RESOLUTION WAIVING, TO THE EXTENT NECESSARY, MIAMI-DADE COUNTY RESOLUTION NOS. R-56-10, R-632-10, AND R-1017-10 RELATING TO CONTRACT LOBBYIST CONFLICT OF INTEREST WAIVER PROCEDURES; PROVIDING FOR AN EXPEDITED CONFLICT WAIVER REVIEW PROCESS BY THE CHAIRPERSON OF THIS BOARD WHEN A COUNTY CONTRACT LOBBYIST DISCLOSES TO THE COUNTY OR ATTESTS, IN ANY CONFLICT WAIVER REQUEST MADE, THAT A REPRESENTATION CONFLICT EXISTS; SETTING POLICY FOR MIAMI-DADE COUNTY THAT WHEN CONTRACT LOBBYISTS DISCLOSE TO THE COUNTY OR ATTEST THAT A REPRESENTATION CONFLICT EXISTS, SUCH CONFLICT WAIVER REQUESTS SHALL BE FORWARDED BY THE DIRECTOR OF THE OFFICE OF INTERGOVERNMENTAL AFFAIRS TO THE CHAIRPERSON OF THE BOARD OF COUNTY COMMISSIONERS FOR REVIEW AND ISSUANCE, AS NECESSARY, OF A CONFLICT WAIVER; AND DIRECTING THE COUNTY MAYOR OR COUNTY MAYOR'S DESIGNEE TO INCLUDE LANGUAGE REFLECTING THE POLICY SET FORTH IN THIS RESOLUTION IN ALL FUTURE FEDERAL AND STATE LOBBYING REQUESTS FOR QUALIFICATION, OTHER PROCUREMENT DOCUMENTS AS APPLICABLE, CONTRACTS, AND RENEWALS

WHEREAS, on November 11, 1999, this Board adopted Resolution No. R-1236-99 which provides that no County contract lobbyist or subcontractor shall represent any client and/or issue that may be adverse to the County without first requesting and obtaining permission from the County; and

WHEREAS, Resolution No. R-1236-99 also requires all contract lobbyists and their subcontractors to faithfully present and advocate for the County's best interests and policy positions as determined by the County's legislative package and resolutions passed by the Board, as well as other County interests that may arise over the course of the legislative process; and

WHEREAS, on May 9, 2000, this Board enacted Ordinance No. 00-64, codified at section 2-11.1.2 of the Code of Miami-Dade County, providing that no person or entity, whether an individual, firm, partnership or corporation, which receives compensation from the County for lobbying on behalf of the County or any of its agencies or instrumentalities at either the state, national or municipal level, shall represent any entity in any forum to support a position in opposition to a position of the County unless the Board grants a specific waiver for a specific lobbying activity; and

WHEREAS, the failure of any county contract lobbyist to comply with the provisions of Ordinance No. 00-64 shall result in either or both of the following:

- (1) That lobbyist's contract with the County being voidable by the County;
- (2) A prohibition, for a period of up to three years, as determined by this Board, on the lobbyist's entering into a lobbying contract with the County; and

WHEREAS, on January 21, 2010, this Board adopted Resolution No. R-56-10 setting policy related to conflict waiver requests by County contract lobbyists and requiring, among other things, that all County contract lobbyists obtain a conflict waiver from this Board prior to representing any client in any forum that is adverse to the County's interests, whether or not such interests are expressly set forth in the County's legislative package; and

WHEREAS, Resolution No. R-56-10 also required all County contract lobbyists to obtain a waiver from the Board for any actual or perceived conflicts of interest or provide a statement that the contract lobbyist has no conflicts prior to award or renewal of a contract, subcontract or work order, and placed all County contract lobbyists under a continuing, affirmative duty during the term of the lobbying contract and any renewal terms to promptly seek in writing and obtain a waiver from the Board for any conflict of interest prior to representing any entity in any forum; and

WHEREAS, on June 3, 2010, this Board adopted Resolution No. 632-10 which requested that the County's Commission on Ethics and Public Trust conduct conflict of interest checks related to County contract lobbyists and provide to this Board a report and recommendation on any County contract lobbyist conflict of interest waiver requests; and

WHEREAS, specifically, Resolution No. R-632-10 requested the Commission on Ethics and Public Trust to:

