsequent Term of ten Years, in such Manner as they shall by Law direct. The Number of Representatives shall not exceed one for every thirty Thousand, but each State shall have at Least one Representative; and until such enumeration shall be made, the State of New Hampshire shall be entitled to chuse three, Massachusetts eight, Rhode-Island and Providence Plantations one, Connecticut five, New-York six, New Jersey four, Pennsylvania eight, Delaware one, Maryland six, Virginia ten, North Carolina five, South Carolina five, and Georgia three.

When vacancies happen in the Representation from any State, the Executive Authority thereof shall issue Writs of Election to fill such Vacancies.

The House of Representatives shall chuse their Speaker and other Officers; and shall have the sole Power of Impeachment.

¹Note.—This clause has been affected by the 14th and 16th amendments.

²SECTION 3. The Senate of the United States shall be composed of two Senators from each State, chosen by the Legislature thereof, for six Years; and each Senator shall have one Vote.

Immediately after they shall be assembled in Consequence of the first Election, they shall be divided as equally as may be into three Classes. The Seats of the Senators of the first Class shall be vacated at the Expiration of the second Year, of the second Class at the Expiration of the fourth Year, and of the third Class at the Expiration of the sixth Year, so that one third may be chosen every second Year; and if Vacancies happen by Resignation, or otherwise, during the Recess of the Legislature of any State, the Executive thereof may make temporary Appointments until the next Meeting of the Legislature, which shall then fill such Vacancies.

No Person shall be a Senator who shall not have attained to the Age of thirty Years, and been nine Years a Citizen of the United States, and who shall not, when elected, be an Inhabitant of that State for which he shall be chosen.

The Vice President of the United States shall be President of the Senate, but shall have no Vote, unless they be equally divided.

The Senate shall chuse their other Officers, and also a President pro tempore, in the Absence of the Vice President, or when he shall exercise the Office of President of the United States.

The Senate shall have the sole Power to try all Impeachments. When sitting for that Purpose, they shall be on Oath or Affirmation. When the President of the United States is tried, the Chief Justice shall preside: And no Person shall be convicted without the Concurrence of two thirds of the Members present.

Judgment in Cases of Impeachment shall not extend further than to removal from Office, and disqualification to hold and enjoy any Office of honor, Trust or Profit under the United States: but the Party convicted shall nevertheless be liable and subject to Indictment, Trial, Judgment and Punishment, according to Law.

²Note.—This section has been affected by the 17th amendment.

³SECTION 4. The Times, Places and Manner of holding Elections for Senators and Representatives, shall be prescribed in each State by the Legislature thereof; but the Congress may at any time by Law make or alter such Regulations, except as to the Places of chusing Senators.

The Congress shall assemble at least once in every Year, and such Meeting shall be on the first

CONSTITUTION OF THE UNITED STATES

Monday in December, unless they shall by Law appoint a different Day.

³Note.—This section has been affected by the 20th amendment.

SECTION 5. Each House shall be the Judge of the Elections, Returns and Qualifications of its own Members, and a Majority of each shall constitute a Quorum to do Business; but a smaller Number may adjourn from day to day, and may be authorized to compel the Attendance of absent Members, in such Manner, and under such Penalties as each House may provide.

Each House may determine the Rules of its Proceedings, punish its Members for disorderly Behaviour, and, with the Concurrence of two thirds, expel a Member.

Each House shall keep a Journal of its Proceedings, and from time to time publish the same, excepting such Parts as may in their Judgment require Secrecy; and the Yeas and Nays of the Members of either House on any question shall, at the Desire of one fifth of those present, be entered on the Journal.

Neither House, during the Session of Congress, shall, without the Consent of the other, adjourn for more than three days, nor to any other Place than that in which the two Houses shall be sitting.

SECTION 6. The Senators and Representatives shall receive a Compensation for their Services, to be ascertained by Law, and paid out of the Treasury of the United States. They shall in all Cases, except Treason, Felony and Breach of the Peace, be privileged from Arrest during their Attendance at the Session of their respective Houses, and in going to and returning from the same; and for any Speech or Debate in either House, they shall not be questioned in any other Place.

No Senator or Representative shall, during the Time for which he was elected, be appointed to any civil Office under the Authority of the United States, which shall have been created, or the Emoluments whereof shall have been increased during such time; and no Person holding any Office under the United States, shall be a Member of either House during his Continuance in Office.

SECTION 7. All Bills for raising Revenue shall originate in the House of Representatives; but the Senate may propose or concur with Amendments as on other Bills.

Every Bill which shall have passed the House of Representatives and the Senate, shall, before it become a Law, be presented to the President of the United States; If he approve he shall sign it, but if not he shall return it, with his Objections to that House in which it shall have originated, who shall enter the Objections at large on their Journal, and proceed to reconsider it. If after such Reconsideration two thirds of that House shall agree to pass the Bill, it

shall be sent, together with the Objections, to the other House, by which it shall likewise be reconsidered, and if approved by two thirds of that House, it shall become a Law. But in all such Cases the Votes of both Houses shall be determined by yeas and Nays, and the Names of the Persons voting for and against the Bill shall be entered on the Journal of each House respectively. If any Bill shall not be returned by the President within ten Days (Sundays excepted) after it shall have been presented to him, the Same shall be a Law, in like Manner as if he had signed it, unless the Congress by their Adjournment prevent its Return, in which Case it shall not be a Law.

Every Order, Resolution, or Vote to which the Concurrence of the Senate and House of Representatives may be necessary (except on a question of Adjournment) shall be presented to the President of the United States; and before the Same shall take Effect, shall be approved by him, or being disapproved by him, shall be repassed by two thirds of the Senate and House of Representatives, according to the Rules and Limitations prescribed in the Case of a Bill.

SECTION 8. The Congress shall have Power To lay and collect Taxes, Duties, Imposts and Excises, to pay the Debts and provide for the common Defence and general Welfare of the United States; but all Duties, Imposts and Excises shall be uniform throughout the United States;
