Votes After Roll Call

[Date(s) of Vote(s) and Sequence Number(s)]

Rep. Snyder:

Yeas—February 15: 624

Explanation of Vote for Sequence Number 596

HB87 opens up the door for people to kill black bears by claiming self-defense and would override the Florida Fish & Wildlife Conservation Commission's authority to investigate crimes committed against black bears if the person claims they felt threatened, with no burden of proof required to substantiate the claim. I voted no.

*Rep. Anna V. Eskamani
District 42*

Explanation of Vote for Sequence Number 626

From astronomical costs in a state that still hasn't expanded Medicaid, to worsening healthcare deserts due to staffing shortages, this bill is likely to create yet another vessel for anti-abortion propaganda while ignoring the real issues facing Florida families. Decisions around pregnancy are deeply personal and Floridians deserve access to all of their options, not a narrowly collated list designed to push a political agenda.