- (1) Conduct conflict checks related to the lobbying clients of County contract lobbyists on an annual basis and whenever any new clients or issues arise;
- (2) Review all conflict waiver requests submitted to the County by County contract lobbyists, and provide this Board with a report and recommendation on whether a conflict is presented related to such requests when the conflict waiver request goes before the Board at the next Board meeting; and
- (3) Provide the Board with a report and recommendation on whether a conflict is presented in any situation in which it comes to the attention of the County that a conflict of interest may have arisen; and

WHEREAS, on October 5, 2010, this Board adopted Resolution No. R-1017-10, which amended Resolution No. R-56-10 to require that any contract lobbyist conflict waiver request be submitted directly to the Clerk of the Board rather than the Chairperson of the Board, and directed the Clerk to both place the conflict waiver request on the agenda of the next available Board meeting and transmit the waiver request to the Executive Director of the Commission on Ethics and Public Trust so the Ethics Commission could conduct the review required by Resolution No. R-632-10; and

WHEREAS, in addition to the foregoing, the County's federal and state contract lobbyist agreements independently require all County contract lobbyists, including both the prime consultants and subconsultants, to comply with the provisions of Resolution No. R-1236-99 and Ordinance No. 00-64, as well as the County's general Conflict of Interest Ordinance, Ordinance No. 72-82, as amended; and

WHEREAS, the federal and state agreements also place all County contract lobbyists, including both the prime consultants and subconsultants, under an obligation to disclose all clients to the County and to advise the County immediately when any actual or perceived conflict may arise; and

WHEREAS, the federal and state agreements impose these obligations on County contract lobbyists on a continuing basis throughout the term of the contract and any extensions or renewal terms; and

WHEREAS, the federal and state agreements also provide that once a conflict waiver request has been received by the County, the County reserves the right to determine whether the contract lobbyist, partner, or subcontractor may continue representing the County and the other interest until the Board of County Commissioners can consider the conflict issue; and

WHEREAS, upon review of the waiver request, this Board may take, in its sole discretion, any action regarding a conflict waiver request, including the following:

- (1) Grant a waiver and allow the lobbying firm to continue to represent both the County and the other client on all issues, including the issue on which a conflict or potential conflict exists;
- (2) Refuse to grant a waiver and require the lobbying firm to choose between representing either the County or the other party, requiring the lobbying firm to entirely give up its representation either of the County or the other party;

(3) Refuse to grant a waiver and void the County's contract with the lobbying firm;

(4) Grant a limited waiver and allow the lobbying firm to continue to represent both the County and the other party under whatever limitations or restrictions the County, in its sole discretion, determines to be appropriate; and

WHEREAS, although the County's conflict waiver request process is robust and thorough, it neither quickly or efficiently resolves contract lobbyist conflict waiver requests where there is no dispute regarding whether a conflict exists; and

WHEREAS, the County's current conflict waiver request process, which includes requesting a report and recommendation from the Commission on Ethics and Public Trust whenever a conflict issue is presented, is first aimed at resolving whether a conflict exists, and not designed to strictly or quickly resolve how to proceed once determined that a conflict does exist; and

WHEREAS, County contract lobbyists, who are experienced and highly trained professionals, are often immediately aware of and disclose that a conflict concerning representation exists and, in so doing, seek quick resolution from the County regarding the issuance of a conflict waiver; and

WHEREAS, in order to promote expediency and a more judicious use of County resources, this Board finds it prudent to direct all contract lobbyist conflict waiver requests, when it is undisputed that a conflict exists, and on behalf of this Board, to the Chairperson to take immediate action and determine whether a conflict waiver should be issued or, where more information is needed regarding whether a conflict exists, forward the waiver request to the Commission on Ethics and Public Trust for a report and recommendation and place the waiver request on the next available agenda of this Board,

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MIAMI-DADE COUNTY, FLORIDA, that:

Section 1. The foregoing recitals are incorporated as if fully set forth herein.

Section 2. This Board waives, to the extent necessary, Miami-Dade County Resolution Nos. R-56-10, R-632-10, and 1017-10 relating to contract lobbyist conflict waiver procedures in order to create an expedited conflict waiver review process by the Chairperson of this Board when a County contract lobbyist discloses to the County or attests, in any conflict waiver request made, that a representation conflict exists.

