In consideration of the mutual promises contained herein, the COUNTY and the CONTRACTOR agree as follows:

ARTICLE 1 - SERVICES

The COUNTY'S representative/liaison during the performance of this Contract shall be Kelley telephone no. (407) 836-5423.

ARTICLE 2 - SCHEDULE

The CONTRACTOR shall commence services on January 1, 2019 and complete all services by December 31, 2019.

Reports and other items shall be delivered or completed in accordance with the detailed schedule set forth in Exhibit "A".

This contract may be renewed, by mutual agreement, for additional periods up to a cumulative total of five (5) years at the same prices, terms and conditions. Any change in price, terms or conditions shall be accomplished by written amendment to this contract.

Any order issued during the effective date of this contract, but not completed within that period, shall be completed by the CONTRACTOR within the time specified in the order. The contract shall govern the CONTRACTOR and the COUNTY'S rights and obligations with respect to the extent as if the order were completed during the contract's performance period.

ARTICLE 3 - PAYMENTS TO CONTRACTOR

- A. The total amount to be paid by the COUNTY under this Contract for services, shall not exceed Seventy-Two Thousand Dollars (\$72,000). The CONTRACTOR will notify the COUNTY, in writing, when 90% of the estimated contract amount has been reached. The CONTRACTOR will bill the COUNTY on a monthly basis, or as otherwise provided, at the amounts set forth in Exhibit "B" for services rendered toward the completion of the Scope of Work. Where

incremental billing for partially completed items is permitted, the total incremental billings shall not exceed the percentage of estimated completion as of the billing date.

- B. Invoices received from the CONTRACTOR pursuant to this Contract will be reviewed and approved by the initiating County Department, indicating that services have been rendered in conformity with the Contract and then will be sent to the Finance Department for payment. Invoices must reference this contract number. Invoices will be paid in accordance with the State of Florida Local Government Prompt Payment Act.
- C. Final Invoice: In order for both parties herein to close their books and records, the CONTRACTOR will clearly state "final invoice" on the CONTRACTOR'S final/last billing to the COUNTY. This certifies that all services have been properly performed and all charges and costs have been invoiced to Orange County. Since this account will thereupon be closed, any and other further charges if not properly included on this final invoice are waived by the CONTRACTOR.

The said rates and costs shall be adjusted to exclude any significant sums should the COUNTY determine that the rates and costs were increased due to inaccurate, incomplete or non-current wage rates or due to inaccurate representations of fees paid to outside Contractors. The COUNTY shall exercise its right under this "Certificate" within one (1) year following final payment.

ARTICLE 5 - TERMINATION

Failure to adequately cure the deficiency shall result in termination action. Such termination may also result in suspension or debarment of the CONTRACTOR in accordance with the County's Procurement Ordinance. The CONTRACTOR and its sureties (if any) shall be liable for any damage to the COUNTY resulting from the CONTRACTOR's default of the contract. This liability includes any increased costs incurred by the COUNTY in completing contract performance.

If this contract is terminated, the COUNTY shall be liable only for goods or services delivered and accepted. ARTICLE 27 - MODIFICATIONS OF WORK

The COUNTY reserves the right to make changes in the work, including alterations, reductions therein or additions thereto. Upon receipt by the CONTRACTOR of the COUNTY'S notification of a contemplated change, the CONTRACTOR shall (1) if requested by COUNTY, provide an estimate for the increase or decrease in cost due to the contemplated change, (2) notify the COUNTY of any estimated change in the completion date, and (3) advise the COUNTY in writing if the contemplated change shall affect the CONTRACTOR'S ability to meet the completion dates or schedules of this Contract.

If the COUNTY so instructs in writing, the CONTRACTOR shall suspend work on that portion of the work affected by a contemplated change, pending the COUNTY'S decision to proceed with the change.

If the COUNTY elects to make the change, the COUNTY shall issue a Contract Amendment or Change Order and the CONTRACTOR shall not commence work on any such change until such written amendment or change order has been issued and signed by each of the parties.

ARTICLE 28 -DISPLACED WORKERS

CONTRACTOR has committed to hire zero (0) CareerSource Central Florida participants residing in the Orlando MSA. Therefore, within five (5) days after contract award,

CONTRACTOR shall contact the Orange County Business Development Liaison (BDD) at (407) 836-7317 to assist with meeting this requirement. The BDD Liaison will work with the CareerSource Central Florida staff and the CONTRACTOR to ensure that the process is properly adhered until all requirements have been met. CareerSource Central Florida participants may be employed in any position within the firm but must be hired on a fulltime basis.

The failure of the CONTRACTOR to comply with these hiring commitments after contract award shall be grounds for termination of the contract for default.

During performance of the contract, the CONTRACTOR will take appropriate steps to ensure that individuals hired under this program are retained. However, if it becomes necessary to replace an employee, the CONTRACTOR shall contact the BDD Liaison. At its discretion, COUNTY may periodically request submission of certified payrolls to confirm the employment status of program participants.

ARTICLE 29 - REQUIREMENTS CONTRACT

This is a Requirements Contract and the COUNTY shall order from the CONTRACTOR all of the supplies and/or services specified in the contract's price schedule that are required to be purchased by the COUNTY. If the COUNTY urgently requires delivery of goods or services before the earliest date that delivery may be required under this contract, and if the CONTRACTOR will not accept an order providing for accelerated delivery, the COUNTY may acquire the goods or services from another source.

Except as this contract may otherwise provide, if the COUNTY'S requirements do not result in orders in the quantities described as "estimated" in the contract's price schedule, that fact shall not constitute the basis for an equitable adjustment.

