

The Journal OF THE House of Representatives

Number 26

Wednesday, February 21, 2024

The House was called to order by the Speaker at 2:00 p.m.

Prayer

The following prayer was offered by Kirby Calhoun of Christians United for Israel, upon invitation of Reps. Gottlieb and Overdorf:

Heavenly Father, we come before You today to seek Your face, and to ask for wisdom and discernment. Your word tells us that the fear of the Lord is the beginning of wisdom. And today, Lord, we come before You, in reverence, to ask that You would give every man and woman in this Chamber the knowledge and discernment needed to do the righteous work that You've placed before them.

The Bible tells us in the Book of James, "If any of you lacks wisdom, let him ask God, who gives generously to all without reproach, and it will be given him."

Lord, we stand on Your word today, and I ask You to give knowledge, wisdom, and discernment to everyone in this room so that You and You alone would get all of the glory.

Let Your will be done here today, Father. I ask that You protect and guide everyone here so that they can finish the race that You have started in them and that they would not become weary in doing good. Strengthen them, and give them peace.

I ask these things in Jesus' mighty name. Amen.

SM 1020—A memorial to the United States Department of State urging the United States Secretary of State to designate drug cartels as Foreign Terrorist Organizations.

WHEREAS, the land and maritime borders of the United States present unique challenges and threats to the national security of the country, and

WHEREAS, drug cartels engage in illicit activities, including human smuggling, human trafficking, weapons trafficking, money laundering, drug smuggling, extortion, and kidnapping, which activities have breached the borders of the United States, and

WHEREAS, as an example of the heinous activities of the drug cartels, in March 2023, south of the Texas border, one drug cartel claimed responsibility for the armed abduction and killing of American citizens who were traveling in Mexico, and

WHEREAS, drug cartels have been responsible for the export and distribution to the United States of wholesale amounts of fentanyl, methamphetamine, heroin, cocaine, and other illicit substances, which has caused tens of thousands of drug-related overdoses and deaths in this country, and

WHEREAS, during federal fiscal year 2023, United States Customs and Border Protection seized 27,000 pounds of fentanyl and millions of fentanyl pills, enough to kill every American several times over, and this amount represents a mere 10 to 15 percent of the fentanyl actually sent across the border into the United States each year, and

WHEREAS, drug cartels engage in the practice of human smuggling, which poses a substantial threat to the United States by creating conduits that allow contraband and persons seeking to harm the United States to clandestinely enter this country, and

WHEREAS, during federal fiscal year 2023, United States Customs and Border Protection encountered 172 individuals on the terrorist watchlist, nearly double the previous year and more than the past 6 years combined, and

WHEREAS, Section 219 of the Immigration and Nationality Act authorizes the United States Secretary of State, in consultation with the Secretary of the Treasury and the Attorney General, to designate an organization as a Foreign Terrorist Organization when certain criteria are met, and

WHEREAS, drug cartels meet the criteria to be designated as Foreign Terrorist Organizations, given they are foreign in nature, engage in or retain the capability and intent to engage in terrorism, and threaten the security, foreign relations, and the economic interests of the United States, NOW, THEREFORE,

Be It Resolved by the Legislature of the State of Florida:

That the Florida Legislature respectfully urges the United States Secretary of State to designate drug cartels as Foreign Terrorist Organizations so that

appropriate means may be initiated to mitigate and, eventually, eliminate their operations.

BE IT FURTHER RESOLVED that the Secretary of State dispatch copies of this memorial to the President of the United States, the President of the United States Senate, the Speaker of the United States House of Representatives, the United States Secretary of State, and each member of the Florida delegation to the United States Congress.

Representative Hunschofsky offered the following:

(Amendment Bar Code: 430747)

Amendment 1 (with title amendment)—Remove everything after the enacting clause and insert:

Section 1. Subsection (5) of section 28.47, Florida Statutes, is amended to read:

28.47 Recording notification service; related services; public records exemption.—

(5)(a) ~~Nothing in~~ This section ~~does not~~ ~~may be construed to~~ require the clerk or property appraiser to provide or allow access to a record or information which is confidential and exempt from s. 119.07(1) and s. 24(a), Art. I of the State Constitution or to otherwise violate the public records laws of this state.

(b) All electronic mail addresses, telephone numbers, personal and business names, and parcel identification numbers submitted to the clerk or property appraiser for the purpose of registering for a recording notification service or a related service pursuant to this section are confidential and exempt from s. 119.07(1) and s. 24(a), Art. I of the State Constitution, except upon court order. This paragraph applies to information held by the clerk or property appraiser before, on, or after the effective date of this act. This paragraph is subject to the Open Government Sunset Review Act in accordance with s. 119.15 and shall stand repealed on October 2, 2029, unless reviewed and saved from repeal through reenactment by the Legislature.

Section 2. The Division of Law Revision is directed to replace the phrase "the effective date of this act" wherever it occurs in this act with the date this act becomes a law.

Section 3. The Legislature finds that it is a public necessity that all electronic mail addresses, telephone numbers, personal and business names, and parcel identification numbers submitted to the clerk or property appraiser for the purpose of registering for a recording notification service or a related service under s. 28.47, Florida Statutes, be made confidential and exempt from s. 119.07(1), Florida Statutes, and s. 24(a), Article I of the State Constitution. The recording notification service, created in response to a recent increase in fraudulent real property conveyances, notifies a registrant by electronic mail when a land record associated with the registrant's monitored identity has been recorded in the public records of the county so that the registrant may quickly identify a fraudulent conveyance and take necessary action. Some clerks and property appraisers have also begun offering related services for which a person may register to receive notifications of potentially fraudulent real property transfers by an alternative form of communication, such as by text message. The Legislature finds that it is a public necessity to protect persons who register for a recording notification service or a related service offered pursuant to this section from becoming victims of other types of fraud by virtue of their status as a person whose information has been submitted for monitoring. The Legislature also finds that it is a public necessity to protect persons whose personal or business names or parcel identification numbers are not submitted to a recording notification service or a related service for monitoring from becoming the target of a fraudulent real property conveyance by virtue of their lack of participation in any such service. Thus, the Legislature finds that this act serves a compelling state interest. The Legislature further finds that the harm that may result from the release of the electronic mail addresses, telephone numbers, personal and business names, and parcel identification numbers submitted to the clerk or property appraiser for the purpose of registering for a recording notification service or a related service pursuant to this section outweighs any public benefit that may be derived from the disclosure of such information.

Section 4. This act shall take effect upon becoming a law.