Section 3. It is the policy of Miami-Dade County that when contract lobbyists disclose to the County or attest that a representation conflict exists whereby the contract lobbyist, subcontractor, or any other lobbyist hired under work orders pursuant to the applicable contract may support a position in opposition to a position of the County, in any forum, such conflict waiver requests shall be forwarded by the Director of the Office of Intergovernmental Affairs to the Chairperson of the Board of County Commissioners who may, on behalf of this Board, take immediate action to determine whether a conflict waiver should be issued and, as necessary, issue such waiver. If the Chairperson does not issue a waiver following the disclosure or attestation by the contract lobbyist of a representation conflict, the Chairperson shall place the conflict waiver request on the next available agenda of this Board for its review.

Section 4. To effectuate this policy, and consistent with Miami-Dade County Resolution No. R-56-10, no contract or work order for lobbying shall be awarded, renewed, or payment made until the contract lobbyist who discloses to the County or attests that a representation conflict exists, including all subcontractors and lobbyists hired under work orders pursuant to the contract, seeks in writing and obtains a waiver from the Chairperson or this Board for any conflicts of interest.

Section 5. Subject to the limitations described in Section 3 above concerning the expedited conflict waiver review process for contract lobbyists who disclose or attest, in any conflict waiver request made, that a representation conflict exists, and pursuant to Miami-Dade County Resolution No. R-632-10, the Commission on Ethics and Public Trust shall continue to review all other conflict waiver requests submitted to the County by County contract lobbyists, particularly in each instance where an assessment is required regarding whether a representation conflict may exist, and provide the Board a report and recommendation on whether a conflict is present related to such requests.

Section 6. The County Mayor or County Mayor’s designee is directed to include language reflecting the policy set forth in this resolution in all future federal and state lobbying requests for qualification, other procurement documents as applicable, contracts, and renewals.

Pursuant to Ordinance Nos. 72-82 and 00-64 and Resolution No. R-1236-99, no person or entity, whether an individual, firm, partnership or corporation, which receives compensation either directly or indirectly from the County for lobbying on behalf of the County or any of its agencies or instrumentalities at either the municipal, state, or national level shall represent any entity in any forum to support a position in opposition to a position of the County unless the Board of County Commissioners grants a specific waiver for a specific lobbying activity. The failure to comply with this provision shall result in either or both of the following: (i) the Contractor's contract being voidable by the County or (ii) a prohibition, for a period of up to three years, as determined by the Board of County Commissioners in its sole discretion, on the Contractor entering into a lobbying contract with the County. Resolution No. R-1236-99 provides that this obligation shall be a continuing one that applies throughout the term of this Contract. Pursuant to Resolution No. R-56-10, no contract for lobbying shall be awarded or renewed, or payment made, until the Contractor, including all Subcontractors and lobbyists hired under Work Orders, seeks in writing and obtains a waiver from the Board of County Commissioners for any actual or perceived conflicts of interest. If the Contractor has no conflicts, then the Contractor shall provide a written statement prior to award of the Contract and prior to Contract renewals. All such waiver requests shall be submitted directly to the Chairman of the Board of County Commissioners.

Pursuant to Sections 2-11.1 and 2-11.1.2, no person or entity, whether an individual, firm, partnership or corporation, which receives compensation either directly or indirectly from the County for lobbying on behalf of the County or any of its agencies or instrumentalities at either the municipal, state, or national level shall represent any entity in any forum to support a position in opposition to a position of the County unless the Board of County Commissioners grants a specific waiver for a specific lobbying activity. The failure to comply with this provision shall result in either or both of the following: (i) the Contractor's contract being voidable by the County or (ii) a prohibition, for a period of up to three years, as determined by the Board of County Commissioners in its sole discretion, on the Contractor entering into a lobbying contract with the County.