ARTICLE 30 - CONTRACT CLAIMS

"Claim" as used in this provision means a written demand or written assertion by one of the contracting parties seeking as a matter of right, the payment of a certain sum of money, the adjustment or interpretation of contract terms, or other relief arising under or relating to this contract.

Claims made by a Contractor/Contractor against the County relating to a particular contract shall be submitted to the Procurement Manager in writing clearly labeled "Contract Claim" requesting a final decision. The Contractor also shall provide with the claim a certification as follows: "I certify that the claim is made in good faith;

that the supporting data are accurate and complete to the best of my knowledge and belief; that the amount requested accurately reflects the contract adjustment for which the Contractor/Contractor believes the County is liable; and that I am duly authorized to certify the claim on behalf of the Contractor/Contractor."

Failure to document a claim in this manner shall render the claim null and void. Moreover, no claim shall be accepted after final payment of the contract.

The decision of the Procurement Manager shall be issued in writing and shall be furnished to the Contractor/Contractor. The decision shall state the reasons for the decision reached. The Procurement Manager shall render the final decision within sixty (60) days after receipt of Contractor's/Contractor's written request for a final decision. The Procurement Manager's decision shall be final and conclusive.

The Contractor/Contractor shall proceed diligently with performance of this contract pending final resolution of any request for relief, claim, appeal or action arising under the contract and shall comply with any final decision rendered by the Manager of Procurement.

ARTICLE 31 - TOBACCO FREE CAMPUS

All Orange County operations under the Board of County Commissioners shall be tobacco free. This policy shall apply to parking lots, parks, break areas and worksites. It is also applicable to contractors and their personnel during contract performance on county-owned property. Tobacco is defined as tobacco products including, but not limited to, cigars, cigarettes, e-cigarettes, pipes, chewing tobacco and snuff. Failure to abide by this policy may result in civil penalties levied under Chapter 386, Florida Statutes and/or contract enforcement remedies.

ARTICLE 32 – VERIFICATION OF EMPLOYMENT STATUS

Prior to the employment of any person under this contract, the contractor shall utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of (a) all persons employed during the contract term by the contractor to perform employment duties within Florida and (b) all persons, including subcontractors, assigned by the contractor to perform work pursuant to the contract with Orange County. Please refer to USCIS.gov for more information on this process.

Only those employees determined eligible to work within the United States shall be employed under the contract.

Therefore, by submission of a bid or proposal in response to this solicitation, the contractor confirms that all employees in the above categories will undergo e-verification before placement on this contract. The contractor further confirms his commitment to comply with this requirement by completing the E- Verification certification.

ARTICLE 33 – LAWS AND REGULATIONS

All applicable Federal and State laws, municipal and County ordinances shall apply to the solicitation and Contract.

ARTICLE 34 – ADDENDA

All requirements contained in any addenda to the solicitation for this procurement are part of and hereby incorporated into this contract.

ARTICLE 35 – PRICE ESCALATION/DE-ESCALATION (CPI)

The County may allow a price escalation provision within this award.

The original contract prices shall be firm for the entirety of the initial (3 year) contract period. A price escalation/de-escalation will be considered at the time of contract renewal and at 1-year intervals thereafter, provided the Contractor notifies the County, in writing, of the pending price escalation/de-escalation a minimum of sixty (60) days prior to the contract renewal date. Price adjustments shall be based on the latest version of the Consumers Price Index (CPI-U) for All Urban Consumers, All Items, U.S. City Average, non-seasonal, as published by the U.S. Department of Labor, Bureau of Labor Statistics. This information is available at www.bls.gov.

Price adjustment shall be calculated by applying the simple percentage model to the CPI data. This method is defined as subtracting the base period index value (at the time of initial award) from the index value at time of calculation (latest version of the CPI published as of the date of request for price adjustment), divided by the base period index value to identify percentage of change, then multiplying the percentage of change by 100 to identify the percentage change. Formula is as follows:

$$\text{Current Index} - \text{Base Index} / \text{Base Index} = \% \text{ of Change}$$

$$\% \text{ of Change} \times 100 = \text{Percentage Change}$$

CPI-U Calculation Example:

CPI for current period	232.945
Less CPI for base period	229.815
Equals index point change	3.130
Divided by base period CPI	229.815
Equals	0.0136
Result multiplied by 100	0.0136 x 100
Equals percent change	1.4%

A price increase may be requested only at each time interval specified above, using the methodology outlined in this section. To request a price increase, Contractor shall submit a letter stating the percentage amount of the requested increase and adjusted price to the Orange County Procurement Division. The letter shall include the complete calculation utilizing the formula above, and a copy of the CPI-U index table used in the calculation. The maximum allowable increase shall not exceed 4%, unless authorized by the Manager, Procurement Division. If approved, the price adjustment shall become effective on the contract renewal date. All price adjustments must be accepted by the Manager, Procurement Division and shall be memorialized by written amendment to this contract. No retroactive contract price adjustments will be allowed.

Should the CPI-U for All Urban Consumers, All Items, U.S City Average, as published by the U.S. Department of Labor, Bureau of Labor Statistics decrease during the term of the contract, or any renewals, the Contractor shall notify the Orange County Procurement Division of price decreases in the method outlined above. If approved, the price adjustment shall become effective on the contract renewal date. If the Contractor fails to pass the decrease on to the County, the County reserves the right to place the Contractor in default, cancel the award, and remove the Contractor from the County Vendor List for a period of time deemed suitable by the County. In the event of this occurrence, the County further reserves the right to utilize any options as stated herein.
