Number 30

Wednesday, February 28, 2024

The House was called to order by the Speaker at 10:00 a.m.

## Prayer

The following prayer was offered by Pastor Doyle Bell of Fellowship Baptist Church of Tallahassee, upon invitation of Rep. Shoaf:

Lord, it's a good day, and we praise You for it.

We thank You for those of this body who have given themselves to serve the people of this state. We pray for them as they consider the matters put before them, that You'll give them wisdom and courage to do the right things for those who will be affected by their decisions, and they'll effectively enact those things that come before them. And, Lord, we just ask that You'd be glorified in the outcome of these deliberations.

Father, we pray for Your protecting hand to be upon them as they go about life. And, Lord, we pray for protection and courage for their families at home, who are there supporting them behind the scenes.

And now, Lord, as this body goes into their day, and the days ahead, may Your wisdom and courage guide their every deliberation and decision. And again, Lord, we thank You for their commitment to serve well and wisely, the people of the state of Florida.

And we ask these things in the name of Your son, our savior, Jesus. Amen.

**Explanation of Vote for Sequence Number 695**

I understand the need to increase opportunities for training and apprenticeship. However, I am concerned about the lack of sufficient guardrails relating to underage workers on possibly dangerous jobsites. I would have been more comfortable if there were stronger language to ensure close supervision of these vulnerable youths and that the primary purpose of such work is bona fide training. There is much to learn about the world in general and specific professions and trades in particular. As such, youths should be primarily engaged in education and/or training until they are at least 18.

**Explanation of Vote for Sequence Number 707**

I am very sensitive to taking advantage of elderly people. I do believe that punishment is required in these instances, yet a life sentence in prison causes me pause. Particularly when there will be no chance for restitution being paid. The expense of housing the offender is vastly more than while no chance of

restitution for the victim to ever be paid. This was a difficult vote to make due to the competing interests.