Concurrent with entering this Agreement, the Contractor, on behalf of itself and any and all employees, partners, and Subcontractors, shall provide the Executive Director of the Office of Intergovernmental Affairs a copy of the 2022 state legislative and executive Lobbyist Registration Forms for each and every client the Contractor and its employees, partners, and subcontractors represents at the time this Agreement is entered. In the event the Contractor and its employees, partners, and subcontractors acquires additional

clients after this Agreement is executed, the Contractor, on behalf of itself and any and all employees, partners, and subcontractors, shall have an affirmative obligation over the term of this Agreement (including a renewal or extension term if applicable) to provide the Executive Director of the Office of Intergovernmental Affairs a copy of the legislative and executive Lobbyist Registration Forms for such clients prior to undertaking any lobbying activities for such client or within 48 hours of filing the form with the state government, whichever comes first. This obligation shall apply whether such party or interest is adverse to the County or not. Such notification must include all parties the Contractor or employees, partners, or subcontractors wishes to represent.

Separate and independent from the above-referenced obligation, the Contractor, on behalf of itself and any and all employees, partners, and subcontractors, must advise the Executive Director of the Office of Intergovernmental Affairs in writing of any position in opposition to a County position that the Contractor or any employee, partner, or subcontractor desires to take and request a waiver of such conflict before the Board of County Commissioners prior to taking such a position. A position in opposition to a County position may take the form of an adverse policy position or fiscal impact on the County, either direct or indirect. A position in opposition to a County position is not limited to a position that conflicts with an express provision of the legislative package adopted by the Board of County Commissioners. It may also arise in other areas. Not every County interest can be anticipated or enumerated in the County's legislative package, and issues arise and change over the course of the legislative process. It is incumbent on the Contractor and its employees, partners, and subcontractors to remain mindful of the County's policy and fiscal interests and positions vis-à-vis other clients. If an actual or perceived conflict arises, the Contractor and/or subcontractor must advise the County Mayor and the Executive Director of the Office of Intergovernmental Affairs immediately in writing and seek a waiver of the conflict before the Board of County Commissioners prior to representing the adverse interest or position.

The Executive Director of the Office of Intergovernmental Affairs reserves the right to question the Contractor regarding any client or any potential and/or perceived conflict.

Once a conflict waiver request has been received by the County, the County Mayor reserves the right to determine whether the Contractor and/or employee, partner, or Subcontractor may continue representing the County and the other interest until the Board of County Commissioners can consider the conflict issue. The Board of County Commissioners may take, in its sole discretion, any action regarding a waiver request, including but not limited to the following: (i) grant a waiver and allow the Contractor, and/or employee, partner, or subcontractor to continue to represent both the County and the other party; (ii) refuse to grant a waiver and require the Contractor, and/or employee, partner, or subcontractor to choose between representing Miami-Dade County or the other party, or to discontinue representing the other party; (iii) refuse to grant a waiver and void its contract with the Contractor and/or employee, partner, or subcontractor; or (iv) grant a limited waiver and allow the Contractor and/or employee, partner, or subcontractor to continue to represent both the County and the other party under whatever limitations or restrictions the County, in its sole discretion, determines to be appropriate.

Pursuant to Resolution No. R-1236-99, the Contractor and each Subcontractor shall prepare reports at least monthly advising the Commission of the current status of all issues that the lobbyist is monitoring or tracking that may affect the County, the actions taken on such issues, and the recommendations for future actions on such issues. The Contractor and each subcontractor shall also raise, discuss and recommend any affirmative

legislative action that may benefit the County. Also, pursuant to Resolution No. R-1236-99, all County contracts and subcontracts for lobbying or representation at the state or federal level and/or individuals and firms hired to represent the County on intergovernmental issues must be approved by the Board of County Commissioners. As such, any subcontractors that the Contractor seeks to hire to fulfill the requirements of this contract must receive prior approval by the Board of County Commissioners.

Pursuant to Resolution No. R-232-01, County lobbyists are instructed to limit legislative initiatives and funding requests on behalf of the County to those that have been approved by the Board of County Commissioners and/or set forth in the legislative package.

Pursuant to Resolution No. R-885-06, the Contractor's and each Subcontractor's individuals registered as a contract lobbyist to lobby the State Legislature on behalf of the County shall be prohibited from lobbying the Board of County Commissioners during the regular state legislative session. This does not prohibit individuals who are not registered as state legislative contract lobbyists for the County from lobbying the Board of County Commissioners and does not apply to individuals lobbying the Board of County Commissioners on behalf of a section 501(c)(3) not-for-profit organization. The County staff shall provide each commissioner with a list at the beginning of each session of all County contract lobbyists registered to lobby the legislative branch at the state level on behalf of the County, and any subsequent changes or updates to such a list.

____ Contractor has read, understands and agrees to abide by the conflict of interest and other provisions contained in this section 4(f).

ARTICLE 5. CONTRACT TERM

The Contract shall become effective on the date on the first page and shall continue for one (1) year. The County, at its sole discretion, reserves the right to exercise the option to renew this Contract for a period for three (3) additional years on a year-to-year basis. The County reserves the right to exercise its option to extend this Contract for up to one hundred-eighty (180) calendar days beyond the current Contract period and will notify the Contractor in writing of the extension. This Contract may be extended beyond the initial one hundred-eighty (180) calendar day extension period by mutual agreement between the County and the Contractor, upon approval by the Board of County Commissioners.

Billings from prime Contractors under services and goods contracts with the County or Public Health Trust, that are Small Business Enterprise contract set-aside, bid preference or contain a subcontractor goal, shall be promptly reviewed and payment made by the County or Trust on those amounts not under dispute within fourteen (14) calendar days of receipt of such billing by the County or the Trust pursuant to Sections 2-8.1.1.1.1 and 2-8.1.1.1.2 of the Code of Miami-Dade. All payments due from the County or the Public Health Trust, and not made within the time specified by this section shall bear interest from thirty (30) days after the due date at the rate of one percent (1%) per month on the unpaid balance. Further, proceedings to resolve disputes for payment of obligations shall be concluded by final written decision of the County Mayor, or his or her designee(s), not later than sixty (60) days after the date on which the proper invoice was received by the County or the Public Health Trust.

Such retained amount shall be applied to the amount owed by the Contractor to the County. The Contractor shall have no further claim to such retained amounts which shall be deemed full accord and satisfaction of the amount due by the County to the Contractor for the applicable payment due herein.

The failure to comply with this provision shall result in either or both of the following: (i) the Contractor's contract being voidable by the County or (ii) a prohibition, for a period of up to three years, as determined by the Board of County Commissioners in its sole discretion, on the Contractor entering into a lobbying contract with the County.

Separate and independent from the above-referenced obligation to notify the County of representation, the Contractor, on behalf of itself and any and all employees, partners and Subcontractors, must advise the Chairperson of the Board of County Commissioners and the Office of Intergovernmental Affairs in writing of any position in opposition to a position of the County taken by the Contractor, or any employee, partner or Subcontractor, and request a waiver of such conflict before the Board of County Commissioners. A position in opposition to a position of the County may take the form of an adverse policy position or fiscal impact on the County, either direct or indirect. A position in opposition to a position of the County is not limited to a position that conflicts with an express provision of the legislative package adopted by the Board of County Commissioners. It may also arise in other areas. Not every County interest can be anticipated or enumerated in the County's legislative package, and issues arise and change over the course of the legislative process. It is incumbent on the Contractor, and its employees, partners and Subcontractors, to remain mindful of the County's policy and fiscal interests and positions vis-à-vis other clients.

If an actual or perceived conflict arises, the Contractor and/or Subcontractor must advise the Office of Intergovernmental Affairs immediately in writing and seek a waiver of the conflict before the Board of County Commissioners. Once a conflict waiver request has been received by the County, the County reserves the right to determine whether the Contractor and/or employee, partner or Subcontractor may continue representing the County and the other interest until the Board of County Commissioners can consider the conflict issue. The Board of County Commissioners may take, in its sole discretion, any action regarding a waiver request, including but not limited to the following: (i) grant a waiver and allow the Contractor, and/or employee, partner or Subcontractor, to continue to represent both the County and the other party; (ii) refuse to grant a waiver and require the Contractor, and/or employee, partner or Subcontractor, to choose between representing Miami-Dade County or the other party, or to discontinue representing the other party; (iii) refuse to grant a waiver and void its contract with the Contractor, and/or employee, partner or Subcontractor; or (iv) grant a limited waiver and allow the Contractor, and/or employee, partner or Subcontractor, to continue to represent both the County and the other party under whatever limitations or restrictions the County, in its sole discretion, determines to be appropriate.

D. Monthly Reports

Pursuant to Resolution No. R-1236-99, the Contractor and each Subcontractor shall prepare regular monthly reports advising the Commission of the current status of all issues that the lobbyist is monitoring or tracking that may affect the County, the actions taken on such issues, and the recommendations for future actions on such issues. The Contractor and its Subcontractor(s) shall also raise, discuss and recommend any affirmative legislative action that may benefit the County.

E. Board of County Commissioners Approval of Individuals and Firms Lobbying

Pursuant to Resolution No. R-1236-99, all County contracts and subcontracts for lobbying or representation at the state or federal level and/or individuals and firms hired to represent the County on intergovernmental issues must be approved by the Board of County Commissioners. As such, any Subcontractor that the Contractor seeks to hire to fulfill the requirements of the contract must receive prior approval by the Board of County Commissioners.

F. Prohibition on Lobbying Board of County Commissioners

Pursuant to Resolution No. R-885-06, the Contractor's and each Subcontractor's individuals registered as a contract lobbyist to lobby the State Legislature on behalf of the County shall be prohibited from lobbying the Board of County Commissioners during the regular state legislative session. This does not prohibit individuals who are not registered as state legislative contract lobbyists for the County from lobbying the Board of County Commissioners and does not apply to individuals lobbying the Board of County Commissioners on behalf of a section 501(c)(3) not-for-profit organization. The County staff shall provide each Commissioner with a list at the beginning of each session of all County contract lobbyists registered to lobby the legislative branch at the state level on behalf of the County, and any subsequent changes or updates to such a list.

3. Services to be Provided

The Contractor shall provide governmental representation and consulting services requested by the County, for various subjects/issues assigned to the Contractor, including but not limited to those examples listed in **Attachment A, State Subject Areas/Issues**.

The Contractor shall:

1. Report and meet with the County on a weekly basis, during the Florida Legislature's legislative session, or on an as needed basis during interim committee meetings and special sessions on those issues important to the County and the actions taken on such issues.
2. Report and meet with the County on a monthly basis when the Florida Legislature is not in session.
3. Prepare monthly reports (weekly during the Legislative session), in a timely manner, advising the County of the current status of all issues that they are monitoring or tracking that may affect Miami-Dade County, the actions taken on such issues, and recommendations for future actions on such issues. Reports shall be provided in a format, and with a level of detail, acceptable to the County. The reports shall be provided by the Contractor to the Chairman and Members of the Board of County Commissioners, Commission Auditor, and Office of Intergovernmental Affairs.

(Note: An invoice will not be accepted by the County as proper, and ready for payment, if the Contractor has outstanding reports due from that invoice period or earlier.)

4. Raise, discuss and recommend any affirmative legislative action that may benefit the County.
5. Be available, if requested, on a twenty-four hour basis during the session: assisting in writing, interpreting, and monitoring legislation and regulations; drafting legislation, amendments, proviso language, position papers and testimony; and providing weekly written progress reports detailing services that have been rendered.
6. Provide a full range of lobbying and advocacy services including meeting with members of the Legislature, testifying at committee meetings on the County's behalf, assigning a designated person to closely monitor and review all substantive floor amendments and bills, and preparing reports advising the County of the current status of legislation during and after the legislative session.
7. Integrate its efforts with the County's Office of Intergovernmental Affairs to ensure a strong consistent legislative program.
8. Obtain documentation and research materials upon request.
9. Forward all required reports to the County upon request by the County in the number of copies as requested by the County for that particular instance.
10. Upon request, arrange for meetings, including members of the Miami-Dade County State Delegation, with members of state legislature including those in leadership positions and in key committees. Arrange meetings with senior staff of the state legislature and key officials in the Governor's Office and critical state agencies.
11. Provide a comprehensive end of session report detailing the resolution of all issues worked on, detailing all actions undertaken on such issues.

4. Optional Services

The County reserves the right to request office space in the vicinity of the Capitol, with ancillary services including, but not limited to, parking, phones, computer equipment, supplies, clerical support to County staff, copy machine, filing space, and an intern/runner, for use by County staff for the duration of their time in Tallahassee. The County has the option of requiring any Contractor to provide the referenced office space and ancillary services at an agreed upon cost. All optional services and related expenses require prior written County approval.
